Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I support this limit in principle. However I think six is FAR too many dogs. I believe the limits should be 3 on-leash and 1 off-leash.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

I have been rushed by dogs in public places which makes me feel unsafe when they are off leash. If you are dog walking multiple dogs I would prefer only ONE off leash at a time.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I would prefer this widely used area to be on leash only.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#64

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Difficulties with handling.

All it needs is one or 2 dogs to misbehave.

Better dog handling training for dog walkers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Hunua Ranges Regional Park,Shakespear Regional Park,Waitawa Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

There is already limited areas to walk well-behaved dogs off leash.

You are penalising responsible dog owners to train their animals, pick up dog rubbish who want to walk with their family and dogs.

Dog owners also have families and there are already so many restrictions on access that it is impossible. They are NOT mutually exclusive.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Other (please explain below)

Tell us why

Support dogs being under control at all times (buy not necessary onlead)

Do not support loss of cossey-massey loop walk which goes round dams as we walk it as.a family with our dog and is very restrictive for responsible dog owners who have well trained dogs and pick up rubbish.

It is already very restrictive in auckland to walk/hike with out dog as a family unlike in the south island

Agree with 2c and 2d

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I support the proposed change

Tell us why

Just provides more clarity

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

It would be nice to be able to do hikes with family and dogs and have greater acvesibility to camp etc. Auckland's regional parks are very reatrictive compared with the south island and seems to have the attitude that being a dog owner and hiking/walking are mutually exclusive things.

I do agree about prohibited access during lambing season and during summer months of the year on the beach, but also compulsory dog regiatration and vaccination, and penalties for poor dog behaviour and littering (owners) are important to target irresponsible dog owners.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

These areas are extremely valuable to dog owners and the public as well as being Tipi a Maunga and are payed for by the public i.e. Auckland's ratepayers. Dog owners are a sizable proportion of Auckland's population and voters. Dog walking is recognised medically as beneficial physically and psychologically and further restrictions should not be placed on it. In fact , council parks, including Maunga, should be made available as off leash areas say from 6 to 9 am each day.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Obviously all dogs should be licensed and dangerous dogs should be strictly controlled. There are areas of Auckland with numbers of roaming dogs which are in need of greater control, as has been reported in the media. However ,as with the human population , the need to control this negative behaviour should not mean that all dogs (and their owners)should be penalised.

3. Dog access rules at Regional Parks

No change to current Policy (dog access) rules

Tell us why

I care about our Botanic Gardens, and obviously support it's upkeep, and the importance of keeping it available to all. However, I strongly believe that the current rules on dog access are both fair, and respected by all dog owners that attend. Sign are clearly posted and advise on where dogs are expected on-leash and can be off-leash. The proposed change to make dogs only be able to be on-leash in all places will make the Botanic

Gardens far less visited, populated, or appreciated. It takes away a valuable place in which nature and animals can mix (somewhat) freely. I encourage keeping the policy as it is now.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Mt Albert

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

While there is a large field that can be off-leash, it is not properly fenced, and without this, makes the place useless. The entire mountain should be able to be used for dog walking.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

This is better than existing rules, but I firmly believe that six dogs on-leash is still too many and three dogs off leash for one person is far too many. A person cannot look in three directions at once, two would be bad enough but would be a reasonable compromise.

Over Christmas for three weeks I walked solo with three well trained dogs (an ex-guide dog pup, 9yo, a guide dog in training, 2yo, and guide dog pup, 10 months old) and it was very difficult. When one poops, it's very difficult to control the dogs while you pick it up. I know someone who walks three dogs at once, and when one poops she just lets go of all three leads while she picks it up, that's less than ideal in many situations.

I think three on leash at once would be the absolute limit.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

The changes are meaningless without more enforcement. Animal Management needs to be more visible. Meola Reef has been feral for a good five years now, on-leash area rules are widely ignored, and there are still Karaka trees in the off-leash area, but labradors are meant to read the warning sign rather eat the berries and die.

As for educating dog owners, they need to understand that dogs don't require an off leash run every time. At places like Meola Reef they should park 1km away, walk the dog on leash to the off-leash area, let them have ten minutes of off-leash time and then walk them back to the car.

Also, people need to be educated around the fact that how they walk their dog impacts others walking their dogs. In many places outside Auckland, when someone with an off-leash dog approaches on-leash dogs, they will leash theirs up as they get within 100-

200m, walk past the other dogs, and then let their dogs off-leash at a safe distance. It's quite clear that if someone is walking their dog on-leash it's for a reason, and they don't want their dog approaching other dogs on an unplanned basis. There a numerous reasons why approaching an on-leash dog is a bad idea. The dog may be young and not yet fully vaccinated, it may be a young intact male which is at risk from older intact alphas, it may be post-op, it may have an infectious disease, it may react badly to unfamiliar dogs. The person walking their dog on leash shouldn't have to explain this to every person they come across.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

By definition, intact males can be menacing regardless of breed. I've seen intact labradors that act like they want to tear the throat out of every dog they see, which is very difficult for the person walking the dog, and usually they are smart enough to stay away from off-leash areas.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

I went through this process many years ago, and had to get signatures of six neighbours to achieve it. I did it, but agreement could have easily been withheld by one person. Meanwhile, I live next to someone with a tiny single dog that barks incessantly which seems somewhat inconsistent.

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

The phrase "under control off leash" is inadequate and unrealistic. Too many people overestimate the control they have over their dog when off leash. I would suggest that I see fewer than 1 in 20 off leash dogs are remotely close to being genuinely under control.

Dogs should not be allowed to walk off leash on footpaths on public roads, they pose a risk to traffic, all it takes is a cat, dog, bird, or ball and the dog may leave the footpath and cause an accident involving cars, buses, and bicycles.

I walk more than 50km per week with a dog, sometimes two dogs. I avoid problem areas such as Meola Reef, despite living within walking distance of it, despite this, I would have at least three near misses a week. Being a responsible dog owner, I stay completely away from places like Pt Chevalier Beach in summer, it's almost always quite impractical to walk the dog on leash, let along off leash.

I'd like to see some education and perhaps bylaws around extending leads also, they are pretty much worse than no lead at all.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

I believe that dogs should be required to be under control on leash at all times in all regional parks, in areas where dogs are allowed. Off leash in any busy areas like these parks is just asking for trouble.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Point Chevalier Beach

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

All of the above. Too many off leash dogs quickly escalates to mayhem.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

It's a mistake forcing dog access into limited windows at each end of the day. The beach is busy with swimmers/people over summer until 8pm or later. It's busier (with people) after working hours and yet that's when dogs are suddenly allowed on the beach.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#149

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

A few dog owners are spoiling it (shitting) for all.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

A few dogs are spoiling it , (shitting) for all.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Hopefully the p roposed changes will deter irresponsible dog owners from public places.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Mt Albert and every park that isn't a dedicated fenced off leash dog exercise area

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

So many dog owners think their dogs are 'under control' off leash but they actually aren't. Easier to say it's on leash for all and please enforce it with fines. There's a fenced off leash area inside the maunga, that should be enough for those wanting th

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Too many dogs not under control, escaping their owners and running loose in the neighbourhood, doing poos that aren't picked up, attacking other leashed dogs

#155

Too many owners think the rules apply to them, I've seen so many people blatantly take their dogs off leash into areas where there are supposed to be no dogs, or leashed dogs only. Unfortunately the only way to protect wildlife and also keep dangerous dogs away from children/other animals is to have strict rules around dog control and enforce them. Instead of continuing to give irresponsible dog owners the benefit of the doubt, enforce the rules on everyone. Aggressive off leash dogs have become a huge issue in NZ post covid, and stronger action needs to be taken to change this.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

A maximum of 4 or 8 dogs is unreasonable. My dog currently goes on pack walks, where the walker takes 10 plus dogs at one time and has never had a single incident, he has been going for 2 years. It depends on the experience of the walker not the amount of dogs being walked. Someone with 4 dogs can still experience incidents if they are inexperienced.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional Dog Walkers provide a vital service to owners and dogs. Dogs need supervised off lead and social time for their physical and mental health. Sadly, not all owners are able to spare the time every day so hire someone else to provide this vital enrichment.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Because the current situation is variable and unclear

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

How will 'you' indentify such dogs and police the matter?

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

It needs to be consistent and at the City's

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

In my experience, even dog owners don't this requirement currently 3xists. Perhaps you can work with vets and pet stores to promote

Clarify how dog access rules are set:

Support

Tell us why

Engagement by local area is important. There needs to be legal, easy and local access for every dog, every day

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarity removes error

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Dogs need regular and appropriate off lead time. Professional dog walkers provide a vital service and in my experience operate during low demand t8mes. Never on weekends, after 9 and finished by the time school kids and families are using parks

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Takapuna beach

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Provide a large area outside high use times where dogs and owners can exercise

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Every beach seems different and the wording on the signs (if there are any) is unclear

Location 2:

What is the full name of the location where you want to change the dog access rules?

Pt Chevalier Beach

What local board area is this location in?

Whau

In general, how would you like dog access at this location to change?

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire locationProvide a large area for use outside h8gh demand periods for dogs and owners to exercise**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Because access to Meola Dog Park is now se4verly restricted due to changes to meola Rd.

Location 3:

What is the full name of the location where you want to change the dog access rules?

Coxs Bay parks

What local board area is this location in?

Aotea/Great Barrier

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

Change the current rule to allow dogs under control off a leash

What is the main reason you want to change the current dog access rule?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

Please explain your issue in more detail:

Do you have any further comments about dog access rules at Regional Parks?

A large off leash area needs to be created away from playing fields for dogs and owners to exerciseDogs are an important part of many households. They are social creatures entirely dependent on humans for every need. They need to have easy access to local off lead areas that allow for appropriate play and socialisation

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#194

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I think the skill of the walker is the answer here - some people can not handle one. A dog walker licence needs to be created.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Six is the most that can reasonably be controlled. There is always a risk of one dog misbehaving and increasing work load for the walker.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#240

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Off leash dogs can be dangerous and six dogs is still too many for one person to be able to control.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#278

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?
Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks
Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens
We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.
A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park
We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

As a disability assist dog handler, I wish the council could set clear signage right next to any dog restriction or no dog sign. It becomes a common issue for us to receive judgement or even rude yelling from strangers, they always assume we are breaking the law and won't stop asking us to leave with a really rude attitude. We have encountered similar behaviour for over 3 times. It was very traumatising and discriminating. Please make a signage clearly stating "assist dog friendly" or "assist dog exempt" to help educate the public

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don't know

Tell us why

Remove outdated or duplicate bylaw content:

I don't know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

As a disability assist dog handler, I support the change that made towards pet dogs to support our local community. However, people quickly get angry at the first sight they see us, a dog with a people in a no dog area. They can easily ruin our day, or even accusing and bullying us on the internet, saying we are breaking the policy. Clear clarification and public education have to be made and we should feel safe at all time in any public places. Please make clear signage and wide education about the difference about working dog every time when there is a new dog restriction area announced. If it's possible, a hot line for reporting the accident regarding disability assist dog and handler been discriminated could also be very helpful. We faced many challenges and difficulties, all we want is avoid more drama. Those actions could change our lives, your consideration will be sincerely appreciated

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The number of dogs being walked by professional dog walkers won't impact problematic dogs. Regulation for the people who operate dog walking businesses is a good idea, but this proposal won't have any impact on the people who should be targeted.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Some experienced pack walkers or dog trainers can have 20 dogs perfectly behaved and calm, while others can't keep 2 dogs under control and still call themselves professional dog walkers - the latter are the real issue. I think professional dog walkers should need to be licensed. There need to be industry standards, education and accreditation for professional dog walkers, so the public know who we can trust our dogs with and it's safer for everyone. Otherwise this bylaw will unfairly destroy some responsibly-run small businesses without fixing the problems. But I'm just someone who loves her dogs and their amazing dog walkers; you should ask the professionals how they think their industry should be regulated. You should consult with the Professional Dog Walkers Association.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It is not about the number of dogs, but how well managed they are by their humans/walkers . I think dog walking businesses should have to apply for a licence to be a registered dog walking business and as such be subject to rules, regulations and certification in the same way food business registration is managed eg a their dog management methods are observed and proven in order to be certified. There are too many rookie operators out there ruining the reputation of all the well managed dog walking operations.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

I think all well controlled dogs eg in the care of an experienced and licensed dog walker or owner should be allowed to explore and roam freely in these open spaces

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#362

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Seems an unnecessary blanket rule. I'm unsure what problem this is solving. If it's dogs leaving droppings, make a rule against that. If it's threats to wildlife, make a rule that they are leashed.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Responsible dog owners should be banned from taking dogs to a wide range of locations

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current rules seem simple to follow and sufficient to protect the gannet colony

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

I feel dogs shouldn't be banned from areas where responsible owners can take them on leash. In most cases I feel this doesn't pose significant risk

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#375

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Because a limit will place a burden on responsible dog walkers and their businesses leading to less dogs being walked by professional and will result in unintended consequences of less dogs being socialised due to rising costs. It will become unaffordable for the most venerable families that own dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

It’s a poorly thought out change to the bylaw

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Do not support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

The bylaw rules should go back to the drawing board.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott’s Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?
I do not support the proposed change
Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Meola Reef

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Expand the area of off leash area.

What is the main reason you want to change the current dog access rule?

Area is perfect for expansion

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Provide more areas and expanse for growing population with dogs in the central city

Location 2:

What is the full name of the location where you want to change the dog access rules?

Westmere

What local board area is this location in?

Waitematā

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control off a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire locationGreat tracks for off leash owners. Limited if any threats to the environment or others.**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Under-utilised tracks. Minimise people driving cars to other places to walk dogs. Reduces Carbon footprint.

Location 3:

What is the full name of the location where you want to change the dog access rules?

Auckland

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

Change the current rule to allow dogs under control off a leash

What is the main reason you want to change the current dog access rule?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Limit people driving places to walk their dogs. Council should be supporting more off leash areas and times for responsible dog owners. This supports walking locally (lower carbon footprint and reduced climate emissions)and is better for the community as

Please explain your issue in more detail:

Do you have any further comments about dog access rules at Regional Parks?

Not enough spaces and under utilised assets. Cats do far more damage environmentally.More dog access should be permitted and encouraged.

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

The current dog walking rules are so complex and confusing, and differ in each park that it is not surprising so many dog owners break the rules and feel entitled to do as they please.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

The current dog walking rules are so complex and confusing, and differ in each park that it is not surprising so many dog owners break the rules and feel entitled to do as they please.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

The current dog walking rules are so complex and confusing, and differ in each park that it is not surprising so many dog owners break the rules and feel entitled to do as they please.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don’t know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

The current dog walking rules are so complex and confusing, and differ in each park that it is not surprising so many dog owners break the rules and feel entitled to do as they please.

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

The current dog walking rules are so complex and confusing, and differ in each park that it is not surprising so many dog owners break the rules and feel entitled to do as they please.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-

leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#416

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

People walking three dogs or more dogs at once seem to mostly be running "pack walking" businesses. I'm concerned that these businesspeople are financially incentivised to walk as many dogs as possible at once, and that if they walk more dogs than they can reasonably control, the impact of any out-of-control dogs will fall upon the general public when we or our dogs are attacked.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Point Chevalier Beach

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I think the winter rules for on-leash and off-leash beach use should apply year-round. It's unfair to prohibit dog owners from bringing their well-behaved, leashed dogs during 10am-5pm in the summer - dogs are part of the family too. The dog owners who fr

Location 2:

What is the full name of the location where you want to change the dog access rules?

Meola Reef Reserve

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control off a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire locationCurrently, only the fenced section is off-leash. I think the entire park should become off-leash.**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Meola Reef Reserve is the premier off-leash dog park. People visit from far away to let their dogs off leash in the fenced section, and I rarely see people visiting the park without a dog. But despite this very dog-friendly environment, over half of the p

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#500

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I'm writing to express my concerns regarding the proposed by-law changes that would limit the number of dogs that can be walked at one time. These restrictions would significantly impact local businesses, in particular qualified dog walkers, and would make their operations unfeasible.

As a dog owner pack walking is an essential service. It helps dogs stay calm, social, and well-trained. This service provides vital mental, physical, and social stimulation, and prevents behavioural issues such as excessive barking and reactivity.

I believe that instead of imposing limits on the number of dogs that can be walked at one time, licensing and regulating who is able to operate pack-walking services sould be the focus.

Qualified professionals, i.e. those with formal training, certifications, and experience, should be allowed to walk larger packs, ensuring high industry standards. This approach would address concerns about unqualified operators who do not adhere to best practices, unlike dedicated professionals who prioritize safety and public courtesy.

Reducing pack sizes may also increase costs, making these services unaffordable for many dog owners and potentially forcing reputable operators out of business. This could lead to more dogs being left home alone, which would negatively impact their well-being and contribute to nuisance behaviors in our community.

Personally, if these changes were implemented, it would mean that my dog would have to stay home alone during the day. This has previously (before he started going on pack walks) resulted in anxiety, loud barking throughout the day and worse social skills with other dogs.

I urge the council to reconsider this proposal and instead focus on licensing and regulating professional dog walkers to ensure high standards and accountability. Please consult with relevant industry experts, such as the Professional Dog Walkers Association, before making any decisions that could significantly impact both businesses and dog owners alike.

Thank you very much for your time and consideration.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Support

Tell us why

Keep dogs off our mountain

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Important to have off leash areas to exercise high energy dogs. It needs to be safe for all dogs and people. If there are dog attacks there needs to be a way to identify the owners so they can't keep having dogs. It's cruel to the dogs and dangerous to the community if there are no consequences for people who can't manage their dogs.

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Knight Point

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Limited off leash areas in Auckland. There needs to be more available for whole year round

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

As above

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Mahurangi Regional Park,Muriwai Regional Park,Shakespear Regional Park,Tāwharanui Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I support the proposed change

Mahurangi East

I support the proposed change

Mahurangi Scott Point

I support the proposed change

Tell us why

I hoped there were going to be some times/ times of year that dogs were allowed at Sullivans Bay - but doesn't look like it

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-

leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Sullivans Bay

What local board area is this location in?

Franklin

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:Beach and campground

What is the main reason you want to change the current dog access rule?

So we can go there with our dog

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#636

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I am not a pet owner but I am happy for people to have dogs. However, my experience as a walker is that people with dogs do not share space on footpaths. I regularly have to move on the berm to make way for a dog. I also feel there are too many dogs now. I would like to see a limit to the number of dogs a household can have.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

I think a by law like this cannot be limited to areas, it should apply to the whole of Auckland. Applying a law like this to limited areas just creates bad feeling and dissension. For example, it is unlikely the by law would not be applied to "Remuera" but very likely it would be applied to "Otara".

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I see the basic problem with dogs being that many people these days treat their dogs as humans. This may be a dog owner's relationship with their dog but they need to understand that it is restricted to them. I am not a dog owner but I understand animals intuitively and show respect and kindness to all creatures. I would therefore like to see every dog owner attend a compulsory course on dog ownership when they apply to register their dog(s).

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Dog owners generally do not share space well. I understand owners wanting to unleash their dogs and I support specific areas where this can be done. There is also the issue of poop left for everyone else to view and smell. I think most dog owners are good at picking up poop but if they cannot be seen then my experience is that they leave it where it falls.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

For the reasons I have given regarding the previous park.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

For the reasons I have given regarding the previous park.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why
For the reasons I have given regarding the previous park.

Mahurangi Regional Park
We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I support the proposed change
Mahurangi East
I support the proposed change
Mahurangi Scott Point
I support the proposed change
Tell us why
For the reasons I have given regarding the previous park.

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
For the reasons I have given previously although I would prefer that dogs not be allowed on beaches at all.

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I support the proposed change
Tell us why
As previously, I would prefer that dogs are not allowed on beaches at all but support what Council proposes.

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I support the proposed change
Tell us why

Again, I feel owners are the big problem so the restrictions are good.

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?
I support the proposed change
Tell us why
For reasons already stated in relation to other parks/beaches.

Tāwharanui Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
This is a beautiful place with native birds etc. A dog will always be a dog so good to keep them away from birds etc. Also, I would prefer not to meet a dog while walking this track.

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I support the proposed change
Tell us why
I want dogs away from beaches.

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?
I support the proposed change
Tell us why
Again, good to keep dogs away from pristine areas as much as is possible.

Wenderholm Regional Park
We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?
I support the proposed change
Tell us why
I would prefer that dogs were not allowed on any walking tracks.

Whakanewha Regional Park
We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?
I support the proposed change
Tell us why
Good balance.

I would prefer that dogs not be allowed in regional parks at all. Our regional parks are so beautiful and many dog owners (regardless of by laws) think their dogs have rights and privileges so they will disregard by law whenever they have the opportunity (e.g. they cannot be seen). A generation ago dogs were left at home.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#641

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional dog pack walkers are not the problem. They have their packs under control and train their packs accordingly. Dog walkers offer a valuable service to dog owners, and this new regulation would simply put many people out of business and increase poor behaviour in dogs. I would like to see an industry standard for dog walkers though, in the form of licenses and examination, and I believe the profession would welcome that.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Monte Cecilia park

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Would like old park to become off leash under control for dogs.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The park is one of the few and central Auckland that is large enough and varied enough for off leash under control. Dog space. We desperately need more space for dogs!

#647

Dog should be allowed on all beaches in Auckland, all around under control.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

This may have an impact on professional dog walkers & service providers. Could this be managed instead using licensing or a similar mechanism to support this industry?

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Hunua Ranges Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

This overall policy change appears to be generally negative for dog owners, with most cases increasing restrictions. It is likely this will increase non compliance as it becomes more difficult to walk your dog within the constraints of the bylaws.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#668

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I don’t know
Tell us why

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other

areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Redc

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs must be on leash at all times except in a dog park. Dogs must never be allowed in a cafe ,restaurants, bars , shopping malls etc.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#722

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I have encountered dog day care walkers in designated public dog walking areas in central suburbs with up to 14 dogs. This is intimidating. My own dog has been compromised with little regard from the youngsters that generally walk these dogs in large groups.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#748

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I am writing in opposition to the current proposed change to the bylaws in respect to walking multiple dogs at once. My dog is currently walked by a professional pack walking company who perform their duties with the utmost professionalism and care ensuring all dogs are well looked after and return happy. The company that I use ensures that all dogs are under control when on or off lead and all current council bylaws are followed.

I am benefitted by using the service of my pack walking company:

- we are very responsible dog owners who walk our dog every morning and every night at least 30-45mins. We also have the services of the dog walking company 4 days per week when we are not at home during the day. He is taken for a long walk between approx. 11am - 2pm which means his needs are well catered for and he is not bored at home, and does not cause any disturbance.

- the company follow high standards and he is well looked after, under control and socialised with other dogs which is important.

If my pack walking company had to make significant changes as a result of this proposed changes to the bylaw, this would affect me:

- may not have access to the dog walking company (may go out of business) which would mean my dog would be left at home longer and may then cause a nuisance by barking etc

- may charge more for fewer dogs at a time (they currently have a max of 8) which would financially impact us. We currently pay $188/week for 4 walks per week which is about the limit of affordability so we would need to reduce the number of walks.

Please put your efforts into sorting out the real problems in Auckland - irresponsible dog owners, out of control roaming dogs, dogs abused and not well-cared for.

Dogs under control are not the issue.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

6 is too many dogs to control

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Multiple dogs are a nuisance unless registered breeding.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Rules must be consistent across city.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Dogs on leash should be fine with registered owner.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Long Bay Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs on leash should be allowed anywhere with registered owner.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other

areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#778

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Unlikely to genuinely have more than that number under the control of one person. Large group of dogs approaching can be intimidating. It can be difficult to pass on narrow paths where offlead dogs often pass on both sides of you so you are 'surrounded'.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Some areas seem to have a large number of dogs unregistered, and apparently kept for 'protection' rather than family pets. Multiple dogs in these situations would increase the risk of attacks, and increase the potential severity if they act as a pack. .

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I am writing in opposition to the current proposed change to the bylaws in respect to walking multiple dogs at once. My 2 dogs are currently walked by a professional pack walking company who perform their duties with the utmost professionalism and care ensuring all dogs are well looked after and return happy. I have been using pack walking companies for over 10 years, without incident, and from my perspective the changes seek to apply a solution to a problem that doesn't exist to an extent requiring this heavy-handedness.

The company that I use, and the previous 3 that I've used, have all ensured that all dogs are under control when on or off lead and all current council bylaws are followed.

I'm sure that there might be rogue organisations that are not as diligent as the 4 companies I have used, but regulating against law abiding, professional companies to manage a few ratbags is surely not the solution? If an organisation doesn't care about the current laws, why are they all of a sudden going to care about a set of new laws??

If there is indeed a problem that is big enough to warrant punishing the many companies that are law abiding and professional, then I certainly haven't seen it in the media....so I ask myself how it is that something that is certainly not being reported as an issue all of a sudden becomes a problem that requires everyone (law abiding, professional AND ratbags) needing to be managed with the same heavy hand??

I am benefitted by using the service of my pack walking company and my concern is that many pack walking companies will go out of business given that making it feasible to walk so few dogs at a time will see costs skyrocket. We also do no favours to the dogs currently enjoying their services.

It seems, these days, that the easy solution grasped at is too often the easy one.... we have a few issues, so let's apply a solution that effects everyone, even those that we have no problem with.

To be honest - this is simply a lazy way out, and not something we expect from officials that we have voted for, in good faith, to administer our city.

Wouldn't it be great if we could do the right thing, and not always the easy thing?

Thank you

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change
Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change
Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change
Tell us why

Please expand more dog-friendly areas! Regulate dog owners to avoid restricting their dogs' freedom of movement! New Zealand is a dog-friendly nation!

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#863

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

Individuals need to be able to control a dog or react if something goes awry. The less number of dogs in their possession, the better they can react to potentially dangerous situations with the dogs under their responsibility. The public should not be out at increased risk as a result of individuals taking out too many dogs at a time.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Dogs can be a danger to people and particularly children. Dangerous dogs should not breed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Spaces in Auckland should be appropriately sized for numerous dogs.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Dogs should be restricted in prime time to council parks, camping grounds etc without designated zones which create a safe barrier between dogs and the public. Regularly people flaunt the rules with dogs on beaches when there's many children around.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Dogs create additional concerns for the public, and costs to be covered by council for dog parks, dog waste removal, damage from dogs etc. Owners need to take on greater cost to cover these charges and should be more restricted in currently relaxed rules for dogs in public.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Greater control of dogs is needed.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Creates greater protection for general public.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Numerous times during peak public use I have seen dogs off leash run up in other people's spaces and areas near children and create potentially dangerous situations during peak usage hours. It is a safety improvement to remove dogs during peak hours.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

St Heliers

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dog owners create a nuisance with their dogs in public spaces

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#870

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This will limit the number of places that dogs will be able to exercise with a dog walker. I have not experienced any problems with dogs when under the control of a dog walker. Dogs are pack animals and enjoy the company of others.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

It would be great to continue to have some access to regional parks with dogs, so that families with dogs can enjoy some of these parks together. The number with dog access are already quite limited.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#911

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Only change the off-leash area to north of the rose gardens before 10am and after 5pm (on-leash between 10am and 5pm)

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Monte Cecelia Park

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Most people at this park are all there with their dogs. Just let the dogs walk around without their leash as they are not bothering anyone. Come down and you will realise what a wonderful dog loving community there is and even the cafe owners are very a

Location 2:

What is the full name of the location where you want to change the dog access rules?

Waiaturua Reserve

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control off a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire location**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dog owners are responsible people and would not let their dog off leash if they thought there would be an issue. Embrace the dog like most western countries do.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Most professional Dog walkers are just that, professional. It is the few random companies that let the party down, for example ‘out and about’ who frequent my local park. They are so disorganised most of the time they don’t even know how many dogs I have, and they usually lose one or two at a time. I’ve seen many people bringing dogs back to their group.

But saying that, my Dog goes out with a group every Thursday and has an amazing time. I know he is in safe hands and always comes back happy, he loves playing and running around with other dogs, which they can’t do if they have to be on a lead all the time.

So long as the company has control of the animals I don’t feel that six off lead is too many but should be the max. It is not necessary to have three dogs on a lead at all times.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Maximum of 4 dogs with only 1 off lead, no allowance for license to have more than 1 dog off lead in public spaces, except allocated off lead areas

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

I support a dog that is classed as menacing but not entire breeds being classed as menacing, plus harsher penalties need to be put on owner of menacing dogs or have the dog removed from that person

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Needs to be a professional to class the animal, not a random council member that doesn't know a dog from a cow

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Need to specify what number is multiple, 2 or more, 3 or more etc

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Dogs should be allowed in all public spaces, if council/government money is spent to help maintain this area then it should be free for all to enjoy, not just Ancestral interests.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional

Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be allowed to walk on lead through all public tracks.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season)

and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I do not support the proposed change
Mahurangi East
I do not support the proposed change
Mahurangi Scott Point
I support the proposed change
Tell us why
Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced. If an owner cannot control their dog around stock they should not own a dog.

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Agree dogs should not be off lead around the birds yet Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced. If owners cannot control their dog around stock they should not own a dog. Happy with the Homestead enforcemen

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Should be changed so dogs HAVE access. Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced.

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Lots of mountain bikers have dogs that love a good run, as long as they have full control of their dog off lead they should be allowed on the trails. Harsher penalties for owners that do not comply

Wenderholm Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced. Again, if owners cannot control their dogs around stock they need a harsh fine

Whakanewha Regional Park
We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Dogs should have the right to enjoy all beaches under control of their owners, if owners do not have control harsh penalties should be enforced. This includes off lead not just on lead

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:
What is the full name of the location where you want to change the dog access rules?

All beaches

What local board area is this location in?

Puketāpapa

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

Requirement for off lead to all beaches

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

All beaches should be off lead, if an owner cannot control their animal, they need to be penalized not the entire community of dog owners.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Meola reef

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

It's a good opportunity to train the dogs

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

It's known as a doggie place

No

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#982

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our current dog walker is amazing and walks a large number of dogs, under control and off leash when in off leash areas. If you are to change this rule that means her business will suffer and more than likely our price will go up. During this cost of living crisis I do I would not be able to afford an increase and there for putting my strange on our family.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

You are wasting our money!! You can put this money back to the front line people, e.g. lawn mowing crew to mow our parks more regularly, and reinstate the rubbish bins at parks. This means dog walks and families can enjoy the parks more often. No need to change anything.

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

This won’t change anything. People who don’t follow rules will still breed unruly dogs and train them to do unruly things.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:
Do not support
Tell us why

Clarify how dog access rules are set:
Do not support
Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):
Do not support
Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:
Do not support
Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):
Do not support
Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):
Do not support
Tell us why

Remove outdated or duplicate bylaw content:
Do not support
Tell us why

Do you have comments on any of the above proposed changes?
Do you have any further comments on the proposed policy and bylaw changes?
This will cost too much and you will not make it better for dog owners.

3. Dog access rules at Regional Parks
Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Pākiri Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
You are add extra pressure to families by making dog walking extremely difficult. For locals/guests Will have to walk their dogs on the narrow country roads making it very dangerous.

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

All Auckland Beaches

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I believe you need to provide more spaces and beaches for dogs to play off lead.

Location 2:

What is the full name of the location where you want to change the dog access rules?

Hillsborough - Monte Cecilia

What local board area is this location in?

Puketāpapa

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control off a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire location**Entire location**0

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I believe you are making it extremely hard for locals to walk their dogs off lead. Changing the rule at Mote Cecilia to be on lead will mean that locals will have to drive (added cars to the road) to another off lead park, putting pressure on this park. Y

Increase dog access areas - on-lead for all walk and providing an off lead area at all large parks.

You can do better AC!

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#986

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I think out in big regional parks there is room for everyone and multiple group dogs on and off leash. Im reality people out walking in our big regional parks don't bump into dog walking packs often enough for this to be really a problem. Think it is a minute few complaining.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

This is a very reasonable restriction limit

(generous!)

As an owner of 2'dogs and using multiple off and on leash Dog exercise areas - for the safety of all dogs this is appropriate.

If a dog walking business, then they should be considering a more appropriate (ie: lower) person to dog ratio in public places

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1164

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Dogs can be unpredictable and it is very difficult to focus on a large number of dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

A person should not be responsible for more than two dogs at any time. How can one person (with two hands)possibly control any more than that? 6 is ridiculous - if a dog is attacking a child, what do they do with the other 5 while they try to save the child?

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

So many dog users don't know what the rules are, with disasterous results. Dog owner and Council responsibilities need to be made very clear.

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Menacing dogs should be euthanised or, at the very least, have to wear a muzzle in public. Neutering doesn't fix the issue.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Make access rules, consequences of breaking and how to report law breakers them very clear. Reporting should be easier (i.e. put a QR code on signs)

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Need to make things safer for non dog owners.

3. Dog access rules at Regional Parks

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:
What is the full name of the location where you want to change the dog access rules?

Point Cheaviler

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

People have dogs off the lead all the time - they jump on you in the water, knock over little kids, leave faeces, walk wet all over your stuff

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1197

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I think regulations of properly trained dog walkers could manage the risk. Parking the number of dogs at an arbitrary number actually does nothing to reduce the risk, if the walker themself is still not properly trained or regulated.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Dogs are a fundamental part of our lives, we pay council tax and walk our dog safely at all times. The council is becoming prejudice against dogs. I am happy to start a dog protest against the auckland council if needed.

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:
What is the full name of the location where you want to change the dog access rules?

Pah homestead

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

We have very limited dog friendly areas and you've stolen this one from us too

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

It used to be dog friendly, one MOP complained and you jumped on it. There's plenty of choices of locations for them, not for us

Us dog owners are also tax paying members of society and you shouldn't have the right to rob us of it. The council is meant t

Dogs are a fundamental part of our lives, we pay council tax and walk our dog safely at all times. The council is becoming prejudice against dogs. I am happy to start a dog protest against the auckland council if needed. If it gets to that stage we'll be demanding an evaluation of the staff working at the council

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1200

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

This change will negatively affect professional dog walkers. These are small businesses employing teenagers and young people at a time when youth unemployment is rising. I propose a special permit be available at no cost to professional dog walkers so as not to impinge upon their business.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I have never encountered problems with dog walkers and feel they largely stick to the rules in parks. Those that break rules and do not have under control should be punished without impeding those who are operating appropriately and following bylaws already. Do not disadvantage the large numbers who are operating appropriately for a few that do not keep dogs under control.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1316

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Option I would consider:

- consulting with the Professional Dog Walkers Association to develop a more practical, data driven solution.

- work with PDWA to create a licensing agreement for professionals or some sort of certificate to set standards and enforce best practices.

- Maximum of 8-10 off leash

My pug is at home during work hours and benefits from her pack walks which are usually between 6-8 dogs. They go to secluded areas where other dogs are typically not around, they practice recall, sit stays, and manners for when other people/animals may walk pass. Her confidence is up and I trust that our pack walker is responsible and safe.

If any changes were to be made, I would be keen on seeing certification from all dog walkers/pack walkers as there can be a few adhoc/cowboys around who run rogue routines, who have also ultimately given the pack walk industry a bad name.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1408

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The proposed blanket restrictions will unfairly target professional dog walkers, who in my experience are highly skilled in dog training techniques, without addressing the root issues or oversight of potential legislation.

My personal experience over the last 12 years life changing having used professional dog walkers. My dogs walker has become a huge part of my dog's regular routine and ongoing training, providing an incredible, professional, highly specialised service. Unfortunately, this proposal would be life changing for my dog, for me, and for my dog walker for all the wrong reasons, and unfairly target my dog walker’s business and livelihood.

This approach overlooks viable and important alternatives, such as introducing licensing for professional dog walkers to ensure regulation and high standards within the industry, and focusing enforcement on solutions to fix the issues that the original Auckland Council survey identified, such as roaming dogs, out of control dogs, providing more education and support to pet owners, and enforcing the rule that dogs must be under control. These changes would address public concerns without, undoubtably, irrevocably destroying an industry that provides a vital and professional service to dog owners in Auckland.

Dogs are like children to some people and it having dog walkers to walk the dogs during the day while we are at work is of huge comfort to us.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

My dog is a family member, and I trust our dog walker implicitly with him.

She is more than a dog walker; she knows how to control, discipline and respect the animals in her care. This should be looked at in person rather than as a blanket rule.

I know that the dogs respect her, so listen and act accordingly. The control she has is far beyond anything a layperson could achieve. The change in the law would be detrimental not only to her livelihood but also to countless others who rely on services like this for their family members.

Please don't change the law.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1457

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dog walking services are important to dog owners and it is important that they remain cost-effective as to not eliminate or exclude people with less money from being able to access these services. I think that instead of limiting the number of dogs one person can walk at any time Council should instead delineate the parks in which dog walking services with more than six dogs can access for use. For example Meola Reef dog park can be used for more than 6 dogs at once, but Moa Reserve has a maximum of 6 dogs per person. If the 6 dog per person limit is a blanket policy, dog walking services will become inaccessible to many dog owners due the businesses having to significantly increase the cost per walk for a dog owners. AVG market rate now is $50 per walk which is already quite expensive for most people.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1472

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Because dog walkers are an extremely important part of society in a city. The more socialising a dog has, the better prepared they are for being in social situations. This proposal will mean more dogs are ill prepared and under exercised, which I'm sure is counterproductive.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park,Tāwharanui Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

I think the current regulations are more than adequate.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Because it's ridiculous that they are entirely prohibited during the day.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

This sounds reasonable

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Please consider the the needs of dogs and owners to get required exercise. Controls to protect wildlife are understandable. But people not wanting to have any contact with dogs are far too precious to be out in public. Perhaps they need to be exposed to the real world rather than coddled.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1477

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

It is not safe to have more dogs off leash. Dog walkers do not have a close bond with the animals and so can't control them well if something goes wrong.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1554

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I think any more than 6 dogs on leash and 3 off-leash becomes unmanageable if there is a problem that occurs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I am very alarmed at the number of dog attack incidents that are being reported and the number of packs of roaming, usually not de-sexed male dogs in Auckland. This needs to be addressed and rules adhered to strictly. Vicious dogs must be removed and put down to avoid further attacks.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I think dogs should be on-leash most of the time. Only off leash in designated areas where they can run free without bothering anyone else.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other

areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Dogs should be clearly under control at Regional Parks for the sake of everyone's safety and enjoyment, including the dogs and owners.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1571

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Overdue - ridiculous to have that many dogs in public land. Private land is people's own business.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I think larger groups are unmanageable for dog walkers. On Owairaka / Mt Albert I have been surrounded by dogs that were loose and in the care of dog walkers, and they struggled to regain control. I would not be in favour of having any dogs off leash if the person in control has more than 2 dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Policy needs to be clear

“In Control” does not mean on a leash, which, in my view, dogs should be outside designated areas.

Current rules say “In control” and I think this is not enough. Both myself and my dog have been attacked by dogs off leash on Owairaka/ Mt Albert and along the Oakley Creek walkway through Mt Roskill and Mt Albert. “In Control” is too broad and a person may think they are in control when they are not, and this could result in harm to a person or other animal. The goal should be safety and consistency, and clear signage.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

All areas should require permission for more that 2 dogs. I now have streets in my area (Ōwairaka) that I cannot walk on, with or without my dab, due to properties having too many dogs, especially when they have a litter of puppies, and the adult dogs and puppies are then very noisy, intimidating, and often left alone during the day. They bark and the larger numbers mean this is more noise pollution.

Clarify how dog access rules are set:

Support

Tell us why

Locals should have a say in their own access rules for local parks and especially off-leash areas

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarification is necessary.

The “In Control” rule is too unspecific.

Dogs need to be on a leash when off their own property, except in designated off-leash areas.

Clear signage is needed for clarity

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

As people use our Maunga widely in Auckland all dogs should be on a leash apart from in designated and contained off-leash areas.

Signage needs to be clear and a programme of communication undertaken so the public is aware of rules

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Clarity is needed

Law/ rules need to be clearly communicated to all

3. Dog access rules at Regional Parks

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I strongly oppose the proposed changes to limit the number of dogs walked at one time to six (with a maximum of three off-lead) and do not support the alternative options presented. While I understand the concerns driving these proposals, such as the tragic death of a dog in the Whitford/Maraetai area in 2024, these changes fail to address two critical issues effectively.

1. Lack of Focus on Licensing and Regulation for Professional Dog Walkers

The proposed blanket restrictions disregard the need for proper regulation of professional dog walkers, who provide essential services to dog owners. For businesses offering pack walking services, limiting groups to fewer than 10-12 dogs is simply not viable. Such restrictions would force companies to raise prices significantly, making their services unaffordable for many dog owners. This would disproportionately affect those who rely on these services to ensure their dogs get adequate exercise, stimulation, and training. It goes without saying that a dog lacking exercise, mental stimulation, and proper training can pose potential safety risks.

Our own dog is regularly walked by an East Auckland pack walking company that operates with high standards of care. Prior to any dog joining their pack, they conduct thorough compatibility and safety assessments to ensure the safety of both the pack and the public, They always employ at least two walkers and ensure all dogs are responsibly managed. These services have significantly improved our dog's behavior, reducing reactivity and enhancing training outcomes. They also help prevent boredom-related issues, such as barking, which often disturb neighbours when dogs are left home alone.

Professional dog walking can be conducted safely and successfully with the right measures in place. Instead of imposing arbitrary limits, the focus should be on licensing and regulating these services, ensuring walkers are trained, responsible, and capable of managing larger groups of dogs.

2. Ignoring the Real Problems of Stray Dogs and Inexperienced Walkers

The proposed changes also fail to address two significant issues:

Stray dogs: Particularly in areas like East Auckland, stray dogs remain a persistent problem. Response time from local rangers is far too delayed and dogs are often not

caught. These dogs pose a far greater risk to public safety than professionally managed pack walks and require more attention and resources to address.

Inexperienced walkers: Allowing individuals without training or experience to walk multiple dogs creates unsafe situations for both the public and the animals involved. Without proper oversight, such walkers may lack the skills to manage pack dynamics, increasing the risk of incidents that could be prevented with appropriate regulation.

Proposed Alternative

Rather than penalizing responsible dog walkers and owners with restrictive limits, efforts should focus on:

Implementing licensing requirements for professional dog walking companies.

Setting clear regulations, such as requiring all dogs to remain on-lead during group walks.

Allowing pack walking companies to operate with viable group sizes of up to 10-12 dogs, provided they meet safety and management criteria.

Allocating resources to address stray dog issues and improve ranger response times.

These measures would address the root causes of public safety concerns while ensuring that professional dog walking remains both viable for businesses and affordable for dog owners.

I strongly disagree with the proposed changes. They fail to consider the significant benefits of responsible, regulated pack walking and would create unnecessary burdens on dog owners and businesses alike. A more targeted approach that prioritises regulation, licensing, and stray dog management would better address the concerns at hand.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1622

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The lack of facilities and areas that are available to take dogs to, makes it very hard for dog owners. Many work places are intolerant, most shops, cafes and restaurants are also intolerant. Many parks and beaches have major restrictions, most regional parks are prohibited. There are so few places to take dogs, so a lot of people have to find sitters, dog walkers, or leave their dogs at home, unsocialised. Without even getting started on the fact that there are so FEW places to have dogs offlead as well. It is disappointing that Council cannot see why dog walkers are needed, and only make life harder for all owners.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

I would like to know what the goal is, and how it is being evenly applied to other animals that harm native wildlife for example - cats? or who excrement in public without cleaning it up - humans and cats (I know because those are the two poops my dog likes to eat!)

Clarify rule that all dogs classified as menacing must be to neuter:

I don’t know

Tell us why

Which dog expert authority decides what dog is menacing?

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

It should only be people properly trained and specialised in animal and dogs, it is useless to have a council member or member of society providing this.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Have it as a universal rule, and extend it to other animals as well, there are always concerns if people have too many animals, not just dogs, and their ability to properly care and control them.

Clarify how dog access rules are set:

Do not support

Tell us why

As I have said, it is disappointing how restrictive Auckland is to dogs and dog owners. I have visited over 40 countries, and lived in 3 countries, and there is no more restricted place than Auckland. Council is out of touch with Aucklanders is this regard.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Please expand on what "Clarify" means for this change?

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Can we change some of them as well?

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do not support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

What is the change? Please expand?

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Can you please provide interactive maps that show how many areas across Auckland allow dogs, and the rules when you go over them. I would also like the information on how many square metres of park areas are available for dogs, dogs onlead and dogs offleash, out of the total. Concentrating dogs into smaller areas is a recipe for disaster that apparently Council does not understand.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

highway

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

We need more beaches to go to,

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Because it is a lovely place to go, but the vast majority of rate-payers who own dogs don't go.

Location 2:

What is the full name of the location where you want to change the dog access rules?

Cornwall Park

What local board area is this location in?

Maungakiekie-Tāmaki

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control off a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Provide an offlead area

What is the main reason you want to change the current dog access rule?

A section of it. Please specify:provide more spaces for offlead**A section of it. Please specify:**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3:

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Provide more public and regional park spaces for dog owners to use, we use parks more than most aucklanders (walking in them sometimes 3 times a day for at least 30 mins each time!)

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1645

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

If dogs are under control then there is no problem. An owner could have 5 small dogs maintain good control, I don't see a need to limit it

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Please still allow dogs in Ambury.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I support the proposed change

Mahurangi East

I support the proposed change

Mahurangi Scott Point

I support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Shakespeare Regional Park

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1773

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I strongly believe that professional dog handlers with a licence should be able to take on what they are currently taking on and/or have off leash. Especially when they have been doing this for years and are experts. But when it comes to people of public that don't have experience with dogs or have a licence (especially young people who take on dog walking as a first job) they should definitely have restrictions on how many dogs they walk/let off leash. Professional dog walkers who have a licence and do this a a full time job, know what to do and how to handle situations they may come across. I don't agree that they should be affected by the new council rules that have been proposed.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

As a dog owner we consider our dog as part of the family. In the past before having a dog we would use this regional park frequently, now we don't go as the restrictions always makes us feel like it's not worth travelling to this beautiful park and only b

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Big King

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please keep Big King off leash. There are very few central Auckland areas that allow off leash now and our dog loves to fetch and chase her ball for mental stimulation and exercise.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

There are very few central Auckland areas that allow off leash now and our dog loves to fetch and chase her ball for mental stimulation and exercise. Auckland is becoming more and more restricted with areas to have a dog off leash and dogs need it for the

Location 2:

What is the full name of the location where you want to change the dog access rules?

Monte Cecilia

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control off a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Keep the bowl area off leash

What is the main reason you want to change the current dog access rule?

A section of it. Please specify:Please keep Monte Cecilia off leash in the current area. There are very few central Auckland areas that allow off leash now and our dog loves to fetch and chase her ball for mental stimulation and exercise.**A section of it. Please specify:**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3:

What is the full name of the location where you want to change the dog access rules?

Gribblehirst Park

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

Change the current rule to allow dogs under control off a leashgrassed area of the hill except the playground

What is the main reason you want to change the current dog access rule?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:There are not enough off leash areas around the central Auckland Mt Eden, Morningside area.

Please explain your issue in more detail:

Do you have any further comments about dog access rules at Regional Parks?

There are very few central Auckland areas that allow off leash now and our dog loves to fetch and chase her ball for mental stimulation and exercise. In the area of Mt Eden/Morningside/Balmoral there are very few off leash areas (and most require driving

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

It makes sense

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1904

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don’t know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1939

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

For a private person I think that is more than enough for them to control. However if it is a registered business with good dog behaviour record I thinks it could increase to 10 dogs in total

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

all rules should be clear so there is no argument

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

a. they should not be able to breed.

b. hopefully neutering should produce a calmer dog

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

unsure what the change means. But everyone including dog walkers should have access to any mountains classed as ancestral. they have been there since the beginning of time and should be available to all to enjoy

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Other than the playground and water areas. Dogs should be allowed with their owners. I go to many restaurants with my large dog and there are never any issues so im not sure why the council thinks there are. Have travelled on the waiheke bus for the last 20years with my dogs and never and issue. Of course noted dangerous breeds should be muzzled.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

where there are kiwi or other native ground birds dogs should be on leads. other than that I see no reason that they should be of lead. Council needs to fund more dog management control vans people so they can be on top of roving ill behaved dogs and owners. then there will be no problem in the community.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1941

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

I do not believe this is a material issue and will significantly impact on the options available to responsible dog owners who want to have their dogs exercised during the day (limiting options and increasing cost). Focus should be on irresponsible dog owners who do not de-sex their dogs and allow them to roam freely.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1966

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Give dog walkers permits so they take responsibility for keeping the dogs in their care under control. Big difference between big dogs and small dogs. Unfair to group together. Also what are we paying dog rego for if we can't walk our dogs off leash (Monte Cecilia).

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Walkers must control dogs correctly. This is not happening.

As an owner of a dog - It is concerning to see people walking large numbers of dogs without complete control.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

There should also be a requirement for the owners to complete formal training for managing their dog if classed as menacing.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

The council should consult with dog owners to ensure the rules are not punitive on good dog owners.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I walk our families dogs together which is five dogs. We go to an off leash walk and never have any issues.

There are very few place this is permitted as it is. People who feel this is a problem can easily choose to walk elsewhere

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be allowed

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Dogs are under control and should be allowed

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I don’t know
Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change
Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2112

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2141

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

People should not walk more than two dogs to ensure they can be kept under control.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

All properties, even farms, with more than one dog should be licensed.

Clarify how dog access rules are set:

I don't know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Auckland should have a uniform policy and that policy should be that any dog not on its owners property or in a Council approved dog exercise park (not a public park or beach) must be on a leash. There should be no off leash dogs allowed in public places.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Dogs should always be on a leash on maunga.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

All of these regulations are way too complicated and open the door for dog owners to claim that they are unsure. Make a blanket rule that the only time a dog can be off leash is on its owners property or in a dog exercise park, Public parks and beaches are NOT dog exercise areas.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Tāwharanui Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

There should be a maximum. Some people are not used to (or are afraid of) dogs, regardless of breed or temperament. But unless this can be (and will be) policed, the change is pointless.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Without clear requirements on how the Council will manage the policy to ensure it is actually adhered to, redrafting an existing document is a pointless exercise. For example, how will Council staff be held accountable if/when people do not adhere to the policy? Will someone lose their job? Redrafting an existing document would take Chat GPT about 2 seconds. How long will it take someone at the Council and what is their hourly rate?

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Other (please explain below)

Tell us why

I agree with the dog walkers only having 6 dogs at one time in and around central Auckland but NOT applying this to responsible trained walkers who take dogs through the forest or beaches You would be better to require dog walkers to sit and pay for a license, enabling them to learn the rules and responsibilities presently anyone can be a dog walker!

My 2 large dogs go out to a doggy daycare in west Auckland they are taken by trained responsible walkers some off lead some on long leads there is generally 2-3 walkers and sometimes 10-15 dogs this stupid blanket approach would make it expensive for the facility which gets passed onto the owners. Big dogs need to get out and run! my dogs are well managed and have plenty of videos to prove they are always under control. Dogs enjoy being in packs and socializing it also makes them relaxed as they burn off energy!

this blanket approach is punishing responsible dog owners and daycare faculties it has not been well thought out as a blanket approach to anything never works! We urge the council to dig deeper have a well thought out plan that caters to ALL dog owners/daycares NOT a one size fits it!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2164

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

For dogs to have the opportunity to run and be free with our dogs is incredibly important for their mental and physical wellbeing. I think the limit is reasonable for every day owners but I think there should be an exception for professional dog walking businesses who provide this service and are specifically qualified to manage multiple dogs as they have vetted the dogs too. Otherwise this will drastically increase the costs for pack walks making it inaccessible for many and result in more pent up energy dogs who will become more triggered when they do get freedom. Professionals have the ability to judge where is safe to let dogs off leash too so again I don't believe this limit should apply here either.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2251

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dogs need their companions and social

Interaction with other dogs as well.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

No

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2257

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

The walker needs to be able to control the dogs at all times in public spaces. The less dogs off leash the better.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

All areas of Auckland except rural zoned should be covered by the license to keep multiple dogs.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2275

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Restructuring existing policy is often not a useful use of time and money. This should go into enforcing existing policy instead

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Sounds like a waste of time and money, not a priority.

Clarify how dog access rules are set:

Do not support

Tell us why

No-one is interested in how they are set. They need to be enforced because they are completely pointless if they are not.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

There is no point doing this if the rules are not going to be enforced. You need more enforcement officers who actually hand out fines on the spot, no excuses.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

I only support this if the errors are causing significant difficulties. I suspect they are probably not, and so would be another waste of money when no-one adheres to the access rules anyway.

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do not support

Tell us why

Again, a waste of money.

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

Again, not a priority. Enforcing policy to keep the public safe should be the number one priority.

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

You're putting money into the wrong thing. What's the point in updating policy if no-one is using it? You need people on the ground handing out fines for people who are flagrantly flouting the policy day in day out and causing harm and trauma to the general public.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This is unfair to professional dog walkers - who are mainly the only people who would ever have more than six dogs out for a walk. Dog walking is a crucial service for the care of urban pets to not keep them crulely locked in the house all day.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Please keep Kakamatua beach for dogs. We all love it so much.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2325

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Dog access should be expanded to more public places with clearer rules and allowable seasons or times of day.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify is very subjective.

Dog rules should be relaxed for non aggressive breeds and responsible owners.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Should be allowed access.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

This feedback form was very misleading.

You're collecting a false mandate to make change. You are not clear on what the clarification or changes will be. You should consult again using an Informed process before any rules are changed. This survey only talks about about clarification.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Hunua Ranges Regional Park,Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Current rule is sufficient.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Access is easiest south of the surf tower. Dogs on leash south. Off leash north.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Dogs rule,

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2336

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Many people work full time and have small sections - dogs are better community members when they are exercised and socialised. Using "pack walk" professionals can be the only option for some people.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Point Chevalier beach

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Pt Chev beach only has off lead access 5am-10am during summer. I struggle to see who would be impacted, even if dogs were allowed 7pm-5am. Who is using the beach at this time?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Firstly, dogs are always more behaved off leash when part of a larger pack. The issues that arise from off leash dogs are almost always from individual dogs on their own. If any “pack mentality” was to occur in a dangerous way it’s from roaming dogs with no owner and that won’t change with this new law because it’s a result of people who aren’t following the rules anyway. Secondly, there are so many INCREDIBLE small businesses who dedicate their time to taking owned dogs out on pack walks while their owners are at work. Not only does this IMPROVE socialisation and training of urban dogs which would reduce potential issues, but it appropriately exercises them when they have owners who are too busy to do so, and also enables individuals to start their own businesses. These people are extremely savvy and in tune with the behaviour of dogs, backed with research and knowledge that proves the benefits of large pack walks and the either zero or very few issues that occur when out with the pack. This law will not only destroy the livelihoods of these business owners and dog walkers but negatively impact the lives of dogs living in a domestic environment and cause more stress and unhappiness in the owners of said dogs. If you want to solve the issue at hand, looser restrictions will actually have a long term beneficial impact because the ability of owners being able to socialise their dogs from the formative period in any and every situation of daily life. Additionally, more education, resources and support to those responsible to roaming dogs will be helpful instead of laying down more fines and rules and restrictions they won’t listen to anyway. There are already too many dogs in society who don’t have homes, are you really going to try make that worse by making it harder to give a dog a good life or be a dog owner?

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This appears to only affect professional dog walkers. This is often their main business, and a dog would not be included if they didn't obey pack rules. Personally I have never experienced an issue when encountering multiple off-leash dogs with their dog walker (not saying this doesn't happen though). Problems usually occur with 1-2 improperly trained dogs with their uneducated owner. This proposed change would only negatively affect the livlihood of the professional dog walkers, who's reputation relies on their well behaved pack. Instead, focus would be better used on ensuring professional dog walkers are registered to walk multiple dogs and more time and money spent on educating private owners on how to correctly train and look after their dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Pākiri Regional Park,Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

I just wanted to give positive feedback on these changes, as I know you will get a lot of reactions. I absolutely support prohibiting dogs from areas like these, where our precious native birds need to be protected. As a person without dogs, I also apprec

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I support the proposed change

Tell us why

The changes sounds great, keep the dogs out of the dunes and away from paths, birds, people etc!

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Great work, appreciate what you’re doing

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2359

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Often dogs are not treated humanely when walked in large packs (every dog pulling in another direction).

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I absolutely agree and support this. It is often owners who have no concept of training their dog or taking it to the vet for vaccinations that result in backyard breeding - this is truly unfair for both the dogs and their litter

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Absolutely need signs regarding cars - way too many dogs locked in their cars by ignorant owners

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Dogs are allowed in many places; and just because Māori decide to need the land for ‘ancestral’ reasons does not mean the rest of NZ has to suffer from it.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Please don’t let this take all year - everyone is a bit sick of everything taking 10 times longer than expected (as happened with Meola Rd)

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Other (please explain below)

Tell us why

The responsive dog walking companies like the one we use will be penalised. They are trained professionals, walking a pack of dogs & those dogs are under control.. but those walking too many dogs out of their control will simply continue to ignore the laws. They already don't follow the law, why would a change in restrictions make them follow the new law?

I could see an argument for maximum 8 dogs but anyone with any dog handling expierence knows that mixing off lead and on lead dogs leads to aggressive behaviour.. Then the dogs are no longer under control at all times.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2404

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I don't believe putting a number cap alone is going to get the outcome you want here. I believe that there should be better regulation around the people who undertake these larger pack walks. I have two dogs who attend a forest adventure pack style walk twice a week (Fur and Forest). Hazel and Nat (the two who facilitate the walks) have extensive dog behavioural training and undertake additional up skilling etc. These are the standards I would expect people who should be allowed to continue to walk larger packs with more off lead should meet. So I believe, that with better governance over dog walking as an industry we should enable exemptions to any limits that are imposed for those who are true professionals. I (and my two dogs) would be heart broken if an outfit like Fur and Forest was unable to continue their walks due to the limits imposed. I believe not enabling industry certified pack walks to continue will be a detriment to dogs behavioural make up - which is so critical for Auckland to have safe dogs in all areas.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We use 3 different dog walkers each week to give our dog some variety.

We choose our dog walkers very carefully and research their qualifications and expertise. We feel that by decreasing the number of dogs they can walk restricts their ability to keep their costs down, socialise our dog and exercise the dogs in a safe healthy way.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Some dog walkers are good - some aren't! I don't enjoy walking my dog around a number of uncontrolled off leash dogs

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

I liked the idea of clarity but I would be dissapointed if it reduce the rights of responsible dog owners

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don’t know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Stupid idea...

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Knight Point

What local board area is this location in?

Whau

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2476

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I often walk my two small well trained dogs in Auckland Council owned parks and reserves and I sometimes encounter professional dog walkers with multiple dogs - often 6-8 off-leash. I do not always feel secure at such times and minor incidents have occurred and words have been exchanged. It annoys me that these walkers are unregistered and can use our public parks for free, to make a personal profit.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Even now as an Aucklander of many years I still feel unsure of dog rules as they apply to me when going to specific places at specific times.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I have had to call dog control more than once concerning threatening dogs in my local area. The culprit in each case has been an un-neutered off-leash or escaped male dog.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

One or two complainants should not get to close a whole beach to all dogs. Access is a vrey public issue.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Again, access is a very public interest issue and a wide range of public opinions and interests should be canvassed. I believe that safely controlled access for dogs and private dog owners should remain a feature of our Maunga.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

No

3. Dog access rules at Regional Parks

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2524

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This would be detrimental to the NZ dog community which generates income in many different ways and supports many households.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

The by-laws are totally fine as is. They are easy to understand and there are far greater things to sort out in this city than the odd dog poop. Why not put the effort in to supporting stray management and bad owner management?

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Will we get reduced dog registration fees if you limit what we can dog with our dogs - no.

Clarify how dog access rules are set:

Do not support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

As previously stated. Surely there are better things to be focusing on. Like maybe opening city rail?

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Mahurangi Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

This is a waste of time

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Also, a waste of time

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2528

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I'm writing to express my concerns about the new rules for dog walking in Auckland City. As a dog owner (I have one dog) and a dog walker who employs a dog walker three times a week to walk my dog while I'm away from home, I'm worried about these proposed changes. My dog came from the Henderson Auckland City Council shelter.

From reading the information on the website, it seems like the reasons for these proposed changes are threefold:

1. Dog owners not picking up after their dogs.

2. Dogs being off-leash in on-leash areas.

3. Dogs taking up space on pathways.

I'm struggling to see how these three problems are related to the number of dogs that dog owners and walkers can walk off-leash at any given time. Dog owners who don't clean up after their dogs won't start doing so under these new rules, just like people who don't wash their plastic containers before putting them in the bins don't change their habits because they're told to check the recycling numbers on plastic containers.

I've never seen anyone in Auckland walking a large group of dogs on footpaths around the city. I do see dog walkers at dog parks with groups or packs of dogs. Where are these people who have complained in the data seeing dogs walking on pathways in Auckland? If dog walkers and owners now need to keep dogs on leads in dog parks, they'll be much more likely to walk on pathways with their dogs, which will make this potential problem a real problem.

The problem with reducing the number of dogs that can be off-leash at any time is that it will cause trouble and stress for people who run legitimate businesses in our city. Let me contextualise this for you:

My dog walker is a highly trained and experienced dog behavioural specialist. She has collaborated with renowned experts like Mark Vete for several years. My dog was exhibiting behavioural issues, and I needed her assistance in helping him adapt and become less reactive to other dogs and sometimes, people.

My dog walker collects my dog and has a well-managed group of dogs in her car. She has a group of dogs ranging from 3 to 7 and takes them to various dog parks and off-leash areas. However, having three dogs on a leash and two or three off would be a distraction for her. She would then be juggling two separate groups simultaneously, which could reduce her attention to the dogs' mess and behavioir.

To address this issue, she has two options: either increase her prices to accommodate only three dogs at a time or close her business. Unfortunately, I cannot afford to pay more than I currently do, and she has made it clear that she won't ask her clients to do so. I believe it's unfair and unreasonable to limit the opportunities my dog truly needs, which is ample off-leash adventure and fun while socialising in a well-managed environment.

While I've observed dog walking companies with large packs of 10 or more dogs that my lack proper control, I believe there are alternative solutions to improve the situation without inadvertently forcing smaller, experienced dog walking businesses to close.

I kindly request that the rules regarding the number of dogs off-leash not be implemented. In my opinion, it appears to be a form of virtue signalling and could potentially create more problems than the intended benefits.

Thank you for taking the time to read my comments. Kia ora.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2620

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Lessens the chance of a pack mentality. My dog was attacked by one of 12 dogs that were being walked as a business.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

No thank you.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Hi AC,

While I think a group size of 6-8 is ok, I think limiting to three off leash is unreasonable. My dog is dependent on his pack walks while I'm at work, and I can't imagine that having half the pack on and half off would be easy to handle for our walkers, or would create a safe environment for the dogs. A small group walk where half are kept back and wanting to join in while managing the ones off leash is unreasonable. It would require two people to manage it correctly and double the cost for us and reduce the benefits for our pups. Pack walks are great for their health (mental and physical) and socialisation is so important for a happy, safe dog. I would ask you to reject this.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Because there are limited amount of spaces where dogs can roam free as it is within Auckland. What about instead punishing the owners if they’re irresponsible as I feel like this just punishes the dogs?

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Because these rules have more effect on the dogs. I believe people who are upset with dogs in these areas are not dog owners. There's barely enough room for dogs to roam free as it is in Auckland. If people have an issue there should be penalties for the dog owners if dogs are not behaving.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2781

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Reducing the number will impact the viability of dog walking service providers. I object to this for several reason:

1. This will either cause them to close, or put up their prices. These services are critical for people who can't be home all day every day, so this will result in more dogs being left at home, thus more barking, under exercised dogs etc, all of which are negative effects to the community.

2. Evidence does not support group dog walking to be a significant risk

3. The rules already require dogs to be "under control". Spend the energy to identify and report and educate the occasional pack walk that is not under control rather than a blanket rule.

If a limit is imposed, please enable an exemption for legitimate dog walking businesses, through some form of test/training.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāwharanui Regional Park,Te Ārai Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Banning dogs from so many areas will impact many families abilities to visit the grounds for whānau time.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Banning dogs from so many areas will impact many families abilities to utilise the area and enjoy family time. The requirement for dogs to be under controls is sufficient.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change
Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know
Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is a blanket rule affecting a large beach - it would be preferable to exclude dogs from a portion of the beach that is busy with beach goers in summer.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

This appears to be a balanced approach.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change
Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I support the proposed change

Tell us why

Increased clarity

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2784

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Happy with maximum of 6 dogs on a leash

Therefore, also support 6 dogs off leash at a time as that is consistent

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2822

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Safer for the public. Easier for the dog walker to control that number.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

With the exception of specific enclosed off leash areas dogs should not be allowed off leash on Tūpuna Maunga. From personal experience relating to our local Maunga, Ōwairaka, dogs roam freely either uncontrolled or with distracted/unattentive owners. Even the sports field where 'No Dog Allowed' signs are clearly displayed is overun with off leash dogs. I have never seen anyone from the Council monitoring or enforcing dog policy at Ōwairaka Maunga. If there are no Council staff able to monitor Tūpuna Maunga regularly the only solution is an off leash ban. After living in Mt Albert for 22 years it has gotten so bad that I rarely venture to Ōwairaka now,

Remove outdated or duplicate bylaw content:

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2871

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Because I have never encumbered, nor my dogs, any problems with dog walkers with multiple off and on Lead dogs. I have been fortunate to own two dogs (collies) and have walked many local and Regional Parks in Auckland and nationwide over the last 14 years.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Heavier consequences for dogs biting other dogs, cats, poultry, and obviously people.! Asking owners to fix their fence for example, in order to keep everyone safe is not going to resolve the behavior of the offending dog.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

As long as the intentions are transparent with the public, open for discussion and possible a forum, before a decision is made.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Too restrictive

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Too restrictive

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do not support

Tell us why

Too restrictive

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Too restrictive

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Much further discussion with dog community is required

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Agree only that they should be on least and controlled

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

New recommendations are too restrictive.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Too restrictive. As long as they are on Lead and responsive to owner.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

A huge amount of families own a dog, and this would have to be one of Aucklands most iconic family picnic spots. What is being proposed excludes families that wish to be responsible and take their dog on an enjoyable family day out. No dog should be left more than 3 hours by itself.

Mahurangi Regional Park
We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I do not support the proposed change
Mahurangi East
I do not support the proposed change
Mahurangi Scott Point
I do not support the proposed change
Tell us why
Too restrictive

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Too restrictive

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?

Tell us why
Too restrictive

Tāwharanui Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Too restrictive. And over the top that a dog can't even be in the car.

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Too restrictive

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Too restrictive

Wenderholm Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is an iconic family picnic location, that should mean that the family dog can join their families for a day out together. If its on Lead at specified times and location, and responsive to owner, this should be allowed.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Too restrictive

No

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2908

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The problem here is not the amount of dogs it is are they well managed. It would be better to regulate dog walkers and ensure they are able to manage the number of dogs rather than make a blanket rule. Our dogs love going for walks with their dog walkers who are professionla and always have the dogs under control. I have seen plenty of examples of dog owners who only have one dog but they are unable to manage that dog and cause way more issues than professionla dog walkers who know what they are doing. Blanket rules on how many dogs people can take is not the answer.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We rely immensely on our fantastic dog walkers to work full time and ensure our dog is walked during the day. This law would impact on our lives significantly- two doctors who are able to do their jobs because dog walkers can walk enough dogs. With the cost of living as it is, you would be causing this to go up even more. Honestly it is mind blowing you are even considering this- please do not do it.

2. General policy and bylaw matters

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2953

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We have approved dog parks and areas throughout the city. Dont change these. Also dog walking encourages socialisation of dogs, meaning they are better for our community than dogs which are not looked after properly.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our dog gets collected and taken for group managed walks twice a week. I think they have <10 dogs in each group who are individually approved by the dog walkers to participate. These activities are very important for our dog and others for energetic exercise, socialising, a change of environment ... etc. If the council brought in a low maximum number that could participate it would significantly increase our cost and more likely kill the business and others like it. If there are individual issues from less-well supervised groups then they should be able to be dealt with, not by bringing in a blanket rule. The world does not need yet more rules.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2966

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Seems you are proposing to punish responsible dog owners and dog walkers because of a few people who cannot control their animals. Off leash pack walks are very important for dogs, dog owners and the businesses that run them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2978

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dogs are social animals and they should have the freedom as a group to be off leash

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I have a dog that goes on pack walks with a professional dog walker. The dog walker goes to areas specially designated for dogs to be off lead. I don't think it makes sense to split the number of dogs that can be off lead with a number that should be on lead. In my experience dogs behave better when they are all off lead, and if some have to be on lead that could cause issues, and could even lead to increased stress/frustration for the dogs, which could be unsafe for dogs and dog walkers.

The Council has other ways of dealing with dogs that are not controlled properly, and I don't think this change to the rules is a good idea. If this change does go through, I suspect that many dog walking companies will have to dramatically increase their prices, or may even go out of business. Pack walks are good for the socialisation of dogs, ensuring that they learn to be better behaved with other dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

By limiting dogs to mostly on-lead pack walks, it severely limits their social interaction and exercise. Especially with so many Aucklanders working full time jobs and requiring dog walkers to exercise their dog while they are at work.

This will cause heaps more frustrated dogs with pent up energy and lack of socialization skills. This can lead to increased frustration/poor behavior when finally allowed to be off leash around other dogs at dog parks on weekends if they’re getting mostly only leash walks during the day.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Tell us why

10 dogs off leash with license, Benefits for Dogs:

Increased Exercise and Mental Stimulation: Off-leash areas provide dogs with the freedom to run, play, and explore, which is essential for their physical health and mental well-being.

Improved Socialization: These spaces allow dogs to interact with other dogs and people, enhancing their social skills and reducing behavioral issues.

Natural Behaviors: Dogs can engage in natural behaviors such as sniffing and exploring, which are often restricted when they are on a leash

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do you have any further comments on the proposed policy and bylaw changes?

Off-lead pack walks offer several benefits for dogs, enhancing their physical, mental, and social well-being. Here are some key advantages:

Socialization: Dogs learn to interact calmly with other dogs, building trust and reducing anxiety. This structured socialization helps them become more comfortable around other dogs and people.

Exercise: Pack walks provide excellent physical exercise, helping to maintain a healthy weight and improve overall fitness. Regular exercise can prevent obesity-related health issues.

Mental Stimulation: Exploring new environments and encountering different sights, sounds, and smells during pack walks keeps dogs mentally stimulated and engaged.

Confidence Building: Walking in a group can boost a dog's confidence, especially for those that are shy or anxious. The presence of other dogs and humans provides a sense of security.

Leash Manners: Even though the walks are off-lead, dogs learn to follow the pack leader and maintain a loose-leash stride when necessary, improving their overall leash manners.

Natural Behaviors: Off-lead pack walks allow dogs to engage in natural behaviors like sniffing, exploring, and running, which are often restricted when on a leash.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

For reasons already provided

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

For reasons already provided

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2992

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

This is the amount our dog walkers take and we have had nothing but positive experiences

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

This just adds more cost to both myself funding yet another level of regulation within the council who already seem to have a major problem with delivering anything on time.

It will increase the fees the dog walker charges- and people who are trying to make a living independantly like this group of people dont need it

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Do not support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

There is already multiple information, signs, restrictions in place pertaining to what areas dogs are allowed, not allowed, leash requirements etc.

I dont think the council needs to add another layer of regulation to what is existing

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do not support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Reduced exercise and socialisation: Dogs on leads have less opportunity to run and play, limiting their exercise and social interaction.

Increased stress and frustration: Being restricted by a lead can lead to increased stress and frustration for some dogs.

Difficulty managing multiple dogs on lead: Handling multiple dogs on lead while others are off lead can be dangerous and unsafe.

INCREASED COST: Auckland's Dog Owners will have to pay more to have their dog walked by a Professional Dog Walker.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Currently dogs (including mine) are well controlled in the walking groups that they attend, this is a managed way for people who work to get their dogs some extra walking in, in a safe and controlled way. Why don't you clamp down on dog owners who don't register their dogs or vaccinate their dogs...rather than the ones that try to give them a better day!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Simply because there is no need for this global change. If you have issues with individuals and their dog walking practices the take that up with them. Don't punish everyone for the sake of a few instances probably by the same few people. That is using the tyranny of the minority to the detriment of the majority.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3015

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dog pack walks are an essential part of the socialisation and exercise of well rounded and well behaved dogs. These changes would have a significantly negative effect on the affordability of such services. We (and many) would likely not be able to afford this service and this will ultimately lead to less exercised, less social and safe dogs around our community. Which is counter intuitive to the goal. We are at work all day / out of the house and pack walking services are so valued to responsible dog owners like us . We would likely to support and protect the viability of their business/es.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3017

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Being off leash and in a pack is crucial for a dogs wellbeing and happiness. changing this rule punishes good dog owners who understand this and pay good money to have their dog walked in this environment - motivated by concern for the dogs health and wellbeing. In addition a change like this would likely destroy many dog walking businesses which is absolutely unnecessary and unfair.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Most dog owners and dog walkers are responsible owners/walkers. It is only a few dogs that are uncontrolled by their owners that give all dogs a bad name. Part of being a good dog owner is that the dogs should be properly exercised every day.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3023

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Responsible owners and walkers who have dogs under control should not be penalized by those who do not. The proposed limits on numbers is arbitrary, and not based on whether dogs are controlled or not. It is important that dogs be given the opportunity to exercise off leash and socialize, the proposed changes would limit this opportunity, particularly for those who are responsible and who utilize services of reputable dog walking services.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3036

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our dog's daily walks with a dog walking company is the highlight of his day. Being given the freedom to roam and socialise with other dogs is what well-trained dogs should be able to do. These dog walking companies screen dogs and provide a safe environment for dogs to roam together. For some dogs to be on-lead whilst others are off I feel will seriously affect their socialisation. So I do not support this proposed change at all.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other

areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3038

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This is a ridiculous proposal. Dog walking groups exercise dogs while people go to work - if they can't do this as they do now, it will mean more costs to owners, less dogs being adopted as it will become cost prohibitive to people wanting to adopt dogs, if they work full time. With the greyhound racing being phased out that's not good either so all round bad news for dogs and their owners. My dog's walking group fully trains its staff and costs me $60 a day. Stop creating stupid rules that make no sense.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional group dog walking services provide an invaluable service to working dog owners. Any restrictions placed on the number of dogs walked off leads will have a negative impact on the dog's health and will add cost to rate payers. Dogs will be left at home causing socialization and anxiety issues that will lead to increased abandonment of animals requiring re homing. There is no benefit here only negative consequences.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I own a dog. It is now seven years old and goes to a dog walker two days a week. This enables our dog to be looked after when we either my partner or I are not working from home. But there are also other benefits such as our dog getting some exercise and mixing with other dogs. The alternative would be that our dog has to remain at home by himself all day. The cost is currently $65 a day. If you restrict the number of dogs a dog walker can have, it will push up the cost. This will mean many responsible dog owners can no longer afford the service. This is not good for either owners or the dogs. I would suggest a regime where dog walkers must be licensed by the Council. If there are multiple complaints, then their license could be removed or have restrictions placed on this.

There are far bigger issues with dogs than changing the current model for dog walkers. For example, clamp down on the 21,000 unregistered dogs in Auckland. Also if any dog owner (including dog walkers) breaks existing laws, then prosecute them. They should be responsible for any injuries or damage that they cause.

I am really surprised that the Council is wasting time on this when there are far more important issues in the City to focus on.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3050

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I do not believe that responsible dog owners and responsible professional dog walkers should be impacted by these rule changes as a result of the irresponsible few. Our family uses a dog walking company 1x week to help manage our busy schedules but also to give our dog a socialization opportunity. Restricting the professional dog walkers to on lead and/or limited numbers, therefore reduces the value these services provide. How about the focus turn to irresponsible owners/walkers with harsher punishments and leave the good dog owners alone.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3061

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

the main point is the dogs are under control not, smaller number doesnt mean the dogs are under control or easier to control (6 German shepards doesnt equal to 20 Chihuahuas)

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

its all about how the dog is raised not because their breed. A chihuahua can be a serial nipper too (less damange compared to "menacing dog" but still cause harm)

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

Tell us why

professional can give report but they dont actually know the dog

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

why the fixation on number of dogs, as long as they are under control - it should be all good?

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I'm not against regulation—I support it!

I believe in uplifting the industry through education to raise standards, licensing for accountability, and solutions that genuinely address the issues. Regulation by numbers alone won't solve the problem.

Please work with real life dog walkers and trainers to come up with better solutions, rather than having a very small portion ruin it for a lot of people and dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

I'm not against regulation—I support it!

I believe in uplifting the industry through education to raise standards, licensing for accountability, and solutions that genuinely address the issues. Regulation by numbers alone won’t solve the problem.

Please work with real life dog walkers and trainers to come up with better solutions, rather than having a very small portion ruin it for a lot of people and dogs.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3085

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I understand and support the need to keep dogs a positive part of society.

I also appreciate there has been a boom in 'dog walking services' in the past few years and like all businesses, these have a broad range of expertise.

As full time contractors working 50+ hours a week each - we were thrilled to find a dog trainer /walking service solo operator, Anita, for our dog.

She has studied dog behaviour and handling and continues to do so, enrolling in seminars and training sessions, covering all types of dog behavioural needs to continue to upskill and advance her (already) wealth of knowledge. She is also committed to training in dog scentwork and agility.

She has been a wealth of knowledge and support for us with our dog (a rescue from the SPCA) - and has helped us create a loving a very happy home for our pet.

Roxy (our dog) enjoys one or two pack walks a week with Anita and her pack ranges from 3 - to 6 or 7 depending on the day. The dogs are able to adventure off leash - under Anitas absolute control - and experience all that this activity is able to bring.

I imagine it would render who dog walking (and training at the same time) business completely unviable to only be able to have three off lead dogs at one time.

It seems a real shame for not only us but other dog owners and the dogs themselves to lose this kind of benefit - from people who are dedicated, trained and skilled specifically in this area, because of unskilled, untrained opportunists who jump on a business opportunity without the appropriate skills. (Again - as occurs in a lot of industries).

I think - like with any skill based trade, a licence could be a good possible solution - so those doing everything properly and providing a real long term service for dogs and dog owners - don't have their businesses and livlihoods ruined because of unskilled operators.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The key thing is that dogs must be under control. The number of dogs should not be in question. There are other ways to ensure dog control that do not limit off leash time and time socialising with other dogs which is vital for ensuring good behaviour.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We believe that dogs are at their best when they are allowed to run together is a safe environment. They become more stressed when they are together and restrained. My husband sustained a traumatic brain injury 12 years ago while walking a dog on a leash when it should have been running freely in a park with other dogs.

Our puppy has been pack running with a reputable company for 2 and a half years and is well balanced, well socialized and safe to be around other dogs and humans, who visit our home. This is an important matter, and the dog rules should remain as they are. Please listen to dog lovers and owners, we know what is best for our dogs. More attention should be paid to those dog owners who should not own dogs or are unable to manage their dogs. Thank you for listening to our point of view.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3218

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Do not support

Tell us why

Dogs are not the problem and as a dog owner who loves taking dog out I have never seen a nasty dog attack at these parks and beaches. However I have seen people fighting a throwing rubbish and general not safe for public behavior.

Just food for thought on who is more problematic ... dogs or people

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Should have more access. If its not an area with endagered bird life and owner is comfortable having dog off lead it should be allowed,

(I agree that dogs in camp grounds should be restricted and on lead only though)

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do not support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Dogs are not the problem the owners are. And the people with dogs that behave in the bad ways you want to avoid are the ones that won't follow the rules anyways.

My dog is 4 now and i take her out daily to good parks with 10-20 off lead dogs on the regular and I geniunely have not seen a dog attack or even a nasty dog on dog fight that wasnt able to able to be resloved by owners fast (like 1-3 seconds).

Personal dog issues held by people making policies should be set aside. If you can't do that and see whats good for majority rather than focusing on the small section of bad ... well you should probably find a new hobby cause we don't want you making choices for us.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional Park,Waitawa Regional Park,Wenderholm Region

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Its great walking area and the bird nesting area is in the park where you cant take dogs anyways.

The farm area rightfully shouldnt have dogs but the rest of the area and walkways should be fine and offlead if safe to do so (not on road side)

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change
Tell us why

If its not an area fenced up to protect bird life. dogs should be free to roam if under control (which most are).

High use public beaches in summer hours like takapuna already have rules in place that seem to work. The problem PEOPLE with dogs are the ones who won't care about your rules anyways.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dogs are social animals and Free Time off lead is a massive part of this. Also it is not good for there health to run at a constant speed for long periods. They are a short burst and rest animal which being off lead enables.

I think these changes would negatively impact the well-being and limit the effectiveness of all pack walking services.

As a responsible dog walker i believe dogs pack walked off lead helps immensely to there socialization and improves there integration with other animals and people.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There is little evidence of a need for change and the very few incidents that have been reported are well covered by the need to control dogs regardless. We see a lot of dog walk services while walking our dogs at dog reserves and I'm hugely impressed by their safety, control and care of dogs and the public. We do use a service for our younger dog and have been utterly impressed by their professionalism. Put simply there is no demand that I can see for limits and no sense of this being a problem area. It seems like rules for the sake of it....or rules driven by largely one off isolated incidents. Not good rule making to do that.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I don’t know

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott’s Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3249

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Impossible for dog walking services to survive and manage this limit. Dog walking services are essential for people who are working and contribute positively to the wellbeing and general sociability of dogs in general which benefits the public. If dog walking services are unable to survive then anticipate an increase in antisocial boredom behaviours of dogs at home alone.

Better to focus on having the correct mix of dogs for off leash play and provide appropriate areas for off leash play where there would be no risk of public nuisance.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Professional dog walkers are an important part of our community and I love seeing them out and about, but I am very concerned when I see more than 4 dogs with any one person, leashed or off-leash, because control in those situations is obviously questionable. I have 2 dogs and regularly receive compliments about their obedience and behavior, but like all creatures they get excited and act impulsively. Too many dogs to watch at one time is not safe there are too many opportunities for accidents to occur. I support a limit of 5 dogs per person at any time and think that is a healthy and appropriate balance of social interests.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3298

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Shakespear Regional Park,Tāwharanui Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

In a city like Auckland it is inevitable that working people use the services of dog walkers. That necessitates the ability to walk with numbers greater than 6 in order to be financially practicable.

Auckland Council should be encouraging dog walking businesses. I imagine that most of those sorts of businesses are responsible business owners as well as being highly conscious of controlling the dogs they are in charge of.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Can we please have off-leash access for dogs before 9am and after 5pm at Centennial park, Mt Eden, 1024. This park is loacted between Peary and Marsden roads and was widely utilised by responsible dog-owners without incident. It would be good if we could have dogs off-leash before 9am and after 5pm, thank you.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Centennial Park, Mt Eden

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:everywhere but the playground

What is the main reason you want to change the current dog access rule?

The park is perfect for dogs off-leash between the hours of 5pm and 9am.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The playground is hardly ever utilised before 9am and seldomly after 5pm. Regardless, the park is big enough for controlled off-leash, without impacting users of the playground

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be able to be walked under control and onleash at Long Bay, DURING the Daylight hours time frame

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I support the proposed change

Mahurangi East

I support the proposed change

Mahurangi Scott Point

I support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3399

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

Dog walkers provide Aucklands pooches with much needed exercise and companionship and mental stimulation.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

These say the same thing so a waste of time and resources to change it.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other

areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

It is already pretty limited access for dogs.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3404

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Dogs are dangerous and a lot of people are scared of them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I would go further and have all menacing dogs destroyed/euthanised.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

No limit on off leash dog numbers walked by accredited or licensed Dog walkers under a system set up by Auckland Council. Most issues arise out of inexperienced dog walkers who set up business with no skills to handle dogs off leash. There are professional dog walkers who are responsible, careful about where they walk dogs and have amazing control of all the dogs. They also have established Health and Safety protocols for dogs and humans

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3574

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This will impact professional dog walking services, who provide us to help keep our dogs happy and healthy. I have witnessed the control and management of these people, and believe they are not the cause of the issue. Unfortunately the proposed change will impact them and cause higher costs to dog owners who use these services.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I don't think the number of dogs being walked or number off leash is the problem but rather the strictness of laws around dog walking companies and the rules they must meet in order to have dogs controlled safely both on leash in a group and off leash. Stricter rules on companies who trade as dog walkers and how they qualify should be enforced instead of restricting how many they may walk and how many are off leash as this takes away from responsible dog walking businesses who currently do things safely

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don't know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

rules around dogs considered menacing should be based off of current statistics on what breeds have been reported in incidents where they have been menacing or a threat to another dog or human being regardless of the breed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don't know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

It should be clearer where dogs can access and where they can not

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

it can be confusing as a dog owner when there is no map to indicate the area which it is acceptable for a dog to be off leash eg piha beach there are no images on the council website of the markers to stay between

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I strongly oppose the proposed limit, as only 0.7% of dog-related complaints to the Council involve multiple dogs, and this figure includes everyday pet owners. The majority of complaints stem from issues such as untrained pets, roaming dogs, and underfunded animal control services. This proposal does not address these core concerns and instead penalises responsible professionals who contribute to safer and more controlled dog management in the community.

As the owner of a 3 -year-old staffy cross, I consider professional dog walking an essential service that keeps my dog calm, social, and well-trained. These services provide crucial mental, physical, and social stimulation, preventing behavioural issues such as excessive barking and reactivity.

If these restrictions are implemented, many experienced, qualified dog walkers who have dedicated their careers to providing safe and professional services will be forced to leave the industry, relocate, or significantly increase their fees—making professional services accessible only to wealthy owners. This could create a gap in the market, allowing inexperienced individuals to enter the industry without proper training, ultimately worsening the very issues the proposal aims to address.

Without access to the support of professional walkers and trainers there will be a greater strain on busy families and their dogs. Walkers provide biological fulfilment and training to help dogs be well-behaved members of the community. Without this support there will be a rise in misbehaved dogs and issues such as roaming, barking and worse.

If these changes are implemented, my dog would have to stay home alone while I work, leading to increased anxiety and a decline in social skills.

I have seen a significant improvement in my dog’s behaviour and socialisation due to regular outings with a professional dog walker. This service is invaluable to dog owners like me and plays a vital role in maintaining a well-balanced, responsible pet-owning community.

A more effective solution would be to implement a licensing system for professional dog walkers, ensuring accountability and high industry standards.

A licensing framework could include:

- Registration and a Council-administered fee to offset costs associated with compliance and complaint handling.
- A set of professional standards that walkers must agree to uphold.
- Certification or assessment from recognised industry bodies (e.g., the Professional Dog Walkers Association) to ensure competency without overburdening Council resources.

Licensing would provide many benefits over restrictive limits such as:

- Council can track and regulate professional walkers more effectively.
- Enforcement powers would allow Council to revoke licences for non-compliance without requiring court action.
- Ensure high industry standards while reducing administrative burdens on Council.
- Skilled walkers can continue operating, maintaining high-quality services.
- Dog owners retain access to trusted, qualified professionals.

I urge the council to reconsider this proposal and instead focus on licensing and regulating professional dog walkers to ensure high standards and accountability. Please consult with I urge the Council to reconsider this proposal and instead focus on a licensing and regulation system that ensures professionalism and accountability within the dog-walking industry. A practical, evidence-based approach—developed in consultation with industry experts such as the Professional Dog Walkers Association—would be a more effective and balanced solution.

Thank you for your time and consideration.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3689

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Shakespear Regional Park,Te Ārai Regional Park,Whakanewha Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland has been extremely restrictive in the dog accessible areas already, not many options are open to dogs. Please support the friendly dogs with friendly policies!

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I object to reducing the number of dogs on lead to 6 (3 on leash, 3 off leash) primarily because I believe you need to differentiate between skilled commercial dog walkers and others. I explain my reasons why in detail below, but in a nutshell it's because I don't believe it fixes any of your main issues with dogs - specifically biting and roaming - both of which appear to be on the rise across the city. At a minimum it might fix some quite 'minor issues' - this is acknowledged in the summary of your pack survey "the impacts are low frequency and low impact". By restricting all pack sizes and therefore likely reducing commercial dog pack numbers I believe you will strip away key fundamental preventative measures which are proven to reduce the likelihood of aggressive dogs. Namely, socialising, training and exercising dogs.

My starting hypothesis is that if you did a survey on dogs who are involved in commercial pack walks they would be, on average 'better behaved' dogs and therefore less likely to get in trouble, than the average dog. I don't believe you have the data / survey to disprove this hypothesis. I do, however, believe better controls for commercial walkers should be implemented - some ideas below.

What problem is the council trying to address?

Firstly, I think it's important to outline what main issues the council is faced with so we can consider if the proposed rules helps overcome the key issues.

Reading your reports (12,737 complaints in 2022/23) you can pretty quickly see the big issues are dog bites (on the rise - at least 1-2 per day in Auckland region), roaming dogs, barking dogs, aggressive dogs. Half of dog attacks appear to be by roaming dogs. That's a big issue and I'm sure a tough one to overcome. Prevention is obviously key.

The Survey

The survey undertaken to target pack size does not appear to have been developed to focus on these main issues and most at-risk people. For example, Māori are well under-represented in your survey and yet they appear twice as likely to be bitten by a dog. I hope there is urgent work underway to deal with these more serious issues like preventing dogs from roaming the streets and not being registered.

Importantly have you teased out dogs in packs of +3 into separate categories i.e. in commercial walking groups or other. Of the 2,357 aggressive complaints it is mentioned

(hypothetically) that 36% of these are to do with packs of 3+ dogs so nearly 850 complaints from packs of 3+ dogs. Is that correct? If yes, how many were directly attributed to commercial dog packs? What's the true essence of the main problem you're trying to solve.

I see it was reported that there has been an increase of 270 bites over a 2 year period. How many of these were +3 dogs and how many were from commercial packs? IF we use your methodology for calculating the likelihood of issues arising then you are stating that pack animals are less likely to bite people. Is that really true?

If we're trying to deal with the big issues then we need to look at the key factors that lead to biting:

Lack of supervision

Inadequate fencing

Territorial behaviour

Breed

Lack of socialising and training

Overall, most of the findings were a little underwhelming (packs take up space on pathways, not picking up poos, interfering with activities). It would be interesting to see a control survey question asking about behaviours of single dog owners so comparisons could be drawn or dogs who don't get regular exercise or proper training. By example, there's not a month that goes by where I don't see a dog acting aggressively towards people or trying to bite another dog at our main dog parks in town. None of them are in packs - they are all there with a single owner. Sadly, many owners struggle to control their dogs. Many dog owners require ongoing help to ensure their dogs are well trained. Many of these dogs would actually benefit from spending time in commercial pack walks.

My main concern if restrictions of 6 dogs per walker for commercial walkers are as follows:

Commercial dog walking groups are reduced in numbers because they become too expensive for many dog owners. So more restless, potentially under-trained and less socialised dogs are more contained in the city i.e. where all the hot-spot bite regions are - you have a good chart highlighting where the big issues are.

Personally I would say my dog is a better controlled dog for the fact that he goes on commercial dog walks. The ongoing training he gets is far superior to anything I can provide, he gets to socialise with other dogs and gets those extra couple of walks in each week above and beyond what we can provide. All these activities are proven to help prevent aggressive behaviour. In my mind, all in line with helping to keep dogs a positive part of the life of Aucklanders.

The commercial walkers we chose are exceptional trainers and provide us with regular tips to help us train our dog. For them, potential new pack dogs are ...

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I do not support the proposed limit on walking multiple dogs.

The proposed limit will only penalise responsible dog owners and will not stop irresponsible people who do not follow existing laws.

I am a dog walker who services Auckland dogs in Mt Albert, Pt Chevalier, Westmere, Grey Lynn, Ponsonby and Herne Bay. I have been operating since 2021 and currently walk 15 dogs every week.

I do not the proposed limit because:

1. The data does not support that people walking more than three dogs off lead are creating a problem. Incident data presented by Auckland Council showed only 0.7% of complaints related to people walking more than two dogs, meaning those walking more than three must be even less. In addition the data used to support that there is a problem and presented to council in July 2024 was based on a survey of 2,000 civically minded people and its interpretation by Council is seriously flawed and fails to show that over half of respondents had never had an issue with people walking more than two dogs. The survey also doesn't ask how many people had seen more than three dogs being walked at once. There have been more than 2,750 signatures on the Professional Dog Walkers Association petition opposing this proposed limit so more than 2,750 people don't think there is an issue when less than 1,000 respondents to the peoples panel think they saw more than two dogs being walked causing a problem.

2. The change unfairly targets professional dog walkers only. Auckland Council staff have said that they are not targeting professional dog walkers, but this bylaw change will only impact professional dog walkers. Professional dog walkers have not been spoken to about any nuisance issues or how to best address any issues. I think that licensing of some kind rather than a total ban would better address any issues with professional dog walkers.

3. The Bylaw won't be enforced. Auckland dog owners all know that Animal Management staff are stretched, and it takes days for them to respond to serious issues. Animal Management already do not proactively monitor known dog walking hotspots and this bylaw will not change this. The fact that the Waitakere Rangers Local Board had to fund a dedicated ranger to monitor and enforce rules at west coast beaches is proof of

this. If Auckland Council won't enforce the bylaw then the only people who will be impacted will be those that already follow all the rules, meaning rule breakers will continue to break the rules and issues will continue.

I support a license being developed to regulate professional dog walkers as they have the skills to handle multiple dogs and provide a valuable service to responsible dog owners in the community. A system similar to that in Wellington where walkers take a course, are observed walking dogs and face limits would fully address the current issues with Professional Dog Walkers. I also support the Wellington system where walkers with less than a year of experience are limited to walking 6 dogs and more experienced walkers can walk up to 12 dogs and I believe this would be suitable for Auckland. If Council are concerned with the cost of administering a licensing system then an association like the Professional Dog Walkers Association could assist Council with parts of the system and Council could still collect a fee.

Auckland has a serious issue with roaming dogs and Council should focus on this and not multiple dog walkers who make up a tiny amount of reported issues. A licensing regime is the only way forward and Council should proceed with licensing not the proposed universal limits.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

You either have all dogs off leash or all dogs on leash. The dogs on leash feel very vulnerable and will get nervous and anxious which could cause defensive behaviour from the on-leash dogs. On dog training will tell you the same. A ludicrous idea!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3996

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Having a large number of dogs at one time can cause intimidation to other people out and about so I definitely support having a restriction.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

No off leash areas in this park please.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Please enforce the new rules stringently once they are passed. My priority is the care of flora and fauna in our regional parks. Dog owners need to respect this also and follow the rules.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4141

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It's not about numbers! Dogs with my pack dog walker must be the luckiest and best behaved dogs in Auckland. I've walked with her and seen it for myself. She's highly capable and has more control over several dogs than the average dog owner with one dog. Dogs in packs rely on their leader and IF the leader is strong but fair, the dogs will be well behaved and happy .It depends on the dog walker and the industry should be licensed with the Professional Dog Walkers Association. That would get rid of those few dog walkers who are dragging the industry down. Don't take the easy way out of deciding on numbers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

I don't think Auckland Council should be making policy without the full involvement and detailed participation of representatives from the Dog Walkers' Association. These people have the day-to-day knowledge about what to do to ensure that both the dogs and the public have a great experience. They are the last people in this city who would want to be irresponsible and put their livelihood at risk. EMPHASISE - They KNOW what to do. That is because they do it every day, and bring the dogs home every day, without incident! I don't know who is making the rules up at The Council, but by their flavour, they sound like they are being determined by generalist bureaucrats with no actual insight into what would be best for us and for the dogs. THAT MUST NOT BE ALLOWED TO HAPPEN. Dogs have a society and a culture just like we do, and they must be given every opportunity to socialize and learn wise and good behaviour from each other. Compared to the "old dogs"

we humans know nothing. Subjecting them to arbitrary rules without any foundation in who they are and how they think, is just going to make things worse. PLEASE DON'T ALLOW THAT TO HAPPEN! Dogs have been living with humans for many thousands of years and so the canine culture must have evolved an insightful and collaborative society. It couldn't possibly be due to human's - teaching them to sit, or fetch, or roll over... To think that, is blindness brought about by self-entitled arrogance. PLEASE DON'T GO DOWN THE ROAD OF BALKANISING THEM. They must be allowed to associate in freedom, so that they have the opportunity to learn how to be good dogs, which I'm sure they would all want to be, if relatively freed from the corrosive demands that humans place upon them. ABOVE ALL - LET THE DOG WALKERS MAKE THE RULES - THEY KNOW BEST!

Clarify rule that all dogs classified as menacing must be to neuter:

I don’t know

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

I don’t know

Tell us why

Let the dog walkers make the rules and be in charge of keeping to them.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

I want to leave it to properly qualified persons, who are the dog walkers.

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don't know

Tell us why

Only as advised by the Dog Walkers Association - they will know what is appropriate.

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don't know

Tell us why

What does "Update dog access rules for Tūpuna Maunga (ancestral mountains)" actually mean?

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I absolutely oppose any attempt to write dog bylaws without the full involvement of the Dog Walkers Association. To do so would be simply crazy! In defiance of logic and good governance. (To clarify - I have no involvement or association with the DWA. I just walk my dog, and once a week, I have my dog walker take her out.)

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

A more effective solution would be to implement a licensing system for professional dog walkers, ensuring accountability and high industry standards.

A licensing framework could include:

- Registration and a Council-administered fee to offset costs associated with compliance and complaint handling.

- A set of professional standards that walkers must agree to uphold.

- Certification or assessment from recognised industry bodies (e.g., the Professional Dog Walkers Association) to ensure competency without overburdening Council resources.

Licensing would provide many benefits over restrictive limits such as:

- Council can track and regulate professional walkers more effectively.

- Enforcement powers would allow Council to revoke licences for non-compliance without requiring court action.

- Ensure high industry standards while reducing administrative burdens on Council.

- Skilled walkers can continue operating, maintaining high-quality services.

- Dog owners retain access to trusted, qualified professionals.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I strongly oppose the proposed limit, as only 0.7% of dog-related complaints to the Council involve multiple dogs, and this figure includes everyday pet owners. The majority of complaints relate to untrained pets and roaming dogs, and this proposal does not address these core issues at all.

As the owner of a six year old German Shepherd, I consider professional dog walking an essential service that keeps my dog calm, social, and well-trained. These services provide crucial mental, physical, and social stimulation, preventing behavioural issues such as excessive barking and reactivity. Without this support there will be a rise in misbehaved dogs and issues such as roaming, barking and worse.

I believe it would be a much more effective solution to implement a licensing system for professional dog walkers, which would allow only highly trained and qualified individuals to walk larger numbers of dogs. This could involve a certification or assessment from the likes of the Professional Dog Walkers Association.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4154

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

No one will remember the silly rules and no. of dogs for each rule.

The current rules support professional dog walkers (who are generally very responsible) and help their businesses survive in an over regulated Auckland Council rule type environment

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Certain dog breeds (e.g Pit Bulls) should be banned from ownership like in other countries as these dogs and their owners let down the vast majority of good owners (and their dogs).

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

The biggest issue is owners who do not license their dogs anyway. These owners will also not get a multiple dog license.

The responsible dog owners will and they are NOT the issue. It is high time the council puts massive fines on owners who do not license their dogs and even ban them from owning dogs and other pets...

Clarify how dog access rules are set:

Do not support

Tell us why

The rules are very condradictory and confusing currently. However we do not trust the council to give fair access to dog owners at all reserves and beaches if a change is made.

Having just come back from a holiday through the UK & Europe where dogs can go anywhere (shops, beaches, inside cafes, on trains, on aeroplanes, parks and more), we can only wonder how the rules are so flexible in so many advanced countries where the population is over 500 million people and yet New Zealand seems to ban dogs everywhere and provides no recreational space for them to exercise with their owners.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Do not trust council to do this rule change fairly

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

The council needs to seriously consider NOT penalising responible citizens and their dogs with unfair rules and start prosecuting irresponsible dog owners who do not license or provide proper care for their pets instead.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4155

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

Tell us why

In the recent years dogs have changed the lives of many. They are their family and in some cases their children. Dogs playing off leash also brings together diverse families and individuals that you typically wouldn't have gotten to know. They're the catalyst for community bonding. Dogs chasing balls together, tumbling, play fighting is what dogs need and can't do off leash. I would agree for harsher rules for people that don't care enough to run or walk their dogs - but you're punishing the wrong dog owners. We get out, we use the parks and bring communities together. The changes are very short sighted - no time thinking or understanding the positives of off leash mental and physical heath benefits and subsequently taking pressure off the health system. Imagine an innovative design where more freedom was given and the naysayers told to perhaps get out of their four walls and enjoy the benefits of dogs and their owners enjoying each others company and fresh air

Clarify rule that all dogs classified as menacing must be to neuter:

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Fowlds Park

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Currently off leash is apparently on the hill where itâ€™s steep and dangerous, particularly for older people. No fencing and you removed the closest waste bin. I take my dog to play with others off leash before 7am and after 5pm. The sporting teams are g

What is the main reason you want to change the current dog access rule?

To stop the aggressive behaviours of 1-2 woman abusing locals with dogs off leash and celebrate, even promote how diverse groups should maximise our parks

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

These woman are not nice. They stopped the development of the sport grounds which would have enabled all year League and softball.

They now want to stop neighbours from congregating in our park too.

You will have plenty of complaints on file

In fact I

Please don’t exercise the easy route - impacting lives of the good people in communities

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Because I've seen groups of dogs being walked get out of control - that was numbers many more than 6

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I was attacked and injured by a dog that later received a menacing classification. I don't know if neutered or not, but it makes sense that a dog who does this should not be able to be bred from.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

People who provide behavioural assessments should be well qualified to do so. A behavioural assessment should be done in the presence of the owner. It is significant to see how an owner relates to a dog and whether they can control their dog. It doesn'y make much sense to only focu on the dog.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I dont have a problem with people dog walking other peoples dogs and have never had a problem with this at any parks. it is unfairly targetting people doing some good work

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4247

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

My local park at Monte Cecilia is a hotspot for professional dog walkers, where several will meet at once meaning there can be 30+ dogs at one time, most of them off leash. This dominates the space for other users, especially with children. Without fencing, the dog walkers rarely have control of their dogs and it is intimidating being around that many dogs. I want my peaceful park back for all of us to enjoy!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Auckland has a range of parks and reserves and spaces which are almost empty during the day - professional dog walking is an important way for dogs to get exercise, and it makes use of these spaces when there are no others there. I would like to see professional dog walkers being registered and therefore exempt from the above. If you are just a regular person, then yes four dogs maximum.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay is enormous and primarily empty during the day - with the exception of summer school holidays and summer weekends. Rather than punish all dog walkers who are making the most of this incredible empty space, I would recommend prohibiting dogs during weekends and summer school holidays only (eg end of January). This will be such an amazing space go to waste if dogs aren't allowed during the day when no-one else is there.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

My dog currently walks with Fetch and they rely on being able to walk a number of dogs off lead usually approximately 6 dogs. They enjoy walking in dog parks and beaches around the isthmus. Such a change would significantly increase the cost to working families for their dogs to go out dog walking during the day. My dog loves Fetch and both she and I would be very sad if she was not able to attend twice a week. Currently I can afford 2 days if you limit the number of dogs as suggested the cost to my family would significantly increase and I may not be able to afford this and my darling dog would have to stay home all day. The reason I use Fetch is that she is in a safe environment. She was bitten at doggy daycare and ended up with an absese costing terrible pain a long recovery and great cost. Fetch is an alternative where she happily gets to socialise with other dogs in a safe environment. Responsible dog walking services ensure that all dogs are safe and they also encourage good behaviour and dog training so that all their dogs are well managed and do not cause any conflict with other walkers or dog walkers. They provide an affordable service to ensure that dogs get plenty of socialisation and exercise which is very important to their health and well-being. An alternative may be too require a Council dog walking licence to the professional dog walking companies similar to the dog registration to ensure good practice across all services.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be prohibited from all regional parks.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Dogs should always be on a leash in public places unless in a dog park.

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Would prefer they were prohibited from any off leash activity on the beach to protect and encourage wildlife to return

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Protection of our native treasures.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I don’t know

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I support the proposed change

Tell us why

More controls are needed.

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I don’t know

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I don’t know

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Tell us why

I really think they should be banned from regional parks. Our regional parks should be places where biodiversity can thrive and children can feel safe.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4325

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

All dogs who are menacing should be shot.

Its their owners who ought to be neutered.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Changes to dog licensing and access rules should be focused on danger only. Every review of an important issue needn't necessarily involve advocating for cultural issues.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Dog control officers should be given high powered rifles and dog-owner neutering equipment.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

All waterfront areas with ground nesting birds.

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to increased presence of wildlife (e.g. ground nesting birds). Please specify:

What is the main reason you want to change the current dog access rule?

Ground nesting birds are my concern.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

No.

Too many dogs off leashes at camp sites.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4368

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

I don’t know

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

It would depend heavily on cointext. The nature of the dogs, the experience and control of the dog walker, the area where they are being walked (i.e. the level of risk if control of the dogs cannot be maintained by their handler).

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

I think this consultation is not addressing more important issues relating to dogs in Auckland. Their over-breeding, for one - why is desexing not mandatory and facilitated? Another is the increasing practices of letting dogs roam, and of walking them off-leash - the fact that it is illegal to do these things seems to have been increasingly forgotten (generational knowledge loss?) and a major public re-education is called for.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Of course they should be. It drives me nuts to see the Council 'inviting' owners of menacing dogs to get them desexed. Nice try, but does not go nearly far enough. If Council is not going to mandate compulsory de-sexing (I know council's focus is all conservation and no animal welfare, but just a reminder that the animal welfare implications of uncontrolled breeding are horrendous, and most emphatically do not make for a city that is a great place to live, work and play) then at the very least all the dogs belonging to an owner whose dogs have been classified as menacing should be compulsorily desexed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

This is probably not concil staff. Need more independence, if that's possible. Council classifications (and indeed those of their compliant behavioral assessment consultants) should not be influenced by pound capacity, or at least not while council appears to be all response and no pro-action around desexing.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Dangerous territory! Yes, a range of dog problems tend to be postcode issues, but what purpose would this serve? Once again it is context specific. I know some people with multiple dogs who maintain the highest standards of guardianship, while others think it is OK to life chain one poor animal.

Clarify how dog access rules are set:

I don’t know

Tell us why

I would like to see any such access rules based on welfare considerations (for the dogs; for people and other dogs sharing the space; for cats and livestock in adjacent properties) based fundamentally on welfare concerns, with conservation concerns a distant second - there is a limit on how many taonga spp we can expect to be living happily within the city anyway due to other city-related factors, and a limit to which dog-walking priviledges should be seriously curtailed by the constant prioritisation of these species everywhere. This is not an ideology shared by all, by any means.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

I don’t know

Tell us why

I would like to see any such access rules based on welfare considerations (for the dogs; for people and other dogs sharing the space; for cats and livestock in adjacent properties) based fundamentally on welfare concerns, with conservation concerns a distant second - there is a limit on how many taonga spp we can expect to be living happily within the city anyway due to other city-related factors, and a limit to which dog-walking priviledges should be seriously curtailed by the constant prioritisation of these species everywhere. This is not an ideology shared by all, by any means.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don’t know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

I would hate to see the Tupuna Maunga excluding dogs. Some of these maunga afre located in areas of the city where there are very few other options in terms of exercising dogs in natural surroundings. What harm do they do? I do hope this proposed change is not coming form the same place as the 'native planting only' push, regardless of how many taonga spp are supported by mature non-native plants. This is ideology, not common sense, and disrespects the manu.

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

If this is to protect native shore-nesting birds like dotterel, i think that these species are best protected by making some beaches (nationally) entirely no-go areas, and by some ferocious predator fencing in places. One has to wonder how much effort should be put into saving a species which evolved to breed on beaches when there were no people here - now there are 5 million of us with motorised access to just about every stretch of coast in the country. I like this quote by Fred Pearce: in a world where supposedly pristine

habitats require constant micromanagement to keep them going, where they are increasingly like theme parks for conservation scientists, the truly wild lies elsewhere. It is in the unmanaged badlands and novel ecosystems. The bits of nature we don’t cosset and pamper. The new wild

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I don’t know

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott’s Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I don’t know

Tell us why

I have general concerns about any restriction of green areas where people and dogs can exercise. Especially on 'conservation' grounds, as I fear that such changes are driven more by ideology than fact or science. Also that these changes are not addressing more fundamental concerns about dogs in Auckland - undercontrolled breeding, which underpins growing issues like free-wandering, menacing, attacks on other dogs, cats, people, wildlife - in the final analysis all dog related problems including conservation related, are a numbers game. Continual killing at the pounds won't fix. Education and mandated/facilitated/funded de-sexing is required. This general comment from me applies to all the regional parks.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I support limiting the number of dogs that a person may walk at one time to 6. This is a safe and manageable pack size for one person to look after, without causing disruption to members of the public using Auckland's parks and reserves.

I oppose mandating that only 3 dogs can be off leash at a time. Where a dog walker is walking 6 dogs, it will be more disruptive and more difficult to manage any potential incidents if 3 of those dogs need to stay on-leash. This proposal does not take dog psychology into account and doesn't consider the pack environment and moving together as a unit. While our instincts might say that "fewer dogs off-leash" means less risk, this is not the case. Group walking is about working with dogs natural instincts to move as a pack, if the dog handler is less mobile they are also less able to respond to any interactions or possible incidents, and will have to manage two groups of dogs in two different ways. We expect this change to be difficult to comply with and reduce the experience of other park users as the ability to have control of dogs off-leash is reduced if you are also managing dogs on-leash. Dogs will not respect the difference between these two states.

If needed, I agree with obtaining a licence to support the maximum of six off-leash dogs at anyone time.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other

areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I do not think a cap on number of dogs is an evidence-based policy decision. I think the main thing is that there needs to be appropriate education and licensing. If you have well-trained dogs under the control of a dog trainer (on or off-leash) there should not be an issue and we should not be restricting these types of dog walkers/owners.

The issue with dog fights/violence is where you have untrained/uneducated dog walkers - and then problems occur irrespective of the number of dogs under their control. Why should we restrict well-educated dog walkers from making a living, when there is no evidence of harm being caused by them? These types of regulations will increase the cost of dog-walking services, and could potentially lead to an increase in badly-educated/untrained dog walkers, due to the increase in demand.

For the record, I am a dog owner but not a dog walker. I use the services of a dog walker, and have no concerns about the safety of our dogs (or other people/dogs who come into contact with them), as I know our dog walker has all dogs under her supervision well-trained, and calm and happy. It doesn't seem fair to restrict her abilitiy to provide this service, when there is no evidence of regulation being necessary here.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

I don’t know

Tell us why

The only question I have is how you classify a dog as menacing. Is it just based on its breed? Because that should not necessarily be a determinative factor. If it is based on behaviour of the dog, that seems more reasonable.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4439

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It's more about the people or person in control of the dogs. Ensure they are appropriately certified and able to control and manage a pack. They'd need to show how they initiate new dogs into their pack and all protocols to keep the dogs and the public safe

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4442

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Rather give professional dog walkers a license to operate. That way it can be monitored accurately

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Muriwai Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I don't know

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Fowlds Park

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

The current off-leash area is close to a busy road, on a steep incline and not fenced off. Propose to allow dogs under control off leash when no events.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

As above

There are a lot of responsible dog owners that have limited options for off leash social interactions. In so.e cases part of beaches can be made off-leash. Like takapuna south end is less used by people

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Please do not make any changes that impact on professional and experiencedog walkers taking dogs on adventures. Our dog has been going out on adventures with Follow the Leda and Free Range Dogs for two years. It has been amazing for his socialisation and he is far better behaved at home. The off leash time is so good for Ziggy's wellbeing. Leda and Camille are so experienced and responsible and always have perfect control of the dogs they are walking. You can watch years' worth of evidence on their Instagram of how they work and the benefits for the dogs through exercise, socialisation and training. The reduced availability of this type of service would be terrible e.g dogs left home alone while people are at work, increased barking etc

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Again, clarification, not limits please.

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Auckland is made up of multiple maunga, the amenity of which multiple people enjoy every day.

If you take the ability of dogs who are managed by loving owners, to walk and play in these beautiful areas, this wil impact the overall well-being of both humans and their pets.

To walk freely in nature is restorative. The maunga with shelter, especially in summer, are vital places for all people and pets to be able to enjoy.

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

This is too broad. Be more specific please.

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

My experience of being a dog owner is. Dog ownership has fostered a rich community of social networks that span age and stage of life. The current bylaws are clear and adequate. The proposed restrictions are perhaps punitive to a community that is semi complaint. The semi compliance that I have seen perhaps suggests that an increase in areas for dogs and owners to exercise is required. The positives I see that perhaps those that dont own dogs dont experience are not only the social aspects of interconnection but also the crime, harm reduction and regular consitent use of spaces that dog owners bring to environments.

what I have experienced are the following:

Dog owners are in parks and open spaces multiple times per day. In our local park I see multiple owners multiple times per day. We are aware of the park and what is happening in it. We are aware of the drug dealing and we create an obstacle for this increasing by our presence. We as a community are often the first to see and notify crimes, misdemeanors or property damage. We are present in parks, beaches and other green spaces in all weather conditions and seasons. I have experienced social good and action in the dog walking community. My general experience is dog owners care not only for their own dogs but those of others and also animals.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Some breeds without adequate training and care can and will be aggressive. I think internationally this may be documented. Unfortunately these cases do deem a need for security for the public and other dog owners. Some breeds do require specific environments to thrive and I think the council can support this through bylaws

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Multiple dog ownership is a responsibility that can cause conflict with the modern life style. those that choose this path may need to seek perhaps a license for this? Im uncertain how this would look. However I do agree with it being considered.

Clarify how dog access rules are set:

Support

Tell us why

Once consultation has taken place I believe it is of importance that the public are aware of how the process will be actioned and why. Information is always helpful for deeper understanding of issues

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

I don't agree with adding further limits to what is currently in by-law however I do agree with clarification.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

I don't agree with adding further limits to what is currently in by-law however I do agree with clarification.

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

I don't agree with adding further limits to what is currently in by-law however I do agree with clarification.

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

they are hugely restrictive currently and I don't think we as a community do require amendments or review. I think the council works for the people not the people work for the council. Dog, ownership increased during covid which was an unseen and unknown global crisis. Dogs became ways communities were able to survive and thrive in one way. Amendments to our laws to further restrictions seem to not being holistically considered. Dogs are here and increased ownership increased due to a global crisis. Perhaps holistically massaging this environment and allowing the benefits of dog ownership be seen from a council perspective to its people rather than a restrictive approach allows those that choose not to own dogs an awareness of other peoples position and rather than dividing the communities perhaps engineering a holistic managed relationship.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4524

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Because it may effect my local parks where I walk my dog on leash - I don't want to have to drive to a park to walk my dog if there aren't any within walking distance. More people own dogs in Auckland than there are people with kids - dogs need to have plenty of places to be active or it creates barking and boredom issues. If people adhere to the rules of having dogs on leash where they are suppose to there wouldn't be so many issues. Maybe heavier fines are required

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The people who walk multiple dogs are trained professional dog walkers and trainers. They tend to walk multiple dogs off lead in secluded areas away from large numbers of the general public.

This rule affects dog walkers, pack walkers and multiple people who make a living walking dogs. This law will DESTROY the businesses of many self-employed people in our current STRUGGLING economy. These people will have to seek employment elsewhere which means there will be less available training available for people who have difficult dogs.

I am the owner of a dog who has had behavioural issues in the past. The work my dog has done with her pack walker and the weekly pack walks she goes on has been CRITICAL in helping her with her socialisation and training. As a DIRECT RESULT of these pack walks and sessions she is a much more well rounded dog and I am able to CONFIDENTLY walk her in public places because of the help and support of the pack walkers and trainers who have worked with us,.

Pack walkers are trained professionals and they need to be able to operate their businesses, without them the instances of dog aggression is going to increase substantially.

This is a short sighted proposition and it shows a lack of understanding of dog ownership. If Auckland Council wants to regulate this then a system of licences for professional pack walkers is a much more forward thinking approach.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Curtailing the amount of space you give digs in public spaces places dogs in closer proximity to one another. This creates a SUBSTANTIAL INCREASE in the risk of dog to dog aggression.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I agree with the prohibition of dogs in cultivated areas and agree dogs should be on lead during events.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

I agree with dogs being away from lambs and waterways.

Long Bay Regional Park
We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
I don't understand why dogs are prohibited from being at the beach on a lead during the day. This makes no sense.

Mahurangi Regional Park
We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I don't know
Mahurangi East
I don't know
Mahurangi Scott Point
I don't know
Tell us why

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
Clarifying these rules with specificity is great.

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
This removes another option of beaches people can take their dogs to. There seems to be no good reason for this. Why is Auckland council making life difficult for dog owners?

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I don’t know
Tell us why
I don't know this park well enough to comment on these changes.

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?
I support the proposed change
Tell us why
This sounds reasonable.

Tāwharanui Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
Clarification is great.

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Why lessen the number of places people can take their dogs to. This fall on effect of this is that dogs will end up in closer quarters in the places they are allowed to be and this is problematic for behavioural issues. It also makes life hard for dog o

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-

leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Again making areas where dogs can be off leash smaller is a short sighted approach. Limiting the number of places people can exercise their dogs off lead makes life difficult for dogs and their owners.

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Clarification is great.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Tell us why

Great.

No.

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Dear Auckland Council Members,

I am writing to express my concerns regarding the proposed amendments to the Policy and Bylaw on Dogs, particularly the restriction on the number of dogs a person may walk in council-controlled public spaces.

I understand the importance of regulating dog presence in public areas to ensure the safety and well-being of both animals and people. However, I believe this proposal fails to consider professional dog walkers, who have the necessary experience and skills to handle multiple dogs safely and responsibly.

Instead of a blanket restriction, I propose implementing a licensing system for professional dog walkers. This would allow them to demonstrate their ability and commitment to responsible dog handling, ensuring that only qualified individuals are permitted to walk multiple dogs.

Furthermore, limiting the number of dogs per walker could lead to unintended consequences, such as an increase in unsupervised dogs at home due to reduced access to professional walking services. Many dog owners rely on these services to ensure their pets receive adequate exercise and socialization, which are essential for their well-being.

I urge the council to reconsider this restriction and explore alternative solutions that recognize the role of professional dog walkers while maintaining public safety and harmony.

Thank you for considering my feedback.

Sincerely,

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

I think that current rules are fine and should not. Change

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I think that current rules are fine and should not change

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4611

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dog walking areas like this are rare and needed.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

no valid logic for prohibition

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

This proposal is a blanket by-law with harsh consequences for the large number of dog walking businesses in Auckland.

These are trained professionals who walk multiple dogs off-lead under strict control in secluded areas away from large numbers of the general public. They provide working people who own dogs with an invaluable service: providing dogs with high levels of exercise, socialisation and behavioural training. All of these things are vital in preventing dog aggression and behavioural issues.

I support the idea of regulating pack walking, but with licensing or a permit based system to ensure this work is only done by professionals. The proposed law would negatively impact the economy, pets and pet owners. Let's work together for a more positive and beneficial outcome for all.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

I think there should be a special exemption for supervised trained dogs to be off-leash in parks in a controlled work environment like the film industry.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

I think there should be a special exemption for supervised trained dogs to be off-leash in parks in a controlled work environment like the film industry.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4689

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

What are the changes I'm commenting on??

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Menacing dogs have no place in New Zealand. This must be evident from the number of dog attacks we have in this country each year.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

These areas should only be outside of urban boundaries. Dog barking is a nuisance in urban and suburban areas.

Clarify how dog access rules are set:

Support

Tell us why

Access to parks and reserves in Auckland for dogs is too liberal and badly enforced by Animal Control.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Access to parks and reserves in Auckland for dogs is too liberal and badly enforced by Animal Control.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Pt Chevalier Beach

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

Many dog owners ignore the current 'off leash' timetable with impunity.

Most dog owners are incapable of preventing their dogs from wandering through other users children and picnics.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

See above. Because Animal Control seem to be incapable or unable to enforce the current rules I believe there should be a complete ban of dogs on this beach.

There are many more members of the public who want to relax on this beach without being pestered

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Only change the off-leash area to on-leash at all times

Tell us why

i dont see why dogs and their families must be prohibited from the area. Council can reinforce on leash areas - It would be useful if Council dog team can actually monitor and do something rather blanket prohibition so council doesnt have to do anything

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I do not support prohibition of dogs in summertime of beach. It is great that families with dogs are not completely locked out of every single beach on summer months. My dog swim with leash on with our family and we all keep him under control

I do support dogs being on leash and council or ranger monitoring this! I think council should do more about monitoring parks people and their dogs

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4804

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I strongly support keeping the off-leash area available.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

The fact is it is dog owners that the majority of complaints about out of control dogs are made about to Auckland Council.

These numbers don't seem evidence based. I would support a limit that has been researched from dog walkers to be safe. Noting that aren't the people creating unsafe environments with dogs most of the time according to Auckland Council complaints.

I don't think there should be a necessity for some dogs to be leashed. I find my dog and have spoken to dog walkers who agree, when my dog is leashed and is around unleashed dogs he becomes more aggressive., he wants to protect his restrained self. So insisting on some dogs being leashed seems counterintuitive..

the consequence of imposing this arbitrary limit on dog walkers, will certainly impact our community who rely on dog walkers to help exercise their dogs (which is being a responsible dog owner) by increasing the costs to this. It has the potential to make it cost prohibitive. So these dog owners might become less able to ensure their dog is exercised effectively every day. The flow on effect of this would be dogs who have pent up energy, bark more and are not as well behaved.

Adding more financial burdens to families at this time with increased price of living is a mistake in my opinion and would be detrimental to an industry which doesn't get the most complaints about bad dog behaviour.

I personally don't use dog walkers for the record but know busy families that do.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4947

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the number of places that dog owners can walk their dogs. How is this fixing the REAL issues of dog ownership in Auckland; roaming dogs, irresponsible and abusive owners. How many people did you talk to/survey in order to decide these changes? How many of them were dog owners? These changes extend to most of the off road walking spots in Auckland. This is extreme. SORT OUT THE REAL ISSUES.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?
Only change the off-leash area to north of the rose gardens before 10am and after 5pm (on-leash between 10am and 5pm)
Tell us why
I don't believe we should change any off leash to on leash areas but I think it's fair to have some of the time available to those without dogs to enjoy.

Hunua Ranges Regional Park
We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
How I read this, the change will stop dog owners being able to camp.

Long Bay Regional Park
We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
This is reducing the amount of space available for off leash walking. I do not support this.

Mahurangi Regional Park
We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I do not support the proposed change
Mahurangi East
I do not support the proposed change
Mahurangi Scott Point
I do not support the proposed change
Tell us why
This is reducing the amount of areas available for dog walking. I do not support this.

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash walking. I do not support this.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash walking. I do not support this.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash walking. I do not support this.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash walking. I do not support this.

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash walking. I do not support this.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash walking. I do not support this. This is the only off leash beach that your constituents can enjoy with their dogs for miles. These proposed changes are infuriating.

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash/on leash walking. I do not support this.

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash/on leash walking. I do not support this.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is reducing the amount of space available for off leash/on leash walking. I do not support this.

This is reducing the number of places that dog owners can walk their dogs. How is this fixing the REAL issues of dog ownership in Auckland; roaming dogs, irresponsible and abusive owners. How many people did you talk to/survey in order to decide these changes? How many of them were dog owners? These changes extend to most of the off road walking spots in Auckland. This is extreme. SORT OUT THE REAL ISSUES.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4970

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The livelihood of dog walkers will be negatively impacted as a result of this policy change. The focus should be shifted away from being purely about number of dogs and more towards being able to walk larger numbers with proper certification. This will allow professional dog walkers to continue to earn a living while creating safeguards for the public around those that are not qualified to walk larger packs of dogs at once (in public spaces)

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

I don’t know

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

As a dog owner, I've always struggled with dog walkers having multiple dogs, sometimes up to 20 running around off leash and running up to my leashed dogs at times. The only times we've encountered issues at dog parks is when a dog walker has too many dogs and not enough control over them. We feel this impacts on general public who are just trying to walk their dogs and don't want to have multiple dogs running up to them. Like most businesses we feel some regulations around the industry and also training programs before people can walk multiple dogs would be a good in between.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I support a maximum of 6 dogs. I don't support some on leash and some off leash as with dog walkers, and dogs pack mentality having some off leash and some on is more disruptive to the pack. I think 6 off leash works well for the dog walking service we use.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5049

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

1. The proposal is a massive reduction in the access that dogs have in public places, but Council has not clearly articulated what the problem is that it is trying to solve. It feels like a huge crackdown on dogs and dog owners, severely restricting the places they can go and their access to public spaces. But where is the evidence that this is needed? It reeks of a small minority of people who don't like dogs influencing the outcome for thousands of responsible dog owners and their much loved dogs. And also concerns about a minority of irresponsible dog owners being taken out on all dog owners which is grossly unfair to the majority.

2. Council is proposing changes to the overall wording and objectives of the Dog Policy 2019 that will enact a significant downgrade in how dogs, and dog owners, are perceived in the eyes of policy makers. The proposed sweeping changes go directly against the Policy on Dogs 2019, notably:

- The objectives of the current dog policy to “keep dogs as a positive part of the life of Aucklanders by maintaining opportunities for owners to take their dogs into public places.
- A core principle of the policy to “Recognise dog owners as legitimate users of public places and that dog access is essential for dog welfare” S1(a)
- A requirement to consider all “practicable alternatives” AND that ‘displaced dog owners, and their dogs have access to other places as part of the same decision’ S6
- The policy also requires there to be a ‘structural change’ or a ‘significant risk’ before any change should be considered. Where is the evidence of this 'significant risk'?

3. The findings of the reports have been written in a way that seems to indicate a predetermined outcome to significantly reduce dog access in public places, with dogs and dog owners being seen as a ‘danger and distress, a nuisance' who 'cause damage’ and that there is an expected or 'inherent conflict between dog owners' and the rest of society! What is the support for this change in policy setting? There seems to be no evidence for it.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional walkers who build a team of dedicated dogs and care for them. It is their job

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Should involve best practice by professional people

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Best practice consistent law rules essential

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Feel people who know this area should make policy

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I feel professional registered dog walkers should be supported.

They are passionate and fill an essential role.

It is individuals who need to up skill and look at their behaviour.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Public importance

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Balance

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5166

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

- Because it penalises responsible dog owners and does nothing to stop irresponsible dog owners who don't follow the rules
- Because Auckland has a roaming dog problem not a problem with responsible dog walkers providing a valuable service
- It will not address any of the current issues as none of these are caused by the number of dogs being walked by dog walkers
- It will severely hamper professional dog walkers from operating and remove a vital support avenue to responsible dog owners (like yourself) who care about their dogs wellbeing.
- It could potentially limit dog friendly walking spots within Auckland even further

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I cant see that there is a justifiable need for a limit on number of dogs walked. There is already a requirement that they are under control and that the walker picks up after the dog that can be used by animal management in the event that either of these criteria are not being met.

Finally I dont feel this will do anything to address the main issue with dogs in Auckland, which is attacks by aggressive, uncontorlled dogs.

I am concerned that it will make it incredibly difficult for any one who already owns more than 3 dogs, by making them walk them at separate time's, which if someone is working is not feasible and will ultimately result in the dogs getting less exercise.

I am also concerned that it will restrict small business that offer dog walking services. With an increase in the canine population in Auckland, this is a vital service for many people, especially with a push back to onsite working. These groups are often walkign dogs while people are at work and are therefore using footpath's (or other spaces) at times with minimal foot traffic and as your own research states, while the numbner if complaints may be high, the impact on society is low, and I would argue that the impact of not having these services is higher. (dogs being left alone for longer, leading to increased barking complaints, being harder to control as they dont have an outlet for energy and potentially escaping a property.)

If you look at imposing liscening for these groups, it wont chnage the complaints, it will just increase the cost to the provider and ultimately to the consumer as well as being a money grab for the council.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I do not support the proposed change

Tell us why

Dogs should be under control and on leash at all times during summer months

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-

leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Have one rule for the whole area as the demarcation lines will be ignored

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Tell us why

Have one rule per park as multiple rules will be ignored.

Dogs should be on a leash at all times during the summer months as parks and beaches are used from dawn till dusk through out the summer

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5299

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Maximum six dogs, all can be off leash if under control.

NZ has lots of leash aggressive dogs. Multiple dogs on leash can cause more issues

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

This is for all banning of dogs in all the proposed parks, beaches etc. Dogs are such a vital part of many of our lives, they provide us emotional support, they help us get out and exercise and be social. For many the walk outdoors with their dog is much of their social interaction during that day. The more you retmatrict this the harder it will be for certain people to get to other parks that allow dogs (ie people with disabilities or limited by fuel costs etc). Also, other dog parks will become more crowded, which has issues of its own, including likely people being less able to keep track of their dog poo therefore less likely to pick it up and likely more incidents of aggression. Please don't do this, there must be other ways to meet your needs without reducing accessibility for us and our animals.

Regards, responsible dog owner (don't let the few ruin in for the rest of us).

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash unless licence obtained

Tell us why

Responsible professional dog walkers are hugely beneficial to the training and well-being of the dogs. Responsible walkers already consider their impact on other people and pets, and the environment. Their livelihood depends on this. My daughter and her partner, for example, have complete control of dogs under their care because they are selective about which dogs they accept. They have walked the same dogs for years and know their individual behaviours. They always move their dogs off pathways and get them to lie down whenever they see others on tracks. They know when and how many of their dogs need to be on leads.

If there were a licensing option they would be able to carry on their excellent work, which also involves educating other dog walkers, and voluntary dog walks with intellectually impaired people.

Their finances would be harshly impacted under the proposed rule. They recently bought a house and would not be able to pay their mortgage. Having a licensing option to allow responsible dog walkers to continue to work is the fairest option. The professional dog walkers association could play a role with this.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5386

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5485

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Because it is your opinion that you are making improvements. From the dog owner perspective and animal warfare experts this is not the case

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I assume that ‘good’ dog owners will be subsidising the ‘bad’ owners.

There are dog breeds that are classified as menacing. Take a look at Trademe and see how many menacing breed puppies are for sale…

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

‘Menacing’ dog owners can be as bad as the ‘menacing’ breeds, which demonstrate ‘menacing’ behaviour s

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Working farm dogs and the like should be exempt.

One size does not fit all.

The real problem areas are not policed properly because of the obvious difficulties. Applying the same set of rules to areas where roaming unregistered menacing dogs live and inner city pampered pooches does not make sense. The problem areas should activate a more demanding set of regulations like up north where the visiting runners were attacked recently.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

The problem dogs, areas and owners should be targeted well ahead of the compliant areas

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

I regularly walk up 4 maunga and there isn't a problem so what needs to be changed?

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Yes. I am upset that this has gone ahead ignoring the needs of dogs, their owners and common sense in what seems to be a policy of 'if we clamp down and put all dogs on leads in most of the council areas, then we the council off load our responsibilities'. Well you don't. You're there to serve the needs of the community and make decisions for the benefit of the community.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Most regional parks are too far for my regular dog walking.

I would go to the Botanical Gardens more often because I love looking at the plants but the cafe is AWFUL. The food standards are very poor and it's overpriced.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Monte Cecelia

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

I have been going to Monte Cecelia for 20 years walking dogs.

It is steep and hilly and a great circuit for dogs to run around as well a giving dog owners decent exercise.

The bulk of people walking there are dog owners.

People who don’t have dogs general

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

It is of great importance that dogs are socialised and get off lead exercise for their health , behaviour and wellbeing. This park is great because it is a quite steep and a good walk. It makes sense that it is off lead all the way round because it operat

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

The current proposal for the limit of dogs a person may walk is ludicrous. Auckland is already an incredibly dog unfriendly city compared to other major cities around the world. The reduction of the number of dogs that people can walk is going to create problems not just for dog owners but also for the council and the general public. There will be no change in dog numbers in Auckland, therefore these measures will mean that the current amount of dogs will need to be walked by much more people who will not be as qualified as the current dog walkers who can and do manage a much larger amount of dogs. This will create much more cowboy operators meaning harm to the dogs, general public and will be much more difficult for the council to police

A much better solution would be to put in place dog licencing for dog walkers. Our current dog walkers are highly trained and regularly top up their training at conferences in Australia and USA. They have very strict requirements on the level of training for new dogs to join the pack (if they don't meet this level, they will not be taken). This is the type of positive dog walkers that should be encouraged and licensed.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Waitawa Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

I do not support, the new proposal as it is too restrictive on when dogs can be off leach for a park that we have visited many times without issue under the current rules.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The proposal is unnecessarily restrictive to not allow dogs at all during the day.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I do not support the change. The proposal is too restrictive on where dogs can be. This is a popular walking area for dogs and we have visited many times under the current rules without issue.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The proposal is too restrictive and dogs should have the ability to access the beach.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

These rules are too restrictive and have over complicated what was an appropriate current setup

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The proposal is too restrictive and overly complicated. The current rules should remain

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

It is very disappointing to see further restrictions at this park. This makes no sense with the proposal being far too restrictive.

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5497

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Because it penalises responsible dog owners and does nothing to stop irresponsible dog owners who don't follow the rules

Because Auckland has a roaming dog problem not a problem with responsible dog walkers providing a valuable service to clients

It will not address any of the current issues as none of these are caused by the number of dogs being walked by dog walkers

It will severely hamper professional dog walkers from operating and remove a vital support avenue to responsible dog owners (like yourself) who care about their dogs wellbeing.

It could potentially limit dog friendly walking spots within Auckland even further

An alternative solution, for example, a less restrictive limit, a registration requirement, or licencing professionals to walk large groups or effectively enforcing existing bylaws

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Other (please explain below)

Tell us why

Introduce a license for Dog Walkers that has different levels based on qualifications and experience, previous history etc.

NZ has a extremely high population of Dog as pet ownership (per capita) behind to the USA, with Auckland having the resulting biggest population. Restricting the number of dogs on walks, including the number off lead is only going to have a negative impact on dog welfare overall. It will reduce the number of options for Dog Walkers, who won't be able to earn an adequate living - OR/AND - increase the costs to owners significantly. which many will not be able to afford (especially in the current economic climate). This will only result in more dogs being left in homes for extended periods of time, without suitable exercise or stimulation. Plus a shortage of dog walkers will result in more people chancing the role, which leads to cowboy operations and more issues.

Our dog walkers are highly experienced, and often travel internationally to top up their training at conferences. They have strict standards for Dogs coming into their packs (pre-training requirements to join), continually train dogs within their packs, plus has exceptional abilities to control the whole pack in any situation. This is the standard I would expect for any licensed professional.

I don't believe the actions of a small minority should result in the penalty being imposed on everyone, especially the dogs. Auckland (and NZ) is already extremely backward in terms of Dogs access, in comparison to many major cities around the world. There is a noticeable difference in dog behaviours in these cities as they are far better socialised from a far more accepting environment that allows the correct exercise and socialisation occasions.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

No change to current Policy (dog access) rules

Tell us why

Do not support as it restricts dogs off lead area. This only forces dogs into a tighter area, which can result in conflict. We have visited many times with no issues. Do not agree with not allowing them near the cafe or food concession as this over-regulation and people like to enjoy a coffee with their dog after a walk,

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Extremely disappointing to see further restrictions to dogs in this park, which was already very limited. I do not agree that they should be removed from "busy people areas" as this is bad for dog and human socialisation.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
While understand and am happy with the proposal to protect native bird life by further clarifying the rules, this change goes beyond this and seeks to remove a lot of access to walking trails that are enjoyed currently by dogs. This is especially unfavour

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Extremely disappointing to see dog access removed from this popular beach. If wildlife is a concern, would be be better to restrict in certain areas - similar to the Piha approach.

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Changes to the rules are confusing and make this part even more complicated.

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?
I do not support the proposed change
Tell us why
I had truly hoped the dog access would have significantly improved in this beautiful park, alas not to be. Instead the updated rules are confusing and overcomplicated. As a regular visitor to this park, it is so frustrating that we can't enjoy it with ou

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?

Tell us why

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Incredibly disappointing to see the proposal that seeks to significantly restrict dogs in this park, given it was one place that there was a little more freedom for them to enjoy. I had hoped that the campground access would have been updated to include d

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:
What is the full name of the location where you want to change the dog access rules?

Tapakanga Regional Park

What local board area is this location in?

Franklin

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Campsite

What is the main reason you want to change the current dog access rule?

There needs to be more options for enjoyment of camping with dogs in our parks.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Tāpapakanga Regional Park is extremely suited to dogs with open spaces and a safe beach.

Location 2:

What is the full name of the location where you want to change the dog access rules?

Waitawa Regional Park

What local board area is this location in?

Franklin

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control on a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Campground

What is the main reason you want to change the current dog access rule?

A section of it. Please specify:Enjoyment of the park and camping with dogs**A section of it. Please specify:**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I believe that there should be greater access to our parks for camping with dogs, as an outdoor experience that is perfectly suited to their natural state.

Location 3:

What is the full name of the location where you want to change the dog access rules?

n/a

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

I don’t know

What is the main reason you want to change the current dog access rule?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain your issue in more detail:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5507

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I don't support this kind of changes as i feel that dog are being nuisance. Paying my taxes and i deserved to enjoy the places where there are many options for me to go out.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

getting smaller for walking the dog around the garden area and with new restrictions not allowing dog on the lake view.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I personally own two dogs and utilize a dog walking service twice a week. Placing a limit on how many dogs one person can walk is not addressing any of the actual issues. The issues that stem from dogs in my experience are 1. Uncontrolled stray/feral dogs in certain areas of the city. 2. Irresponsible owners with untrained dogs who aren't respectful of other members of the public (how many dogs they own is irrellevant). And 3. An unregulated dog walking industry that requires no qualifications or accreditation to function.

This bylaw does not address any of the above issues.

In my experience with most pack walkers, who will be greatly affected by this bylaw. They have more control over their pack than the avg. Person has over their own dog at the local park. Also, many, including myself will no longer be able to afford their services once this bylaw comes in.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5629

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

I am a 70 year old, active, long term resident of Pt Chevalier with a double hip replacement. For the last 4 years I have been unwilling to enter Meola Reef reserve on my daily walk as the whole of the reserve has been appropriated by dog owners who mostly run their dogs OFF LEASH in all areas rather than limiting off leash behaviour to the fenced dog off leash area. While walking on paths mainly in the Western Foreshore (and other areas) I have been rushed at, surrounded and circled by large dogs off leash. This is uncomfortable for me and a dog averse walking companion. When I have politely reminded dog owners of the off leash fenced area and the need to leash/control their dogs, I am ignored or incorrectly advised that the (Western foreshore area for example) is a “Dog Park” and as such the digs are allowed free reign. I seek better signage/enforcement and compliance of dog owners for my safety and enjoyment of the Reef walks.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

As indicated above

I am a 70 year old, active, long term resident of Pt Chevalier with a double hip replacement. For the last 4 years I have been unwilling to enter Meola Reef reserve on my daily walk as the whole of the reserve has been appropriated by dog owners who mostly run their dogs OFF LEASH in all areas rather than limiting off leash behaviour to the fenced dog off leash area. While walking on paths mainly in the Western Foreshore (and other areas) I have been rushed at, surrounded and circled by large dogs off leash. This is uncomfortable for me and a dog averse walking companion. When I have politely reminded dog owners of the off leash fenced area and the need to leash/control their dogs, I am ignored or incorrectly advised that the (Western foreshore area for example) is a “Dog Park” and as such the digs are allowed free reign. I seek better signage/enforcement and compliance of dog owners for my safety and enjoyment of the Reef walks.

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I live on Kanuka Street Pt Chevalier and my property backs onto Moa Reserve. I have no problems with dogs off leash in Moa Reserve as many dog owners seem very responsible and do not allow their dogs to rush or jump at me. I am concerned with the number and size of dogs allowed to run off leash in Meola Reserve, many dogs approach or rush at me and are not well controlled. I feel unable to visit Meola Reef as the whole reef area is full of off leash dogs with owners ignoring fenced off leash areas and many not recognising our unease or right to be in the area as well. I seek better rules/signage/enforcement so the proposed rule revisions have my full support, I think the revisions are not overly restrictive and also disagree with dog owners that will not allow any revisions and are calling the revisions draconian.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5654

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Maximum of 2 dogs for both on and off leash. People shouldn't own more than 2 dogs and if they choose to use a dog walker and they are fit to walk dogs then they are just lazy!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Please make then sensable by-laws not waffle!

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current policy is fine as it is stated.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I personally own two dogs and utilize a dog walking service twice a week. Placing a limit on how many dogs one person can walk is not addressing any of the actual issues with dog walkers in Auckland.

The issues that stem from dogs in my experience are 1. Uncontrolled stray/feral/roaming dogs in certain areas of the city. 2. Irresponsible owners with untrained dogs who aren't respectful of other members of the public (how many dogs they own is irrellevant). And 3. An unregulated dog walking industry that requires no qualifications or accreditation to function - this is where I would make a change to the by law).

This bylaw does not address any of the above issues.

Thia by law will predominantly affect pack walkers, and their clients who use their services. In my experience these pack walkers have more control over their pack than the average person has over their own single dog at the local park. I have had more issues with single dogs, approaching off lead with absent owners or unaware owners and NEVER with pack walkers. My feeling is this bylaw is in response to some negative recent press and not actually addressing the issues.

In addition, many, including myself will no longer be able to afford their services once this bylaw comes in, as inevitably prices will go up to make their businesses viable. I believe this will only make existing problems worse as there will be more dogs not having their needs met with good walks and proper socialisation and manners (that the pack walkers are currently providing).

In my opinion the change needed is not to cap the number of on/off lead dogs a pack walker can walk, but instead to regulate the industry.

More work should be done around roaming dogs. More initiatives should be in place to stop hobby/back yard breeding as well as to provide appropriate affordable training for new owners.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5723

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Monte Cecilia Park

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Fish bowl should be off leash area

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

For businesses this will cause a lot of challenges and for people who are barely able to afford this service will no longer be able to because the prices will sky rocket.

If you have a business then I feel this should not apply to you (with proof of coerience and training). People who do not, should have more rules as the issue is more with handlers who can’t handle the dogs, not professionals

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

It is clear, this is a huge waste of tax payers money. Absolutely pointless.

Clarify rule that all dogs classified as menacing must be to neuter:

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Dogs on leash should be allowed on Beach . But prohibited from sand dunes .

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Water

What local board area is this location in?

Waitākere Ranges

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

If the public see a dog off leash and not in control then the public should expect the council laws to be effective and heavy fines . So often complaints to council do not have any power to remove prohibit or fine owners of dogs not complying . it is unfa

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

We like to use our rate paid fees to enjoy the parks ..

Restricting us to fewer areas is discriminatory and unfair .

Location 2:

What is the full name of the location where you want to change the dog access rules?

Heron Park

What local board area is this location in?

Whau

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

On leash and under control .

.Effective fines or removal if not complying is expected .

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5840

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Hunua Ranges Regional Park,Muriwai Regional Park,Pākiri Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be able to run on the mountain bike tracks

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5934

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

I do not support the exclusion of dogs on maunga. They are already required to be on leash, which is sufficient. They can be required to stick to footpaths while on the maunga itself. Take One Tree Hill : there is a large amount of land on the park that should remain dog friendly.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Cats do more damage to our native bird populations than- dogs in all areas ; regional, national and local parks; back yards, public places. Cats are bird hunters and should be regulated! Dogs are already regulated and restricted beyond what is necessary.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I do not support these changes and the impact this could have on dog walking services. Dog walking services provide much-needed exercise for our dog as we are a family of busy, hardworking professionals. A blanket rule like this will mean dog walking services will become too expensive and out of reach for average families and end up causing anxiety and distress to dogs and citizens, and subsequently more disturbances to neighbourhoods, for example unhappy dogs barking during the day.

This could be managed through professional licensing rather than sweeping changes, however

I feel that this issue is being well managed by the industry that it affects.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Other than the obvious impacts on the health of dogs and their owners (!) these are big changes that do not meet the criteria of the Dog Policy 2019.

Much of what has been suggested as ‘findings’ is merely a statement of what is happening already, and in many cases completely wrong interpretation of council own survey.

Most of what has been cited and ‘structural change’ and ‘significant risk’ are in fact minor structural change, if any, or low-impact issues (by councils' own findings).

The way the policy is meant to work is that the Council and Dog Management are supposed to manage the low-impact issues from irresponsible dog owners through better

education and direct intervention, not massive changes to access. The policy is NOT designed to enable mass changes to dog access without significant reasons and due consideration to alternatives and/ or providing other places – neither of which are present in the proposal.

In short, these are changes that could and should be managed with a few good signs and better management of irresponsible dog owners, not sweeping dog access changes for the vast majority of responsible dog owners!

Keep the status quo. Leave it as it is.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I am writing to submit feedback on the proposed changes to Auckland Council's dog control regulations, specifically concerning the restriction on the number of dogs a person may walk. I am a dog owner who uses the services of a professional dog walkers service and advocate for responsible pet ownership. I believe that the introduction of a licensing system for professional dog walkers would be a more effective approach than the proposed maximum multiple dog limit of six dogs per person, with only three allowed off-leash.

Proposal for Professional Dog Walker Licensing

I propose the introduction of a licensing system for professional dog walkers, allowing them to walk more than the proposed maximum of six dogs, with more than three allowed off-leash, under certain conditions. A registered dog walker would be able to handle a higher number of dogs as long as they have met specific requirements such as:

- Comprehensive training on dog behavior, management, and handling.

- Demonstrated experience and competence in managing multiple dogs, including off-leash control.

- Regular assessments and compliance with safety regulations.

- Insurance and bonding to cover potential incidents or damages.

- Ongoing professional development to ensure knowledge of the latest dog behavior management strategies.

This system would not only allow professional dog walkers to continue providing a high standard of care for dogs but would also ensure that they are held accountable for their actions in a structured, regulated environment.

Importance of Further Consultation with Professional Dog Walkers

Professional dog walkers, who work closely with a variety of breeds, personalities, and behavior types, are the most qualified group to provide insights into how dog control regulations could be more effectively enforced. It is essential that Auckland Council engages in more consultation with the professional dog walking community before finalizing any changes. This will help ensure that the new regulations reflect the practical

realities and challenges faced by dog walkers while maintaining public safety and animal welfare.

Evidence of Low Impact from Multiple Dogs

In general, complaints regarding professional dog walkers managing multiple dogs are minimal, with the vast majority classified as moderate to low in impact on the public. The few complaints that arise often come from individuals who do not understand the expertise involved in managing multiple dogs and the positive impact a professional dog walker can have on a dog's behavior and well-being. Additionally, many of these complaints relate to general noise or the perceived behavior of dogs when not under direct control.

It is important to note that many of the negative incidents involving dogs are linked to unregistered and roaming dogs, rather than those managed by professional dog walkers. These dogs pose a greater risk to public safety as they often lack proper training, supervision, and behavioral control. Consequently, tighter controls on unregistered, roaming dogs—rather than restricting the activities of professional dog walkers—would better address public concerns regarding safety and dog-related incidents.

Conclusion

In conclusion, I urge Auckland Council to reconsider the proposed changes and explore the implementation of a licensing system for professional dog walkers, which would permit them to walk more than six dogs, including off-leash dogs, as long as they meet the criteria outlined above. This approach would create a balanced solution, ensuring public safety, protecting the welfare of dogs, and supporting the work of professional dog walkers who are committed to providing responsible care.

Additionally, I recommend more consultation with the professional dog walking community to ensure that any regulatory changes reflect the realities of the industry and do not inadvertently limit the ability of qualified professionals to do their work effectively.

Thank you for considering my submission.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:
Support
Tell us why

Clarify how dog access rules are set:
Support
Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be allowed if on leash and off leash in areas without livestock or not often used by the public.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6120

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

The proposed limits on numbers of dogs would have serious adverse affect on pack and dog walkers in Auckland. These services are vital for the fulfillment of dogs whose owners are unable to provide them with such walks while working. Changes to these rules would affect income for these professionals, and in turn the health and wellbeing of the dogs who attend the pack walks. There is lack of evidence to show that pack walkers are the problem, when in reality the issue is with individual dog owners who do not have reliable recall and who breach the rules around having their dogs under control at all times. Please work with the newly established PWDA to create some kind of licencing system for pack walkers and please do not reduce the number of dogs allowed to be walked in a pack to such low numbers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The actual rate of incidents where dogs are off leash in a group and one or more is not under control is very rare. The benefit to the welfare of dogs who can go commercial dog walks while owners are at work or incapacitated is huge, and greatly outweighs harm caused by rare occasions of off leash dogs not under control. I know this as a dog owner who walks my dog, observes commercial dog walks and also sends my dog on commercial dog walks. On the rare occasions where there has been trouble, the aggression is actually mostly from humans. Limiting commercial dog walks to a certain number of dogs will drive up costs, making them unaffordable.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The new proposed rule targets professional dog walkers who perform a necessary service for their clients, as well as training dogs and giving controlled social experiences for dogs. The proposed rule is an abomination that will overnight ruin businesses as well as see an increase in poorly behaved dogs.

I would like to see some regulation and standards within the dog walking industry, but NOT restricting the numbers they have. The professional dog walkers perform an invaluable service to their clients, and overall decrease anxiety and poor behaviour amongst the dogs they handle. There must be some acknowledgement of the skill of these people, as opposed to the gross blanket regulations proposed!!!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6175

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

People who do not have dogs find multiple dogs frightening and if someone has multiple dogs on and off leash this will threaten the use of public spaces by non-dog owners. I think that limiting the number of dogs being controlled by one person to four is a fair middle ground.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6194

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

I don’t know

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Why is licencing not being considered - to regulate this industry, licencing could incorporate how many dogs depending on experience, compliance and history. This way AC can also recoup money from this industry which is making commercial gain from public spaces. This industrial is mostikley only going to grow.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

I specifically support the continued off leash access for dogs at Owairaka and Big King. These are great assets to the community and are well utilised.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

The botanic gardens is a great place to visit with a dog. Support in the garden and cafe areas to be under control and on lead. The off leash area and waterway area is a great assest for Auckland dog owners. Especially in summer when access on beaches in the city are much more restrictive.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I have two points to make:

1) I can understand the need to control the number of dogs that a private owner may be walking at one time in council-controlled spaces. As a former dog owner, I was content with one dog to manage and most people will be in that category. BUT there are people who can successfully manage a larger number of personal dogs when out walking, for example experienced dog owners/professional dog walkers who may have several personal dogs.

2) Very importantly, omitted from the options here is Option 2D in the proposal that suggests a variation on Option 2A (Maximum four dogs, with no more than two off-leash)regarding obtaining a license to walk more dogs. .

I support the concept of a license for professional dog walkers that enables them to walk a larger pack. This is because I have:

(a) had a bad encounter with a unskillled "dog walker" mishandling my dog. A licensing program may reduce that likelihood.

(b) had exceptional care of my dog from trusted, careful and caring professional walkers, experienced and skilled at walking dog packs of 10-12 dogs at a time. For my dog, weekly 'school' with a dog pack provided valuable socialisation, exercise and home-care for my dog in places well away from busy public spaces. I have witnessed how these professional walkers manage their packs and how rules are enforced regarding pack-behaviour and interaction with other animals and people.

Therefore, there needs to be clarity in the proposed By-law that makes a clear distinction between private individuals and licensed professional dog walkers who fulfill an important need for many urban dog owners.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Waiatarua Park, Abbotts Way, Auckland should have more off leash areas for dogs. Should be a dog park

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6244

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There are experienced and professional dog walkers and trainers who have well managed packs exercising in appropriate areas who should. It be restricted

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I support more effective regulation—such as the licensing system proposed by the Professional Dog Walkers Association.

The proposed limit is unreasonable (when applying "the reasonable person test" in law) and detrimental to the livelihoods of professional dog walkers, dog owners in the community who use dog walkers and to their dogs alike.

- Dog walkers who have made a career out of being responsible dog walkers and who have invested in expensive vans, buying new homes with land to accommodate their businesses and who have mortgages as a result, will lose their career or have their income halved resulting in hardship.
- People could lose their dog walker if numbers of dogs are reduced. Dog walking prices will likely increase making it unaffordable for many.
- Dogs will suffer, missing out on the freedom, stimulation, and socialization they are accustomed to. They will miss their existing pack and human pack leader. This represents a significant problem mentally, physically and socially for dogs and humans alike. This will lead to many negative issues such as loneliness, stress, barking, etc.

I understand that despite the impact on their industry, professional dog walkers were not consulted in this decision-making process, resulting in regulations that lack understanding of effective solutions.

Problems

These regulations:

- address only 0.7% of dog-related complaints received by Auckland Council—complaints that include everyday pet owners, not just professional dog walkers.
- fail to tackle the real issues, which, according to the Council's own data, are excessive barking and roaming dogs.

Having studied animal behaviour at master's level in comparative psychology in the USA with Professor Terry Maple, a world renowned and leading animal behaviourist in the field, as well as attending animal behaviour courses in the USA regarding the reintroduction of wolves in Yellowstone National Park, I believe I am well versed to comment in this area. I particularly studied animals in confinement and how animal

behaviour can be enhanced positively through stimulation to prevent boredom and to promote healthy mental and physical health. Dog walking provides stimulation, socialisation, fun and exercise for dogs on a daily basis, reducing boredom and therefore problems within homes and society.

Also, in completing a master's in counselling, I have focused in part on dog and human relationships. Like humans, dogs are happiest when all their needs are met. Professional, competent, skilled dog-walkers in our community meet this need. The proposed bylaw would limit this need.

The role of professional dog walkers is to lead and maintain a social pack of dogs, as well as to teach these dogs social, interactive, calm and well-adjusted behaviours, particularly when meeting up with other dogs, animals and humans.

Licensing

The present issue represents a similar situation to that of unregistered and unlicensed Counsellors and Immigration Advisors over the last 10-15 years. Prior to a licensing requirement, the negligent actions of a few affected the whole. Both disciplines have now become licensed, trained organisations (NZ Association of Counsellors and the Immigration Authority) that require professional accountability as well as yearly professional development.

Many professional dog walkers are competent, responsible, and trained individuals, with years of experience, many of whom have practical experience with professional trained dog walkers overseas or have trained in various animal behaviour courses in NZ or overseas.

Licensing would establish industry standards, ensuring accountability and would protect the dog walking industry and communities alike.

I suggest limiting pack size to a reasonable number, such as 12 dogs, with all dogs allowed off leash dependent on the environment and whether the licenced dog walker deems it safe and prudent, such as in the forest. This is presently the case to a large extent. Pack interaction and behaviour is learned from the Pack Leader (human) and a well-adjusted pack. Freedom of movement to explore, play with sticks, pinecones, dig up rocks, playing in the water, chasing each other, etc, is vital to well-being and well developed, well-behaved, happy and calm dogs within human society. Exercise in a natural setting, stimulation, socialization with other dogs, and the training and learning of positive behaviours is paramount. Limiting dogs to a maximum of 6 dogs per pack, with 3 dogs on a lead at all times, is counter-productive to this.

Further, off-lead training with a pack, in order to teach dogs to stay, sit, and to remain calm is imperative to the safety of the pack and to others. Rules limiting off-lead areas and pack numbers restrict natural and healthy animal behaviour both out in the open, in the community and in the home.

I propose that Auckland Council work with the Professional Dog Walkers Association to develop fair regulations that enhance dog welfare and ...

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Usually those walking more than 6 dogs at once are professional dog walkers who know how to manage and care for their dogs. They are aware of the responsibilities of multiple dogs, and take extra care when working. By introducing this all you do is reduce dog walker's efficiency to complete their jobs. This means a greater cost to businesses and customers as pack walks that could be one then become two, require more staffing, time and resources. It is an economical burden. It also must be considered that most 6+ dog walkers are not going to general public dense areas. They have their usual walking tracks where, more often than not, other walkers (like myself) are quite happy to see them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

The current rules are the good balance - they allow on leash in the more busy areas and off leash at the bottom, when I walk there it is usually only dog owners in the off leash area. We enjoy waking here with our dog and have brought visitors to the gardens since we can enjoy on leash and off leash area. We usually spend at the cafe, as do a lot of other dog owners. If the rules were changed, we would not go here and I'm sure the cafe would notice a down turn in business

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current rules are a good balance. Forest beach in particular is a great place to walk dogs, and apart from surfers isn't that busy over summer. Please confirm to allow dog owners to enjoy this off leash with dogs

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:
What is the full name of the location where you want to change the dog access rules?

N/a

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:N/a

What is the main reason you want to change the current dog access rule?

N/a

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

N/a

Please allow some more access to regional parks and/or some areas that we can enjoy with dogs

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6538

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Hunua Ranges Regional Park,Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

If dogs are on a lease, why can they prohibited from areas. I'm ok with mountain bike areas, as that is not safe for the dog, but the other areas when under control should not be an issue

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I don't know

Tell us why

Once again, dogs on a leash shouldn't be an issue

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

I understand protecting wildlife is of most importance, but our dogs are on a leash what is the harm

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Other (please explain below)

Tell us why

This is so complicated and never been clear so I've never taken my dog here for this reason

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I would love to be able to take my dog on a leash for the whole of the perimeter track

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

It feels like NZ is becoming less dog friendly, but other countries are relaxing the rules more. If our dogs are under control and on leash, why do this to us responsible dog owners

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6613

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Many of the doggy daycares that do these walks are unregulated and have young people walking dogs who do not know how to look after them. It would make sense that dog walking/day care companies have to be regulated and registered then they can walk more dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

This proposal just seems like cutting off your nose to spite your face. There has been no consultation with the dog walking industry and just throwing a random number at a dart board.

While there are some 'cowboys' in the industry, the majority of dog walkers keep their packs under control and this proposal is letting one bad egg ruin it for the entire industry.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I strongly oppose the proposed limitations on the number of dogs a dog walker can manage, especially regarding off-leash activity. For years, I have relied on a responsible and experienced dog walker to care for my very high-energy Labrador, who requires ample exercise. This arrangement has been invaluable in keeping my dog happy, healthy, and well-exercised.

If the council enacts these restrictions, I, like many others, will no longer be able to afford professional dog-walking services. This could result in many dogs, including my own, not receiving the necessary physical activity and care they require, which could negatively impact their well-being.

While I do support the idea of a registration system for dog walkers to ensure professionalism and accountability, I urge the council to reconsider limiting the number of dogs they can walk. Such restrictions would have a detrimental effect on both dog owners and their pets throughout the city.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I support the overall limit of 6 dogs. However, I do not support the proposal to mandate that a maximum of 3 dogs can be off-leash at a time.

Imposing an overall limit of 6 dogs would increase safety for dog walkers and the public. I send my dog on pack walks with Pooped, a professional and responsible company which already limits their pack sizes. We want them to continue to operate safely, without being adversely affected by the irresponsible practices of some competitors.

However, the proposal to mandate that only 3 dogs can be off-leash at a time is counterproductive and will create greater safety risks. This is because this proposal is not consistent with the 'pack psychology' of dogs. If a dog walker has 6 dogs and 3 of them must stay on-leash, the off-leash dogs will behave like a separate pack to the on-leash dogs. This means the dog walker effectively has two packs to control. This makes it more difficult for the dog walker to manage any incidents which may arise.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6680

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

A maximum of 6 per dog walker is fair and manageable, now its unfair for the animals to have three at a time of the leash. If a dog walker is able to handle 6 in a controlled space then it should be ok they are all off the leash.

Walkers/dog minders should definitely be licensed, this shouldn't be expensive but it should definitely check on capacity for handling animals.

There should be as well more fenced/controlled spaces for dogs this would help to keep people safe and would allow animals to get the space they need to interact and burn energy. There are not enough fenced/dog inly spaces in the city parks.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I would like to know the criteria to classify a dog as menace. In addition there should be some government support for stray/abandoned dogs and dogs in ares where there's not enough education and provide low cost options for neutering dogs.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

There should be a consideration on chained and neglected dogs and rules to protect animals from owners not providing safe/clean spaces. There hundreds of dogs that are life chained some with little to no access to shade, fresh water, space to move or clean space to live. Neglect from humans should be penalized and this animals should be removed from these spaces

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6743

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

The rules are too restrictive. My dog goes with a professional dog trainer once a week why I am at work. This lady uses vibrate collars to compliment her experience and training to keep the dog under control at all times. The dogs are under control at all times despite not being on leash. A suggestion would be a dog trainer/professional registration so that licenced dog walkers who are qualified and can have more dog off leash. I think maximum 10 dogs is more reasonable with all being allowed off leash in appropriate areas.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

I support changes to protect wildlife. As I don't know Muriwai but our dog walker goes out there a lot with 10 dogs, I am hoping the changes will still allow dogs to run around off leash somewhere on the beach and around the quarry.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other

areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6749

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I think what needs a review is the actual dog walkers. This needs to be a growing industry that is professionalised this means accredited education, registration and a formal association. Those who are charged with walking dogs need to be accountable for their practice to the public, the dog and the human owners. The real issue is that people see dog walking as a quick easy stream of revenue- anyone can do it. This needs regulation. Experienced and educated dog walkers have chosen this as a career they do a good job they should not be the ones penalised. Please regulate this industry. Please also look at educating dog owners how they interact with their dogs in public spaces. Again not all dog owners are alike. There needs to be clear behaviour rules for the humans and dogs

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

As long as there is clearly a purpose that includes dogs and their wellbeing. Restricting and prohibiting is not the answer there needs to be a balance and animal rights as well as their needs should be met also

Clarify rule that all dogs classified as menacing must be to neuter:

I don’t know

Tell us why

This could clearly become biased if the people making the decisions do not appreciate the breed of dogs that this concerns. Agree non breeding dogs should be neutered by a certain age again depending on breed for health reasons.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

I think unbiased professional animal behaviourists externals should be contracted for these roles and decisions

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Transparency is good

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Please consider a registration for dog walkers. The public should know who these dog walkers are, are the registered/licensed etc bring professionalism to this role. Dog walkers should be specialised not a profession anyone could set up

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season)

and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I do think there could be set times when on leash is wise. Many owners are great and follow rules, they are involved in their dogs training but there are some who couldn't care less let their dogs wander out of sight. There needs to be human rules not jus

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Auckland

What local board area is this location in?

Waiheke

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

I think many rules in Waiheke are over the top over stepping. There is a strong message pets are not welcome. I think there is a complete denial that animals bring humans and families joy. Walking a controlled dog on a leash in parks should be allowed

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I am completely put off participating in nature if my behaved on leash dog is prohibited. It’s sad that many parks on waiheke are not inclusive of our fur babies. The current rules reek of not been made or advised by the common people…again making parks e

Please consider more on leash options for responsible dog owners. We do appreciate nature and we do want nature and wildlife to thrive our intention is to live in harmony while walking our best friend

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I think a blanket rule should come with exceptions to allow for professional dog walkers who are registered to walk multiple dogs. Professional dog walking is becoming more and more popular and needs to be accounted for. Blanket restrictions such as these unfairly hurt these businesses and those who benefit from them when the individuals who manage these are often exceptional at managing big groups of dogs and have strong controls in place.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I don’t know

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

These rules seem overly prohibitively for on leash dog walking. If a dog is under control in a lot of these areas that should be okay and some of these seem tricky to manage of how you would get around the park. It sounds like you can still access the cafe as a dog owner which is workable.

Also a shame to prohibit dogs from the waterways as that has been a fun area to walk a dog and I don't see the negative impact to the public in using waterways for playing with dogs.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

It sounds like you can't get around the tracks with dogs now. I think there should be course to enable dog walkers to be able to do a complete loop of these tracks with a dog.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.
