This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

This form is frustrating that you cannot go back.

Proposed updates to the council's local park dog access rules

#5316

Do you have any further comments about dog access rules at local parks or beaches?

Current rules on Onetangi work for most caring dog owners - total confusion with purposed new laws

New rules would encourage more cars damaging beach

There will be an accident with dogs &cars on an area where children play -

There is wildlife at eastern end of beach -wekas being mauled by dogs!!

Location 1

What is the full name of the location where you want to change the dog access rules?

Cheltenham Beach

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:I have answered this below but my concerns are with the way many dog owners flout the existing rules and also the very large threat that dogs present to the fragile ecosystem on the beach -shorebirds are integral to the health of the beach ecosystem.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Currently dog access rules at Cheltenham Beach are unsuitable and incompatible with both wildlife and non dog owners usage of the beach. Cheltenham Beach now has so many dogs using it that shorebird life is threatened - some owners seem to believe tha

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

My comments can be generalised to other beaches and parks. Perhaps there need to be very specific off leash dedicated areas and that current restrictions need to be monitored and enforced more visibly by council officers

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

What is the need to change rules, dogs need to be able to be exercise off leash and be able to run as they need to under control..

Proposed updates to the council's local park dog access rules

#5333

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Henderson-Massey

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

Dogs should be separated as much as possible.

Dogs on beaches and foreshores can be a real problem in some places. I'm sure you have it in hand thank you for taking some action on this. I'm concerned that it might not go far enough but one step at a time I guess.

Do you have any further comments about dog access rules at local parks or beaches?

NZ already has very restrictive rules around dog ownership, and these rules seem to be taking it further.

Do you have any further comments about dog access rules at local parks or beaches?

I disagree with the council's attempt to create a blanket rule prohibiting dogs from playing fields when not in use. We have a growing population and limited outdoor spaces. to impose a rule which sees our parks empty for most of the time is an inefficient use of our limited spaces. I agree that dog owners should not be on sports fields when they are being used but, when they are otherwise empty, it is wrong for the council to ban other Aucklanders from using these spaces.

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Where birds nest put up roped off area with clear signage so dog owners don't allow dogs to disrupt the nesting area.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:Animal management currently cannot patrol the bylaws at every park, they do not have the man power. They need to do random spot checks at every dog beach/bush at peak times and start fining those who don't obey. Fines will make people abide by the rules.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

So it is still usable there are limited places to go at all hours of the day with dogs. If you take this away your just going to over crowd other dog beaches causing more issues for the locals. Fine the people currently abusing the bylaws don't label ever

Location 2

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Better clear signage is the biggest thing. The signs often do not match what the online information says. Start fining the people abusing current bylaws, not restricting those who do the right thing it’s unfair and biased.

Madills Farm

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to changes at location (e.g. a new playground, sports field, more people). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Madills should be able to be shared by all - dogs off leash and under control has never been a problem before.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Proposed updates to the council's local park dog access rules

#5360

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Maungakiekie-Tāmaki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Do you have any further comments about dog access rules at local parks or beaches?

Unless and until dog control/police deal with the high number of unregistered, un-neutered, unchipped dogs in South Auckland, there will continue to be problems. Pretending the problem doesn't exist just because officials will not go into certain areas/streets because they are scared of the occupants (and their dogs) is ignoring a basic problem and penalising those of us who train our dogs properly and handle them responsibly. I believe owners should have to be licensed, to ensure their suitability to own a dog.

Do you have any further comments about dog access rules at local parks or beaches?

It is essential for us to have safe spaces where we can walk our dogs freely. The status quo allows for that and for the community to share spaces. The proposed changes are unfair and do not benefit the community as a whole.

Do you have any further comments about dog access rules at local parks or beaches?

Dogs get people active and give owners the chance to connect. In a world of loneliness and technology over use, please don't stop people from getting outside with their dogs. These proposed changes are short sighted and miss the point.

Do you have any further comments about dog access rules at local parks or beaches?

If you restrict access as planned, this will create unsocialized dogs with risky behavior around the public and other dogs. People will break the rules even more if their local dog park or beach is no longer accessible.

We need more safe spaces for dogs, and information about these locations must be clear and easy to find for dog owners. It is currently very difficult to find dog-friendly locations and to understand exactly which areas allow dogs, what the access routes are, etc.

Even adding a search option on the council website that allows users to find all current off-leash locations would make it much easier. Instead we rely on friends/locals to suggest dog-friendly places, have to search on the council website for those specific locations, with the exact name, and dog walking section.

I’m sure there are many places near me that I don’t know are dog-friendly simply because the information is so hard to find on your site. If this were easier, there would be less rule-breaking, as people would actually know where to go.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Dogs should have off leash access to all beaches and parks all year round at all times.

Proposed updates to the council's local park dog access rules

#5390

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Māngere-Ōtāhuhu

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I do not support the changes! Isupport option 1 – to keep the status quo.

Do you have any further comments about dog access rules at local parks or beaches?

An area set aside for dogs off leash in each region would be a good idea as they are very few and far between in Auckland.

Other than the obvious impacts on the health of dogs and their owners (!) these are big changes that do not meet the criteria of the Dog Policy 2019.

Much of what has been suggested as ‘findings’ is merely a statement of what is happening already, and in many cases completely wrong interpretation of councils own survey.

Most of what has been cited as ‘structural change’ and ‘significant risk’ are in fact minor changes, if any, or low-impact issues (by councils own findings).

The way the policy works is that Council and Dog Management are supposed to manage the low impact issues from irresponsible dog owners through better education and direct intervention, not massive changes to access. The policy is NOT designed to enable mass changes to dog access without significant reasons and due consideration to alternatives and/ or providing other places – neither of which are present in the proposal.

In short, these are 'issues' that could and should be managed with a few good signs and better management of irresponsible dog owners, not sweeping dog access changes for the vast majority of responsible dog owners!

Do you have any further comments about dog access rules at local parks or beaches?

I hope the council will make informed decisions but I hold little hope as other things council have done look like they've put a blind fold on and made things up with little education and because the computer said it was a good idea.

All dogs in public spaces must wear a collar with a current registration tag. There is a dog in our area that never ever wears one. His owners do not have good control of it and while it is not an aggressive dog, it is a pest to many and it does not quit. It is difficult to catch as there is nothing to grab and the only way it's owners can stop it annoying other dogs is to try and corner it and then carry it which they do with limited success.

Dogs can be very friendly if they are properly trained. The problem lies with dog owners who lack responsibility and don't know how to train their dogs. Therefore, the council should change the rules so that all dog owners are required to take a course before owning a dog, and the dog should also undergo training at a center before going home. otherwise, dog must on leash all time in public.

4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

No

Proposed updates to the council's local park dog access rules

#5418

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Howick

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

You say there are more dogs and for many people they are their family so make areas for them like you do playgrounds - don't take away the only areas they have now.

Do you have any further comments about dog access rules at local parks or beaches?

When it is to protect wildlife, such as the dotterels, I completely understand the need for the rule change. But taking away "off leash" farms like Madills farm in Kohi and Monte Cecelia is just not right.

How can we give our dogs the life they deserve if they can't be off leash and enjoying themselves, happily socialising with others.

Don't punish the good dogs.

I ask the ARC to rethink all these proposed rules and regulations . We pay the council with our rates so why don't they try to work with us and LISTEN!!! I hope this "squeaking wheel" gets some attention and these rules don't get set in stone but I won't hold my breath (big sigh)

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

I do not support limiting further the parks & other council areas where dogs are allowed both on & off leash. I believe maintaining good off leash areas is important to dogs & owners.

The focus of council needs to be on the source of the problem – desexing and irresponsible dog ownership.

There also needs to be a focus on enforcing responsible dog ownership and improving our animal welfare standards- this includes enforcing owners desex their dogs (and cats), socialize and train their dogs, and reduce roaming dogs. Other suggestions include:

- The point of dog sale: there should be a licence to sell dogs to reduce irresponsible 'backyard breeders'. Backyard breeders selling on trademe and on facebook (even though they are not permitted to), is leading to people who cannot afford puppies or do not care for their dogs, which in turn leads to roaming dogs and dog attacks.
- Dog Ownership: focus on preventing roaming dogs, unregistered dogs, non-microchipping, and life chained dogs. More should be done to ensure responsible dog ownership (yes there is an incentive to do a responsible owners course to get a discount on your annual council dog registration fee, however this does not target the population who choose not to register their dog in the first place). How does the council target the owners who do not pay their annual registration? Dog owners should be enticed to attend some form of puppy training class (since it's not feasible to make it mandatory), to demonstrate they care for their dog welfare and the safety of other dogs and humans by ensuring the foundations are set from the beginning of ownership.

As a side note - are there proposals to change cat ownership - if there are concerns about the impact of dogs to birdlife/wildlife, is there a proposal to limit the number of cats one household can have?

Do you have any further comments about dog access rules at local parks or beaches?

Consider how dog owners will always be a minority so gauge how you review feedback accordingly. Limiting dog friendly spaces and causing congestion results in wider problems

What is the full name of the location where you want to change the dog access rules?

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Dogs should be allowed off leash at all times.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

People have access to over 5 other beaches/bays in the coastline of CBD to St Heliers. It's only fair to allow 1 beach to be designated off leash at all times to responsible dog owners. Dog owners pay registration fees and most likely council rates too. I

Location 2

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Increase in designated areas to walk dogs off leash to promote animal socialisation. Isolation and restriction promotes animal hostility.

Do you have any further comments about dog access rules at local parks or beaches?

Local Beach and recreational park access for dog walking under the current rules should be retained and not eroded or excluded. Imposing a ban, and or introducing further restrictions to dog owners not being abled to walk (on and off lead) their dogs cannot be supported and displays a negative move by Auckland Council in eroding local community trust.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

This is not needed in NZ. Our pets are well looked after and trained. They help with most owners mental health, and something that helps with mental health is getting out and about, and the amount of good it does for the dogs overall health. This is a very stupid proposal and should not be brought up ever again.

Proposed updates to the council's local park dog access rules

#5454

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Waitematā

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

I have taken part in many long and involved 'consultations' on dog access and the overriding focus seems to be on further restrictions which is not actually in line with current policies which encourage responsible dog ownership and recognize the positive benefits of pet ownership

Do you have any further comments about dog access rules at local parks or beaches?

Dogs do need access to beaches and parks, maybe before and after times when the general public make the most use of those areas. Dogs (and owners) do enjoy being off lead/watching their animals run freely on beaches and at parks. Dog owners do understand that having dogs running around busy areas at peak times is stressful for all. Removing access to areas is stressful for all pet owners and pets who do have their own social crowds they enjoying running with.

Dogs should be allowed on beaches and in parks when under the control and supervision of theor owners. Dog owners should be required to pick up their dogs pooh and be required to carry pooh bags when out and about.

Do you have any further comments about dog access rules at local parks or beaches?

It seems to me that responsible dog owners, you know, the ones who pick up after their dogs and pay their registration fees, are once again being penalised. I suggest the council spend more time and money with uncontrolled/unregistered dogs.

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Stop thinking dogs are a problem. Those that don't have them are the issue

Proposed updates to the council's local park dog access rules

#5485

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

We need more off lead access not less.

Council should be concentrating on bad dogs and bad owners not the good ones.

Cats need to be registered like dogs. Their owners need to be responsible, not letting them roam at night.

I have ten cats on my property boundaries and I’m sick of the fighting during the night...

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Restricting dog off leash areas makes it hard for people to adequately exercise their dog., there will be more rule breakers amongst owners and also barking dogs from frustration with lack of adequate exercise.

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Point Chev

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:More enjoyment of the beach during summer hours with dogs

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The access to beaches centrally during summer hours is extremely limited, especially in the Auckland city area and fringe suburbs. There should be one beach that has dog access (like St Leonards - which is currently the only off-lead dog beach within a 20

Location 2

What is the full name of the location where you want to change the dog access rules?

Mt Eden / maungawhau

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leashArea above the loop of Puhi Huia Road loop (ie. flat plains up to top of mountain area)

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Area above the loop of Puhi Huia Road loop (ie. flat plains up to top of mountain area)

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Greater offlead dog exercise and enjoyment

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

This is a popular Mountain with dog owners and would offer a closer option to the CIty centre for off-lead dog exercise (beyond Big King). The current off lead areas on this maunga are extremely limited and indeed the mid-point area is also dangerous, as

Location 3

What is the full name of the location where you want to change the dog access rules?

Karaka Bay

What local board area is this location in?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Beach access and enjoyment

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

This beach would offer a great option for more dog access during summer, in a controlled environment. It is protected and tidal, so safe for both dogs and families to swim/enjoy making it a perfect location for some improved dog access during summer.

Do you have any further comments about dog access rules at local parks or beaches?

I have seen little improvement in the plans for dog access (except for Waiheke). Auckland is too restrictive on dog access to our parks and spaces, being confined to very limited locations. This condenses dogs into similar spaces, and also limits their opportunities for socialisation which in tern makes them better behaved. We need to follow the lead of other countries, such as the UK, that has great access for dogs to public spaces, transport etc. which results in better socialised dogs. I would like to see another fully off-lead beach in central Auckland (beyond St Leonards) that offers the ability for owners and pets to enjoy together as St Leonards has become extremely busy.

As a nation of dog lovers, with high dog ownership - Auckland Council has duty of care to provide and improve on the dog access across our city.

Proposed updates to the council's local park dog access rules

#5504

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Whoever brought up the proposal is unreasonable and big chance they don't have a dog in the family and don't care. There are already limited off leash beaches that we can bring our fur family for a walk and water play. Dogs have their rights. Be respectful!

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The health and well being of dogs in families has been proven time and time again - Yet you are unable to offer any real reason to change the rules and inhibit people from wanting to own dogs. Dogs are an essential part of life.

Can you tell us what your reasons or purpose is in changing these rules.

Essentially _ what is the problem you are trying to solve?

From this side looking in there is no problem to solve. Please let me know if there is and what it is.

Do you have any further comments about dog access rules at local parks or beaches?

Should make Auckland more dog friendly. Need a place to exercise our furry companion. The houses in Auckland are getting smaller, I don't have a back yard to exercise them, local parks, walk around the neighbourhood and beaches are the only place.

Dogs under control have great owners, owners that have trust with their dog will only take them off leash. Stop taking places away from us, we already have a lack of options

Do you have any further comments about dog access rules at local parks or beaches?

Dogs are an intergral part of the local community and owners should be able to continue to run them off leash. I have children who play sport so I can see that point of view but there are many hours that the fields are not used and they should remain off leash when no sport.

Do you have any further comments about dog access rules at local parks or beaches?

To whom it may concern.

I am here to have my say on the policy that is in place.

1 too many places are protected and hardly any places that allow dogs, it very hard and sad for families who wants to spend quality time.

2 more efficient system on how to deal with problematic owners on public places.

3 limitation on how many dogs a single human can have at the same time.

4 public safe spaces for family to take dogs for a play/walks at open spaces and holidays around New Zealand not only in big cities.

5 summer time beach where dogs can go to the beach, put limits only on weekends public holidays when dogs are allowed on beach and parks.

Those are the real problems that dog owners suffer on day to day.

Thanks

I have a disabled dog, and he has no where he can go safely. There is no fenced park with trees or water for dogs in East Auckland. Onehunga has a beautiful off lead park. West Auckland has one in Green Bay yet we don't have anything like that. This is some of my concerns. Attached are photos of my dog Brody. Could you please pass this email on the the committee. I would really appreciate that. Thank you so much for your time.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Dear Board Members

I am writing to formally request a review and reversal of the recent bylaw change allowing dogs to be off-leash in local walkways. Since this change was implemented, there has been a noticeable increase in dog attacks, raising serious concerns for the safety of residents, children, and other pets.

While I understand the intention behind providing more freedom for dog owners, the reality is that not all dogs are properly trained or controlled, leading to an increase in dangerous incidents. Many community members, including families with young children, now feel unsafe using these public spaces.

As a local business we interact with local residents on a day to day basis, and hear/share stories about what's happening in the community. It has also a frequent occurrence, where someone posts an issue with a dog on the local facebook grapevine. I personally have been involved in issues where a big dog has charged at my 3 year old daughter, chased a neighbors cat into our property and also attacked on our own small dog where our she needed to be taken to the VET. These have been in different instances.

Reinstating the requirement for dogs to be leashed would provide a balanced approach, allowing responsible pet ownership while ensuring the safety of all walkway users. I urge the board to reconsider this bylaw in light of the increased risks and to prioritize the well-being of the wider community.

I appreciate your time and attention to this important matter and look forward to your response.

Proposed updates to the council's local park dog access rules

#5535

Do you have any further comments about dog access rules at local parks or beaches?

Dogs must be on leash at all time on walks and beach's

Not dogs to run free on beach so they can not chase birds , jump on people and ********** in the sand that kids play in

My partner has Parkinson and is sick of walking along snell beach footpath and dogs jumping up on her, the owners say sorry my dog won't hert you, but they have push her over twice , alway sitting her clothes

I get abuse the owners say for lack of control I have kick the the dog and oncouse the owner don't like it but they understand there do should not jump on people but regardless next time you see them the dog still doing the same thing

It's not the dogs fault but irresponsible owners

Set up dog parks that dog owners pay for though dog registration

Do you have any further comments about dog access rules at local parks or beaches?

There should be penalties for those who do not pick up dog excrement.

There should be more dog access.

There should be more dog dog pooh disposal options at all parks - including bags and bins.

Putting forward your new rules will obviously change the daily lifestyle of thousands of people. Many planned game take up a short amount of time per day compared to the daily use of the park by dog owners. Many, many owners and dogs in the park are already using the park early, during, and late in the day. - Planned games are not there. So why punish dog owners?

I have been using Madills farm for nearly 20 years, and havnt come across any game disruption.

I understand that in some areas of Auckland neglected dogs pose a huge problem, however, here at Karekare dog owners love their pets and treat them as members of their families. Our dog has never been left on her own and is a most loyal and constant companion. There should be at least some part of the day (as with horses on the beach) when we can exercise our dogs without restriction. I don't like being on a leash!

Only to reiterate that rules need to be enforced. I am 80 years old and very fit, I am not prepared to be abused by dog owners suffering from a bad case of entitlement to do as they please; it is beyond depressing! I would like fines introduced for breaking the rules re. dogs on beaches. Thank you

Proposed updates to the council's local park dog access rules

#5577

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Waitākere Ranges

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Duck Park, Glen Eden

What local board area is this location in?

Waitākere Ranges

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:South end behind the softball diamond

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:The south end of the park is not part of the sports field and could be fenced/enclosed as a dog exercise area. There are no off lead areas in Glen Eden.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

There are currently no off lead areas in the area of Glen Eden. The closest is at the rear of Parrs Park which is too far to drive. Several dog owners in the area use the Duck Park field to exercise their dogs. While the rugby club uses the field occasion

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I strongly support set hours of the day for use of parks and beaches by dogs. This gives the public clarity and allows dogs and owners the chance to socialise safely. this is critical for well behaved dogs and educated owners. Many of the problems to be addressed are cause by dogs being left isolated, untrained, and without exposure to other dogs and people so they do not learn how to behave.

Do you have any further comments about dog access rules at local parks or beaches?

I think the current rules and regulations are perfect just the way they are. Why is there a sudden discrimination against dogs? Just like so many council rules, changes are made without providing suitable alternatives like dedicated dog parks.

Do you have any further comments about dog access rules at local parks or beaches?

Auckland Council and the local boards have proposed limiting dog access to 64 of 123 dog parks across Auckland.

The proposal is a massive reduction in the access that dogs have in public places - in many cases they are proposing going from off-leash to total 24/7 dog bans!

More concerning, they have proposed changes to the overall wording and objectives of the Dog Policy 2019 that will enact a significant downgrade in how dogs, and dog owners, are perceived in the eyes of policy makers, which could impact all future policy making on dogs.

Overall, council seems to be proposing sweeping changes that go directly against the Policy on Dogs 2019, notably:

- The objectives of the current dog policy to “keep dogs as a positive part of the life of Aucklanders by: maintaining opportunities for owners to take their dogs into public places”
- A core principal of the poilcy to “Recognise dog owners as legitimate users of public places and that dog access is essential for dog welfare” S1(a)
- A requirement to consider all “practicable alternatives” AND that ‘displaced dog owners, and their dogs have access to other places as part of the same decision’ S6

The policy also requires there to be a ‘structural change’ or a ‘significant risk’ before any change should be considered and yet the evidence that has been provided is low impact and tenuous at best.

The findings of the reports have been written in a way that seems to favour a predetermined outcome to significantly reduce dog access in public places.

Do you have any further comments about dog access rules at local parks or beaches?

If anything dog policies are far TOO restrictive and we need to provide good spaces for our dogs, the more we do this the better they will be in public. Banning and limiting spaces just causes further anti-social behaviour by dogs.

Do you have any further comments about dog access rules at local parks or beaches?

Needs of dog families need to be balanced against non dog people through time not blanket restrictions which are more likely to encourage complete disregard of the rules if they are too stupidly and unfairly restrictive

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Cornwallis beach

What local board area is this location in?

Waitākere Ranges

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:This area is off-leash already until 9am. I proposed that you introduce season change - dogs allowed off leash during winter during the whole day. This would increase off leash place, but wouldn't limit people.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The rule doesn't make sense for winter. I understant that this beach is used by people in summer, but there are hardly any people swimming or having bbq during winter. Providing seasonal rule for off leash use of the beach during the winter, would be a ve

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Do not limit off-leash places - especially Monte Cecilia.

By removing off leash places, you will only see increase in issues.

Proposed updates to the council's local park dog access rules

#5592

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Franklin

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Do you have any further comments about dog access rules at local parks or beaches?

As already noted, without compliance or enforcement, these rules are largely useless, so think about how you can get people to comply. The Local Board needs more funding to be able to do this. I know most dog owners are responsible, and as always it is the minority who cause the problems, and claim the are not aware of the rules. One starting point is to keep the rules as simple as possible.

Do you have any further comments about dog access rules at local parks or beaches?

It’s a fair point that pets, especially dogs, play a huge role in reducing loneliness, so it would be concerning if the new laws made pet ownership more difficult or less enjoyable.

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

So many people have dogs in Auckland. Please provide suitable space for them. Signpost or create barriers so people are aware when they cross into an off lead area as it is hard to know when there is little or no signage.

Educate people about dogs. I recently came across an elderly man who thought all dogs were dangerous and he wanted my friend to keep the two very docile dogs we had away from his mokapuna. The parents of the children were happy for their kids to be around these greyhounds but because greyhounds are big, I think he thought they were dangerous. Education is a key!

Proposed updates to the council's local park dog access rules

#5618

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Waitematā

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Dogs under control are a positive for the city and create public engagement.

Auckland Beach hours when dogs are prohibited should be 11am to 5pm not longer.

Gooseberry Flat and Pah Beach

What local board area is this location in?

Aotea/Great Barrier

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:There should be specified on and off leash areas, and these should be well-signposted, not marked by imaginary lines. There should not be any banned areas for dogs under control of their owners.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:The proposed off-leash area is the most popular part of the beach for all beach-goers.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

If owners have their dogs under control there should be no need to ban them entirely from the beach.

Do you have any further comments about dog access rules at local parks or beaches?

There are already strict rules on where we can take our dogs, with many areas completely off-limits. Further reducing access will make it even harder for responsible owners to spend quality time with their dogs and provide them with necessary exercise and mental stimulation. This can lead to behavioral issues and negatively impact both pets and their owners.

Do you have any further comments about dog access rules at local parks or beaches?

In my experience, dog owners do not like to be challenged when they have their dog off-leash in an on-leash area and some can get quite rude and aggressive. If it were a requirement that a dog's registration number had to be clearly visible on its collar or branded into its coat, then it would be possible for members of the public to lay a complaint about breaches of rules, including when an owner does not clean up a dog's excrement, which is such a disgusting thing to find in a park, on a beach or in another public open space.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Around the world, most beaches provide an area of the beach for dogs and their owners to use. This makes sense! Banning dogs from an entire beach area for the entire day during summer is extremely unfair to both dogs and their owners and families. Every beach should have a portion set aside where dogs are permitted off leash at all times. Share, Share, Share and be Fair!

Proposed updates to the council's local park dog access rules

#5648

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Harbour View Reserve and beach Point Chevalier

What local board area is this location in?

Albert-Eden

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:Dogs are off leash all over the beach at all times of the day. It’s really dangerous when the beach is busy. Owners ignore the rules all the time. It is hard to avoid dogs as the beach is overrun with off lead dogs in the am before 10 am and after 4 pm.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs should always be on lead at the beach and in the reserve.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Sentinel / Hamilton Road beach

What local board area is this location in?

Waitematā

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:The “summer hours” under which dogs are prohibited from the beach need to be extended as people swim from them through to late May. And the rules need to be enforced. I’ve never seen animal control at Hamilton Road beach

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Current restrictions are ignored, and summer hours do not reflect the useage of the beach by swimmer through March to May.

Location 2

I believe in creating more spaces across Waiheke and Auckland for people to spend time with their dogs. Dogs are a central part of people's families and deserve to enjoy family time with them. Creating more convenient, Central and all-hours access for dogs to our beaches will improve the dogs wellbeing as well as their owners.

I know that many of us love going to the dog-friendly beaches so that we can enjoy the happiness and joy other people's dogs bring to the beach.

The KISS principle should apply in general in order to Keep It Simple for Society. That means that dogs are kept on a leash in all public places at all times, unless the place is designated as a 'Dogs Area' in which case they maybe off leash in these specified areas. A good example of this in Waitakere Ranges Local Board is Kaitarakihi Bay on the Manukau Harbour-for dogs. Local childrens public playgrounds, swimming beaches and city parks should always require dogs to be kept on the leash. In many places it is reasonable to have a long flexible leash that the dog owner has total control over to rein in the dog. Dog owners should be required to do training to learn how to control their dogs. It is a huge cost, a longterm commitment and responsibility, thus people need to know this before getting a dog and then to get registration.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

More off lead parks for dogs would be great. There is becoming less and less places to run dogs off lead.

Proposed updates to the council's local park dog access rules

#5685

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Upper Harbour

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Glover Park access has also had restrictions for off leash dog walking. This also should be reconsidered as there are limited areas and times that dogs can be walked off leash.

Do you have any further comments about dog access rules at local parks or beaches?

I am very concern over the potential loss of number of off-leash areas. Auckland already has limited off-leash parks and reducing these will only lead to more frustrated dog owners and stressed pets. There are plenty of on-leash areas, but spaces where dogs can freely socialise, are vital for responsible dog owners who follow the rules and contribute through registration fees. Limiting the number of off-leash spaces will only lead to more congestion at existing areas, making them less enjoyable for both pets and their owners. Additionally, it will increase travel costs—not only financially but also environmentally—if people are forced to drive further for access to off-leash areas.

It's disheartening to feel that we're not being given more consideration, and such a change would cause frustration for many in our community. I urge the council to reconsider any plans to reduce off-leash spaces.

Do you have any further comments about dog access rules at local parks or beaches?

I think, in general, across all beaches, there needs to be education that dogs are not part of the natural ecosystem and that human activity already puts wildlife under pressure. Having dogs running loose, having an awesome dog time, isn't fun for birds and adds to our pressure on the ecosystem of the beach. I think leads at all times at all beaches should be a goal to educate dog owners towards. Information boards at beaches to let people know about how to interact with the natural world in the most sympathetic way would be a start. As Auckland grows the pressure we place on the natural world at our beaches will only increase so it makes sense to develop a policy and start education now rather than later.

Do you have any further comments about dog access rules at local parks or beaches?

Dogs should be allowed at all times on leash.

Proposed updates to the council's local park dog access rules

#5703

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Devonport-Takapuna

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Forestry Beach

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:I do not support changes to access for dogs at Forestry Beach. Dogs are already restricted from the whole of Te Arai so this is the only beach area left in this area that dogs can be walked and go to the beach with their owners all year round and have a g

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I do not want to see access to dogs at Forestry Beach restricted as this is the only area left in the vicinity that we can take our dogs all year round,

Location 2

What is the full name of the location where you want to change the dog access rules?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Current beach rules at most North Shore beaches are realistic and allow for dog owners to have off lead exercise for their dogs within good time frames. We currently do not have access to the beach at Kennedy Park as the stairs are still not repaired which is a shame as this was such a good summer time option for taking our dogs. Dog ownership is on the rise, yet the current changes proposed in many ways restrict access for many dogs to be able to exercise off lead.

Do you have any further comments about dog access rules at local parks or beaches?

Dogs are frequently off-leash at Auckland parks in areas where they are supposed to be leashed including on public paths/playgound/sports fields. Dog faeces are frequently not picked up. This problem is Auckland-wide and the impacts are reduced safety and reduced enjoyment of parks, particularly for parents with small children. I have never seen Council proactively patrolling parks, and I'd like Council to start doing this and issuing fines or impounding dogs to show dog owners they can't ignore the rules.

In an urban environment having access to our local parks to exercise our dogs is important. Please do not let the minority ruin it for all.

I would support dog walkers taking packs of dogs to have some form of licence to ensure they are capable of maintaining a pack at all times. But that should not penalise an individual owner

I think it is very important to protect native wild life and especially breeding areas. but I am also deeply concerned by Auckland Council’s plan to increase on-leash and dog-free areas. These restrictions further reduce dogs' access to exercise and socialisation—key factors in preventing behavioural issues. It seems clear that dog welfare is not the Council’s priority, as these proposals not only limit safe exercise spaces but also restrict access to trained professionals who can provide it.

a key factors of animal welfare are the “5 freedoms", one of these main pillars is freedom to express natural behavior. it is natural for a dog to run freely!

I think there has been an overall lack of insight from professionals in the animal welfare, medical, training and walking community.

already there is so little places that allow dogs have a good run. Dogs need a good run and with urban expansion, they are also losing out on the environments THEY need. to be happy, safe and socialised.

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

Submission on Proposed Changes to Dog Access at Madills Farm

To: Auckland Council

Subject: Opposition to Proposed Restrictions on Dog Access at Madills Farm Dog

Madills Farm and Recreation Reserve is a unique and shared community space which should remain wholly accessible to all in our community as it was gifted to the community not a sports club.

This submission is made in the strongest possible opposition to the planned changes proposed by the Ōrākei Local Board which effectively ban dogs from the majority of the community space.

The first part, will highlight the significance of the Recreation Reserve to the large community of dog owners who regularly use the farm, often for more than exercise.

The submission will also strongly refute the claims that dogs have damaged the turf by digging holes which have caused soccer players to roll ankles and injury themselves. ACC figures regarding injuries to soccer players will be presented as will the findings in 2024 Ōrākei Local Board annual report re the reasons for unsatisfactory ground conditions, which are blamed on bad weather and subsequent lack of maintenance.

The magic of dogs at Madills centres around wellbeing and community.

Off leash exercise for dogs is vital for their fitness, socialisation and mental well being. It is a special place for new dog owners wanting to socialise puppies so they will be happy and well rounded dogs.

The off leash exercise is also hugely beneficial to dog owners who can freely exercise and experience the benefits exercise provides physically, mentally and emotionally.

Madills is a safe environment for women provides a safe environment for puppies to be socialised and dogs are to learn to ‘play’ together.

We have also seen a significant number of families who don’t have dogs come to the park to teach their kids how to engage correctly with dogs.

At times - holidays, mornings and on public holidays the reserve is used almost exclusively as a community space. Friendships and support groups for lonely, marginalised and neurodivergent people have formed over the years and they remain strong today. The dogs bring the groups together in a relaxed and respectful way and having them off leash on the fields is important and it seems ridiculous to suggest that when the fields are not being used, they are out of bounds to dog owners and their animals.

Angus McPhee suggested the change was to bring the OLB parks into line with other ‘sport fields’ in Auckland. Madills is a recreational reserve not a sport ground and this is not communist China - we do not need one rule for ALL! There are plenty of special spaces in Akl with unique rules and Madills should remain on of these as the original gift intended.

ACC figures show a soccer related injuries come second behind rugby- no mention of holes dug by dogs as causing this huge number of claims! It is a fallacy that dogs are digging holes that cause all the soccer injuries!

The OLB annual report tabled last year clearly blames the weather, water table and lack of maintenance for the lower than required level of satisfaction about the state of our parks from ratepayers. Again, no mention of dogs damaging the fields.

As a ratepayer with a registered dog, I have repeatedly asked Sarah Powrie for information around dog registration and revenue figures and future numbers for the OLB area. She has not provided me with this information which is disappointing. Other people have suggested 7,500 dogs are registered in the OLB - is this the highest in Akl? We are a compliant community which no doubt generates significant revenue for the council and as such expect education to be provided for dog owners who don't follow the rules! I.e. if dogs are digging holes and owners not picking up after their dogs.

Recommendations

• Maintain Current Dog Access: Retain the existing dog access rules to preserve the balance between pet owners and other park users.

• Community consultation, celebration and education to engage the community and celebrate and education dogs and their owners.

Conclusion

Restricting dog access at Madills Farm would adversely affect the community and contradict the reserve's original purpose. I urge Auckland Council to not support the proposed changes and prioritize the well-being of all community members, while also ensuring fair access for both sports and recreational activities. We should consider balanced solutions that support both the care of the fields and the needs of the community.

Submission on Proposed Changes to Dog Access at Madills Farm

To: Auckland Council

Subject: Opposition to Proposed Restrictions on Dog Access at Madills Farm Dog

Madills Farm and Recreation Reserve is a unique and shared community space which should remain wholly accessible to all in our community as it was gifted to the community not a sports club.

This submission is made in the strongest possible opposition to the planned changes proposed by the Ōrākei Local Board which effectively ban dogs from the majority of the community space.

The first part, will highlight the significance of the Recreation Reserve to the large community of dog owners who regularly use the farm, often for more than exercise.

The submission will also strongly refute the claims that dogs have damaged the turf by digging holes which have caused soccer players to roll ankles and injury themselves. ACC figures regarding injuries to soccer players will be presented as will the findings in 2024 Ōrākei Local Board annual report re the reasons for unsatisfactory ground conditions, which are blamed on bad weather and subsequent lack of maintenance.

The magic of dogs at Madills centres around wellbeing and community.

Off leash exercise for dogs is vital for their fitness, socialisation and mental well being. It is a special place for new dog owners wanting to socialise puppies so they will be happy and well rounded dogs.

The off leash exercise is also hugely beneficial to dog owners who can freely exercise and experience the benefits exercise provides physically, mentally and emotionally.

Madills is a safe environment for women provides a safe environment for puppies to be socialised and dogs are to learn to ‘play’ together.

We have also seen a significant number of families who don’t have dogs come to the park to teach their kids how to engage correctly with dogs.

At times - holidays, mornings and on public holidays the reserve is used almost exclusively as a community space. Friendships and support groups for lonely, marginalised and neurodivergent people have formed over the years and they remain strong today. The dogs bring the groups together in a relaxed and respectful way and having them off leash on the fields is important and it seems ridiculous to suggest that when the fields are not being used, they are out of bounds to dog owners and their animals.

Angus McPhee suggested the change was to bring the OLB parks into line with other ‘sport fields’ in Auckland. Madills is a recreational reserve not a sport ground and this is not communist China - we do not need one rule for ALL! There are plenty of special spaces in Akl with unique rules and Madills should remain on of these as the original gift intended.

ACC figures show a soccer related injuries come second behind rugby- no mention of holes dug by dogs as causing this huge number of claims! It is a fallacy that dogs are digging holes that cause all the soccer injuries!

The OLB annual report tabled last year clearly blames the weather, water table and lack of maintenance for the lower than required level of satisfaction about the state of our parks from ratepayers. Again, no mention of dogs damaging the fields.

As a ratepayer with a registered dog, I have repeatedly asked Sarah Powrie for information around dog registration and revenue figures and future numbers for the OLB area. She has not provided me with this information which is disappointing. Other people have suggested 7,500 dogs are registered in the OLB - is this the highest in Akl? We are a compliant community which no doubt generates significant revenue for the council and as such expect education to be provided for dog owners who don't follow the rules! I.e. if dogs are digging holes and owners not picking up after their dogs.

Recommendations

• Maintain Current Dog Access: Retain the existing dog access rules to preserve the balance between pet owners and other park users.

• Community consultation, celebration and education to engage the community and celebrate and education dogs and their owners.

Conclusion

Restricting dog access at Madills Farm would adversely affect the community and contradict the reserve's original purpose. I urge Auckland Council to not support the proposed changes and prioritize the well-being of all community members, while also ensuring fair access for both sports and recreational activities. We should consider balanced solutions that support both the care of the fields and the needs of the community.

Proposed updates to the council's local park dog access rules

#5740

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

N/A

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

I don’t know

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Please consider reviewing how many dog owners you will be restricting access to. Also take the time to consider learning how other countries responsibly incorporate fenced off leash areas into their cities.

It would be so frustrating if council restricts access to dog parks and beaches any more than we have already.

One thing you could do is ban certain dog types.

It is very important that citizens are able to exercise their dogs regularly and both keeping pets and keeping active ought to be encouraged.

There are few enough spaces to take our dogs locally without more amendments being made. Our family strongly oppose these reviews for local parks and beaches.

Do you have any further comments about dog access rules at local parks or beaches?

However, I do not support any further restrictions on dogs in parks and beaches.

Dogs are a part of our society and vital to the social and emotional wellbeing of their owners. Dogs need places to run. Although the current settings are quite restrictive for dogs and dog owners they do provide times and places for dogs to play.

This is particularly vital for lonely people whose dogs are vital to their mental health.

Do you have any further comments about dog access rules at local parks or beaches?

N/A

Proposed updates to the council's local park dog access rules

#5793

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Henderson-Massey

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Leave the Medlands/Sandhills Reserve dog access rules as it is for dog owners and dogs to enjoy. The very few irresponsible owners should not be allowed to ruin the status for the majority of dog walkers who take the environment needs seriously and respect the native fauna, flora and birdlife.

Do you have any further comments about dog access rules at local parks or beaches?

Overall responsible dog owners and well behaved dogs don’t pose a problem. We see more rubbish and damage from humans on our beaches and in parks than from dogs. We always pick up after our dogs and responsibly dispose of any waste.

Do you have any further comments about dog access rules at local parks or beaches?

All dogs should be under control of their owners in public spaces .

Off leash areas should not be reduced but clearly marked so the public who wish to avoid such areas can do .

Dogs on the beach is such a joy ..Restricted to certain hours during the summer holidays is reasonable .

We pay rates like anyone else does ,and it is unfair and discriminatory to block us from parks and beaches .

Do you have any further comments about dog access rules at local parks or beaches?

IN case you have not seen my comments about dogs on Waiwera Beach i wish to reiterate that dogs should be prohibited at all times north of Waiwera Road with large signs posted at this location as people are still taking their dogs along the beach below The Strand and across to the Waiwera River allowing them to run free. Many chase the dotterals and most of the them chase the oyster catchers that roost there.

I also propose that dogs must be on a leach at all time along the foreshore south of WaIwera Road. They run up to children and picknickers and many 50% do not pick up their poo. When challenged they either ignore you or say they did not see the dog do it. There should also be poo bogs provided for people who do bring their own bags.

Do you have any further comments about dog access rules at local parks or beaches?

Its a shame a few bad dogs owners ruin it for the rest of us.

Education and stricter punishment's for offending owners should be the focus here rather than applying blanket rules that restrict the majority of law abiding and considerate dog owners.

Do you have any further comments about dog access rules at local parks or beaches?

No

Proposed updates to the council's local park dog access rules

#5821

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Simply astounding that dog owners are being repeatedly punushed and banned from areas because they have a dog. I'm sure many have dogs as their friend and companion. Banning them from places only causes more nental health problems. Dogs ate GOod for us, please remember that!

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Many dogs are not trained.

We have dog owners pretending to put poo in the bag and then when they know people aren't looking, they throw the poo in bag to the side of the walkway.

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

Do you have any further comments about dog access rules at local parks or beaches?

Dog offleash access times in summer months on popular beaches at 10-5pm is acceptable however, if dogs are on leash and under control that should be acceptable during those times. However, where beaches are less popular they should be allowed on beach on leash and under control at all times. Unless its a designated off leash area.

Do you have any further comments about dog access rules at local parks or beaches?

You are making it extremely difficult for dog owners and pack walkers to have space to walk dogs. By changing these rules you will put more strain on the very few locations available causing tension and overcrowding in those areas. The problem isn't the access but those who don't currently listen to rules in other areas. You should be focused on policing those who don't listen to current rules and have out of control dogs rather than making it more difficult and limited for dog owners to enjoy the outdoors and some specific parks and beaches with their dogs. In addition there are so very few fenced in or dedicated dog parks as there is in Auckland so instead of putting more in place you are forcing owners and pack walkers to congregate in smaller areas and with more restrictions. Things need to be balanced and you are further rocking the already poorly balanced areas for dogs. I don't understand why dog walkers are not being properly consulted and listened for their recommendation on access and dog walking numbers and what can be put in place to take care of roaming dogs and those not under control. I really hope you listen to the feedback as if you don't make changes to this ridiculous proposal you will see more dog issues arise and then cause a lot more stress that then creates health issues to families such as ours who rely on dog walker help and having access to these locations

Do you have any further comments about dog access rules at local parks or beaches?

I am extremely upset that you are attempting to ban dogs from Forestry Beach, Te Arai. This beach is one of the only dog access beaches left in the area and for most of the year only used by locals walking their dogs. There are many other beaches close by where dogs are banned that people can enjoy if they do not want to be around dogs. There are hardly any dotterals on this beach. There are plenty of other 'safe' areas for them. Humans and dogs use this beach in harmony. I have walked my dog here almost daily for years and never heard of a dog 'danger' related issue, and locals talk. It is infuriating that within months of Auckland Council taking control of this area you are trying to remove this joy and access from us and apply Auckland based rules that are better suited for the Central Auckland beaches. This does not apply here!! If you were to do ANYTHING, which I do not support at all, the proposal should be more like peak summer (January) dog walking times before 9am and after 4pm or something along these lines. Your approach is so extreme and frankly infuriating. I am completely opposed

I have tried contacting the Council about breaches of the current dog access rules. It was impossible to reach anyone who could help on the suggested Council phone number. I'd like to see a Waiheke hotline provided, where we can get hold of someone who can actually do something useful, in real time.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Apply a democratic view and not have a minority dictate who can and can not use public parks, reserves and beaches. Our local parks and beaches are for all to use and enjoy including pet owners and their pets. This helps makes Auckland an enjoyable place to live.

Proposed updates to the council's local park dog access rules

#5864

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Franklin

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Porterfield bridleway, Whitford

What local board area is this location in?

Franklin

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:off lead dog walkers with dogs not under control

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

We ride horses here and our kids ride bikes and off leash dog walkers make this dangerous.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Do you have any further comments about dog access rules at local parks or beaches?

Enforcement is key to the success of these rules and to Protect rare and endangered Breeding Birds.

Regular visits by Council Enforcement staff are essential at Manley & Tindals beaches for these bylaws to be effective.

Our Dotterel minders are often put in a very difficult position by Dog owners who have no intent of complying with any of the Dog bylaws.

Signage at the entry point on the beaches needs to be simple and clear - currently way too much information trying to cover a number of topics on the signs - Simple Dogs sign with the key information that can be swapped out each season.

Do you have any further comments about dog access rules at local parks or beaches?

New Zealand is a very progressive country, however when it comes to dogs, there are a lot of restrictions instead of regulations and solutions. Getting a dog, I wasn't aware that I'll have to leave my dog behind going hiking in a lot of places (which I got the dog for, to be a companion and walk with me). I understand it's important to keep people safe and local nature safe, however I'm sure with more effort and dedication, there can be a better solution that just to keep dogs out of everywhere.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I do not support the removal or reduction of off leash dog areas at local parks or beaches. In fact, I believe that more places should be considered for off leash areas. For dogs to get proper exercise and have good mental health they need to be able to run around, burn off ebergy and socialise with other dogs in a.safe environment. It is proven that dogs are friendlier and less hostile to unknown dogs when interacting off lead. The value of their exercise on lead constantly is just not the same. I can't run around with my dog on lead due to his speed! There are already only limited places in central Auckland that are off leash, please don't reduce these places, they are so valuable to our communities. Thanks.

Proposed updates to the council's local park dog access rules

#5880

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Upper Harbour

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Do you have any further comments about dog access rules at local parks or beaches?

The less access dogs have, the higher likelihood off issues. Dogs need exposure. Owners should have a licence to own a dog... the responsibility should be on the owners. Like firearms, in the wrong or uneducated hands, they can be dangerous. But with responsible owners we can live in harmony with our much loved canine Companions.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I believe that most dog owners are very responsible and are more than happy to allow summer hours for dog access so that families and other people can enjoy the beaches and parks free from dogs. But equally, outside of these times, dogs should be allowed to enjoy these spaces with their owners.

Do you have any further comments about dog access rules at local parks or beaches?

I think you have to put a board for agrresive dog owners to have a leash on at all times instead of applying this rule to every dog owner. May be name the dog breed.

Whenever I see a an aggressive dog I put a leash on my dog so that he doesn't get hurt. I am a responsible dog owner.

There is a lot of joy for families and individuals out and about with groups or by themselves walking with their dogs, a sense of community and togetherness, enjoying the environment. Such restrictions and bans remove the enjoyment from our lives in Auckland.

What is the full name of the location where you want to change the dog access rules?

Kawau Island - all beaches and local parks

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:The beaches and parks are covered in dog faeces, as boaties bring their dogs ashore for exercise and ablutions. We have Kiwi, Weka, and dotterils nesting, and boaties/visitors drop their dog off on the beach unaccompanied to roam up into the bushes and th

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Because you keep forgetting about Kawau Island, and we should have beaches free from Dog poo. The reserve at Schoolhouse Bay gets so much dog poo in summer that you can smell it as you walk down the wharf.

Location 2

What is the full name of the location where you want to change the dog access rules?

Sandspit Reserve

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:Like Kawau Island, boaties bring their dogs ashore and let them roam freely, pooing all over the place. The new playground is nice, but you have to dodge the dog poo to get to it.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Because dog owners just aren't picking their dog poo up.

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Dogs are people's fur babies. I wouldn't let my toddler roam uncontrolled in a public park, so dogs shouldn't be able to either. They should be on leashes so that everyone gets a chance to enjoy the park.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The rules to prevent dogs from beaches, bush walks, reserves and gardens seek only to punish good dog owners. It is roaming, unregistered, unneutered menacing dogs that are causing the problems. I would love to see more rules that will keep me and my dog safe from menacing dogs.

Proposed updates to the council's local park dog access rules

#5908

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Rodney

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

We need more off leash areas, not less. Dogs need to be exercised off leash.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Big Manly Beach

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogs

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:The whole beach except for the area between the Yacht club and Cross St

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to increased presence of wildlife (e.g. ground nesting birds). Please specify:NZ Dotterels, Oyster Catchers, Gulls

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

This would still give dog owners an area of beach to walk and swim while protecting the majority of the beach for wildlife and other beach users. There are plenty of bog walking options close by e.g. Manly Park which are free for dogs to use but the beach

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Enforcement - This one is pretty key. Regardless of what rules are decided on, they are no good without enforcement. Rangers, who actually give out tickets, need to be on patrol to enforce the laws as they stand. Dog owners will get the message very quickly if the rules are enforced, and it will also give the public confidence that saying something to a dog owner who is breaking the rules is anything more than a slight annoyance. This would be self funding, much like parking wardens, so does not even need a budget allocated to it. Some dog owners are entitled, arrogant, and rude knowing they can basically do whatever they like without any fear of repercussion. Enforcement of rules is critical to their success.

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

See my submission. More offleash areas are needed, not less!

Proposed updates to the council's local park dog access rules

#5936

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Do you have any further comments about dog access rules at local parks or beaches?

Is it possible to have animal control officers patrol To ensure dogs and walkers are safe, especially at the Onehunga Basin., Perhaps volunteers could be given the authority to report unsafe dog management if there are not enough funds for officers? I am too nervous to go to the Onehunga Basin as I am nearly 80yrs old and fully appreciate the expertise and support of dog owners at Mt Cecelia,

Do you have any further comments about dog access rules at local parks or beaches?

I strongly believe our beaches and parks are better suited for human use and not for dogs. I look after a reserve in GI that currently has no regulations, there is always poop on the ground and sometimes plastic bags full of poop are just chucked in the bush, which is even worse.

Do you have any further comments about dog access rules at local parks or beaches?

Current rules are enough for well behaved dogs. More enforcement of the rule breakers are needed if the owners do not abide after they have been warned.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Auckland Council needs to seriously think about how dogs in this community are treated. Stray dogs in Glen Innes are a much bigger problem - concentrate on dealing with bad owners rather than disadvantaging good owners. A lot of the dog walkers of Madills are very respectful responsible elderly residents who appreciate Madills as a more manageable place to exercise their dogs.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Proposed updates to the council's local park dog access rules

#5954

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Rodney

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I wish Council would stop penalising those of us who own dogs. As far as I'm concerned, dogs should be allowed anywhere if they're on leash but please do not ban dogs from Forestry Beach - there is literally no acceptable reason to do so. Leave it as it is.

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:During summer there should still be an off-leash time period, such as before 10am.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

During summer there should still be an off-leash time period, such as before 10am. I would estimate >90% of people at the beach before 10am in summer and winter are owners walking their dog. Clearly there is a great community of people interested in

Location 2

What is the full name of the location where you want to change the dog access rules?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The vast majority of dogs in the Eastern Suburbs are small and well behaved. Aggressive and/or large breads (e.g. rottweilers, pittbulls, german shepherds, etc) are very rarely seen. Instances of antisocial behaviour are rare, and I would say are likely not going to be improved upon by maintaining the current stance.

Proposed updates to the council's local park dog access rules

#5984

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Rothesay Bay

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogs

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

See above this beach should become a dog free beach foe the whole of the north shore to use

Location 2

What is the full name of the location where you want to change the dog access rules?

Mairangi Bay

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to changes at location (e.g. a new playground, sports field, more people). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I think I have already done this

Location 3

What is the full name of the location where you want to change the dog access rules?

Browns Bay

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to changes at location (e.g. a new playground, sports field, more people). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I think I have already done this

Do you have any further comments about dog access rules at local parks or beaches?

This survey didn’t appear to me to be very well designed. I think I was answering the same questions several times and it took far too much time. It seems as if you want to make feedback as difficult as possible to put people off giving their opinions.

Do you have any further comments about dog access rules at local parks or beaches?

Please consider a process where areas are off leash first, unless there is a good reason to be on leash (stock, playgrounds, proximity to road etc).

Dog owners are a significant part of the population and we enjoy the opportunity to let our dogs run round free with other responsible owners - it helps keep them happy and healthy (which in turn helps with less noise and behavioural complaints).

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Monte Cecilia

What local board area is this location in?

Maungakiekie-Tāmaki

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dog poo everywhere. Park smells like **********.

Dogs run up to you. You can't sit on the grass or have a picnic without a dog running at you.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Proposed updates to the council's local park dog access rules

#6008

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Maungakiekie-Tāmaki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Location 1

What is the full name of the location where you want to change the dog access rules?

Monte Cecilia

What local board area is this location in?

Puketāpapa

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Bowl area

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Currently it is an off leash area - there is a proposal to change this. A better change would be to fence the bowl to avoid any confusion about off leash and on leash areas.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Aucklanders live in smaller spaces than ever, and have record numbers of companion animals. It is only responsible of the council to cater for the wellbeing of our dogs and our people by developing dog friendly on and off leash areas.

Do you have any further comments about dog access rules at local parks or beaches?

Rather than fiddling with times just establish more fenced dog exercising areas so we don't have to use parks and beaches to exercise our dogs. We only use them because we have no choice. On leash walks are not enough for young active dogs. They need proper off-leash time to burn up energy and receive the training and socialisation they need. Fenced dog parks are the safest and most effective places to do this.

It is important for council to remember that they are there for ALL users of parks, not select groups. That creating policies that actively discriminate one set of users, contributes significantly to poor public safety and increases the already large fractures in society between groups, including socioeconomic differences.

Reactive policy making, and reactive policy review does not achieve equitably outcomes.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

When on holiday at Piha beach last year during winter, I noticed differentiated rules along the beach. It ranged from off-leash over on-leash to no dogs allowed. The latter was an area where Little Blue Penguin were breeding. I noticed a man with 3 Pitbull-type dogs off leash walking the entire length of the beach, totally disregarding any signs/rules. Dog owners clearly disregard the rules, particularly when they seem to be given a choice. The lack of enforcement further encourages dog owners to disobey the bylaws. There seems to be a chronic shortage of animal management officers. If dog owners were fined a minimum of 300$ for not keeping their dogs on leash in clearly signposted areas, that would not only send out a message to defiant offenders but it would also generate revenue to pay for a sufficient number of animal management officers.

Proposed updates to the council's local park dog access rules

#6037

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Change the rules shouldn't just be about restricting dog-owner rights, it needs to balance all users. If you're taking from dog owners, there needs to be something offered in some way to help offset the negative changes.

Target the problem owners, not the others.

Do you have any further comments about dog access rules at local parks or beaches?

Only that with more accommodation within Auckland having very limited outdoor area, it is important that dogs are given the opportunity to exercise and socialise readily and locally. We do not want owners to have to clog up Auckland roads taking their dog to off leash areas many kilometres away.

Owning a dog for many people is extremely beneficial for mental health reasons, with many owners congregating at off leash areas to meet, greet and chat.

Proposed updates to the council's local park dog access rules

#6059

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Mission bay beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Change the morning rules whilst maintaining the evening rules over the summer period.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The current time and season rule makes sense in the evenings - mission bay over summer has a lot of additional visitors and tourists. But the mornings have very little difference in non-dog related activities. For true locals (those within a kilometre or

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

Do you have any further comments about dog access rules at local parks or beaches?

There will always be idiots, changing the rules impacts on the majority of people who are sensible and community minded. Deal with the idiots more effectively instead of a blanket approach that punishes those that do the right thing daily.

Dogs roaming and being unregistered are more of an issue in New Zealand than the occasional dog poop on the playing fields in Glover park.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Please make sure ALL dogs in any parks or beaches are on a lead, and that only one can be walked at a time. This is for the safety of people and the environment, as well as other dogs. It is in their nature to chase and catch, and this is harder to control with more than one dog, even if it is on a leash.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

More off leashes spaces please!

Proposed updates to the council's local park dog access rules

#6081

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

As a dog owner, it is wonderful to have access for my dog to be at the local beaches. I usually avoid the beaches at the busy times to ensure that people are not disturbed in any way. I would assume that a lot of responsible dog owners feel the same and it is a shame that only a few who do not pick up after their dogs or control them, are impacting the wider group of responsible dog owners.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Pet ownership, in particular dog ownership is on the rise with less couples being able to afford children. Our pets are our children and we want the best for them. It is already difficult to find places you can exercise your dog off leash in Auckland, particually locally. Some of us have disabilities that mean we cannot walk our dog on leash for hours to replicate the amount of exercise they need. These local parks provide a safe place for us to exercise & socialize our dogs. This keeps them happy and content. Under walked dogs & under socialized dogs become aggressive. By looking to remove the local parks you are increasing the population of poor dog ownership and aggressive animals.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Waterbodies and parks provide enrichment, socialization, and stimulation, all of it contributingto a well behaved dog; council should attempt to increase dog access instead of reducing it.

Do you have any further comments about dog access rules at local parks or beaches?

It should remain the same stop with nonsense and stop changing the rules

Proposed updates to the council's local park dog access rules

#6107

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Maungakiekie-Tāmaki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

St Heliers Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogs

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Please section off half of the beach for no dog access at any time of the year.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:If people are clear where dogs can go and not go people who do not want to be around dogs can do so without questions about rules or time of year or time of day. It is very clear. Dog area and not dog area. No confusion.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Owners seem to not be able to follow the rules no matter the time of day or time of year. It would be very clear if there is part of the beach where dogs are never allowed and that can be easily enforced. People using the no dog area do not need to deal w

Location 2

What is the full name of the location where you want to change the dog access rules?

Dingle Dell Reserve and bush walks.

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogs

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:Owners almost never follow the rules, dog poo,

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Most often when we go here dogs are off leash. We saw a juvenile ruru one time and it was quite low and a dog could easily jump, bark and get to the bird.

This is amazing bush and we should be protecting it and encouraging more native wildlife and that i

Location 3

What is the full name of the location where you want to change the dog access rules?

Wai O Taiki Nature Reserve

What local board area is this location in?

Maungakiekie-Tāmaki

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogs

Do you want the change to apply to the entire location or a section of it?

Entire location

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:all of the examples above

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

This area is close to Tahuna Torea where many sea shore birds live or visit. It would be great for these birds to have a larger safe area as they go there already.

I can not walk onto the reserve grass area without immediately having to watch the ground

Do you have any further comments about dog access rules at local parks or beaches?

Overall I feel all beaches should have a section that is permanently dog free no matter the season.

Some parks can have dogs (on and off leash) but some parks should have no dogs at all.

Especially where there are play grounds dog rules should be more strict or prohibited to avoid confusion.

There are some really nice and rule-following owners but unfortunately they are a small minority in my experience so clearer rules and more no dog areas would reduce conflict, confusion and all can enjoy these spaces more.

Do you have any further comments about dog access rules at local parks or beaches?

Put up more signage at each entrance that off leash is only in the bowl a sign at the off lead part that states this is the only part off lead . Imagine the issues is not the off lead part it's because owners are not putting them back on lead when leaving that area. You want revenue fine people if dogs are off leash in the wrong area.

Also more time should be spent on roaming dogs not on people who are walking their dogs responsibly.

I signed at petition but understand you are only counting that as one signature. Bureaucracy at its best, Very, very wrong,

I do not agree with restrictions to use. As ratepayer I should be entitled to use these areas in a respectful and responsible way alongside other users. As a responsible dog owner I find this an abhorrent dogs are no more problematic than tourists, boat owners and children. Auckland should be more dog friendly and not less.

Do you have any further comments about dog access rules at local parks or beaches?

These changes make it harder for responsible pet owners to exercise their dogs and themselves, which will negatively impact our health, happiness, and sense of community. The new rules are making spaces more dog-unfriendly, reducing the joy, endorphins, and positive interactions that come from exercising with our pets.

I ask that you reconsider these proposals and acknowledge the negative effects they will have on our well-being and our communities.

Proposed updates to the council's local park dog access rules

#6131

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

Do you have any further comments about dog access rules at local parks or beaches?

am writing to express my opposition to the proposed amendment that would prohibit dogs from all sports surfaces at all times. While I understand the need to balance public use and safety, I believe the current policy is already a fair and effective approach.

The existing rules ensure that dogs are only allowed off-leash on sports fields when they are not in use, preventing disruption to activities while still allowing responsible dog owners to exercise their pets in open spaces. Completely banning dogs from these areas, even when unused, is unnecessarily restrictive and limits accessible off-leash spaces for dog owners.

Dogs require adequate exercise and socialization, and for many residents, sports fields provide one of the few large, open areas suitable for this purpose. Removing access to these spaces could lead to overcrowding in other permitted areas, increasing the likelihood of conflicts between dogs and other park users.

A more balanced approach would be to maintain the current policy, which already prohibits dogs when sports fields are in use while allowing responsible off-leash exercise when they are vacant. If concerns exist about dog waste or damage, education and enforcement of existing rules—rather than an outright ban—would be a more reasonable solution.

I urge you to reconsider this change and support a policy that accommodates both dog owners and other park users

If people complied with the existing rules in these parks, then I believe the proposed changes would not be required.

It is only the rule breakers who are creating this situation and I do not believe that just changing the rules will increase compliance. If anything it will increase non-compliance and normalise such non-compliant behaviour.

The existing rules in these parks cater for all users. It is only the rule breakers who are spoiling things.

It will be more cost effective to improve compliance of the existing rules than to introduce further restrictions.

Monte Cecilia Park

What local board area is this location in?

Maungakiekie-Tāmaki

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:The whole park. Not sure why not, as there is no playground , cyclists or sportsfield

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Almost exclusively used by the local dog community (I go there everyday so will know) and there is nothing else that goes on that would require restricting dogs from being off leash on the grounds (except maybe by the cafe)

As mentioned before, no playgr

Do you have any further comments about dog access rules at local parks or beaches?

Majority of dog owner's are responsible. Larger consequences for the small minority that break the rules, but that shouldn't have to mean all dog owners have to be punished. More house holds have dogs these days, and the local board should acknowledge this and continue to support these local communities

I believe Auckland Council has a dictatorial and negative attitude towards dogs. All large international cities that i have lived in celebrate dogs- on public transport, in shops, cafes, beaches and parks. Auckland has so much green space, but SO many rules! Irresponsible dog owners who don't register or look after their dogs properly seem to be the target here-so why puish all the respectable dog owners??? We need so much more dog friendly space in Auckland-beaches, parks, transport etc should be welcoming dogs, as there is clear evidence to show that dogs owners are healthier, more community focussed, and more socially conscious than non-dog owners.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

No thanks. I think you have heard enough from me

Proposed updates to the council's local park dog access rules

#6161

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Don't try and fix things that are not broken.

Location 1

What is the full name of the location where you want to change the dog access rules?

Madills Farm Recreation Reserve

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

I don’t know

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:All adds should allow dogs not the new proposed area

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The proposed area is too small, located too close to residential areas causing distribution with dogs barking and risk of accident being closer to the road

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

There will likely be a growing community of urban dog owners in the Auckland region that are looking for accessible dog-friendly parks and beaches for off-leash activities. This needs to be taken into account by local government to accommodate this needs, both to accessible dog-friendly areas, and dog-friendly transport options.

Proposed updates to the council's local park dog access rules

#6168

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Location 1

What is the full name of the location where you want to change the dog access rules?

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Currently dogs are not allowed off leash on Kohimarama beach between 1 December and 1 March in line with Auckland wide time and season rules but dog walkers are almost the only people on Kohi Beach before 10am even in summer

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

In reality, most dog walkers continue to walk their dogs off leash before 10am during the summer months without causing any problems. Allowing off leash access before 10am all year would recognise the reality of the main user group at this beach in the mo

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Having access to off leash exercise locally is crucial to ensuring dogs are able to have their needs met. By preserving the maximum space for off leash exercise we spread dogs out, reducing conflict and reducing the number of dog-dog issues in these spaces and providing opportunity for owners to give their dogs the time to move freely in nature to be behaviourally and physically well. By having points of interest and activities other than just focusing on other dogs (as is the case in a dedicated fenced dog park) dogs are encouraged to co-exist rather than fixate on other dogs or people in the space. Where natural spaces are restricted, we should ensure these are replaced with similarly natural and spacious areas.

Proposed updates to the council's local park dog access rules

#6182

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Waitematā

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Do you have any further comments about dog access rules at local parks or beaches?

Please don't change what is working just fine in Orakei. These are suburb, neighboorhood parks and restricting use of dogs off leash will only increase traffic due to people trying to find a place that is off leash

Appreciate the need to balance people, dogs and the natural environment. However, with increased dog ownership, smaller housing lots - dog access in local parks and beaches is an essential asset for Auckland. AC needs to be more proactive in securing these spaces in the future. Quality spaces too - not just the scrappy bits of land that are swampy and subject to wastewater overflows. Responsible dog owners pay their fees and registrations and should be accommodated for in Auckland City.

I strongly oppose the proposed changes to dog access laws and urge the council to keep the current policy in place. These changes are unnecessary, unfair, and target the wrong audience.

The existing Dog Policy 2019 already provides a balanced approach that considers public safety, responsible dog ownership, and the well-being of dogs. The proposed restrictions will significantly reduce access to off-leash areas, despite no substantial evidence of increased risk or public concern that justifies such drastic measures.

Rather than punishing responsible dog owners and well-behaved dogs, the council should focus on better enforcement and education for the minority who do not follow the rules. Blanket bans and excessive restrictions penalize the majority of responsible pet owners while doing little to address genuine issues.

Additionally, changing the language of the policy to frame dogs as a “nuisance” rather than a valued part of the community is deeply concerning. Dogs provide companionship, improve mental and physical health, and contribute to vibrant local communities. Limiting their access to public spaces goes against the very principles the council should uphold

Please listen to the thousands of Auckland dog owners who want fair and sensible policies. I do not support these proposed changes, and I ask the council to reconsider.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Only that in my years of attending Madhills I have never seen a dog dig holes which I believe is a concern?

Proposed updates to the council's local park dog access rules

#6219

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I don’t like dogs on beaches. People ignore the rules even in the summertime. There are dogs will have the place when they’re a little kitties playing and I know most people to pick up their dog poos but there are people that don’t. And dogs should be under control simple as that. Not everybody loves dogs and even people that do love dogs don’t want strange dogs jumping all over them or attacking their cats or children.

Do you have any further comments about dog access rules at local parks or beaches?

If people are responsible dog owners, which council can measure from registrations & RDOL, don't punish them & restrict their access to community areas. We let people who litter & don't care for our community areas return week after week. Where's their consequences??

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

In general we need to keep access at least before 10am and after 5pm

Proposed updates to the council's local park dog access rules

#6264

Work together as a community. Stop dividing and conquer attitude - so yesterday! Aucklands now live in smaller spaces with little or no yard. We a elderly (who cannot submitt feedback as intimidated by computers and overwhelmed by accessing where to send thier "letters". We must embrace our lifestyles, mobile, immobile, young, old, and our dog pets we all have. The communicty at Madills is vast and we as local dog owners share the space on a DAILY baiss and respect eachother onad our dogs and the space we loved and hav shared for decades!!! The vast majority of pet owners love and cherish their dogs and are responsible. Like the majority of parents love and cherish their children and are responsible.Like the majority of sports people visiting Madills cherish sports and being a member of sport's team and are responsible players and respect the space. A few should not impeed the majority.

At both Onehunga Bay, Monte Cecilia and under Mangere Bridge there need to be more rubbish bins where people can put their bags containing dog poo. The bins also need to be emptied more regularly as they are often overflowing which is unsightly and unsanitary.

Do you have any further comments about dog access rules at local parks or beaches?

They are acceptable as they are. Please enforce and update rules which actually keep people and dogs safe - including roaming and aggressive dogs, dog poop litter on public places and roadways, and animal cruelty concerns. The current bylaws in scope for change just seem to be targeting law abiding and responsible dog owners who want the freedom to take their dogs out in public for their enjoyment and enrichment. Limiting their access to public spaces will have a detrimental effect on their socialization with humans and other dogs, as well as their health and their owners' ability to spend time with them outside the home.

Do you have any further comments about dog access rules at local parks or beaches?

Dog owners should be required by policies and bylaws to control their dogs so that their dogs don’t go closer than two metres to someone who hasn’t given implicit permission for the dogs to approach. This would make it clear to dog owners that when an area becomes crowded with other people the dog owners need to put their dogs on a leash. As the area has become crowded to the extent that the dog owners can’t control their dogs well enough off leash to stop their dogs approaching other people.

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

There is already so few off leash dog parks it’s such a shame that the ones we do use and love are at risk - where are we expected to go?!?!

Proposed updates to the council's local park dog access rules

#6292

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

Location 1

What is the full name of the location where you want to change the dog access rules?

Glendowie Park

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:Currently there are many dogs off leash who are not under control and the owners do not care our pay attention. The park is used a lot by children who are often intimidated by the dogs

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Currently there are many dogs off leash who are not under control and the owners do not care our pay attention. The park is used a lot by children who are often intimidated by the dogs. Our 2 children have often been intimidated by dogs and the owners jus

Location 2

What is the full name of the location where you want to change the dog access rules?

Crossfield park

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogsNo dogs allowed by and around playground, skatepark or basketball court

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:No dogs allowed by and around playground, skatepark or basketball court

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to changes at location (e.g. a new playground, sports field, more people). Please specify:New playground therefore more users

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs owners are completely ignorant about the fact it is an on leash area by the playground. When approached they get angry and state there are no signs. The area around the playground and skatepark should be completely dogs free.

Location 3

What is the full name of the location where you want to change the dog access rules?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

There are no parks in Glendowie that are on leash or dog free. It's really hard for kids who are scared of dogs. The number of parks that are off leash need to be reduced.

This park has always been a very harmonious and friendly place, where all dogs and people get along well without any conflicts. Nature does not belong only to humans—it also belongs to dogs. They need freedom and a peaceful, friendly environment to run and play.

I strongly oppose the proposed change to designate the bowl area of Monte Cecilia Park as an on-leash zone. This area has long served as a safe and cherished off-leash space where dogs can exercise and socialize. Responsible dog owners already manage their pets effectively, making this restriction unnecessary. The current off-leash policy should remain in place.

It is concerning that, despite a petition with over 1,000 signatures opposing this change, the council is treating it as a single submission. This approach undermines the collective voice of the community and may lead to decisions that do not accurately reflect public sentiment. To ensure a fair and democratic process, the council should count each signature as an individual submission.

Furthermore, the council's "Have Your Say" process is notably inaccessible. In today's fast-paced world, many individuals cannot afford the time to complete a lengthy survey, rendering this system ineffective and disconnected from the community's needs. Simpler solutions, such as implementing QR codes, could streamline the feedback process. Currently, residents must navigate multiple steps merely to voice their opinions.

The lack of adequate publicity regarding this proposed change is also troubling. Many community members are unaware of the consultation process, making it even more challenging for them to express their concerns. This lack of transparency appears intentional, allowing the council to advance a proposal that favors certain interests without genuinely considering broader public opinion.

Moreover, the council's website requires significant improvements to enhance user-friendliness. A more intuitive and accessible platform would encourage greater public participation. Given that this proposal directly impacts numerous dog owners, it is perplexing that the council did not proactively inform all registered dog owners in the Puketāpapa area about the potential changes. Considering that reminders for registration fees are routinely sent, notifying dog owners about proposed changes affecting local dog parks would have been a reasonable and expected action. This omission suggests a deliberate attempt to minimize public awareness and reduce the number of voices expressing concern.

Instead of imposing unnecessary restrictions on dog owners, the council should focus on practical solutions that address concerns while preserving off-leash access. Potential measures include:

Installing CCTV cameras to monitor the area and ensure responsible behavior from all park users.

Enhancing signage to clearly outline expectations for dog owners, emphasizing the importance of control and respect in shared spaces.

Implementing community education programs to promote responsible dog ownership and park etiquette.

Conducting regular patrols by park rangers or council officers to enforce existing rules without penalizing all dog owners.

Establishing designated fenced-off areas for off-leash exercise, if necessary, to accommodate various park users while allowing dogs to roam freely.

Enhancing community engagement through accessible surveys and public consultations, ensuring meaningful input from the dog-owning community.

By adopting these measures, the council can address concerns effectively without alienating responsible dog owners. Engaging collaboratively with the community will lead to balanced solutions that benefit all park users.

The current trajectory of the Puketāpapa Local Board suggests a predetermined stance favoring the on-leash proposal. It is imperative that the board conducts thorough research and investigation to substantiate why an on-leash policy would be more beneficial. At present, the rationale behind this proposal appears to be driven by personal biases or unfounded concerns, rather than evidence-based decision-making. A comprehensive and transparent evaluation is essential to ensure that any changes serve the best interests of the entire community, including both dog owners and other park users.

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Don’t change the rules at Monte Cecilia. Please consider your community and not your own personal opinions.

Proposed updates to the council's local park dog access rules

#6311

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Puketāpapa

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

I would like to ask the council to let the rules stay as they are now in Madilis Farm and Glover Park, overall the owners of dog are very conscious regarding our dogs and dogs deserve to have a place where they can run freely and release its energy. Thanks a lot.

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Cheltenham Beach

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:Cheltenham Beach has become dog alley and the 10-5 rule for summer is widely flouted. Who wants to swim in dog poo?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

With climate change summer does not end at the end of February so the dog access rules need to acknowledge changes in climatic conditions. people swim through March as it is summer weather. Extend the summer period please.

Location 2

What is the full name of the location where you want to change the dog access rules?

Torpedo Bay

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to prohibit dogs

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:More and more people are using this beach in the hot weather with families. Kids should not have to play in dog poo because dog owners believe this beach is "free" of restrictions despite the dog access sign.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The beach is increasingly popular with summer heat and dog owners seem to thinjk the beach is "free" of restrictions despite the dog access sign. There is never a dog ranger around to enforce the dog access times and they bark, wee and defecate freely whe

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

Leigh Auton park Beachlands is lively costal lication park, poluted by dog feaces and stench. No one can sit on grass or use pucnuc tables . Dogs harassong public and cyclists.

Dogs must nit be alliwed at Leigh Auton park. Another location might be used as dog park - example - Cinstellation park.

Do you have any further comments about dog access rules at local parks or beaches?

Every park or beach seems to have different rules. Which, unless you know to look these up or there is good signage, some dog walkers flout the ‘rules’ anyway.

It would be great if there was a blanket rule

If it’s about protecting wildlife, on leash until you reach the beach. If is about protecting other beach users then dog walking 6am-10am and 6pm-10pm

Do you have any further comments about dog access rules at local parks or beaches?

Dogs off leash areas give the dogs a chance to play and socialise. It’s great for their wellbeing & the mental health of the owners.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The different rules and timings between the different areas of Auckland is confusing. Having one consistent rule across greater Auckland would make it much easier for dog owners to navigate where they can safely take their dog, on and off leash.

Do you have any further comments about dog access rules at local parks or beaches?

Madills Farm started off as fully off-leash area for dogs at all times. Gradually, the sport clubs have also increased their use and shared the park with the community of dog owners. Any attempt to oust us dog owners from the park is simply ridiculous. Sorry, no way!

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Anytime dogs and Owners are allowed in any public place is a privilege (often abused by dog owners) and not a right! Current Dog parks are a good idea and beach areas specifically for dogs should be set up also to stop dogs and their Owners taking over every public beach! We have seen this on the Gold Coast beaches and applaud the consideration made to people who do not want to share their beaches with dogs! All it takes is a sign at beginning and end of areas- not difficult or expensive!

Proposed updates to the council's local park dog access rules

#6356

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Puketāpapa

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Taumanu Reserve

What local board area is this location in?

Puketāpapa

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:I never see dogs on leash at all this is a bird nesting area and supposed to be on leash at all times and no dogs at all in some areas Ban dogs completely during nesting season

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

See above poor compliance to existing rules - off lead dog area near by owners seem to think same rules apply.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Duck Park - Harold Moody

What local board area is this location in?

Whau

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Duck Park section

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:There are currently no dog exercise areas in the waitakere ranges. The current access rules is no dogs on sports fields. This is being blatantly flaunted because the community need this space to let their dogs run. This is a large area away from roads th

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

There are currently a large number of people who allow their dogs off lead in both Harold Moody and Duck Park. This is due to the intensification in the area and lack of a dog off-leash exercise area. Duck park is only utilised in the summer, in the eveni

Do you have any further comments about dog access rules at local parks or beaches?

As long as owners have their dogs under control, then they should be allowed to have a dog in a park or on the beach at any time off a lease.

Do you have any further comments about dog access rules at local parks or beaches?

Time could be used to manage different needs. For example commercial dogwalkers use parks and beaches between 9 and 2pm during the working week. If pack walks were not allowed outside those hours it may make it more comfortable for other users.

I can’t help but feel that a very large sport organisation has bolstered their stats to amplify a problem that doesn’t exist in order to benefit their organisation. I would like to see a balanced solution for all user groups and for now I would request that no changes are made at this time.

Do you have any further comments about dog access rules at local parks or beaches?

Off leash areas are very important to a balanced dog ecosystem for a better behaved dog world. For people who perhaps unwisely got a dog in the pandemic they are a saviour I'm sure. I dont have a dog but I support them for balance.

The biggest dog behaviour problems come from no enforcement and there is a gradual shift towards non compliance on droppings and leashes on beaches that can easily be remedied with a small amount of enforcement/education/ warnings

Do you have any further comments about dog access rules at local parks or beaches?

I find this punitive and restrictive approach to the significant increase in reducing safe places for dogs to be offleash in contradiction to the approach of creating rules that put responsible dog owners first. In most cases, you are punishing those that are good community members.

Where you have taken a sensible appraoch and propose to allow more shared community use (e.g. Onetangi, John Moore, Oneroa) it will benefit the community.

Right now, Auckland Council is not enforcing rules around dangerous and aggresive dogs. Example being an aggressive dog with four council documented attacks (humans and dogs) has just been released. This dog nearly killed a wonderful family pet and bite the owner as he tried to save his dog. Animal control found the dog, were wonderful at investigating and removing said agressive dog. Now we learn that, unbeknowest to the officer, the dog has been released with the owner bragging to the community and blatantly walking this dog outside the injured parties house. How can you allow this to happen and push good dog owners out of safe offleash and onleash areas - forcing them to walk on hot and unsafe footpaths and road.

Dogs that are not able to be effectively socialised and exercised can be become probelmatic. Dog owners who live alone, may have low mobility and isotation issues will no longer be able to take a short stroll to their local recreational area for community, recreation and connection.

Proposed updates to the council's local park dog access rules

Do you have any further comments about dog access rules at local parks or beaches?

The proposed regulatory approach is trending broadly towards a model where no convenient or accessible areas in the city are legally suitable for dog exercise. This will immediately create a situation where dog exercise takes place everywhere, since the city's dogs will still need to exercise, but their owner's punishment will no longer be differentiated by location.

The creation of such an obviously perverse incentive is poor governance and poses a far greater threat to the public enjoyment of these spaces than the current pattern of designated areas. It'll also create widespread resistance and political action across the spectrum of residents, park users, and dog owners, and place heavy demands on the already inadequate enforcement services.

I do not believe that the current policy direction is well-considered.

There are not enough free access for dogs in Auckland already and putting further restrictions is going to have a detrimental impact.

Dogs need opportunity to exercise off leach and to socialize freely with other dogs. Not allowing this will cause significant behavior issues for many dogs and impact on the health and wellbeing of dog owners. The council is not considering how important it is for dogs and owners to be able to exercise in parks. It's not possible to properly exercise a dog on its leach, it simply can't burn enough energy. These dogs will then become a bigger problem, barking and showing frustrated/nuisance behavior at home. Dogs need to socialize with other dogs especially when young, without ability to do this freely and in off leach environments there will be more problem behavior also.

Do you have any further comments about dog access rules at local parks or beaches?

We are becoming increasingly anti dog in Auckland. We travel to Australia to visit family often and they have much greater off leash access than we do. It's becoming very noticeable and it's not great for happy well socialised dogs.

Dogs should be prohibited from all areas which have high use by people - especially children and young people. These include playgrounds, regional parks and beaches.

If you compare Auckland's dog access rules to those in Australia and other countries we have become very anti-dog here. We should be encouraging well behaved, well socialised dogs to be part of Aucklanders active lifestyles and allowing them in more places.

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

No.

Proposed updates to the council's local park dog access rules

#6422

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Dogs should have at least on leash access to all beaches and parks for the wellbeing of humans and dogs. Less social problems as a result.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

As the population increases there are less with the skills and knowledge who know how to train a dog both off or on leash. As a result unless dog owners get the skills required to train dogs and understand their behaviour, more restriction for on leash is required.

This whole change to Dog Bylaws is an exercise in bureaucratic overreach and obfuscation. The existing Bylaws are inadequately enforced, so more by laws will not change anything. Nine of these changes address the so called ‘dog problems’ discussed in the various papers to council. The evidence used is flawed. These changes will not do anything about unregistered dogs, roaming dogs and irresponsible owners. The majority of dog attacks reported are in private property and all these changes will do zero to change that.

Unnecessary and wasted effort by Council.

Do you have any further comments about dog access rules at local parks or beaches?

I have recently been the victim of an aggressive dog. My dog was nearly killed by this dog at Waiataru Reserve. The attacking dog had history, no collar, no leash. During the event, it bit my husband too. This happened 10 October 2024. The dog has now been realsed from the shelter back to the owner.

My point is - let's get the problem dogs out of the community for good. The responsible dog owners and families need to be safe from these dog and NOT have unfair restrictions place on them.

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

All

What local board area is this location in?

Waitākere Ranges

In general, how would you like dog access at this location to change?

Tell us why

I don’t know

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:Expand areas and times that dog owners can access with their companions

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

To advocate for dogs and owners

Location 2

What is the full name of the location where you want to change the dog access rules?

All

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

I don’t know

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:Expand areas and times that dog owners can access with their companions

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

To allow dogs to be an accepted part of society as they have been for over at least 3000 years instead of persecuted and marginalised

Location 3

What is the full name of the location where you want to change the dog access rules?

All

What local board area is this location in?

Waitematā

In general, how would you like dog access at this location to change?

Tell us why

I don’t know

Do you want the change to apply to the entire location or a section of it?

Entire location

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:Expand areas and times that dog owners can access with their companions

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

To advocate tolerance towards dog owners

Do you have any further comments about dog access rules at local parks or beaches?

You are marginalising dogs and dog owners

Human incapacity for tolerating what looks ‘other’ is a large part of what is problematic today and has resulted in catastrophic species loss worldwide

Proposed updates to the council's local park dog access rules

I have lived next to Madills Farm for over twenty years and have been part of the community either playing sport, walking dogs, making friends or just improving my mental health in general by being there and watching others (including dogs) enjoying themselves. Unfortunately the community will now be denied these experiences as the council and the soccer club achieve another incremental step towards turning Madills Farm into a single use facility.

It is crucial to maintain the current shared access arrangements for our green spaces. As Auckland's population grows and our city becomes increasingly dense, these communal areas play a vital role in maintaining our quality of life. Our parks and reserves are essential breathing spaces that contribute to Auckland's unique character and livability.

Restricting access for any particular group would set a concerning precedent and could have far-reaching negative impacts on our community's social fabric and wellbeing. The strength of our city lies in its inclusive, shared spaces that bring people together rather than divide them.

By preserving equitable access to our green spaces, we can ensure Auckland remains the vibrant, welcoming city we all love.

I walk my two golden retrievers every day at Takapuna Beach. It is important that they have unleashed play as they love to swim and spend most of their time in the water. Perhaps people who don’t like dogs walk after 10am during the summer months .

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Not at this time.

Proposed updates to the council's local park dog access rules

#6471

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

As one of many dog owners, part of what makes Tamaki Makaurau/Auckland a great place to live is the access to some wonderful off leash areas to explore with our dogs.

My perception is that dogs and their owners vastly increase the utilisation of these areas with very little detriment to the areas.

I understand off leash restrictions on beaches when they are well populated but the parks are never as well utilised as a beach in the summer months.

Do you have any further comments about dog access rules at local parks or beaches?

Generally, Auckland Council needs to think very carefully about the kind of city it wants to be: limiting any more dog walking green / beach or other open space is going to reduce appeal of the city and enjoyment of numerous residents.

What is the full name of the location where you want to change the dog access rules?

Madills Farm

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:If need be, everywhere but the first team football pitch (the only patch of grass that is actually maintained there)

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:This is THE local park for dogs, always packed with loving and energetic dogs. Great for community morale if not anything else where people chat/laugh as their dogs bond

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

See previous comments, but the proposed change is ignorant and ignoring of what the greater community wants and needs.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Location 1

What is the full name of the location where you want to change the dog access rules?

Long Bay regional park , should have access to digs on lease , rather than a complete ban.

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control on a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Other - please specify:Where there is minimum environmental impact to a regional parks I would like to see dogs allowed but on lease to walk.

There are few long walks available for dogs in parks.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

This is a fabulous walk with minimum environmental impact to have dogs on lease .

Having a blanket cover on all regional parks seems excessive. Where there is minimum environmental risks then on lease walking should be considered.

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

No. Support seasonal beach times. I am a responsible dog owner and hate the tension on the beach between non dog owners and owners. I live close to takapuna beach but don't feel comfortable using it unless I know there will be less people on the beach.

A few people let it down for others. Again I support people having to be licensed to own a dog.

Just like anything else, pets can be an economic development opportunity for the beaches and cities.

This does not takes away the responsibility as owners to watch over them on DOC areas.

We want to be able oplay and visit areas with our pets as families are now changing and the cities should change and accommodate accordingly

Do you have any further comments about dog access rules at local parks or beaches?

It would be great if there were more dog accessible beaches during the summer, even if leash rules must apply during the day. I would happily have some beaches be completely dog free if there were also some dog friendly ones to balance it out (especially up here on the Hibiscus Coast where we have plenty of beaches to choose from).

Do you have any further comments about dog access rules at local parks or beaches?

Most dog owners are extremely conscientious and do the right thing. They don't wish to negatively impact others and act to make sure this is the case. However, dog owners are also part of the community and it is equitable to at least provide some times and options for full use of local beaches and park areas.

Proposed updates to the council's local park dog access rules

#6491

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

To maintain a balanced and fair approach to all ratepayers and community members, and for Council to be acting responsibly given their desire for housing intensification, there should be parks available within communities where dogs and run around off leash.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Disregard for the current dog rules is rampant in the Rodney area beaches. We would generally consider current rules were adequate if they were fully respected and enforced, but in the absence of such we therefore support the proposals to tighten rules.

Do you have any further comments about dog access rules at local parks or beaches?

Underwood Park, Wesley. This is proposed to change to on leash only and do not support this change. Underwood Park starts on the other side of Bealey Avenue and a lot of dog walkers from Walmsley Park walk through Underwood Park. No alternative parks have been offered for dog unleash areas under control. Freedom of movement and a balanced use of public places for dogs is required in Wesley for its residents.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Allow a portion or all of Kohimarama beach to be accessed by dogs for a longer time during summer period off leash

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

It would be good to have one of the eastern beaches like Kohi beach designated as a "dog beach" (or at least half of it) and allow greater access hours during the summer months...like prior to 11am and after 4:00pm or allow dogs to access 24 hours during

Location 2

What is the full name of the location where you want to change the dog access rules?

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leashDogs off leash 24 hours all year round for half the beach

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Dogs off leash 24 hours all year round for half the beach

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Half the beach area designated for dogs

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs and families with dogs are part of the local community and there are few beaches that allow dogs off leash 24/7 all year round.

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

More parks and beaches around the Orakei ward (eastern bays area - Kohimarama, St Heliers, Glendowie) should allow for off leash dog access under control, not further restrictions limiting area or time.

Proposed updates to the council's local park dog access rules

Do you have any further comments about dog access rules at local parks or beaches?

The majority of dog owners are responsible. We do not deserve to have our ability to access our lovely parks and beaches restricted even more than they are. We don't have the amount of dog friendly areas that we need for a city of our size so don't restrict us for further.

We also need some property dog agility type parks which have a separate area for small dogs, we are lagging behind in providing for dog owners compared to other areas in NZ

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Half of the beach for dogs off leash and dog friendly people all year round

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Half the beach accessible to dogs off leash and their dog families and owners all year round. To make more Eastern beaches like Kohimarama beach more accessible and useable for dogs and dog families at all times. Currently it is very restrictive towards

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Half the beach accessible to dogs off leash and their dog families and owners all year round. To make more Eastern beaches like Kohimarama beach more accessible and useable for dogs and dog families at all times. Currently it is very restrictive towards

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

More local parks and beaches in the Eastern Suburbs should allow dog access and off leash walking / play in order to not discriminate those responsible dog owners and families from using parks and beaches and facilities in their local areas in which they pay rates towards.

Proposed updates to the council's local park dog access rules

#6509

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Puketāpapa

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I think mixed or split designated areas are very difficult in practice. They require more than natural features (the "beach" area) and need to well defined with hard boundaries, prefably marked for visibility. For dog control officers to enforce it assist their role in disputes or excuses.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

We need to ensure dogs have free areas that they can roam. We need to advocate for dogs for a healthy relation. For the on-leash area, we need to police this better.

Do you have any further comments about dog access rules at local parks or beaches?

Wandering dogs without collars displaying aggressive behaviour is a common occurrance particularly at Big King/Three Kings offlead dog park. There are no repercussions for these dogs or the owners. There are at least 3 well known dogs which frequent this park and will result in responsible dog owners having to move away or finish their walk early due to the antisocial nature of these dogs which are often not desexed and display dangerous and territorial behaviour.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Don’t restrict dog walking locations or set times. Dogs on leash should be able to be walked so they aren’t neglected.

Proposed updates to the council's local park dog access rules

#6535

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Puketāpapa

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I own two dogs and I'm sick of the minority giving good dog owners a bad name. If dogs are roaming or attack other dogs at any beaches or parks. Fine the owners and confiscate the dogs.

Do you have any further comments about dog access rules at local parks or beaches?

I’m not sure what benefits there is to gain prohibiting dog access from parks and beaches. For the most part it works well the way it is now .

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I believe there is a responsibility for local boards and the Council to have sufficient areas for residents to safely exercise their dogs. This means enough area and throughout Auckland - not confined to a few small locations or severely limited spaces within parks.

Do you have any further comments about dog access rules at local parks or beaches?

Dogs need an area to exercise in, reducing the areas and times dogs are allowed off leash are not conducive to a dogs well being.

Do you have any further comments about dog access rules at local parks or beaches?

I missed the one on the Botanical Gardens Manurewa. I love gardens and do so enjoy being able to wander this beautiful site with my four legged companion and have a bit of time to run and chase her toy in the off leash area and finally have her quietly lye beneath my table as I and fellow humans enjoy our lunch at the cafe. I would be very sorry to see dogs not allowed at the outdoor area of the cafe. I am unsure of what area you are changing to no dog allowed??

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Stop making life difficult for dog owners. We are a big part of the community. The health system is in strife as it is and if you take away dog exercise and walking areas you create more health risks diabetes, heart attacks, respiratory illness. Stop being so incredibly short sighted.

Do you have any further comments about dog access rules at local parks or beaches?

Better enforcement and signage of current bylaws is needed. The majority of dog owners are responsible and follow these rules. A blanket rule based on the lowest common denominator is not going to have a positive impact - it will only lead to more people ignoring the rules. And people will lost confidence in iur system. Your proposed bylaw has frustrated and angered many and such an ill-advised proposal should never have got this far. Better education, enforcement and signage to help the existing bylaw work is what’s needed.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:This is a lovely enclosed space where the children's playground us usually not occupied prior to 9 and after 5. Off leash dogs would not be hurting anyone and both the human and dog demographic is well behaved. As already noted,it is really important for

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Please see my reason in previous section

- dog mental health
- easy access to dog owners in area
- minimal disruption to other park users if before 9 and after 5pm

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

My general comment is that the new regulations restrict off leash access and that this is detrimental to dog mental.health and can result in other problematic dog behaviors. Additionally, anything that makes it more difficult for a dog owner to give the dog access to offleash time is also detrimental for the owner, and may well result in increased car usage and may be prohibitive for the older population of dog owner.

Proposed updates to the council's local park dog access rules

#6568

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Howick

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

Do you have any further comments about dog access rules at local parks or beaches?

Auckland already lacks sufficient dog exercise areas, and further restrictions in regional and local parks will make it harder for dog owners to provide their pets with sufficient exercise and socialisation. Additionally, further restrictions will either push responsible owners to break the rules or force dog owners into unsuitable areas where conflicts are more likely to occur.

Dog owners use parks for exercise, companionship, community and stress relief. Restricting access may negatively affect the well-being of both dogs and their owners.

Instead of reducing access, Auckland Council should be expanding designated off-leash areas with proper fencing and signage to accommodate responsible dog owners.

Auckland can be one of the world's greatest cities if it stays green and makes the most of its bush and beaches. This includes welcoming our dogs into these spaces. The default should be dogs are welcome and if menacing dogs are an issue in any given area then let's get tougher on those individual dogs - act fast and come down hard on bad dogs. Let's not punish good dogs or their owners who both benefit from free range exercise together in open spaces.

Auckland is becoming an increasingly unfriendly dog city, compared with similar cities. I do not think a strong case has been made for these changes. These restrictions will do nothing to address more serious issues of roaming dogs in urban areas. Walking the dog is an important motivation for exercise and family bonding, and dogs are often part of the family taken on outings. As Auckland intensifies spaces to do this, including off leash become even more important.

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Proposed updates to the council's local park dog access rules

#6598

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Maungakiekie-Tāmaki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Please reconsider these changes and don't leave dog owners with even less places to go

Location 1

What is the full name of the location where you want to change the dog access rules?

omaha beach

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:the southern end only

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:to have areas fogs can be off leash

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I think most dog owners are responsible in this area and keep their dogs under control and remove dog poo

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The current rules appear to work well and when a dotterel nest has been identified it has been made abundantly clear to everyone where it is and what to do. The proposals for changed rules to protect the nesting dotterels have not addressed the issue of cats, rodents, ill-advised humans and the fact that the place selected by the dotterels is impacted by adverse tidal conditions. Dogs and their owners are being discriminated against.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

It is becoming increasingly difficult to free run dogs in many places with increasing restrictions being introduced. I can't see why instead of patrolling and fining people currently not doing the right thing the council is determined to introduce rules that are draconian and they will not have a hope of enforcing, Also, perhaps the council could spend it's money on dealing with unregistered and/menacing dogs instead of harassing law abiding dog owners.

Proposed updates to the council's local park dog access rules

#6627

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: I don't know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Madills Farm

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Maddills farm has always been a dog haven and was gifted for this purpose. It was not intended to be a sports field at the behest of the local community.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Maddills farm has always been a dog haven and was gifted for this purpose. It was not intended to be a sports field at the behest of the local community.

Do you have any further comments about dog access rules at local parks or beaches?

Auckland can do better - the lack of dog parks for a city they desires to be one of the worlds most liveable cities is disappointing. There seems to be very little going for Auckland in the 2020s.

I am writing to express my strong opposition to the proposed changes restricting dog access at Madills Farm. As a regular visitor and advocate for responsible pet ownership, I believe these changes will negatively impact the community and contradict the original intent of the reserve.

Madills Farm, located in Kohimarama, Auckland, has long been a cherished community space. The reserve features sports fields, playgrounds, and open areas that are integral to the local lifestyle. Currently, dogs are permitted in designated areas, fostering a harmonious environment for both pet owners and non-pet owners.

The proposed changes aim to prohibit dogs from the sports fields at all times. This includes areas where dogs have traditionally been allowed, potentially leading to increased congestion in other parts of the reserve. Such restrictions could diminish the quality of life for many residents who rely on these spaces for recreation and socialization.

1. Community Impact: Madills Farm serves as a vital recreational area for families, individuals, and pet owners. Restricting dog access could lead to overcrowding in other areas, reducing the overall enjoyment of the reserve.

2. Health and Well-being: Regular exercise and social interaction are essential for both pets and their owners. Limiting access to suitable areas could negatively affect the health and well-being of dogs and their owners.

3. Original Deed Conditions: The deed of gift documentation for Madills Farm, as per the Official Information request, outlines conditions for the reserve's use. While the specific conditions are not detailed in the available documents, any changes to the reserve's usage should align with the original intent and conditions set forth in the deed. It is imperative to review these conditions to ensure that any proposed changes do not violate the original terms of the gift.

4. Counter-Argument to the Claim of Dog Damage:

The local board has suggested that dogs are damaging the fields, but this assertion must be balanced against the reality of the wear and tear caused by other activities, particularly sports like football.

• Field Usage and Damage from Football: Football games, along with other field sports, create significant damage to sports fields over time. Data from various sports management organizations, including Auckland's own parks and recreation departments, has shown that the intensity of use from organised sports leagues often leads to field degradation. The combination of cleats, sharp turns, sliding tackles, and heavy foot traffic during games causes significant compaction and wear, which can leave fields with bare patches, uneven surfaces, and soil erosion.

• Comparison to Dog Usage: In contrast, dogs using the fields for walking or playing typically cause less compaction and no lasting damage compared to the kind of intense wear created by team sports. Dogs usually use the fields in a more varied manner (e.g., walking, running, fetching), which doesn't focus heavy pressure on one spot, unlike players' concentrated use during matches.

• Recommendation for Collaborative Field Care: Rather than restricting dogs entirely, a better solution may be to implement more focused maintenance strategies, investing in the field management, including aerating and reseeding the fields, can ensure they remain in good condition for both sports use and recreational activities.

Recommendations

• Maintain Current Dog Access: Retain the existing dog access rules to preserve the balance between pet owners and other park users.

Conclusion

Restricting dog access at Madills Farm would adversely affect the community and contradict the reserve's original purpose. I urge Auckland Council to reconsider these proposed changes and prioritize the well-being of all community members, while also ensuring fair access for both sports and recreational activities. We should consider balanced solutions that support both the care of the fields and the needs of the community.

Sincerely, [redacted] . ratepayer

Proposed updates to the council's local park dog access rules

#6645

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Kohimarama

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Eastern end of beach. A dedicated area would ensure that access is possible for all.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Precisely. Public spaces are there to be enjoyed by all. Dog owners and non-dog owners should be able to enjoy a park or beach without unreasonably impacting upon the others rights of access.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Access to Kohimarama beach by dogs currently is unreasonably restrictive. I support access at all times but perhaps by limited dogs to one end of the beach ie, Eastern End.

Location 2

What is the full name of the location where you want to change the dog access rules?

St Heliers

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leashWestern End

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Western End

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

A dedicated area would ensure that both dog owners and non-dog owners can both enjoy access to the beach at all times.

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Proposed updates to the council's local park dog access rules

#6652

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Madills Farm

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:To allow the current rules to remain allowing dogs to use the whole area, off leash but under control

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I am of the opinion it is the sole desire of only the sports fields users who wish to limit the use of the sports fields for sports use only. I believe they have provided information that is unqualified to stop dogs being able to use the fields ie the co

Location 2

What is the full name of the location where you want to change the dog access rules?

Kohimarama Beach

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I wish the current ruling of the ability to allow dogs under control but off leash to use the beach area during the current hours outlined

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I believe the current regulations are fair for all users of the beaches and parks

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Please retain the current off-leash rules for Monte Cecelia Park. Changing this rule will have a negative impact on my dog and family. and certainly a large number of families in the area. I believe that changing to on-leash rule will reduce park usage significantly, and not be replaced by non-dog owners or encourage appropriate on leash usage.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I believe that owning a dog should be viewed as a privilege, and that in an urban environment all dogs should be on-leash at all times when being walked outdoors to avoid any possibility of creating health and safety hazards.

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:extend the hours that dogs are allowed on the beach in summer

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Under current rules this is beach can be overcrowded due to summer timeframes and restrictions. This can be threatening to the public and also when issue arise. The hours should be extended to ease the pressure. Responsible dog owners will keep their d

Do you have any further comments about dog access rules at local parks or beaches?

The proposals are a short sighted knee jerk reaction to something. The biggest issue around dogs in Auckland are those that are left to roam, those that are permanently changed up and unexercised and those that are unregistered. 99% of all other dogs are well looked after and owners just want to be able to walk them safely (for dogs and humans) and in peace. These proposals seek to restrict the ability of owners to do just that. Dogs need space. Who within council thinks that condensing them into smaller areas and timeframes wont result in additional issues? All you will be encouraging is for responsible owners/ratepayers to become law breakers.

Proposed updates to the council's local park dog access rules

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

One of the beaches along the Freemans Bay/Herne Bay coast should be a designated all year round off leash dog area. For example Hamilton Beach reserve, or Home Bay beach Reserve.

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:As mentioned above

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:An area to take a dog off the leash with water/beach area

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

As stated above

Do you have any further comments about dog access rules at local parks or beaches?

I am in support of the current rules regarding summer/winter months on most Auckland beaches. I do not support further restrictions unless the local park or beach has a particular animal or plants that need special protection.. The current rules provides good access for everyone.. As a general rule, further restrictions will mean fewer places for daily or twice daily dog walks. It will mean travelling by car further afield where dogs will be exercising in a more concentrated area - negative for owner and dog wellbeing and for traffic.

Council needs to focus on problem owners and problem dogs. They need more staff, more patrols, targeting repeat offenders and patrolling areas of high incidence of roaming dogs. It is a small minority of owners (who are not responsible owners) of pets (especially menacing breeds), that are causing trouble for everyone else. Need to make neighbourhoods safer by quickly picking up roaming dogs and penalising repeat owner offenders.Professional dog walkers are putting profit over safety. I support changes to regulate and reduce waling of multiple dogs on or off lead.

Do you have any further comments about dog access rules at local parks or beaches?

Auckland is home to many dogs, and many dog-friendly parks and beaches are already constrained by the amount of use (particularly in summer where access is often further restricted, for understandable reasons). Further limiting the extent and number of areas that dog owners can exercise their dogs off-leash will only put more strain on these areas, which can only lead to more issues such as fighting and attacks.

Do you have any further comments about dog access rules at local parks or beaches?

As a general comment, dog owners make an active choice to have a dog in a highly populated city. They should be permitted off-leash in designated areas, but not be permitted off-leash at any beaches or parks that have sporting or other non-dog uses.

Do you have any further comments about dog access rules at local parks or beaches?

I oppose the proposed changes to the Dog Rules.

I am a responsible dog owner and ratepayer. I am very concerned that the proposed changes will reduce the wellbeing of dog-owners and their dogs.

Dogs are an important part of many people's lives: for many, they are family members, providing companionship, affection, love, opportunities to serve and to exercise and get outdoors daily. Dogs are an important contributor to mental health and wellbeing. I expect dog ownership will increase as the population grows and ages.

The changes largely aim to restrict access of dogs and their owners to more public spaces, including parks and beaches. I support the opposite - increasing the access of dogs and their owners to more things, as is available overseas – eg more dog parks, with fenced sections that cater for different size dogs, and also increased access to cafes, restaurants and public transport.

Reducing access is likely to reduce the quality of dogs and indirectly their owners lives. Without adequate opportunities for exercise and socialization, behavioural problems are likely to increase.

The proposals are likely to disadvantage responsible dog owners and irresponsible dog owners are likely to continue to ignore the rules. Its important the council focuses on the issues caused by irresponsible owners and the challenges of unwanted dogs by supporting desexing programmes.

Proposed updates to the council's local park dog access rules

#6691

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōtara-Papatoetoe

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

Maraetai, Eastern and Bucklands Beach

What local board area is this location in?

Ōtara-Papatoetoe

In general, how would you like dog access at this location to change?

Tell us why

Change the current rule to allow dogs under control off a leash

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

To respond to changes at location (e.g. a new playground, sports field, more people). Please specify:Sir Barry Curtis Park, Ormiston, multiple entries.

Currently renovation under Howick Local Board; no area fenced for dogs

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

No waterhole for dogs

No fenced area for lge/xlge dogs to run free, under supervision of dog owner

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

South Auckland/East Auckland population, dog ownership; not enough places available

*I regularly walk my border collie; train her to sit/lie down as people/toddlers walk by (dog onrs overseas, ie Sweden? where dog onrs get free training

*I educate children when they come rushing up to my border collie; I share with them how to approach dogs; that not all dogs are the same; and always ASK THE DOG ONR if ok to pat.

Goes both ways

Proposed updates to the council's local park dog access rules

At Monte Cecilia:

I am writing to formally object to the proposed rule change that would require dogs to be on a leash at all times in Monte Cecilia Park. This decision is unfair to responsible dog owners and fails to consider the broader impact on community engagement, park accessibility, and recreational balance in the area.

1. Monte Cecilia Park is a Vital Community Hub

Monte Cecilia Park is not just a space for dog owners—it is a place where the whole community comes together. People who don't own dogs often enjoy interacting with them, and for many, these casual encounters bring joy and a sense of connection. Whether it's children delighting in a friendly dog approaching them, elderly residents enjoying the company of animals, or casual park visitors who simply like the welcoming, lively atmosphere, the presence of off-leash dogs enhances the park's communal spirit.

Dog owners also form friendships and support networks through their visits to the park. These daily interactions foster a stronger, more connected community, where people get to know each other and look out for one another. Removing the off-leash area disrupts this dynamic and takes away an important space for social bonding.

2. Health and Well-Being of Dogs

Allowing dogs to play off-leash in parks like Monte Cecilia is crucial for their health and well-being. Dogs need regular exercise and socialisation, which is best achieved in an environment where they can run freely, interact with other dogs, and engage in natural behaviours. Off-leash play also allows them to burn off excess energy in a healthy, positive way, which can reduce behavioural issues and improve overall mental health. Restricting this access puts an undue burden on dog owners and risks the health of the animals themselves.

3. Monte Cecilia Park is Not the Only Recreational Space Available

The board has suggested that the expected population increase means Monte Cecilia must serve as a general recreational space. However, there are multiple other parks nearby that already provide ample recreational areas, including One Tree Hill, Jellicoe Park, and Potters Park. The claim that Monte Cecilia must be converted into an exclusively on-leash park ignores the fact that other options exist.

Furthermore, the board's assumption that these future residents will not own dogs and will all exclusively want to use Monte Cecilia Park is flawed and dismissive of the existing community. Many people moving into the area will be dog owners, and restricting one of the only off-leash spaces ignores their needs entirely. It's also worth questioning whether this decision is being politically motivated, rather than made in the best interest of all park users. The board appears to be prioritising a future population—one that they assume will not include dog owners—in order to secure votes in the next election, rather than listening to the current community that already uses and values the park.

Instead of restricting responsible dog owners, a better solution would be to create a balanced approach, ensuring that all members of the community—both current and future—can continue to enjoy the park.

4. A Blanket On-Leash Rule is Not the Best Solution

The proposed rule to enforce an on-leash mandate for all dogs at all times is a disproportionate response to the concerns raised by the board. The existing off-leash space has served the community well for years and should remain in place. Limiting access for responsible dog owners, who abide by the rules, harms the very people who are already contributing positively to the park's environment.

This decision ignores the needs of the current dog-owning community and takes away an essential resource that promotes healthy, responsible pet ownership. It is imperative that Monte Cecilia Park remains a space where dogs can run freely.

5. Increasing Accountability with Practical Solutions

To address concerns over dog behaviour and ensure safety for all park users, there are several practical measures that could be implemented without resorting to an outright leash rule:

CCTV surveillance could be introduced to monitor the area, ensuring that both dog owners and park visitors are adhering to the rules.

Fencing around the bowl area would help control access and clearly delineate areas where dogs can be off-leash, while also ensuring that they remain in a safe and contained space.

Clearer, more visible signage should be installed to communicate park rules more effectively to all users, ensuring that everyone knows the expectations and restrictions.

Petrol officers could be employed to monitor the park, providing another layer of accountability. Their presence would ensure that the rules are being followed and that the park remains safe for everyone. I have been going to Monte Cecilia Park with my dog for four years, and I have never seen a petrol officer at the park. If these officers were present, they could help enforce the rules effectively and ensure the safety of all park visitors.

These measures would address the board's concerns while maintaining a space where dogs can exercise freely and responsibly.

6. Lack of Transparency, Flawed Consultation Process, and Dismissal of Public Input

Another major issue is the lack of communication and accessibility in the submission process. If it weren't for word of mouth, many park users—including myself—would not have even known about this proposal. The council did not make a meaningful effort to inform the public, and the submission process on the website was lengthy, complicated, and discouraging for community members who wanted to have their say.

Even more concerning is the fact that a petition with over 1,000 signatures was counted as a single submission. How is this fair? Dog owners and community members took it upon themselves to collect these signatures and present them to the board, yet because the chairman decided it should be treated as one submission, it is? This completely undermines the democratic process and disregards the voices of hundreds of people.

This raises serious concerns:

Why is a petition with 1,000+ signatures being treated as one submission? This dismisses the effort of the community and invalidates their voices.

Why was the submission process made so difficult? If the council truly wanted public input, they should have made participation easy and accessible.

Why does the chairman's opinion override public sentiment? Decisions like this should reflect community needs, not be dictated by one individual while disregarding overwhelming opposition.

This is not fair, transparent, or democratic. The council needs to publicly address why they are dismissing community input and explain how they are justifying this flawed process.

7. Monte Cecilia Park Should Remain Accessible to All

Dogs are part of the community, and responsible off-leash access is not just a convenience—it is essential for their well-being. This benefits not only dog owners but also the wider community by fostering interactions, friendships, and a welcoming atmosphere in the park.

I urge the board to reconsider this decision and engage in proper consultation with the community before making any changes. A balanced solution should be found that acknowledges the needs of all park users instead of unfairly restricting one group.

Proposed updates to the council's local park dog access rules

Pooped Dogs Limited is one of the largest dog walking providers in Auckland City. We belive that our safety systems reflect industry best practice, and have discussed these with council staff in the past.

We encorage the council to consider evidence related to dog psychology, and in particular the unrealistic expectation for part of a pack to be on-lead while part is off-lead. As industry professsionals, we strongly belive this would be a poor decision.

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:The rule expecting owners to control their dogs off leash is largely ignored on Takapuna Beach causing distress and injury to many people including myself.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

The rule expecting owners to control their dogs off leash is largely ignored on Takapuna Beach . In the 40 years I have been walking Takapuna beach I have never seen a dog warden anywhere. These dogs often cause harm to individuals walking the beach inc

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Generally dogs are becoming more of a menace everywhere as many owners think their dog is well behaved. When dog owners are challenged about their animal's behaviour they often become aggressive or simply rude and take no notice of the impact on others.

Proposed updates to the council's local park dog access rules

#6723

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Puketāpapa

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The Council would be better placed investing time and energy into irresponsible dog owners and roaming dogs, rather than penalising responsible dog owners by restricting their access to facilities important for exercising and socialising their pets.

Similarly, it would be more effective to regulate the dog walking industry rather than impose blanket restrictions on dog walking.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Restricting the number of places dogs can go with cause more wondering dogs, barking dogs at home etc. And more condensed areas of dogs off leash in the few places that would be left in auckland.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

In general we support the restrictions (as currently in place) at beaches; therefore we recommend the status quo for parks. We need to ensure we have appropriate places for dog owners and dogs to have 'off leash' exercise.

Over-regulation doesn't solve the real issue of already restrictive rules and risks non-compliance in other areas where it would be a real problem.

These changes seem to be penalising the majority of dog owners that obey the rules and don't cause any hassle to toher users. The changes are not targeting the people whose dogs are out of control. Auckland at present is a very dog friendly city, please keep it this way. Dogs require space and the opportunity to run off-leash for their well being. Remembering also that their dog owners also get exercise and enjoyment in interacting with their dog in an area where the dogs have room to play, sniff and explore their environment. Dog owners congregate in areas where dogs are off-leash and form a community.

#6747

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

One trusts that the Council wants well behaved dogs. If that's what it wants, this overbearing effort to restrict the space in which dogs may exercise is flatly idiotic.

Proposed updates to the council's local park dog access rules

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

It is extremely discriminatory to prevent the local community to be on a park and playing field when there is no sport underway. On average, sport will be played 11-15% of the overall time. The proportion of taxpayers that would like to use the park and playing fields outside the hours of sports will significantly outweigh those in the sport. It will destroy the community environment and is completely against the intended use of such COMMUNITY spaces.

Keep the dog excess rules as they are. They are very restrictive already and it would be a mistake to restrict the access even more. Most dog owners are very responsible dog owners. It will be a mistake to punish everybody with their dogs for the shortcomings of a few owners of menacing dogs.

Do you have any further comments about dog access rules at local parks or beaches?

There is no need for change, other than implementing time and season's rules to all areas and taking careless dog owners into accountability.

It is not fair to punish dogs and owners who follow the rules and pay their taxes.

Prohibition will cause trouble such: dogs not exercising properly and getting anger issues and being harder for the owners to manage.

Dogs not being able to exercise would have to stay home and they would bark creating noise nonsense.

Dogs being dumped by irresponsible owners as it would become harder to control the dogs

Proposed updates to the council's local park dog access rules

#6774

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Puketāpapa

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I don’t think putting dogs on leash or restricting them access completely is a smart move to integrate them into life with humans. It’s setting the expectation that everything is only for human to enjoy. Dogs are part of a family and need a space to run and play and release all the energy from being stuck in the house the whole time. And these spaces must be easily accessible in today’s busy times. Some dogs are more protective of their space and owner when on leash too.

I think local boards should work with professional dog trainers to see how to educate and support dog owners. But also how to educate people who are not dog owners too (it’s not ok to let your kid to run to and pet every dog, especially without asking).

More restrictions will mean less exercise for dogs and will cause more problems down the line

Do you have any further comments about dog access rules at local parks or beaches?

Unfortunately it appears responsible dog owners / dog walking companies are being treated based on the behaviour of those who do not care for the welfare of their dogs and ensure they are able to be controlled and enjoy public areas at all times.

Dogs are very important. They are great companions to many people. NZ has one of the highest dog ownership rates in the world- approx 1 person in 5 has a dog.

We need to ensure that we protect our spaces so that dogs can get adequate exercise and socialising, especially as our housing becomes higher density. Apartment dwellers for example will be very dependent on access to parks so that their pup can be exercised,

Thanks for asking for our feedback.

This is my submission regarding the Proposed Amended Policy on Dogs 2025

Please keep Maddill's Farm dog access as before: A time and season rule where dogs are NOT allowed on the sportsfields when the sportsfields are in use, but that they ARE allowed on the sportsfields off-leash at other times.

Reason: This reserve is popular with dog walkers and it doesn't belong to the sports clubs, it is a public park. Dog owners are rate payers as much as sports club members, so it is not fair that dog owners always have to accept restrictions in favour of other users. Maddill's farm consists mainly of sportsfields and the small strip of land around it is inadequate to exercise dogs if they are not allowed on the fields. If they are confined to just the small strip of land, this is too close to the road, meaning that the rule effectively makes the remaining park on-leash only, as dog owners will worry to have their dog play this close to the road.

Please also keep Glover Park dog access as before: A time and season rule where dogs are NOT allowed on the sportsfields when the sportsfields are in use, but that they ARE allowed on the sportsfields off-leash at other times.

Reason: This reserve is popular with dog walkers and it doesn't belong to the sports clubs, it is a public park. Dog owners are rate payers as much as sports club members, so it is not fair that dog owners always have to accept restrictions in favour of other users.

There used to be a rule that for any area that gets restricted to dog owners (ie from off- to on-leash, or from on-leash to prohibited), an equivalent size place nearby must be offered. What has happened to that rule?

Finally, I wish to point out that it was rather difficult to "Have your say". If you can't go back on a section and there are no links to documents or explanations, and the questions are deliberately kept vague, how can we support any of it, not knowing if we unwittingly say Yes to something we don't actually want?

I've said a fair bit already!

I would add that this whole process has been handled shockingly bad.

The Dog Policy 2019 requires there to be a ‘structural change’ or a ‘significant risk’ before any change should be considered and the evidence that has been provided is low impact and tenuous at best.

The findings of the reports have been written in a way that seems to favour a predetermined outcome to significantly reduce dog access in public places.

Further, the process to publicise this process has been severley lacking and the feedback process and timeframes significantly condensed to the point of being unreasonable.

Most people and most responsible dog owners would (and according to your survey do) support sensible changes to improve signage and more enforcement... but these proposed changes are NOT THAT! Keep it simple. Listen to your people, don't make these changes.

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

My experience is that the CURRENT rules at Auckland's local parks and beaches are sensible and more than adequate for dog owners (& their dog/s) and non-dog owners alike.

I would like to see proactive action taken by Auckland Council to educate and inform dog owners and non-dog owners alike on dog safety, responsibilities, how people should behave around dogs (so as to not inadvertently make a dog feel threatened and respond agressively).

Auckland Council woefully lacks any genuine effort in engaging the public on dog ownership responsibilities (save the 'carrot' of reduced dog registration fee. Which isof no benefit for owners of unregistered dogs who can't afford registration and/or access affordable or free dog training classes due to poverty). Punitive measures and "signs" at beaches & parks are insufficient in addressing the "significant risk to people" that Auckland Council aims to address.

When it comes to dogs, Auckland Council need less reactive (i.e. "Don't do this" rules) and more proactive (i.e. providing accessible services that aid dog owners and non-dog owners)

I'm happy to help. I have a lot of ideas on this (but not the time to write them tonight)

Proposed updates to the council's local park dog access rules

#6793

Do you have any further comments about dog access rules at local parks or beaches?

Reducing the number of parks that dogs can access and the number of off-leash areas will funnel more dogs into less spaces - this can be dangerous if there are too many dogs accessing one park, and if some of the dogs are reactive.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

There should be more parks which allow dogs off-leash.

Proposed updates to the council's local park dog access rules

#6814

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I enjoy all areas of Orakei and I see no issues with any dogs here. People here seem very responsible and you council should stop spending money on areas that are working. The sports teams are the ones doing turf damage and injury , not dogs.

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I believe the council has a responsibility to provide sufficient off leash dog usage areas. It is important that dogs have access to areas where they can run and learn to socialise with others. By reducing the number of areas in which this can occur, the areas left will become overrun, and the number of dog behavioral issues will rise. Therefore when considering dog access in specific areas, a wider view should be taken.

.

Do you have any further comments about dog access rules at local parks or beaches?

In general, there needs to be better enforcement regarding dogs.

Also has the council investigated the use of DNA to track dog faeces and fine owners?

I have seen various

"those in charge of a city in Italy are so disgusted by the dog mess in their streets, that they've come up with an unusual solution. Owners have been ordered to have their pets DNA tested" . My understanding is that the fines are used to pay the costs involved.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Auckland is severely restricted in the number of fenced in dog exercise areas available. Before access to the existing areas is reduced, a reasonable number of properly fenced dog exercise areas should be made available - for example at Madill's farm a proper fenced in area could be provided, same with Waiatarua reserve. This model works well in other large cities including Buenos Aires and would demonstrate that the council actually wants to address this issue properly.

Proposed updates to the council's local park dog access rules

#6832

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Nz has plenty of space and being more restrictive for times and access means dogs get neglected. All dogs need off leash times. Nz needs less laws not more. A system to report stupid dog owners but leave the rest in peace. Dogs are mans best friend.

I am not sure what the rules are at Kohi beach actually. I'm a dog lover and enjoy seeing them around but I really don't like it when owners lose sight of their dogs, their dog poops and they leave it for someone else to find, especially near or on the beach.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

All dogs should be leashed at local parks and beaches at all times

There should be clear signage, regular policing and enforcement

If dogs were to be off leash, it should be an area that is enclosed and well fenced

By further restricting where people can take their dogs, you are causing more issues with responsible dog ownership. It is not the 'bad dog owners' that are taking their dogs for nice days. out. This is a knee jerk reaction to a problem you are not sure how to solve.

Dogs should be on leash at all beach and parks and playground. At the moment dogs just come up to others without control by their owner. Many young children are scared of dogs and should be able to enjoy been out without feeling scared.

Please target enforcement and surveillance in shorebird roosting and foraging areas such as Pakiri Beach, Eric Armishaw Reserve, Harbourview Beach Reserve and Spinnaker Reserve to times when there is high recreational use and when the intertidal areas are exposed by the tide. Officers should get out of their car, rather than just driving through the carpark and need to do more regular checks at targeted times to 'catch' local dog-walkers who flout the rules as currently there appears to be little chance of being observed under the current regime of surveillance.

Do you have any further comments about dog access rules at local parks or beaches?

Put some time into doing something that will actually improve the area of auckland. It is a waste of time to further regulate dogs areas of exercise. The number of off-leash areas should be increased rather than reduced, as there are far too few areas for dog owners to walk their dogs in the first place.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Please focus on people picking up after their dogs! It is awfully frustrating to step in dog poop or worry about children coming into contact with it.

Proposed updates to the council's local park dog access rules

#6851

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

I find the ‘no dogs’ on beaches rule rigid. I do agree that most of the time (between certain hours) they should be on leash. But why ban them altogether?. Shouldn’t on leash be sufficient?

Final Note on Reduced Dog Spaces

I am also deeply concerned by Auckland Council's proposal to reduce off-leash areas and increase dog-free zones.

By further limiting where dogs can be exercised, they are making it even harder for owners to provide their pets with safe, appropriate physical and social enrichment. If dog welfare was truly the priority, the focus should be on creating more structured spaces where different types of dogs can exercise safely—not restricting access entirely.

Do you have any further comments about dog access rules at local parks or beaches?

Good morning,

A large proportion of tax payers in the district own dogs. By and large they are well behaved and contribute to the related businesses in the area.

Dogs provide company and support to many with mental health issues, elderly and contribute to the love family unit.

As houses and properties become smaller, owners need locations to excercise off lead and socialise their dogs.

We all want to ensure safe and fun access for all, however there is an anti dog faction in the district that have access to every square inch of council property and don't want dogs at all.

Please don't embrace the cancel culture that is so popular in the world and apply common sense, allowing a local off lead areas set aside to be shared with other dog owners.

See attached:

Summary of Attachment:

Opposition to Proposed Changes:

Dogs as Family Members: Emphasizes the importance of dogs in providing companionship, emotional support, and contributing to mental health and well-being.

Disadvantaging Responsible Owners: Argues that the proposed restrictions unfairly penalize responsible dog owners and could lead to behavioral problems in dogs due to reduced exercise and socialization opportunities.

Need for More Dog-Friendly Spaces:

Expansion of Parks: Advocates for increasing the number of dog-friendly parks and walking areas to accommodate the growing population of dog owners in Auckland.

Café Access: Opposes restricting dog access to café areas, suggesting instead the creation of designated dog-friendly zones.

Concerns About Professional Dog Walkers:

Unjust Restrictions: Criticizes the proposal to limit the number of dogs walked at one time, highlighting the professionalism and positive impact of dog walkers.

Consultation Process Issues:

Inadequate Timing and Locations: Points out that the ‘Have Your Say’ events are not accessible to many dog owners and suggests more inclusive scheduling and locations.

Conclusion:

Retain Current Rules: Urges the council to reconsider the proposed changes and focus on expanding dog-friendly areas to support a diverse and inclusive community

dogsbylawreview

I would like to know why Council‘s continually panda to a minority!?

There are far more responsible dog owners in New Zealand-there are far more irresponsible owners!!! and yet you continue time and time again to penalise good people. I am sick and tired of this behaviour by council’s and government in this country.

When are you going to start rewarding good dog ownership instead of penalising?

I for one. No I have been a responsible dog owner all my life. We’ve owned three dogs and we often pick up after others.

Why not? Heavily fine people if you have evidence that there is no responsibility from them.

Either one have done Canine good citizen with my Golden retriever and I should actually be able to walk my dog where I like when I like.

I had to sit questions as well as the dog had to sit exams. Why is this not introduced throughout the country?

My firm belief is that everyone that owns a Dog should have to sit the exams Canine good citizen.

I absolutely disagree with your proposal.!!,

One of the rules about earning a dog is exercise, a well exercise dog is less likely to be barking at home is less like to be causing issues in neighbourhood, for God sake get off your high horses open your eyes and think outside the square.

Reward good ownership not bad

Summary of attachment:

Dogs as Family Members:

Dogs provide companionship, emotional support, and security.

They contribute to mental health and overall well-being.

Restricting access to public spaces would negatively impact dog owners.

Disadvantaging Responsible Dog Owners:

Stricter restrictions unfairly penalize responsible dog owners.

Public parks and open spaces are essential for dog exercise and socialization.

Limiting these spaces could lead to behavioral problems in dogs.

Need for More Dog-Friendly Spaces:

The council should expand dog-friendly parks and walking areas.

More spaces would foster a pet-friendly environment and community.

Opposition to Cafe Restrictions:

Restricting dog access to cafes like Miko Cafe is unnecessary.

A better solution would be designated dog-friendly areas outside cafes.

Concerns About Professional Dog Walkers:

Restricting the number of dogs a person can walk is counterproductive.

Professional dog walkers provide a valuable service and should not be disadvantaged.

Consultation Process Issues:

The timing and locations of ‘Have Your Say’ events are not inclusive.

The consultation process should be more thorough and collaborative.

Dear Sir / Madam,

I am writing to express my concerns regarding Auckland Council's proposed dog policy.

I do understand the need to maintain public safety and order in our community, but I submit that the proposed policy oversteps in a number of areas and will negatively impact responsible dog owners and the general public. I would like to highlight the following reasons for my opposition:

1. Overly Restrictive Leash Laws

The proposal suggests extending leash requirements in many areas, including parks and public spaces that have previously allowed dogs to exercise off-leash. This would significantly reduce opportunities for dogs to socialise, exercise, and engage in natural behaviours. Off-leash areas provide a vital space for dogs to interact and contribute positively to their mental and physical health. The restriction would also penalise responsible dog owners who already ensure their dogs are well-behaved and under control.

2. Inadequate Consideration for Dog Parks and Recreation Areas

While the policy includes some provisions for designated dog parks, these areas are often not sufficiently spread across the city to meet the needs of dog owners, particularly those in high-density urban neighborhoods. Without a sufficient number of accessible, safe spaces for dogs to roam freely, the proposed policy will leave dog owners with fewer options for exercising their pets. A better approach would be to increase the number of off-leash areas while ensuring they are properly maintained.

3. Punitive Measures and Enforcement

The proposed penalties for violations may disproportionately target responsible owners who already take care to manage their pets. The lack of clear guidelines regarding enforcement and the potential for heavy fines could discourage dog owners from responsibly engaging with the community. A more balanced approach that focuses on education and responsible ownership rather than heavy-handed penalties would be more effective.

4. Impact on Community and Public Health

Dogs are important for their owners' mental and physical well-being. Restricting opportunities for socialisation and exercise will have detrimental effects on both dog and owner. In addition, responsible dog ownership often leads to stronger community bonds, with dog owners collaborating to maintain clean, safe spaces for their pets. The proposed policy may undermine these social benefits, isolating dog owners and making it harder for them to connect with others.

5. Lack of Adequate Consultation

It is concerning that the proposed policy does not appear to fully consider the perspectives and feedback of the dog-owning community. A more inclusive consultation process (including responsible pet owners) would help ensure the policy is fair and beneficial to all Auckland residents, including both dog owners and non-dog owners.

6. Expanding the Number of Dogs a Person can Walk for Qualified Individuals and Introducing a Licensing Regime

Another important consideration is the proposed limitation on the number of dogs a person can walk at a time. While I understand the need for safety and control in public spaces, I believe that individuals with the necessary qualifications and experience should be permitted to manage a larger number of dogs, provided they can demonstrate they have the capacity to do so responsibly.

Many professional dog walkers, trainers, and those working in the animal care industry possess the skills, knowledge, and experience to safely manage multiple dogs at once. These individuals are often better equipped to handle the logistics of walking or looking after several dogs simultaneously, ensuring that the dogs are well-behaved, socialised, and under control. Limiting the number of dogs a qualified person can manage may hinder their ability to provide services and meet the needs of their clients.

To address this, I propose that Auckland Council introduce a licensing regime for individuals who wish to walk or look after more than the proposed number of dogs at one time. This license could be granted to those who meet specific qualifications, such as certifications in dog training, animal behavior management, or pet care. The licensing process could include assessments or periodic checks to ensure that these individuals are maintaining appropriate standards for dog welfare, public safety, and responsible management.

Such a policy would allow qualified individuals to manage more dogs safely while ensuring public safety and promoting responsible care. It would also help to recognise and support those with professional expertise, ultimately benefiting the broader community by ensuring that more dogs are cared for in a controlled and responsible manner.

Conclusion

While I acknowledge the Council’s duty to ensure public safety and maintain the city’s order and cleanliness, I believe the proposed dog policy is overly restrictive and punitive. I urge you to reconsider the policy’s provisions, with particular attention to ensuring ample off-leash spaces, promoting responsible ownership through education rather than punishment, and engaging with the community to refine the policy.

Child-protection

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

•This park requires either development of a fenced off-leash area, or making the whole park on-leash.

•Dogs should be prohibited from the paths adjacent to the skatepark.We have taken our children to Grey Lynn Park a lot over the years, as it has an amazi

Do you have any further comments about dog access rules at local parks or beaches?

•All beaches in the Auckland region should have the majority of the beach on-leash (or prohibited) during the non-summer months.

•Only small sections at the ‘far’ end of the beach (rather than the ‘whole beach’) should be off-leash in ‘not-summer’ months.

•The only time of the day that any larger sections of the beach should be off-leash is before 9am.

The status quo for all of the hundreds of beaches in Auckland should be on-leash (or prohibited) all year round.

On-leash should be the status quo and standard, and off-leash sections of the beaches could be created from there, rather than the other way around which currently exists.

Auckland’s temperate climate means that families with young children like to use the beach all year round, as much as people who walk dogs. Children like to have picnics (or fish n chips on the beach) with their families, play on the beach - running ahead or playing games/tag with their families on the sand, or running in the waves at the edge of the water. Older children also have a need for independent mobility in public spaces. [1,2]

As parents ourselves, every time we try to go to a beach with our children during the nine months of the year with off-leash rules, we have to guard our children from dogs running up to them (or jumping on/chasing them). Some people also bring very large and aggressive looking dogs. We end up having to hold our children’s hands, stop them playing, and continually be on the lookout for dogs, to even be on the beach. The only places we can go, where we feel safe from dogs on a beach for the vast majority of the year are Tāwharanui or Pākiri Regional Parks. Times on most

beaches where families with young children are basically excluded from using (or can only use with a significant risk to the children) are:

•Nine months of the year (1st March to 1st December)

•All summer evenings (some even after 2pm)

•All mornings before 10am

Expecting small children to ‘stand like a tree’ to protect themselves on a beach is completely inappropriate – instead, an evidence-based approach with adequate dog-access legislation should ensure the children are protected from dogs. [3,4]

I am unable to create a list of beaches and associated reserves where young families are unsafe from off-leash dogs, as there are too many. Beaches where we ourselves have experienced issues with off-leash dogs posing a danger to our own children due to inappropriate leash-legislation, are Ōmana beach, Māngere Bridge beach and Kiwi Esplanade walk, Sunkist Bay, Shelly Bay, Maraetai Beach, Bucklands Beach, Eastern Beach, Cornwallis beach, Wattle Bay, Waiake beach, Ambury-Waikaraka pathway, Campbells bay, Browns bay, Judges Bay, evenings at Cheltenham, St Heliers and Mission Bay, and also Takapuna beach (despite being on-leash the beach is so highly populated with people walking their dogs, it’s impossible to take children there).

Other reserves we have had issues with are: Onehunga Reserve and Beachlands Domain, Grey Lynn Park, Swanson Park, Māngere Domain. But there are too many for me to list here.

Do you have any further comments about dog access rules at local parks or beaches?

Signage for areas where dogs are or not allowed is very poor. This needs improvement. Fines for non-compliance should be clearly shown on the sign as a deterrant.Responsible dog owners who are trying to do the right thing need clear signage or a map.Online information must be the same info as signage on site- currently this is not always the same.Bins should be reinstated where previously removed for disposal of used doogie doo bags. Council should consider providing bags on popular dog walking areas. LLoyd Elsmore fenced dog park needs urgent improvement - currently not fit for purpose.no shade, no water access, too small, like a mud bath in winter - suggest gravel path area)

See attached

Summary of Attachment:

Proposed Changes

- Dog Access Changes: Around 60 changes proposed, including prohibiting dogs in 31 areas, changing access from off-leash to on-leash in 19 areas, and providing new off-leash access in 10 areas.
- Lack of Analysis: Many changes are proposed for consistency across Auckland without analyzing current usage or alternative access areas.

Impact on Daily Routines

- Routine Disruption: Changes can significantly alter daily routines, requiring dog owners to drive to other locations.
- Overcrowding: More dogs in fewer spaces can lead to overcrowding, especially during summer and bird breeding seasons.

Regional Comparisons

- Wellington and Whangarei: Both regions have expanded off-leash areas and made their cities more dog-friendly, unlike Auckland.

Specific Concerns

- Desktop Research: Proposals are based on desktop research rather than local knowledge and site visits.
- Alternative Areas: Identified alternatives are often unsuitable due to size, terrain, or accessibility issues.

Requests to the Council

- Public Input: Request for more public input before finalizing changes.
- Maintain Current Access: Request to keep current off-leash areas and consider new off-leash areas in growing suburbs

One of the benefits of living in Manly is being able to responsibly walk our dog on the beach within specified times. We control our dog at all times and he does not pose a risk to the birds. He is on a lead in areas of interest. Local cats and people using the beach for recreational activities pose more of a risk.

Changing the laws isn't going to solve the problems. The people not following current laws will not suddenly start listening to the new ones. Actually supervision and law enforcement is necessary. At this point in time there is never anyone patrolling any of the beaches to see if anyone isn't following the laws for dogs.

Dog owners pay registration every single year for all their dogs. Use it to actually address these issues instead of taking away areas to walk our dogs.

Education for dog owners would also be helpful. And then published on local FB pages and website. I think dogs should be allowed off leash and under control by their owners. Education about dogs and dog behaviour. Examples are dog owners recognizing that if another dog is on lead to call your dog back. People out walking with dogs on lead do this for the behavioural reactions of their own dogs. An off leash dog should be kept back and not approach. Secondly not to let you dog run up to people or children. Call them back. If you can't do this the dog should be on lead. Many new dog owners are very unaware of others and their own dogs potential behaviour in certain situations.

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I regards to dog management, I find that all these proposed changes are a reaction to irresponsible dog owners, punishing the responisble ones. Instead of continuing to make smaller and smaller the areas dogs are allowed, how about actually target the irresponsible dog owners / "problem" dogs? (also actually start monitoring cats - they are regularly posted in the Omaha / Tawharanui page as breeching the sanctuaries there, endangering the dotterals, endangered wildlife)

How about increasing patrols of Animal Management Units (encourage more into the role to be able to expand this). Responsible dog owners pay their registrations, take their dog to the vets, walk them (which is increasingly hard with the continuation of dog friendly places) pick up after them.

Proposed updates to the council's local park dog access rules

#7003

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

These proposed changes are absolutely ridiculous and will cause no end of issues for the many responsible dog owners on the coast. Why are these changes even being proposed, ie what problem are they supposedly solving??

There’s absolutely no reason for these proposed changes as there is no guarantee the birds will even nest in the restricted areas and for much of the year they are not even nesting!Much better to maintain current rules as most dog owners are responsible and should not be penalised for the few who are not responsible

Do you have any further comments about dog access rules at local parks or beaches?

As a Responsible dog owner and person who cares about our precious birds I already take necessary precautions around the nest. This is a heavy blunt stick proposal change that penalises a huge sector of the community who are also responsible dog owners.

The proposed changes prohibiting dogs from being off leash at all times, all year round will be so upsetting to such a dog friendly community. Dogs being prohibited from being off leash at all times and even fully restricted from going on certain beaches will make absolutely no impact on the birds and is a waste of time. As the rules are already for dogs to be leashed within 200meters of the birds, it is ridiculous to change this and will create a big upset here where dog walking in the afternoons is an activity many of the locals enjoy.

Do you have any further comments about dog access rules at local parks or beaches?

I oppose any further restictions to dogs being exercised in regional parks and other reserves. The parks and reserves should be made available for as much public use as possible including for dogs. The parks and reserves administered by council belong to the people of Auckland. If council want to use them for instance for farming, then this should not stop use by dog walkers. Recreational use should be available. Other uses should take second place to this.

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

It is already challenging being a responsible dog owner in New Zealand. If the signs are clearly displayed, and websites up to date with the latest information, this will be sufficient for dog owners to follow, rather than complete bans.

Proposed updates to the council's local park dog access rules

#7021

The proposed limits effectively cuts Tindalls Bay beach use in half for most dog walkers as we only walk this beach & not Manly so the % used in the council proposal is incorrect for Tindalls. Morning & evening walks off leads gives time for the local dogs time to socialise that doesn't happen when on leads. It's also a social time for locals especially the elderly. This is also the case on Manly beach. Having lived in the area over 20 years I have seen very little problems with local dogs & wildlife & many of us are involved in PFHC, SOCCI & other groups so understand protecting the dotterels & little blue penguins on our beaches

We pay dog rego for a reason, dogs shouldn't be restricted anywhere. They are part of the family and should be treated as such.

If you want to avoid 'accidents' maybe supervise, but don't punish everyone who is responsible for a few bad apples. Humans and cats do way more damage than dogs.In the meantime cats are roaming free without consequences.

If you want to keep restricting dogs from places, what's the point of being a responsible dog owner and paying for rego?

Do you have any further comments about dog access rules at local parks or beaches?

We observe the birds during nesting season, when we first came to live here, no hatchlings survived.

This year we managed to help keep safe and rear 5.

All sorts of bird life is increasing, quails, pukekos , ducks . We make sure people know to keep their dogs from the birds (we have a wee fluffy dog ourselves).

We consider ourselves the guardians of the wildlife.

Other people here at Boathouse bay trap rats , possums etc in the bush.

We're making it much better.

The dogs love the beach as we humans do.

As long as everyone is sensible I don't see we need to make any changes to the rules.

Please leave them the way they are.

Thank you Susan Hutchings.

Dogs on leash in the area of the birds are no more a disturbance to them, than people with tents staying all day on the grass beside the birds, with kids and music as I've personally witnessed a few weeks ago on several occasions which I photographed.

Do you have any further comments about dog access rules at local parks or beaches?

So many Hibiscus Coast residents have dogs as beloved family members and restricting their ability to enjoy the local beaches with their dogs can really limit residents ability to enjoy the beauty of their community. Not allowing enough off leash areas will make more dog owners go to local beaches where dogs are allowed off leash and will overcrowd them.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Has anyone thought about relocating the dotterels? There are many other places where dogs are already banned like Shakespear Regional park beach where they can nest freely. Dotterels choose to nest in populated places where other animals are by choice, surely that's on them? They are just as freaked out by people. So tired of the constant ever increasing bans on dogs in populated places. It's ludicrous. Why favour one species over another. Restricting dogs so much results in people leaving them at home as they can't be taken anywhere with the family, this lends to under socialised, under exercised dogs who develop anti social behaviours. Look at countries where dogs run free with great access and inclusion - dogs are not aggressive or misbehave, they simply live in harmony. We are doing it all wrong in NZ!!

Proposed updates to the council's local park dog access rules

#7038

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Ōrākei

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

We are very supportive of the dotterels and godwits and we have been assisting with Snells Beach shore birds protection since 2021and yielded significant results in pest control and public monitoring and nest monitoring.

As a responsible dog owner, who doesn't have children I love walking our dog on the beach and often walk around to brick bay and sandspit on a leash outside of breeding season with no impacts on shore birds. The current rules work well and I would be extremely disappointed to see a total ban for dogs. As more people are reaping the benefits of dog ownership, total bans are too restrictive for those living in this wonderful environment. It is a dream come true to live beach front and compromising for the protection of birds is essential but not a total ban.

On leash all year north of sunburst and a ban within 200m of nests only in breeding season is a sensible compromise to meet the needs of all. It's worked well for the past 5 years and there has been no evidence of dogs interfering with dotterel or nests. Cats have been the killers identified .

A study should be taken, showing proof of dog disturbances before a radical ban is placed to prove that a ban is required, no one can argue if there is evidence and facts that dogs are a threat worthy of a total ban. The last study undertaken is too old and not relevant to be able to make such a dramatic change.

If the council really do care about the shorebirds they would ensure every cat is registered and microchipped and mandate for cats to be kept inside during the night. Cats are the highest threat to dotterels in my first hand observations, also black backed gulls rodents, pukeko, children chasing them and people walking. I've helped photograph and track microchipped cats at night on the beach next to nests. Animal control did not have processes in place to respond fast enough to stop the cats returning night after night, hopefully this improves for the next breeding season as we were lucky to have 5 dot chicks fledge this season so there is plenty of opportunity to fix bigger threats before targeting and banning dogs.

I do hope for an amicable compromise as this situation is dividing the community and resulting in toxic trolling online and in person. Compromise from both sides is critical to an ensure a healthy community.

I really hope you take these comments into careful consideration.

Thank you for letting me have my say!

The dogs are not the issue when it comes to nesting birds. It is the cats. Cats kill for fun. Get owners to keep their cats in at night & the problem will go away.

A compromise is essential, a total ban has no supporting factual rationale for this drastic action to be taken when other threats to shore birds are higher than dogs and are currently being ignored. Ie; cats. Register, microchip and keep in at night.

The current dog access rules work well with no access to dogs over the breeding season from Sept to end March. Five dotterell chicks successfully fledged this season. My experience since I've lived here is that the greatest threat to breeding birds are cats. Rules need to be put in place for cats such as registration, kept inside at night etc.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Limiting areas we can walk our dogs without an alternative is not justified. The only one dog dedicated beach on the coast has even had its rubbish bins removed causing people to leave their dog poo bags around the beach. use the money we spend every year registering our dogs and do something productive with that money. i.e. a dog park

Proposed updates to the council's local park dog access rules

#7066

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Do you have any further comments about dog access rules at local parks or beaches?

The vast majority of dog owners here are very considerate of our much loved birdlife. I believe that any further changes would still not be adhered to by the tiny inconsiderate minority who seem not to care about the nesting birds with realistically no consequence.

I walk my dog on Big Manly Beach most days and have never seen any issues with dogs and dotterals. The dotterals nest at the far end of Big Manly Beach nowhere near Cross St, so a proposal for dogs to be on lead up to Cross St is way over the top. Shakespeare is a pest free bird sanctuary 5 minutes drive away, could the dotterals be caught and released out there where all will benefit?

Please allow our well behaved doggo to run around free on the beach! The beach is his favourite place. He collects rocks and would never leave the beach if it were up to him! Don’t let a few irresponsible owners ruin it for everyone.

Do you have any further comments about dog access rules at local parks or beaches?

Allowing dogs on leash in areas such as the above beaches, creates an environment of trust with each owner. However, leash and free roam are two very different things. Under control on a leash outlines a very clear regulation and if considered for a majority of these locations would be followed by MOST.

Do you have any further comments about dog access rules at local parks or beaches?

Whilst I appreciate the need to provide protection for the local birds and applying access restrictions to these areas for dogs is one way of doing this, it seems that there is an ever decreasing area to exercise dogs. As with many things, it seems that the many get punished for the actions of a few irresponsible owners, rather than identifying those that break the existing rules and imposing sanctions where necessary. It is also likely that the more complex the rules are (e.g., west of this line, or east of that line, before 10a.m., after 5p.m. etc. etc.) the harder they become to understand, adhere to, impose and sanction. There is already zero access to Shakespear Regional Park for dogs and along the whole of the Whangaparaoa peninsula with the exception of a number of small parks and reserves, the beaches provide the only area where dogs can be exercised off leash and further restrictions would seem somewhat of a blunt tool to protect the nesting birds. The suggested amendments provide what appears to be a common-sense approach to managing and mitigating risks to bird life in these areas, whilst allowing responsible owners to enjoy exercising their dogs.

Proposed updates to the council's local park dog access rules

#7104

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

I think dogs should be on a leash and under control at all beaches. There should be off- leash dog parks designated.

Do you have any further comments about dog access rules at local parks or beaches?

I believe a ban is too harsh and that dog owners and forest & bird can agree on a suitable arrangement for both parties, we don’t need a ban!!

Do you have any further comments about dog access rules at local parks or beaches?

We know all the people who own dogs and live at Tindalls and they are responsible dog owners. Any trouble comes from out of area people and their dogs. Most week days the only people on the beach are locals with their dogs! There are many reasons that the dotterel chicks don't all survive ... other birds, cats, people... yet dogs are blamed without photo proof that they were responsible... so no sweeping changes and knee jerk reactions please

Do you have any further comments about dog access rules at local parks or beaches?

Also regarding the proposed changes to Botanic gardens in Manurewa. I oppose the changes reducing the dog off leash area. Recently council bought 1.6 hectare adjacent property on Hill rd for $12 million in 2023. They have this additional area to make unavailable for dog walkers. No need to Make changes to existing boundaries.

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Dogs are a huge part of our communities. We need to potentially consider a few beaches allocated as "off lead dog parks" all year round in Whangaparāoa. With other beaches with time restrictions and other beaches where no dogs are allowed.

Proposed updates to the council's local park dog access rules

#7125

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

We have many dogs and families who should also be considered while still protecting these birds

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

There are plenty of rules around bird protections, tons of DOC islands and other restricted areas. Why more? I have never seen dogs causing problems, it must be very rare and doesn't warrant this proposal

Do you have any further comments about dog access rules at local parks or beaches?

Where was the community engagement prior to these proposed changes? As a dog owner I'd have thought there would have been better communication before now. This will have enormous impact on our community, beaches are were so many of our dogs get their exercise being a costal community.

Do you have any further comments about dog access rules at local parks or beaches?

I love that the dotterels are on our beaches and always put my dog on a lead when approaching the cordoned off areas, as a sensible and respectful dog owner I feel the current proposals are too strict as the dotterels are not nesting all year round.

Do you have any further comments about dog access rules at local parks or beaches?

I particularly oppose the restriction on Okoromai Bay Beach as there seems no good reason for it whatsoever and many dogs and owners really enjoy this place to run and play.

Do you want the change to apply to the entire location or a section of it?

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

The beachside is an important part of my life walking my dog, socializing and swimming as a retired person having the freedom to this is critical for my health and well being not to mention the dogs

Proposed updates to the council's local park dog access rules

#7169

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

As there is zero enforcement of the current rules, adding to them makes no sense.

I would much prefer to see the current rules enforced properly by having animal control patrolling the sensitive areas daily during the breeding season. There are people who already don't abide by the the existing rules, and will not abide by the new ones either unless made to.

Do you have any further comments about dog access rules at local parks or beaches?

I think having a dog warden for a period is a great idea. While there are many responsible dog owners, there are also those who aren't and rules need to be adhered to and enforced by Council.

Do you have any further comments about dog access rules at local parks or beaches?

Our Dogs are an inherent part of our family - we need to take them with us and our children & grandchildren

Proposed updates to the council's local park dog access rules

#7198

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 3

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Do you have any further comments about dog access rules at local parks or beaches?

The pleasure that we get from walking along the beaches with my dog is one of the biggest joys in my life, it is a daily ritual we both love and enjoy

We are all responsible dog owners and we do put our dogs on a leash when nearing the doterells nesting sites. Letting the dogs on the beach meet each other every day on their walks along the beach is as much fun for me as it is for my dog .

I even provide a yearly calendar with photographs of the dogs that meet and walk the shoreline of Manly Beach it is done out of sheer good will. It also is a great social interactive with people who can be more isolated and the difference walking their dog along the beach and being part of the dog lovers beach community has been a game changer for these people

Do you have any further comments about dog access rules at local parks or beaches?

I have lived close to Manly Beach for over 50 years. I have found the dogs to be well controlled while enjoying the beach environment. I think the proposal for new dog laws are harsh and unjustified.

I further add that all the talk about ensuring welfare for dogs isn't really being followed through on. Removing yet even more exercise opportunities is detrimental not helpful. It is already difficult to ensure a dog is well exercised with limited options for off leash to,e for energetic breeds. None of this stops the real issues of wandering dogs and only punishes responsible owners.

I've filled in this form due to living in Hibiscus Coast. I can hand on heart say none of these restrictions are necessary. It would be better to implement some sort of dog license requiring more knowledge for owners and basic dog training. Also to police areas more as no one is around to enforce the rules anyway.

I also object to making forestry beach on leash. As above, it is already hard to find suitable spaces. Dog parks do not cut it. I object to all new restrictions.

In relation to pack walks, I think the restriction in numbers won't change anything. I am friends with walkers who walk large groups of dogs who have no issue, I have more issues with the average dog owner on a beach who cannot recall their dog. A poor pack walker with two dogs will still be problematic.

Dog walkers should be licensed and wear an identifia le uniform so if there are issues they can easily be reported. This should include signage on the van. I think if number of dogs to be restricted then up to 10 dogs. And they should stay out of the way if sharing space with other dog walkers.

None

Proposed updates to the council's local park dog access rules

#7244

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Are there any dog access rules at other local parks and beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this time and no changes will be made on any location you identify in this section as part of this proposal.

Only provide feedback on one location at a time.

Space is provided for three locations. If you would like to provide feedback on more than three locations, please copy the following pages or include your comments in the other feedback section.

Location 1

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Location 2

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Do you have any further comments about dog access rules at local parks or beaches?

Please keep it as is; we currently are aware of and work round current rules which allow the Dotrils flexibility. They seem to be working fine.

Do you have any further comments about dog access rules at local parks or beaches?

The suggestions I have given above for each point are based on careful research, visits to the beaches concerned and speaking with local dog owners. It is VERY IMPORTANT that dog owners and bird lovers are not seen as opponents. For that reason I have been involved with others in discussions with local Forest & Bird and Dotterel minders and we all agree with these suggestions.

I live between Manly and Tindalls bays and regularly exercise my dogs on both beaches. I am a local veterinarian and strongly support people's need to exercise their dogs for the welfare of the dogs and because well-exercised dogs are less likely to engage in nuisance behaviours that can negatively impact non-dogowners. I am also conservation-minded as a member of the Pest Free Peninsula project and guide at Tiritiri Matangi Island so I fully support the protection of bird species such as the Band Dotterel which are so easily disturbed by uncontrolled dog behaviour. I fully support the ALTERNATIVE PROPOSAL put forward by agreement between the two community groups listed as I believe it achieves the best balance between the somewhat competing desires of the two groups, but also MUCH more effectively achieves improved protection for the bird species nesting on our beaches.

The area on Big Manly and Tindalls Bay is the area I walk my dogs currently and have walked them since 1993. Every morning I collect rubbish in this area to clear the beach for the people using it after 10am. Having the amendment to request dogs be on lead within 200 metres of nesting dotterels is a great solution to the original proposal which would be negatively life-changing for many regular walkers and their dogs. The proposed change would also be impossible to police. Currently if I am on the beach between 10am and 5pm without my dogs and see other people with dogs exercising there, it is infuriating because NO ONE gets any fine for it. I phoned dog control on Boxing Day one year to tell of a large dog running for a frisbee in the best part of the beach with a large group of people. I was told I had to get a photo of the car the people came in and they could deal with it in three days??? Seriously. We all just had to throw up our hands and do nothing whilst avoiding that part of the beach for fear of retribution if we said anything. The level of dog control monitoring our beaches currently is pathetic so the amendment is a much better solution for the amount of policing available.

Do you have any further comments about dog access rules at local parks or beaches?

I would first of all like to say that the opening statements from Council on this matter contradict each other.

They say that “Dogs provide companionship, emotional support and help foster social connections” and that you “aim to keep dogs a positive part of the life of Aucklanders”.

All of the above is very true.

You also point out that the population of Auckland is growing. Why then would you suggest concentrating Auckland’s dogs into an even smaller area? This will lead to more dog fights and make dog walking much more stressful to owners. It makes no sense at all.

IMPORTANCE OF OFF LEAD EXERCISE:

I would like to comment generally on on/offlead exercise. It is well known that some dogs are more aggressive on lead than off lead as they feel more vulnerable due to not being able to run away from a dog they are frightened of. This is another reason why off lead exercise is so important and the areas designated for them should not be restricted any further.

A SUGGESTION

That all new subdivisions include a dedicated off lead dog park eg the one at Auranga, Drury. These sort of parks pose no threat to the general public.
