

Colin Lawrie Reserve draft concept plan

Feedback must be received by 24th October 2024.

A concept plan has been drafted for Colin Lawrie Reserve that will give consideration to, amongst other things, the potential relocation of the playground, more informal recreation facilities, connectivity across the site and a new vehicle parking area (subject to feasibility) at the northeastern end of park.

The draft concept plan has been built upon initial consultation with the sports club user groups and the Franklin Local Board.

Colin Lawrie Reserve is located in Pukekohe on Reynolds Road. The park is a large sports park with six sport fields that provide for Rugby, Softball plus Cricket. There is also a significant amount of passive recreation at the site, which is a popular dog walking destination for local residents.

We want to get community feedback on the draft concept plan and ensure that the plan incorporates the local community needs as well as the sports club needs. Depending on the results of the feedback, the plan can be progressed further to seek adoption by the Franklin Local Board.
