Local Board: Ōrākei

Your feedback:

1. **Overall, how well does the draft Maungakiekie-Tāmaki Local Board Plan reflect the priorities of your community?**

Quite well

Tell us why

Done good job so far

2. **Which of these do you believe our diverse community needs most?
(Select up to 3 options)**

Building partnerships with local groups and mana whenua to find local ways to provide for our community, Groups such as children, older people, and migrant communities can participate and connect within our communities., Support local volunteer groups to continue to do their work in communities.

3. **Which of the following would most improve neighbourhood parks for young people?
(Select up to 3 options)**

Cycle and walking path connections, Events and activities, Safety improvements e.g. lights

4. **Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.**

**Which of the following transport issues are most important to you?
(Select up to 3 options)**

Improve walking paths and footpaths, Ensure speed limits are safe, Work with partners and agencies to improve congestion issues

5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?

no, just thank you and God bless

Your feedback:

1. **Overall, how well does the draft Maungakiekie-Tāmaki Local Board Plan reflect the priorities of your community?**

Not at all

Tell us why

They do nothing for the disability community

2. **Which of these do you believe our diverse community needs most?
(Select up to 3 options)**

Free activities and events in local parks, libraries, and public spaces, Building partnerships with local groups and mana whenua to find local ways to provide for our community, Maintain and improve local parks, playgrounds and sports fields to better meet the needs of our growing community.

3. **Which of the following would most improve neighbourhood parks for young people?
(Select up to 3 options)**

Other, please specify: Connections to public transport, events and activities, safety improvements, shade and seating, Wi-Fi connection

4. **Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.**

**Which of the following transport issues are most important to you?
(Select up to 3 options)**

Other, please specify: Improve walking paths and footpaths, ensure speed limits are safe, work with partners and agencies to improve congestion issues, help town centres make the most of rail connections, better public transport

5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?

Make everything accessible

People with all kind of disabilities

Your feedback:

- 1. Overall, how well does the draft Maungakiekie-Tāmaki Local Board Plan reflect the priorities of your community?**

I don't know

Tell us why

- 2. Which of these do you believe our diverse community needs most?
(Select up to 3 options)**

Groups such as children, older people, and migrant communities can participate and connect within our communities.,Other, please specify:Take out speed bumps so that older people can continue to use the roads to connect with their community.

- 3. Which of the following would most improve neighbourhood parks for young people?
(Select up to 3 options)**

Other, please specify:No speed bumps on the ways to parks so grandparents can take them there.

- 4. Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.**

**Which of the following transport issues are most important to you?
(Select up to 3 options)**

Improve walking paths and footpaths,Improve the cycling network,Other, please specify:Please take out speed bumps as they are an accessibility issue for especially older people and do not help the climate at all. See my documentation below.

- 5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?**

Speed Humps are an accessibility, ageist and sexist issue and should only be implemented with the utmost care, and after consultation with ALL road users in Auckland.

Speed humps can cause spinal injuries, they can even cause spinal fractures, especially for people riding on a bus, and these are very difficult and disabling.

They affect older people and people with neurological issues such as (recovering from) concussion, back weaknesses, the very young and those who have undergone surgery disproportionately and there are many other ways to keep our roads safe from hoons that do not punish all the other road users.

They might affect women more as they can be more delicate and can have added strain on their backs from pregnancy, giving birth, or related injuries.

Also taller or bigger people would suffer disproportionately more from the effect.

Speed humps can even make drivers less safe as continuous jolting can cause brainfog.

Anyone who has to drive across Auckland for work, might easily have to drive over more than 42 speed humps in one single commute.

Let alone professional drivers such as couriers or delivery drivers.

The humps are particularly difficult to take in small, economical, climate friendly cars, such as the hybrid Toyota Aqua. Because these cars have a short wheelbase they bounce around more. We try to conserve fuel, because of climate change and the fuel crisis, but instead these Local Board and AT measures are making this impossible and so force people into driving larger and more expensive cars.

For people with back sensitivities that get aggravated by the repetitive strain injury of continuously going over the same styled humps there is no way that they can accommodate the humps in their car at any speed. They

might have to stop in the middle of an arterial route and then sometimes also face road rage from other impatient road users behind them.

This is an issue for Occupational Safety and Health and needs to be taken on board as these are real work-related health issues.

Speed humps make it impossible to go to work, to the local supermarket, shops, doctors, community centers and the local parks. Buses use the same road so that makes no difference.

They can also make it impossible to take the train if routes to the train station have speed humps. For instance Fruitvale station is unreachable as it is surrounded by many severe bumps.

They can make a person confined to their own street and some backroads that can be reached without humps.

International safety requirements state that bumps should not be higher than 7.5-10cm.

Some Auckland speed bumps are higher than is internationally considered safe. Visitors from overseas are also remarking that the bumps in Auckland are very steep. By the same token, the sharp bumps in some petrol stations or parking areas of malls are also very bad just because they are so sharp.

There need to be bump free roads and corridors across the motu, that will be designated as and **remain** bump-free.

There need to be accessible roads and routes to supermarkets and trains and buses.

Local Boards and Auckland Transport plans should consult in a timely and simple manner, say only once a year, over all roading plans across Auckland, after notifying ALL Aucklanders.

Auckland Local Board and Council need to be inclusive to all ages and take the effect on vulnerable road users on wheels into account. This includes young babies and children in cars, people being transported in

ambulances, all professional drivers and all people with or recovering from back neck or brain injury like concussion. They should give absolute priority to alternative safety measures that are less harmful.

Many people in the local communities agree that they do not want to be continuously impacted or even suffer physically because of a minority of speeding drivers or aggressive hooners.

Electronic speed feedback signs are very effective, and with cooperation with the police can be accompanied by speed cameras where needed.

For instance, in Green Bay/Whau Local Board area

Godley Rd is the main route to the East and South for South Waitakere residents, and to the local supermarket and shops and community facilities.

AT and local government consulted with some Green Bay residents about the 7! speed 'cushions' in succession, but failed to include the nearby Titirangi and Waitakere residents, who use the road multiple times every day to drive past go to the Green Bay New World and other essential local shops and services, and to the rest of Auckland and in fact the North Island.

Now that there are 7 humps at once is just too many, what is more they are very sharp ones, and it is therefore painful and impossible to drive over them in a Toyota Aqua and in fact in many other cars.

Add on a back injury or recovery from a concussion and you can see that work and life becomes impossible for some people.

Please people, take the speed bumps out and DO NOT PUT ANY MORE IN.

Submitter details:

Organisation: N/A

Local Board: Ōrākei

Your feedback:

1. Overall, how well does the draft Maungakiekie-Tāmaki Local Board Plan reflect the priorities of your community?

Tell us why

2. Which of these do you believe our diverse community needs most?
(Select up to 3 options)
3. Which of the following would most improve neighbourhood parks for young people?
(Select up to 3 options)
4. Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.

Which of the following transport issues are most important to you?
(Select up to 3 options)

5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?

1. The road surfaces have deteriorated substantially this winter. Many roads in our Local Board area are now rough and untidy to drive on

2. The Michaels Ave Park North Western field has a large puddle of water settling on it in recent weeks. When I was Chair of the Ellerslie Residents Assn the fields were upgraded but

the drainage was never well designed and if its not attended too soon this field will once again be unusable.

3. Motor-head noise at the Ellerslie Race Course entrance off Ladies Mile via Derby Downs in recent months a group of petrol heads have been gathering on Friday and Saturday nights in the Racecourse internal parking area via the underpass at the end of derby Downs. Last Saturday night the noise continued unabated until 1.30am. On previous occasions when I phoned the Council noise control at 11.30pm they informed me that the Race Course and it associated facilities have a permit to make noise until 10.30pm It seems this activity is not a racecourse activity but the underpass to their carpark has not controls after 10.30pm. The entrance to the internal section of the racecourse needs lockable gates after the curfew time - say its 10.30pm?

4. The Rail passenger service is so unreliable its a joke. Every time we want to use the rail service it seems to be closed for maintenance or an emergency incident? We moved to Ellerslie for the benefit of the frequency of public transport but our intentions have been thwarted by the unreliable service. I've lived in at least 45 cities in Asia and Europe and Africa and Nth America and nowhere did I experience such poor public transport services as we experience in Auckland. The design of the routes is not conducive to good service for the public. Everytime, there is a holiday or long weekend the trains are not working? The constant delays on opening the CRL have been very disappointing when traffic on the motorway from Ellerslie to the CBD and back does not exceed 30km per hour on the Motorway. Air pollution and increased fuel consumption hit us all in the pocket while unexplained delays in the service continue.

Events and activities, Safety improvements e.g. lights, Other, please specify: Wifi - specific timeframes allows for communication

4. **Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.**

Which of the following transport issues are most important to you?
(Select up to 3 options)

Improve walking paths and footpaths, Ensure speed limits are safe, Work with partners and agencies to improve congestion issues

5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?

It states community can access and benefit from our facilities and programmes which is great. But I believe some of these facilities need attention. Eg: some library power source for community usage for studies. More disabled parking, refurb of the community hall like bathroom facilities and more. I think there should be a shuttle bus to pick up elderly community from pick up points and drop them off to specific locations to provide safety and accessibility.

Your feedback:

1. **Overall, how well does the draft Maungakiekie-Tāmaki Local Board Plan reflect the priorities of your community?**

Not at all

Tell us why

Is focused on how to spent Ratepayers' money and not on how to save ratepayers money. Is just interested in it's pork barrow feel good (for the council members)politics.

2. **Which of these do you believe our diverse community needs most?**
(Select up to 3 options)

Other, please specify:Reduce expensive poor quality projects and consider the people who are forced to pay for it

3. **Which of the following would most improve neighbourhood parks for young people?**
(Select up to 3 options)

Other, please specify:Reduced rates so parents could more afford what their children enjoy.

4. **Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.**

Which of the following transport issues are most important to you?
(Select up to 3 options)

Other, please specify:Let's expenditure bit quality results. The opposite of what happens currently

5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?

To fight for ways to cut expenditure but obtain quality results. They need to understand how NZ spends in the top 10% of countries but obtain in the bottom 10% of outcomes. A lot of current expenditure can be cut and before any more expenditure to establish and resolve how to obtain professional results.

1. Overall, how well does the draft Maungakiekie-Tāmaki Local Board Plan reflect the priorities of your community?

Quite well

Tell us why

Like most things what we write and speak may sound outstanding but it's the actions we need to see, as in the recent past looking at some of the locations and layout of Bus and cycle lanes leaves a lot to be desired.

Some of the recent changes to bus stops means that passengers are now exposed to the elements when boarding the buses, along with buses now stopping on a traffic lane blocking normal vehicle flow. In some cases, you also see a new bus or T 2 lane restricting the normal traffic flow by reducing vehicle lanes, this is having a negative impact by forcing/encouraging to us side roads sometimes through built up areas like businesses main roads (the recent changes to the Strand in Parnell and the adding an extra pedestrian crossing on Beach road in causing obsolete chaos for road users trying to turn right from the Strand.

**2. Which of these do you believe our diverse community needs most?
(Select up to 3 options)**

Free activities and events in local parks, libraries, and public spaces, Groups such as children, older people, and migrant communities can participate and connect within our communities., Maintain and improve local parks, playgrounds and sports fields to better meet the needs of our growing community.

**3. Which of the following would most improve neighbourhood parks for young people?
(Select up to 3 options)**

Connections to public transport, Safety improvements e.g. lights, Wider play options e.g. options for over 10-year-olds

- 4. Local board decision making for transport is changing. Local Boards will decide on some things and advocate for others.**

**Which of the following transport issues are most important to you?
(Select up to 3 options)**

Improve walking paths and footpaths, Work with partners and agencies to improve congestion issues, Better public transport (buses and trains)

- 5. Do you have any other feedback on the draft Maungakiekie-Tāmaki Local Board Plan 2026?**
