## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   The original intent of the Treaty of Waitangi has been changed multiple times since it was signed. Sir Apirana Ngata would be appalled by some of the current claims of what the treaty actually means. New Zealand is a representative democracy with legally defined equal rights for all, guaranteed by the terms of the treaty. To claim that one group is entitled to a greater share than "one person, one vote" is fatuous. Since Maori are entitled to stand on the general voters list and to be elected by those voters it is ridiculous to claim that there is a need for a separate group of voters to elect a representative for that separate group (and presumably not to represent the members of that ethnicity who choose to remain on the general roll. If 11% are to have separate representation, then various other ethnicities should also be allowed to have separate representation as the treaty requires equal rights for all. This of course would be ridiculed as a nonsense, as is the proposal to provide separate Maori representation.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under ‘Options for Māori seats’.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**

Voters should have to make the choice on which roll to register, whereas the RC model would effectively allow voting on the general roll plus representation by the appointees. It would be interesting to see how many Maori actually register on the Maori roll, and their influence should be understood to represent only that (presumably) small number.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**
   It should be noted that when the other jurisdictions governance groups voted in Maori seat representation their decisions were roundly criticised by the majority of the electors in those jurisdictions.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   There are many mana whenua groups of tāmaki and a growing population of your Maori within the region. There should be adequate representation and advocacy for the largest Maori population in Aotearoa. Not only this, but partnerships with mana whenua should be better handled and given the growing need for large scale infrastructure, appropriate mechanisms and representation to engage with mana whenua is important.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   A different model

   **Tell us why:**
   I believe there could be a better way to enable Maori seats within Auckland Council. I don't believe the parliamentary model works and pays only lipservice to tick the brown box. Something more meaningful is required here. Like partners in a law firm...

#89

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

   To be guided with Tikanga, ensure they are mana whenua and relevant to the local areas i.e. a north, south, east, west and central representatives.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   Council seats should be based on democratic election not race.

   A councillor should be elected because of his/her capability , ideas for improving the city, in other words capability to get something done.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**
   I think it is undemocratic, but this option appears the smallest.

   I believe Maori candidates should be elected on their capability to improve life for everyone . They can be just as capable as non Maori people and should be voted for on that basis.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**
   Keep the voting based on democracy

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**

   **Tell us why:**
   I think having separate Māori seats will create a skew in decision-making that may not be what the general public wants. I think that the council seats should stay as elected seats as that ensures that the people making decisions for Auckland are chosen by the people in Auckland.

   all the cultural content for all the different cultures is adding heaps of money to the rates> They need to cut back on unnecessary spending to try to balance the books, including Mayor Wayne Brown's huge idea to spend on the ports. It is too much money going out and then you put up the rates for no value to me

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**

   **Tell us why:**
   Councillors should be elected, not appointed, and the whole system should be meritorious, not based on race, ethnicity, gender, religion, or any other criteria. Maori should get onto Council on their own merits through the election process. If they're good enough, they'll get there, just like every other Kiwi on the Council. To get there as a 'right' smacks of 'monarchistic' birthright.

#913

We're one classless nation of people.  This idea creates a Marxist / Socialist classes of people which only results in conflict and division.  It gives a minority unearned power over the majority based solely on their race.

The solution for Maori under-representation isn't government legislation, but Maori themselves getting up and earning their place at the table.

The fact there aren't Maori representatives on Council is symptomatic of the lack of Maori willing to try and get on Council.  Appointing them to Council isn't going to assure the quality of that representation.

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   I belive that New Zealand in the 21st century is made up of many diferent cultures , the world stage is now a global village, and as a country we should stand United as one people ,for divided we fall, NZ has remained historicaly isolated , yet now finds itself of interest strategicaly to the powers that would seek to dominate the pacific , I see an apartied model being created in the governance of this country, and although well intended is nieve , to create division by granting privlage to one section of the population , is undemocratic and will feed power into the hands of Racist Zelots of Each divided section of the populance.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

   if seats are to be created especially for 11.5 % of the population then why not create seats especially for

   other cultures of A.uckland , ie Chinese , Indian, whoes Ancestors arrived to this land by boat as did the Moari. tradition is about building united together on the NOW not faning the ashes of the past, there is only One Race the HUMAN race

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**
   Because it should be the people's choice who represents them. Mana whenua do NOT always speak for all Maori. Auckland has the highest population of Maori in the world from all over the country and so all should be voted and may the best woman win a seat.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

That I am not an activist but that I believe there is an inherent caring becoming more recognised with each emergency event Auckland has had in the past 4 years. We genuine Maori don't want to protest or even necessarily have differing views from the Council but we might have a slightly different approach which could be seen as less confrontational or rather...more people friendly.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**

   **Tell us why:**
   The provision of seats on the Council based on race is inherently racists. Further, there are already two unelected Maori seats on all committees in Council via the statutory Maori advisory roles. Giving an additional 2 seats to one particular race would double that groups representation. This is wholly undemocratic.

   This would be the best way forward for Maori, using this Royal Commission Model for the results in having some say to what happens to the land in Auckland Council and Aotearoa.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

#2965

It is important for Maori to have some say in what happens to the land in Auckland Council to make sure from a Maori opinion, important decision are finalized with there approval.

   **Tell us why:**
   We need to stop this move towards racial separatism and start coming together as New Zealanders. All these race-based policies serve to do is sow division. It goes against everything people like Martin Luther King Jr fought for - it's 21st century segregation. We need to stop encouraging all this grievance which prevents people believing in themselves, moving on and getting ahead. People can't get ahead if they're constantly told they're hard done by and stuff that happened 150 years ago means they're inherently restricted.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   Because this measure would further enhance the political division within New Zealand between Maori and non-Maori. This division, driven from Wellington, is tearing this country apart and Auckland Council has an opportunity to stand up for the egalitarian values which the vast majority of New Zealanders hold dear.

   Auckland Council's strength and legitimacy comes in no small part from its (general) adherence to racial colour-blindedness. AC governs on behalf of a vibrant multicultural region with many ethnicities. Formally raising one of those ethnicities above the rest will reduce Aucklanders' willingness to support . And as Auckland is experiencing serious growing pains it is in desperate need of vertical and horizontal infrastructure construction. That construction is dependent on the goodwill of most Aucklanders - just look at the nightmare that was the land acquisition for the Eastern Busway, which we badly need. Elevating Maori representatives (by appointment is worse, but by election is bad too) will undermine that goodwill, and with it erode AC's legitimacy. AC doesn't control the Auckland Police Districts or the Auckland High Court, so good luck getting much done without the general participation of Aucklanders in our shared project to build a city fit for the 21st century.

   Of course, Nanaia Mahuta & Willie Jackson will do their very best to shove this down Aucklanders' collective throat and I personally won't hold AC staff responsible if you are put in an impossible situation. In my opinion, Aucklanders should be free to make this decision free from Wellington's influence.

**If Auckland Council decides to introduce Māori seats, which model would you prefer?**
A different model

**Tell us why:**
I support an advisory model, with no direct or indirect governance powers, only.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**
Consider how much New Zealand needs a strong bulwark against the increasingly parasitic relationship that the provinces have with Poneke. We need a champion, and Auckland Council is the only institution with the scale and strength for the nation to rally around. I want Auckland Council to become the Auckland Provincial Government one day, answering to Auckland's Provincial Assembly via our Premier and his/her Provincial Cabinet. Such an institution would be badly undermined if it willingly follows Wellington's drive for racial division and hatred in this country. If we are united as Aucklanders then we can stand against Wellington, but if we are divided by our many ethnicities then we will be under the blood-sucking taxpayer-funded boot forever.

   Modern New Zealand is composed of many nationalities, the vast majority innocent of the injustices done to the Maori people in the 1800s. If the white New Zealanders wish to make amends for their guilt then give your homes to the local iwi and get out of the country, but don't drag everyone else with you, and stop looking to past rather than

moving on with the future. We are a multi-cultural society and everyone is equal. Councillors should be elected by everyone, not a favoured elite.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   This seems like maori do not stand a chance in getting anywhere to do with politics, is this why maori seats are being elected?

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under 'Options for Māori seats'.

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   If Maori want to get on the council, then stand as a normal candidate. if they are any good in their own right, they will easily be voted on.

   To be voted on as a separate identity is wrong.

   I would soon vote on Pacific Islanders or another race of people which is also wrong, at least I feel they would do a better job, basing that on what Maori have done in the past when they get a free ticket.

The speed and timing of this consultation process is discomforting. At the time of a general election, with about a month of low-key consultation on an emotive issue, the process seems like an attempt to pull a swifty.

   **Tell us why:**
   1. Under the Tiriti o Waitangi the Crown has an obligation to honour it's obligations to Maori. 2. Maori representation is a must in the decision making for Maori. 3. Tamaki has the biggest population of Maori throughout Aotearoa, so it's imperative that Maori are at the table.

It is widely agreed that "what works for Maori, works for everyone"  but what works for everyone doesn't necessarily work for Maori.

Maori Values; there could be more;

Kotahitanga:  Māori unity, shared sense of belonging.

Tino rangatiratanga:  Self-determination, ownership, control.

Whanaungatanga:  An ethic of belonging, kinship.

Kaitiakitanga:  Guardianship of natural resources.

Wairuatanga:  Spirituality.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   To better understand our people

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under 'Options for Māori seats'.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**
   Auckland have many mana whenua so having just 1 to cover entire Auckland won't work. Better to do seats

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**
   The importance of having a Māori view when you make decisions

   As a pākehā living in Tāmaki Makaurau I strongly believe we should make any steps we can toward fulfilling Te Tiriti obligations. Māori have a right to be at the table as treaty partners.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Royal Commission model

   **Tell us why:**
   I think too often pākehā have had sway over which Māori join the boards. True representation has to come from a Māori appointed representative. It's as simple as that.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

#7555

Ideally I'd like to see all three positions appointed by Mana Whenua. I don't believe pākehā should have a say in who represents Māori on boards.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   Māori are the indigenous people of Aotearoa. Their say is vital to the continuation of diverse decision making, thinking and actions within Aotearoa. Māori have had many things taken, stolen and stripped from them over history and it is only right and correct that Māori should be given a voice within their own country.

   **Tell us why:**
   We should be following a model within countries that have established co-governance with the indigenous of that country.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

#7814

Māori are highly represented within negative statistics of Aotearoa such as, incarceration, health, mortality, addiction, suicide and the list goes on. This is a direct impact of systems that were not built for indigenous people. This is exactly why Māori need a voice within these structures so systems can be better equipped to navigate and stop our jails, hospitals and morgues filling up with Māori. This will in turn, offset a lot of funding going towards these places from government funds. It's a win, win.

   To ensure representation and decision-making at the governing body.

   A decision maker at the governing body put there by the people across the region and the other is a selection body with an appointed board that is independent.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

#7981

There has always been an underrepresentation of Māori in terms of elected representatives, so this provides an opportunity for their voices to be present at the table.

Māori seats and the statutory board could coexist as they serve distinct purposes.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   As a Treaty Partner, Matawaka and especially Mana Whenua should be acknowledged with the inclusion of Maori Seats/Wards. The treaty articles "affirm" this move, therefore Auckland Council should.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under ‘Options for Māori seats’.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Royal Commission model

   **Tell us why:**
   The Royal Commision provides proportional representation for Matawaka as well as an appointed Mana Whenua representative. Mana Whenua are disproportionately out numbered by Matawaka 8:1. Mana Whenua would never get to have a say in their own rohe if relegated to an 'elected' represented vs an appointment.

   Appointed representation is already in place with the IMSB, other models such as the Maunga Authority and the Tupuna Taonga Authority are similar models.

Yes, it would take legislative change and it could take some time. However, my Mana Whenua Iwi have been through Treaty Settlement's that span 12 years plus. Parliamentary processes are not new to us.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

   At this time I really don' t think anything the people of Auckland say is going to change what will happen. By simply asking our for our say tells me you have already made a decision. Instead of changing a system that is working how about getting more [people

out there to vote. The greater number of people who vote will then make sure the council truly represents Auckland.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   We need Maori representation on the Auckland council because as mentioned, it has the largest Maori population in NZ and it's views and concerns need to be heard. We already have Maori seats in central government and need them at a local body level as well. I feel as though the concerns of Maori are largely ignored at Auckland Council and they need real power to implement changes that will help the indigenous population if Auckland to be acknowledged and succeed. I fully support the introduction of Maori seats based on this reason.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**
   I support the parliamentary model as this would allow the changes to be implemented very quickly and in time for the election in 2025. There is no need for legislation change as this would slow down the process of the much needed changes. A parliamentary model is the right choice and will make a huge difference towards our indigenous population having a seat at the decision making table.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

   I would like Auckland Council to explain this concept to Aucklanders so they understand what's happening and to make an informed choice. The noise of the general election is taking the spotlight away from this issue. I want the Council and Mayor to acknowledge that Maori have a special place in Auckland and should be acknowledged with the installation of Maori wards/seats

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   I do not believe this is a fair system of representation for all New Zealanders

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under 'Options for Māori seats'.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**
   I don't think that appointed seats are consistent with the principals of our democracy.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   This erodes our democracy and does not reflect the makeup of our community that one group of people have great rights and representation over others.

   People should stand on their merits and the contribution they can make to our community not based on the race they represent.

   Our society is increasing being divided and these types of separatist policies will only increase that divide!

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   The allocation of Māori seats erodes our democracy! It does not reflect the makeup of our community, that one group of people have great rights and representation over others. I grew up in South Africa where this principle of one nation being treated as superior is now viewed as abhorrent! People should stand on their merits and the contribution they can make to our community not based on the race they represent. New Zealand is increasing being divided and these types of separatist policies will only increase that divide!

The co-governance model of the TMA is evidence of a flawed system where the people's voice is continually vetoed by an unelected Chairman and board. A board not representative of the voice of the people of Auckland nor the Maori they claim to represent. Resulting in costly court proceedings at the rate payers expense. It should serve as a stern warning to the council not to enter into any such undemocratic governance structures.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   It is important to recognize the status tangata whenua hold in Aotearoa granted through Te Tiriti o Waitangi. It is the obligation of organisations like Auckland Council to create the environment in which Maori can actively and accesibly participate in the influence of decision making that relates to the protection of our taonga (our mokopuna, whenua, and culture).

   The Royal Commission model

   The RCM ensures that Mana Whenua have a seat held exclusively for their whakaaro. This is imperative in mitigating the representation of not only Mataawaka but also Mana Whenua at the decision making tepu.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   The local councils are not part of this. This is something for the nation.

   1. We are all New Zealanders, and no-one is above anyone else.

   2. Why are the Māori treated preferentially, they were not here first.

   3. This could be viewed as racism.

   4. Who is really Māori? We are told the last full-blooded Māori died in 1948.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   A different model

   **Tell us why:**
   The Maori are already accounted for.

   I think there needs to be seats to fully represent all of Auckland. This means seats for British, Māori, Japanese, Dutch, Chinese, Polish, Rarotongan, Fijian, Indian, Fijian-Indian, Italian, Croatian, Samoan, Tongan, Iraqi, Iranian, Ethiopian, Sundanese.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

The Auckland Council should be promoting unity not starting division.

1. Why is the mayor and the council trying to create division. They should be trying to bring people together.

2. Why are the Maori front and centre. The Mori-ori were here first, but the Maori ate them.

3. Who is really a Maori? There are no full blooded Maori's left. Maybe everyone should become a Maori by getting a blood transfusion and saying that part of the blood was Maori.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   Our organisation, Auckland Pride Incorporated has a vision to see an equitable Aotearoa where Takatāpui and Rainbow Communities thrive. Through this, we believe that the introduction of Māori seats for the 2025 Local Elections will be a positive step in the direction of honouring Te Tiriti o Waitangi, by affirming the right of tangata whenua through tino rangatatiratanga. Te Tiriti o Waitangi, as a founding and binding document of Aotearoa outlines an obligation to protect taonga – and tangata whenua will be further enabled to do that, through having a secured seat at the tepu.

   Our organisation seeks to support, and uplift the voices of takatāpui & rainbow; activists, artists, and tangata. Therefore we join the action in calling on Te Kaunihera o Tāmaki Makaurau to honour Te Tiriti o Waitangi through the introduction of these Māori seats.

   Actions that seek to improve the ability for tangata whenua to influence decision making that has an impact on the future of their whenua & their mokopuna are steps that we must be taking in order to honour Te Tiriti o Waitangi. By introducing Māori seats for the 2025 local elections, we are not only advancing the rights of tangata whenua through representation, and mitigating inequity that has systemically not afforded them a seat at the tepu, but we are also creating an Aotearoa where the mana of tangata whenua is recognised, respected, and valued.

   One of our organisational values are Tūhono. We believe through this particular value, we are tasked with creating an environment in which tangata whenua activists, artists, and tangata are celebrated through a sense of Whakahī, Pride. Through this value of collaboration we see a call to action for Te Kaunihera o Tāmaki Makaurau to create that environment. We call on Te Kaunihera o Tāmaki Makaurau to introduce Māori seats at the 2025 local elections in order to empower tangata whenua & Takatāpui voice.

Through our values of Tūhono, Whakamana, and Mana Tauritetanga – we acknowledge our obligation to call for an equitable Aotearoa in all that we do. Including this submission which would be a step closer to:

Honouring Te Tiriti o Waitangi as Te Kaunihera o Tāmaki Makaurau

Creating an Aotearoa in which Takatāpui are liberated, thriving, and connected

Honouring our commitment to effectively advocate for Takatāpui and Rainbow Communities.

The Royal Commission model

**Tell us why:**

Alongside many organisations in the Takatāpui & Rainbow sector – Auckland Pride has been on a long haerenga of what honouring Te Tiriti o Waitangi looks like for us, and how we as an organisation create an environment in which hapori Māori and hapori Takatāpui can thrive. Through kōrero with Māori Board Members, Kaimahi Māori, and Māori community members – we know that equity is something we have to work and fight for, change will never just 'happen'.

We support the values around what the Royal Commision model would deliver for Mataawaka & Mana Whenua in Tāmaki Makaurau. We recognize the importance of not only having tangata whenua representation, but also mana whenua representation at the tepu. We believe that the Parliamentary model would not deliver as equitable of an outcome due to not reserving seats specifically for mana whenua at the table.

Alongside this, we welcome any model that

Offers more Māori seats in order to create an equitable decision making table

Offers more seats for mana whenua

Offers a seat for a rangatahi Māori to sit at the table

Ngaa mihi nui.

   **Tell us why:**
   To acknowledge and recognise contribution of Maori whakapapa and land both gifted and stolen, to the success of Auckland today. Give to Maori what is ours to receive.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under 'Options for Māori seats'.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**
   Give to Maori what is our right to receive, a voice and seat at the table. The success of Tamaki was built on land gifted by Maori and stolen from Maori. Recognition of this is long overdue and balance must be restored.

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Do not support

   **Tell us why:**
   If special Maori seats are allowed then other minorities seats should also be introduced and accounted for. Other minorities are also tax payers (to a greater degree than Maori in all metrics) and should get recognition. The treaty does not support this level of granularity and I will vehemently oppose any such actions by the Auckland council.

   **Tell us why:**
   To single out one race is pure racism. If you are going to introduce maori seats then you must have asian, tongan, samoan, white european etc only seats as well. ALL council and government policies should be 'needs' based, not on the colour of your skin. NZ is becoming incredibly divisive because of race based policies being rammed through instead of needs based policies that best meet the needs of the people.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

Whether you will admit it or not NZ is a multicultural country, not bicultural. The only way to best service and meet the needs of the people of NZ is by having cohesive and unifying polices that are needs based to prevent discrimination, not policies based on skin colour.

   New Zealand is a democratic nation, and every citizen is as equally important as the next. Quite simply: one person-one vote, regardless of race, ethnicity, or ancestry. People should to be voted onto council according to their merits, and by the choice of every citizen qualified to vote when the time is presented at each local body election.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

   This decision is far too important to simply be made by the mayor and councillors, who are meant to represent all citizens of this city. Widespread consultation of all Auckland needs to be sought, most likely through a referendum. The cynical part of me can't help but suspect that this 'seeking of public opinion' is merely a box-ticking exercise with the decision having already been made ahead of time. I'm not sure that many Aucklanders are even aware that this process is even underway.

   **Tell us why:**
   Equal Māori representation at governance and authoritative status in New Zealand is a fundamental Crown obligation and duty. As Tangata Whenua, the rightful tangata kaitiaki and beneficiaries of Aotearoa New Zealand, this status should be automatically mandated into policy and law, without the need for exhaustive and cumbersome

   lobbying and advocacy from Māori. It has been 187 years since He Whakaputanga The Declaration of Independence provided the foundation of partneship between Maori and Pākehā. The notion that Tangata Whenua must continue to fight for equality and dignity, on the whenua of which we are from, is a violation against nature and IO God. In 2023, with Wayne Brown as mayor, the only hope our people of Tamaki Makaurau have for a safe and healthy Auckland is more Māori, particularly mana whenua at the decision making tables.

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**

   The notice to public and three day submission period is insufficient and by default, prejudices the outcome. In doing so, the system for which feedback is  fielded is racially biased and inherently supremacist. The Maori understanding of time differs greatly to that of the Western world and therefore, it is my strong recommendation that the time frame for feedback be extended. This should not be shorter than a synodic cycle or roughly 29 Gregorian calendar days, which is the natural timeframe of which Māori lived by pre European invasion.

# Fwd: MAORI SEATS FOR AUCKLAND COUNCIL

To lettertoeditor[redacted]

——— Original Message ———
From: [redacted]
To:
Date: 31/08/2023 14:54 NZST
Subject: MAORI SEATS FOR AUCKLAND COUNCIL

To place this in context I declare that I oppose Maori seats for Auckland Council. Why, I believe in the electoral process to elect Councillors.
Maori with 207,000 people in Auckland. mostly South Auckland should organise themselves and their people to stand a number of candidates for elections, and not just for Council.
Council is concerned with regional issues. Local Boards are concerned with local issues while the Council Controlled Organisations also have a degree of decision making, To be effective Maori should have representation on all levels of decision making, anything less is merely Tokenism.
The present consultation lists one meeting in South Auckland which is at the Community Hub in Takanini. There is no meeting at a Marae to actively consult with Maori. Perhaps they are supposed to accept what Council decides is best for them and be grateful.
Rather than corruption of the Electoral system a better option is for Council to impose some rules around public consultation. The present process at least as practiced in Otahuhu, is for Council officers to isolate persons wishing to contribute and then record that One person raised xxx signifying a general lack of support for any view not in support of their approach, Documents such as the Boards Annual plan are written in generalised aspirations rather than a work plan. Also the legislation does not define what is to happen after consultation other than the Council is to take the views into account, whatever that means.
The views noted should be communicated to all those present and the support or otherwise recorded.
Later the Council, Board etc should inform the community of the matters raised, the outcome of each together with reasons for the decisions and invite further comment, Individuals should have a right of appeal to the Council..The above would make the Council more disciplined in developing proposals and the public being informed of Councils reasons for not adopting some proposals
Then all we need is for Maori leaders to rally their people to consider Council plans and make comment.This would be far more effective than having one or two people appointed to the Council.
Embracing the above I would expect future election having 4 or 5 Maori members in each of the South Auckland local Boards and 2 or 3 members on the Council. The outcome of all that could see practices that reduce carbon emissions,improved flood mitigation and reduced traffic congestion.

   **Tell us why:**
   Support

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under 'Options for Māori seats'.

Tēnā koutou,

**Re: Submission on Māori Seats for Auckland Council by Te Ākitai Waiohua Settlement Trust**

Thank you for the opportunity to provide feedback on Auckland Council's Māori Seats for Auckland Council. We are submitting this submission on behalf of Te Ākitai Waiohua Settlement Trust (**Te Ākitai Waiohua**). We can confirm that we are authorised to submit on behalf of our organisation.

## 1 About Us

### 1.1 Whakapapa

Te Ākitai Waiohua are descended from Kiwi Tāmaki, the grandson of Huakaiwaka, himself the ancestor of the Waiohua iwi, who lived in Tāmaki (the Auckland isthmus). The name Te Ākitai commemorates Kiwi Tāmaki's uncle Huatau, who, in the early 18th century, died at sea in the Manukau Harbour and whose body was washed up (āki) by the sea (tai) on Puketutu Island.

Kiwi Tāmaki was killed in battle with Te Taoū hapū (sub-tribe) of Ngāti Whātua in the mid-18th century. Ngāti Whātua settled in Tāmaki and the Waiohua retreated to Drury, Pōkeno, Kirikiri/Papakura, Ramarama and other parts of South Auckland. In the 1780s Te Ākitai Waiohua re-established settlements at Wiri, Pūkaki and Otahuhu. Kiwi Tāmaki had a surviving son named Rangimatoru, who lived in South Auckland with Ngā Oho, a hapū of Ngāti Whātua Ōrākei formed by intermarriages between Ngāti Whātua and Waiohua people.

He died circa 1793, fighting alongside Ngāti Whatua in a war with Hauraki Gulf-based iwi Ngāti Pāoa, and was succeeded by his son Pepene te Tihi.

In the 1820s Ngāpuhi of Northland acquired muskets and attacked Tāmaki, leading the local tribes to retreat to the Waikato. In 1835 the tribes returned and Te Ākitai Waiohua resettled at Pūkaki, Papakura, Red Hill (near Papakura) and Pōkeno.

Te Ākitai Waiohua became supporters of the Māori King Movement when it arose in the 1850s. By 1861 the chiefs of Te Ākitai Waiohua were Pepene Te Tihi, grandson of Kiwi Tāmaki, and his son Ihaka Wirihana Takaanini. They lived at Pūkaki, Mangere and Ramarama. Before the invasion of the Waikato by the colonial government, Ihaka Takaanini was accused of being a rebel. Tribal land at Mangere was confiscated and Pepene Te Tihi, Ihaka, his wife and three children were arrested. Pepene, Ihaka and two of the children died in custody in 1863–1864. The surviving child, Te Wirihana Takaanini, became the chief of Te Ākitai Waiohua.

### 1.2 Rohe

The traditional Te Ākitai Waiohua rohe (refer to **Appendix 1**) extends west from Otakanini Pa, South Kaipara which is situated on a navigable creek that joins the Kaipara Harbour south of Aotea Bluff, thence east across to Puhoi and then in a straight line to the coast to the north of Wenderholm Regional Park, thence south down the Eastern Coast, excluding the Hauraki islands, to Tapapakanga Regional Park on the western shores of the Firth of Thames, thence across the Hunua Ranges including the Clevedon/Wairoa district, Papakura, Drury, Ararimu to Mangatawhiri and Pokeno, thence to Tuakau and Onewhero on the left bank of the Waikato River, thence along the left bank of the Waikato River including Tuhimata and Pukekohe to Port Waikato, thence northward, excluding Awhitu, Maioro and Waiuku, but including Patumahoe,Tuhimata and Pukekohe, Karaka, Manurewa, Clendon, Mangere, Onehunga and Hillsborough and the islands of the Manukau Harbour such as Puketutu Island; thence to Auckland Central including the eastern suburbs and Meadowbank, thence westward to the Waitakere Ranges and up the west coast to Otakanini Pa at South Kaipara.

Historically, land in the traditional rohe of Te Ākitai Waiohua has been used for fishing, travel, occupation, and cultivation. Settlement was seasonal as the people stayed at main sites during winter, moved to smaller camps to plant gardens during spring, fished and collected kaimoana from fishing camps during summer and then returned to the main settlements again during autumn to harvest and store crops in preparation for winter. Te Ākitai Waiohua were accomplished fishermen and farmers growing fruit, vegetables and raising livestock through to the 1860's. However, the Land Wars changed everything.

The Te Ākitai Waiohua principal area of interest is land within and surrounding Pūkaki Marae, which is in a rural area just south of the suburb of Mangere on the Waokauri Creek, an inlet of the Manukau Harbour. Te Ākitai are also associated with Makaurau marae at Ihumatao, just south-west of Mangere.

The Te Ākitai Waiohua rohe spans areas managed by Auckland Council and extends across the Albert-Eden; Devonport-Takapuna; Henderson-Massey; Howick; Manurewa; Māngere-Ōtāhuhu; Puketāpapa; Upper Harbour; Waitematā; Whau; Ōtara-Papatoetoe; Aotea/Great Barrier; Franklin; Hibiscus and Bays; Kaipātiki; Maungakiekie-Tāmaki; Papakura; Rodney; Waiheke; Waitākere Ranges; and Ōrākei Local Boards.

### 1.3 The Te Ākitai Waiohua Settlement Trust

On 5 March 2011, the Crown recognised the mandate of Te Ākitai Waiohua and the mandated negotiators to negotiate a comprehensive settlement of the historical Te Tiriti o Waitangi / Treaty of Waitangi claims of Te Ākitai Waiohua with the Crown. In December 2012, the Crown and the Authority agreed on the Terms of Negotiation, laying out the broad guidelines of their engagement. An Agreement in Principle (**AIP**) was signed in December 2016 to outline the settlement claim and redress to be provided. In December 2021, the Authority signed off on the AIP which became the Deed of Settlement describing the final settlement package. A total of approximately 400 members are registered with the Te Ākitai Waiohua register.

### 1.4 Key Drivers

Te Ākitai Waiohua over-arching vision is '*Te Ākitai Oho Moata,'* (translated as Te Ākitai awake at early dawn), which means that it exists in order to prepare Te Ākitai Waiohua for the future. Te Ākitai Waiohua strategic vision is to accomplish the strategic objectives according to the four pou (below) as areas for priority in addition to our core principles and values. Our mission is to ensure our people are ready for the future.

The four pou include:

1. **Cultural Identity** – establishing a strong understanding of Te Ākitai Waiohua so we can be proud of who we are and prevent this knowledge from being lost.
2. **Environment kaitiakitanga** – enabling Te Ākitai Waiohua to exercise its traditional role as kaitiaki over the environment and resources of Tāmaki Makaurau
3. **Economic Development** – identifying valuable opportunities for Te Ākitai Waiohua to successfully build an economic base and achieve long term sustainable wealth.
4. **Social Wellbeing** – assisting future generations of Te Ākitai Waiohua by improving access to education, health and wellbeing, employment, training, and housing while encouraging involvement in tribal affairs.

Priorities relate to education, health, and wellbeing, employment, training, housing, and community involvement. **Our ability to achieve these strategic outcomes requires robust representation and resources**.

### 1.5 Working with Auckland Council

Te Ākitai Waiohua worked with Manukau City Council for approximately 30yrs prior to the establishment of Auckland Council in 2010. Our relationship with this Auckland Council began in 2010 (ie., at its inception), and we have been working with you ever since (i.e., for 13 years). In recent years, our level of involvement has included input into the Auckland Plan 2050; Auckland Council Long-Term Plan 2018 – 2028; Auckland Council Long-Term Plan 2021 – 2031; Māori Outcome Priorities; and several Auckland Council Annual Budgets. In addition, we have contributed to several strategic policy documents and strategies.

Operational involvement has included contributing to local board priorities for the Puketāpapa; Mangere; Otahuhu; Papakura; Otara; Papatoetoe; and Albert-Eden local boards; Thriving Communities; Review of Council-Controlled Organisations (**CCOs**); Freshwater Management Policy; Tūpuna Maunga Operational Plan; Climate Change; and Auckland Council's Water Strategy.

### 1.6 Biography

As the Chair for Te Ākitai Waiohua Iwi Authority / Settlement Trust we have been involved in numerous forums, committees, authorities, and steering groups.

In summary:

- Appointed as Chair to Te Ākitai Waiohua Iwi Authority to hold the mandate to settle the Te Tiriti o Waitangi Treaty Claims (2009)
- Chair to Te Ākitai Waiohua Iwi Authority worked with Watercare Services Limited (**WSL**) to establish the Mana Whenua Kaitiaki Forum (**MWKF**) comprising Chairs and Chief Executives from the Iwi Authorities in the Auckland Region (2012)
- Mana Whenua Kaitiaki Forum (**MWKF**) that gradually reformed as the current Tāmaki Makaurau Mana Whenua Forum that I currently Co-Chair as Te Ākitai Waiohua (2013)
- Chair Pukekiwiriki Pa Management Committee – Chair the committee with the Deputy Chair of the Papakura Local Board (membership comprises 50% mana whenua and 50% Local Board)
- Representation for the Te Pukaki Tapu o Poutukeka Crater Management Committee. For more information refer to the press release (2007) where it stated "*Te Ākitai Waiohua are expected to have a major role in the management of one of the Auckland region's most significant volcanic features which has been saved from potential development by being purchased for a public park by Manukau City Council (**MCC**) Manukau Mayor Sir Barry Curtis says he is delighted the council has approved the $6.07million purchase of the Pukaki Lagoon explosion crater located off Pukaki Road in Mangere. He believes the park will become one of Manukau's most significant public open spaces. The council has purchased 25ha of privately owned land around the crater rim plus the leasehold interest in perpetuity over 36ha of flat land inside the crater. The purchase was funded from the Cash-in-Lieu of Reserves Account, which contains significant financial contributions paid to the council in lieu of the provision of land for reserve purposes on private sector subdivisions. Money from this account*

*can only be spent on the acquisition of land for public open space, for active or passive recreation, and the development of such land for these purposes. The interior of the explosion crater was once a tidal lagoon but, some 85 years ago, was drained and converted to pasture. Ownership of the lagoon was passed to the Auckland Harbour Board under the 1911 Manukau Harbour Control Act, despite Māori protest at the time. Later the freehold title over the lagoon was transferred to Manukau City Council which, in the 1990s, returned the lagoon to the Pukaki Māori Marae Committee as part of the council's acknowledgement of the decision by the Waitangi Tribunal on the Manukau claim. However, while the council was able to return the freehold title of the land to local Pukaki Māori, the perpetually renewable lease over the lagoon land remained in private ownership until the council's purchase announced today*."

- Independent Māori Statutory Board – three terms (2010-2013; 2013-2016; and 2019-2022)
- Tūpuna Maunga o Tāmaki Makaurau Authority – three terms
- Te Arataura Governing Body for Waikato Tainui (2017 – 2020)
- Auckland Light Rail Project, Mana Whenua sponsor, and Te Ākitai Waiohua Sponsor alongside the Crown and Auckland Council
- Waitemata Harbour Bridge Crossing Committee, Steering Group Member
- Waka Kotahi steering groups
    - Papakura to Drury steering group (Mana Whenua / Te Ākitai Waiohua Representative)
    - South Auckland Package Steering Group (Mana Whenua / Te Ākitai Waiohua Representative)
    - Northwest Rapid Transit Programme (Mana Whenua / Te Ākitai Waiohua Representative)

With my **knowledge, skills, and experience, I believe that we are well positioned to provide meaningful feedback on this mahi.**

## 2 Understanding of the Proposal

Te Ākitai Waiohua understand that Te Kaunihera o Tāmaki Makaurau / Auckland Council is seeking feedback from the community to inform the decision that will be made by the new Governing Body following the 2022 local elections regarding: 1) whether to introduce Māori seats; and (if so) 2) what model to use.

## 3 Guiding Principles

Prior to providing our specific feedback we provide Te Ākitai Waiohua's three Guiding Principles because they guide everything we do. The three principles are Te Tiriti o Waitangi, Equity; and Holistic Management. We consider each in the context of Auckland Council below.

### 3.1 Guiding Principle – Te Tiriti o Waitangi

The Auckland Plan (2050) articulates Auckland Councils commitment to Te Tiriti o Waitangi as (amongst others), "*The Treaty is an exchange of promises. Rangatira (chiefs) and the Governor (on behalf of the British Crown) agreed to a relationship where they would* ***share power and authority****. The Crown promised that Māori would enjoy* ***equal citizenship*** *and* ***retain rangatiratanga*** *over their iwi and hapū, territories, resources and taonga*.' It also states: "*Giving life to Te Tiriti o Waitangi in the Auckland Plan contributes to a more equitable future for Aucklanders and generations to come*." **This creates an expectation that we will be able to make decisions.**

### 3.2 Guiding Principle – Equity

Two quotes encapsulate Te Ākitai Waiohua's perspective regarding equity. Both make a clear distinction between equity and equality.

Merriam-Webster (2017) states: "*While apparently similar, the application of equity and equality can lead to significantly different outcomes for marginalized people. Equality means each individual or group of people is given the same resources and opportunities. Equity recognises that each person has different circumstances and allocates the exact resources and opportunities needed to reach an equal outcome*."

The World Health Organisation (**WHO**) (2017) mirrors this explanation:
"*The absence of avoidable or remediable differences among groups of people, whether those groups are defined socially, economically, demographically, or geographically. As such, equity is the process and equality are the outcome of that process*."

In alignment with this thinking, Te Ākitai Waiohua argue that everyone is not the same. It is essential to recognise disparities and provide effective ways for our communities to voice their opinions. **Māori seats are a tool that can assist with achieving equity**.

### 3.3 Guiding Principle – Holistic Management

Karl-Henrik Robert (1989) stated: "*A robust framework for success is only possible when we manage the whole. Managing pieces in isolation will only create fragmented success. By managing the whole, success is possible for everything and everyone*." For Te Ākitai, the whole refers to enhancing cultural identity; environmental kaitiakitanga; economic development, and social wellbeing. This is the lens through which we view the world. That is, the wellbeing of people and the environment and economic wellbeing are the most accurate barometers of success. **Māori seats could provide a mechanism through which our needs can be adequately represented.**

## 4 Specific Feedback

### 4.1 Do you think Auckland Council should introduce Māori seats for the 2025 local elections?

To answer this question, we reviewed Auckland Council's decision-making framework. In addition, we examined the extent to which each component enabled Te Ākitai Waiohua to make decisions. Our key findings are summarised below.

#### *4.1.1 Demographics of Māori in the Auckland Council Area*

In the 2018 census, there were 207,183 people in Auckland identified as being of Māori descent. This is 24% of all Māori in New Zealand, and 13% of the Auckland population. Furthermore, 181,194 identified as being of Māori ethnicity. This is 23 % of all Māori in New Zealand, or 12% of the Auckland population. The Māori population is predicted to grow at a rate of 1.7% *per annum* over the next 25 years (refer to the Auckland Plan 2050). As also described in the Auckland Plan (2050) there is "*evidence that iwi in Tāmaki Makaurau are building solid economies that will not only benefit whānau but will have a substantial positive consequence for the wider Tāmaki Makaurau economy*."

The percentage of Māori in each local board varies from 26.8% ($n$ = 15,438) in Papakura to 5.1% ($n$ = 3210) in Upper Harbour, with a median of c.10% (refer to **Table 1** below). Notably, Māori comprise >20% of the population in the Papakura, Manurewa, and Aotea/Great Barrier local boards (also refer to **Table 1** below).

**Table 1** Māori Ethnic Population by Local Board (2018)

| Local Board | Number | Percentage | Distribution of Māori Population (%) |
|---|---|---|---|
| Papakura | 15,438 | 26.8 | 8.5 |
| Manurewa | 24849 | 26.0 | 13.7 |
| Aotea/Great Barrier | 192 | 20.5 | 0.1 |
| Henderson-Massey | 20,319 | 17.2 | 11.2 |
| Māngere-Ōtāhuhu | 12861 | 16.4 | 7.1 |
| Ōtara-Papatoetoe | 13392 | 15.7 | 7.4 |
| Franklin | 11247 | 15.0 | 6.2 |
| Maungakiekie-Tāmaki | 10,656 | 14.0 | 5.9 |
| Waitākere Ranges | 6621 | 12.7 | 3.7 |
| Rodney | 7551 | 11.4 | 4.2 |
| Waiheke | 1035 | 11.4 | 0.6 |
| Whau | 7845 | 9.9 | 4.3 |
| Kaipātiki | 7680 | 8.7 | 4.2 |
| Albert-Eden | 7005 | 7.1 | 3.9 |
| Hibiscus and Bays | 6735 | 6.5 | 3.7 |
| Waitematā | 5034 | 6.1 | 2.8 |
| Puketāpapa | 3462 | 6.0 | 1.9 |
| Howick | 8052 | 5.7 | 4.4 |
| Ōrākei | 4815 | 5.7 | 2.7 |
| Devonport-Takapuna | 3192 | 5.5 | 1.8 |
| Upper Harbour | 3210 | 5.1 | 1.8 |

Note This table shows the percentage of Māori in each local board from highest (notated in grey) to lowest.

As such, **Auckland Council plays a very important role in supporting a successful and effective relationship between Māori and the Crown** and (thus) in contributing to improved outcomes for Māori. Auckland Council obligations to Māori are described in the Local Government Act 2002 (the **LGA 2002**). As stated in the Act, it is intended to ensure that Auckland Council are "*democratic and effective local government that they recognise the diversity of their communities."* Auckland Council is thus accountable to its community and plays a critical role in meeting their current and future needs.

*Anomalies*:

- The **Auckland Council has the largest Māori population in the world but is one of 32 out of 78 councils in New Zealand that do not have a Māori representative** (refer to the Auckland Council Māori Seats Consultation Document 2023).
- **In the absence of a Māori representative, Auckland Council is not able to achieve the requirements of the LGA 2002**, namely, to create a democratic and effective local government that respects the diversity of its people.
- **Māori can enhance the wellbeing of people and the environment in Auckland. Why not take advantage of the opportunities to help Māori achieve? What is good for Māori, is good for everyone.**

#### *4.1.2 Auckland Council Governing Body & 21 Local Boards*

As a result of Auckland Councils shared governance structure, both the governing body and the local boards are responsible for their decisions and democratically accountable. The Local Government (Auckland Council) Act 2009 sets out the statutory responsibilities of the Governing Body and Local Boards. In general, the governing body focuses on region-wide strategic decisions, while the 21 local boards represent their local communities and make decisions on local issues, activities, and facilities. The Auckland Council's representation arrangements govern the election of councillors and members of local boards.

*Anomalies*:

- **Māori do not currently have the same responsibilities, powers, rights, and duties as Governing Body members** (as described in the Auckland Council Governance Manual 2023).
- **Some local boards have a significant Māori population** of 26.8% (Papakura) and 26% (Manurewa), **yet Māori are not adequately represented by their local board.**
- Both region-wide and local decisions are highly relevant to achieving Māori Outcomes, yet, **only Governing Body members are mandated to make decisions**. Māori are given opportunities to participate. Although the Governing Body has the option of taking Māori views into account or not.
- **The current framework conflicts with two Treaty Principles** as described by the Court of Appeal in a judgement of its then President Sir Robin Cooke (1987), namely: "*the treaty established a partnership and imposed on the partners the duty to act reasonably and in good faith*," and "*Māori to retain rangatiratanga over their resources and taonga and have all citizen privileges*."
- To be eligible for election, councillors and local board members must represent the interests of communities within the district effectively. We believe that **many**

**councillors and local board members would have difficulty achieving this due to a lack of necessary knowledge, skills, and experience relating to Māori.**

- Auckland Council is obligated to provide "*effective representation of communities with an interest in the district*." In this instance, "*fair representation*" refers to the number of elected representatives for each ward and subdivision as compared to the population of each ward and subdivision. As per the Auckland Council Governance Manual (2023), "*the ratio should not be more than 10% different from the average."* It is evident that most Local Boards are not meeting this requirement.

#### *4.1.3 Independent Māori Statutory Board*

The Independent Māori Statutory Board (the **IMSB**) was established through the Local Government (Auckland Council) Act 2009. The role and responsibilities of the IMSB are: "*to assist the Auckland Council with its decision-making by promoting matters of significance to Māori and ensuring the Auckland Council meets its statutory obligations relating to Māori and the Treaty of Waitangi; and also nominating members to council committees that deal with the management and stewardship of natural and physical resources*."

*Anomaly*:

- For the reasons stated (above), the **IMSB cannot provide effective assistance because its ability to assist is limited**.
- IMSB's role is stifled because it lacks decision-making authority.
- **IMSB members may participate in decision-making, but the Governing Body is free to take Māori views into account or not**.
- While IMSB members of each council committee are mandated to deal with the management and stewardship of natural resources, Māori interests include social, economic, environmental, and cultural matters. This means that **only a limited number of our matters of importance are addressed by committee participation**.
- Auckland Council has the power to make appointments to other committees. However, **mana whenua involvement on these committees is the exception rather than the rule.**
- The **IMSB does not have any role in co-governance or co-management arrangements with Auckland Council**. IMSB members may also be mana whenua representatives on council co-governance and co-management bodies. However, in this instance, mana whenua would represent their iwi or hapu interests which are distinct from the interests they represent as members of the IMSB.
- **In the absence of decision-making authority from the IMSB, who is *representing* Māori interests?**

#### *4.1.4 Tūpuna Maunga Authority*

The Tūpuna Maunga o Tāmaki Makaurau Authority (or Maunga Authority) was established under the Ngā Mana Whenua o Tāmaki Makaurau Collective Redress Act 2014. The authority had its inaugural meeting on 15 September 2014. A Deed of Settlement was signed on 8 September 2012 between the Crown and a collective (known as the Tāmaki Collective) representing the iwi of Tāmaki Makaurau. The Act implements the Deed. The Deed recognises the rights of the iwi regarding maunga (mountains), motu (islands) and other land.

*Merits*:

- Maunga authority membership consists of six members appointed by iwi, six members appointed by Auckland Council and one member appointed by the Minister for Arts, Culture, and Heritage. This provides opportunities for balanced and well-informed decision making.
- The maunga authority has the powers of an administering body and local authority under the Reserves Act 1977 and has the responsibility for certain maunga and administered lands.
- There is **some good work being done**.

#### *4.1.5 Advisory Panels*

Te Ākitai Waiohua can participate on Auckland Council advisory panels including demographic panels (6); and sector panels (including Auckland City Centre Advisory Board; Historic heritage Advisory Panel; and Rural Advisory Panel).

*Anomalies*:

- The role of these advisory panels is to advise the Auckland Council on relevant policies, plans, and strategies, regional and strategic matters, and any matter of particular concern to their representative communities.
- Auckland Councils **advisory panels do not have any decision-making power**.

### 4.2 If Auckland Council decides to introduce Māori seats, which model would you prefer?

In 2017, the previous Governing Body agreed in principle to support Māori seats based on the Parliamentary model once the set number of councillors had been removed from Auckland Council. We understand that Auckland Council has instigated the legislative change to remove the set number of councillors from Auckland Council. In 2020 and 2021, the Governing Body noted the 2017 "*in principle*" support and stated it was open to supporting other models in the future including the Royal Commission Model.

In June 2021, the Governing Body and the IMSB formed a joint group to focus on Māori representation. Over the next six months, the joint group discussed several possible models. Following further deliberations, the IMSB supported the Royal Commission model for Auckland recommending three safeguarded Māori seats on Auckland Council: two Māori elected seats (elected from the Māori electoral role) and one appointed mana whenua seat (selected by the Mana Whenua Forum).

Te Ākitai Waiohua **supports the recommendation of the IMSB to elect the Royal Commission Model, for the reasons explained in the associated reports**.

## 5 Summary and Conclusions

Te Ākitai Waiohua have undertaken a high-level review of Auckland Council Decision-making framework. These findings demonstrate that Māori are currently only able to *participate in decision making, they do not have the ability to make decisions.* This violates our right to "*fair representation*" and we contend that this needs to be urgently addressed.

Auckland Council needs to move towards a far more inclusive system of governance. Māori seats would provide us with rights granted to us under Te Tiriti o Waitangi / Treaty of Waitangi. Representation would enable our aspirations to be realized. Power needs to be given back to Māori communities, particularly in areas with proportionally higher Māori populations that have been historically underrepresented. There needs to be equity.

For these reasons, Te Ākitai Waiohua **support** Auckland Council introducing **Māori seats** for the 2025 local elections. Māori seats would provide a vehicle for Māori to gain fair representation and have dedicated people representing our views on our behalf.

We **agree with the findings of the IMSB**, that Auckland Council should **adhere to the Royal Commission Model** when creating Māori seats.

## 6 Recommendations

1. Create Māori seats.
2. Adhere to the Royal Commission Model

## 7 Next Steps

**We wish to be heard in support of our submission.**

We appreciate the opportunity to submit on the Auckland Council Māori Seats for Auckland. Please feel very welcome to contact us if you would like to discuss any aspects of our submission further.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   Auckland council needs to recognize tangata whenua by allowing Maori voice in decision making. There should be allocated Maori seats in each board as each one is on mana whenua land. It also honors the Treaty of Waitangi and the UN Rights of Indigenous Peoples. The city has a large Maori population so Maori should have a strong voice +representation.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Royal Commission model

   **Tell us why:**
   There is a large Maori population in Auckland and many from outside of Auckland. The Royal commission model allows Mana Whenua a seat as well, which is important to recognize and give them opportunity to be voiced.

## Your feedback

1. **Do you think Auckland Council should introduce Māori seats for the 2025 local elections?**
   Support

   **Tell us why:**
   People (tangata whenua) of the land should definitely have a seat & say about their land, people & community. If maori don't have a seat then the voice of its people will be silenced and this should never happen.

2. If council does decide to introduce Māori seats for Auckland, we also need your feedback on what your preferred model would be now.
   This would ensure planning could start in November 2023 to include Māori seats for the 2025 local elections.
   More information on the below options and their achievability by 2025 can be found in the consultation material under 'Options for Māori seats'.

   **If Auckland Council decides to introduce Māori seats, which model would you prefer?**
   The Parliamentary model (Māori wards)

   **Tell us why:**
   I like the example of Canterbury Regional Council Act 2022 (Ngai Tahu Rep)

3. **Is there anything else you would like the mayor and councillor's to consider when making this decision?**
   Remove the set number of councillors is essential to change the current 20 to numbers of 5 to 29 which is in line with other councils in NZ.
