Help shape the future of Ōmaru

Feedback must be received by 5th July 2026.

The **Ōmaru Joint Management Committee** is preparing a new management plan for Ōmaru (formerly Point England Reserve). This will help guide how Ōmaru is used, cared for and enjoyed in the future. The plan will outline how people can enjoy the area while protecting and maintaining its land, natural environment and cultural values. We want to know what you think the plan should include.

Why we need a new plan?

The current management plan for Point England Reserve was approved almost 30 years ago in 1997. Since then, the area and surrounding communities have changed. In addition, ownership of Ōmaru was transferred to Ngāti Pāoa under the **Ngāti Pāoa Claims Settlement Act in 2025**. Ōmaru is now co-managed by Ngāti Pāoa and the **Maungakiekie-Tāmaki Local Board** through the Ōmaru Joint Management Committee.

The area will continue to be open for the public to access and enjoy.

Tell us what you think

We want to know:

- what you value most about Ōmaru?
- how you think the area should be used or improved in the future?
- If there are any cultural or environmental issues or activities, you think should be considered or included in the plan?
- how important you think it is that the management plan reflects the cultural history and significance of Ōmaru?

Your feedback will help Ōmaru Joint Management Committee to draft the new management plan.

Once they prepare the draft, we will share it for further public feedback before it is finalised.
