New public toilets at Taurangi

Feedback must be received by 5pm, Tuesday 1 December 2026.

Taurangi is a recreation hub in Three Kings with 2 sports fields, a playground and public walkways.

We want to build new public toilets at Taurangi because the existing toilets at Three Kings Reserve are too far away for people using the hub.

The design is inspired by Three Kings Quarry. The toilet building will have:

- textured concrete walls
- a feature wall inspired by the curved shape of the quarry walls
- a stepped roof.

The proposed design includes:

- two unisex toilets, both suitable for wheelchair users
- a baby-changing table
- a small locked room for services and cleaning.

The toilets will be in a central, visible location within the hub to help people feel safe when using them.

Tell us what you think about the proposed design and any concerns you have.

We would like your views on:

- the overall look and feel of the design
- which design features you like
- anything you would change
- what would make the toilets feel safe and welcoming to use.

We have already decided:

- where the toilets will be located in the park
- how many toilets will be built
- the budget for the project.

Council has also set requirements for materials that are sturdy, vandal-resistant and easy to maintain.

These are not part of this consultation.

We will use your feedback to finalise the design and present it to Puketāpapa Local Board for approval.

From March to August 2027, we will complete the detailed design and apply for resource and building consents.

From September 2027 to February 2028, we will complete the tender process and build the new toilets.

We encourage you to give feedback online at akhaveyoursay.nz or you can:
