

Luckens Reserve upgrade

Feedback must be received by 12 October 2026

The skate feature and basketball court at [Luckens Reserve](#) are now old and no longer meet the needs of the local community.

The Upper Harbour Local Board wants to renew these facilities at the reserve. In 2019, we developed a masterplan based on community feedback that includes a playground and nature play area.

We want your feedback to help us develop a draft plan that meets the needs of current and future communities.

We will use your feedback to create a draft plan and present it to the local board for approval.

We encourage you to give feedback online at [akhaveyoursay.nz](https://www.aucklandcouncil.govt.nz/feedback) or you can:
