

Howell Crescent neighborhood reserve

Feedback must be received by 4 December 2025.

We are planning to develop a new neighbourhood park at 3-7 Howell Crescent, Mt Roskill. We want to create a welcoming green space that caters for the growing Roskill South community.

The proposed concept plan includes:

- a new playground designed for a range of ages
- a kick-a-ball area and half basketball court to support active recreation
- a community space with shade, picnic tables and a drinking fountain
- a shared path to improve walking and cycling connections
- more opportunities for families, young people and the wider community to come together.

We would like to hear your thoughts on:

- the playground design
- the types of community space features you value most
- how you see yourself using the park.

Lighting, toilets, car parks and a skate park are not possible at this site.

You can access the proposed concept plan and accompanying information at akhaveyoursay.nz/howell-crescent

Your feedback will help shape the final design, so it reflects the needs of the local community.
