   There should be greater awareness of New Zealand's diverse communities, particularly the Sikh community. More effort should be made to educate people about Sikh culture, values, and history within local communities. One practical step would be to include more books on Punjabi and Sikh history in public and school libraries, helping people learn about the community's contributions and heritage.

Te Kotahi a Tāmaki – Marae Collective

Submission from the TKAT - Marae Collective on the Draft Local Board Plans 2026–2029

Purpose

This submission reflects the aspirations and priorities shared by marae representatives across two regional hui facilitated by Auckland Council on 31 March 2026 and 6th July 2026 as part of the development of the Draft Local Board Plans 2026–2029 through community partnership agreement.

The first hui, held on 31 March 2026, focused on understanding the aspirations, challenges and support needs of marae across Tāmaki Makaurau. The second hui, held during the Draft Local Board Plans consultation on 6th July 2026, provided an opportunity for marae to review the draft plans, discuss local priorities and identify opportunities to strengthen partnerships between marae, local boards and Auckland Council.

Together, these discussions highlighted a shared vision for stronger partnerships, meaningful engagement, investment in marae capability, and greater recognition of marae as trusted community leaders and connectors.

Marae play a vital role in supporting whānau, preserving te ao Māori, strengthening communities and responding to local needs. They provide cultural leadership, social support, emergency response, and opportunities for whānau to connect, learn and thrive.

We welcome the opportunity to contribute to the Draft Local Board Plans and encourage all 21 Local Boards to continue strengthening their partnerships with marae over the next three years.

Our Recommendations

1. Build enduring partnerships with marae

We encourage all Local Boards to move beyond one-off consultation and establish ongoing relationships with marae throughout the work programme. Early and meaningful engagement enables better decision-making and ensures Māori voices help shape local priorities from the outset.

We also encourage more opportunities for elected members to meet directly with marae through regular hui, site visits and community-led conversations.

2. Recognise marae as trusted community partners

Whānau who may experience barriers to participation, and communities who are less likely to engage through formal consultation.

Local Boards should continue working alongside marae to reach these communities and support more inclusive engagement across Tāmaki Makaurau.

3. Invest in strong, sustainable marae

Marae require ongoing investment to continue delivering for their communities.

We encourage Local Boards to advocate for initiatives that strengthen:

- governance capability
- operational sustainability
- legal and compliance knowledge
- tikanga leadership
- community engagement capability
- emergency preparedness and resilience.

Clearer information about Council funding opportunities, criteria and application timeframes would also help marae plan more effectively.

4. Support rangatahi and whānau wellbeing

Rangatahi should remain a key priority across all Local Board Plans.

We encourage Local Boards to support initiatives that:

- strengthen cultural identity and belonging
- improve access to sport, recreation and wellbeing programmes
- provide wraparound support for tamariki and rangatahi
- create more opportunities for rangatahi leadership and participation in local decision-making.

5. Strengthen Te Tiriti partnerships

We acknowledge the distinct roles of both mana whenua and mātāwaka and encourage Local Boards to continue honouring Te Tiriti o Waitangi through meaningful partnership, early engagement and opportunities to contribute to decision-making where appropriate.

Planning processes should also recognise that whakapapa and iwi relationships extend beyond Local Board boundaries, allowing marae and iwi to contribute to multiple Local Board Plans where relevant.

6. Encourage collaboration across Tāmaki Makaurau

There is significant value in creating opportunities for marae to connect with one another, local boards and Council staff.

Regional hui, expos and networking opportunities would support collaboration, knowledge sharing and stronger relationships between Māori organisations and Auckland Council.

Summay

The Marae Collective welcomes the positive relationships that continue to develop with Auckland Council and Local Boards.

We look forward to working in partnership to ensure Local Board Plans deliver meaningful outcomes for Māori communities and reflect the aspirations of whānau across Tāmaki Makaurau.

By investing in long-term relationships, recognising marae as trusted community partners and engaging early in decision-making, Local Boards can strengthen outcomes not only for Māori, but for the wider communities they serve.

Local Board: Upper Harbour

Your feedback:

1. **How well do you think we have captured the needs and priorities of our *Community* in this section?**

   Quite well

   Tell us why, and if there is anything else you would like us to consider

   The beaches such as browns Bay and takapuna has days of community involvement.

2. **How well do you think we have captured the needs and priorities of our *Natural Environment* in this section?**

   Not very well

   Tell us why, and if there is anything else you would like us to consider

   There are many reserves that are hidden, this however should have more benches, more exercise/playground and bathroom facilities in those areas. The area should be easier to access and kept clean and tidy often. More plants should be planted.

3. **How well do you think we have captured the needs and priorities of our *Built Environment* in this section?**

   Not very well

   Tell us why, and if there is anything else you would like us to consider

   I think the greenery is mostly not connected to public places as well as it could be. If it was and had areas of shelter and nearby access it would attract more people to go on walks and improve the help of the members in Aotearoa.

4. **How well do you think we have captured our *Economic Development* needs and priorities in this section?**

   Not well at all

   Tell us why, and if there is anything else you would like us to consider

   It is extremely hard to find part-time jobs or even full time. We should give more opportunities especially for university and college students to get a job as they are the growing future generations of our country.

5. **How well do you think we have captured our *Transport* needs and priorities in this section?**

   Not very well

   Tell us why, and if there is anything else you would like us to consider

   I believe buses for women are quite unsafe today, we should prioritize making local transport more safe for women and be strict on those rules. The highways are filled with traffic and we can decrease this by making the stop lights in the motorway longer.

6. **Overall, what is your opinion of the draft Devonport-Takapuna Local Board Plan 2026?**

   Support all

   Tell us why and if there's anything else you would like us to consider including how we could better meet our climate change goals, Māori outcome aspirations, or your thoughts on upcoming Auckland Unitary Plan Changes.

   I believe the job oppurtunities and helping individuals over the age of 16 and under the age of 25 through finances is very important

7. **How could the Devonport-Takapuna Local Board improve the way it engages with you about local decisions, projects and priorities?**

   More local schools and colleges be sent this email and actually consider and plan changes through these feedback.
