Your feedback

Representation review initial proposal

1. Overall, what is your opinion of the changes outlined in the representation review initial proposal?

Other

Tell us why

You need to do better at getting people to vote at elections. The local elections turnout is too low.

Changes to wards from the 2022 elections

2A. What is your opinion of the proposed changes to the *Central Auckland wards* (maps 1.1 to 1.4)?

Tell us why

2B. What is your opinion of the proposed changes to the North Shore and Albany wards (map 1.5)?

Tell us why

3A. What is your opinion of the proposed changes to the Rodney Local Board subdivisions (map 2.1 and 2.2)?

Tell us why

3B. What is your opinion of the proposed changes to the Howick Local Board subdivisions (map 3)?

Tell us why

Non-complying subdivisions

4. Do you have any feedback on the proposal to maintain some subdivision arrangements that are currently not compliant with the rule for fairness of representation?

I'm advocating for a separation of governance between the Maungakiekie subdivision and the Tamaki subdivision.

It needs to be clearer as to why Maungakiekie subdivision is a "community of interest with the Tamaki subdivision". I couldn't find any information which would help me understand why these two communities are of interest to each other.

The two subdivisions are clearly divided by the Penrose industrial area.

They are also politically different from each other. In the last local election, Maungakiekie only voted right on the political continuum, and that Tamaki only voted left.

The combination of the Maungakiekie and Tamaki subdivisions means the needs of the Maungakiekie subdivision gets drowned out by the left. This is because Tamaki (4) has more voting Board members than Maungakiekie (3).

Separate the governance of the Maungakiekie subdivision and the Tamaki subdivision.

Local board boundaries

5A. We are proposing that Saunders Reserve, currently split across Devonport-Takapuna and Upper Harbour Local Boards, will be fully in the Upper Harbour Local Board (map 4.1). What is your opinion of this proposal?

Tell us why

5B. We are proposing to move part of Kereru Reserve, currently split across Kaipātiki and Upper Harbour Local Boards, to the Upper Harbour Local Board (map 4.1). What is your opinion of this proposal?

Tell us why

5C. We are proposing to shift the section of the Upper Harbour / Kaipātiki boundary that lies between Caribbean Drive and Albany Highway southwards, so it follows a road boundary (map 4.1). What is your opinion of this proposal?

Tell us why

5D. We are proposing to align Bayview, currently split across Upper Harbour and Kaipātiki Local Boards, to the Kaipātiki Local Board (map 4.1). What is your opinion of this proposal?

Tell us why

5E. We are proposing to align Taumanu Reserve (Onehunga), currently split across Puketāpapa and Maungakiekie-Tāmaki Local Boards, to the Maungakiekie-Tāmaki Local Board (map 4.2). What is your opinion of this proposal?

Tell us why

- 6. Do you have any other feedback about how you and your community can be better represented through local boards and the governing body?**

The proposed changes do a great job of keeping communities of interest intact - while also ensuring compliance with rules around fairness of representation

Support

Tell us why

This is a very positive step towards ensuring fairness of representation in the Howick area, as the Botany-Flat Bush area has long been represented by only 3 Members (the same as Howick and the same as Pakuranga), despite their population vastly exceeding that of the other 2 subdivisions for many years. Splitting up Botany and Flat Bush is also a good choice, as it recognises these distinct community of interest.

Non-complying subdivisions

4. Do you have any feedback on the proposal to maintain some subdivision arrangements that are currently not compliant with the rule for fairness of representation?

No real feedback. The reasons provided for maintaining the subdivision boundaries all seem fair - even if representation is somewhat distorted.

The proposed changes are conservative and have regard to local communities. Consideration of the electoral boundaries meeting rules are followed with exceptions.

2A. What is your opinion of the proposed changes to the *Central Auckland wards* (maps 1.1 to 1.4)?

Other

Tell us why

A section south of Royal Oak and potentially bounded by Hillsborough Rd and the Southern Motorway should be considered for inclusion in Maungakiekie subdivision being a community more aligned with Onehunga/Royal Oak.

4. Do you have any feedback on the proposal to maintain some subdivision arrangements that are currently not compliant with the rule for fairness of representation?

Fairer representation improvement might be achieved if a section south of Royal Oak and potentially bounded by Hillsborough Rd and the Southern Motorway should be considered for inclusion in Maungakiekie subdivision being a community more aligned with Onehunga/Royal Oak.

A section south of Royal Oak and potentially bounded by Hillsborough Rd and the Southern Motorway should be considered for inclusion in Maungakiekie subdivision being a community more aligned with Onehunga/Royal Oak.

6. Do you have any other feedback about how you and your community can be better represented through local boards and the governing body?

I believe Maungakiekie and especially the Onehunga & Royal Oak areas are under-facilitated in regard to quality community participation areas and significant opportunities for growth of sporting & recreational areas exist in the areas mentioned.

Ellerslie should remain as part of Maungakiekie ward and it makes more sense to include Pt England as part of the Ōrakei ward.

2A. What is your opinion of the proposed changes to the *Central Auckland wards* (maps 1.1 to 1.4)?

Other

Tell us why

I partially support these changes, specifically bringing the Royal Oak community back to MT. I didn't realise my children's schools (Royal Oak Intermediate and Onehunga High School) were not in our local board. It seems a strange placement of the boundary when a high number of the students attending these schools would be from the MT local board.

However, I think makes more sense for Ellerslie to remain in MT. It is such a long skinny local board by taking this chunk out the middle makes it more difficult to navigate and unite the 2 'ends'.

Representation review initial proposal

1. Overall, what is your opinion of the changes outlined in the representation review initial proposal?

Do not support

Tell us why

Do Not Support – For local areas we feel there is under-representation for disabled people and the proposal does nothing to address this. There is a lack of consistency across Council and Local Boards about how the rights of disabled people and their whānau are interpreted and acted upon. We would like to see agreed disability training undertaken by all elected members as part of their induction. There also needs to be oversight by officials as to how disabled people's needs are being met by Boards.

Increasingly disabled people and their families are moving north to cheaper housing options in the countryside and semi-rural areas. Consideration of their needs requires representation of disabled people and their families in Warkworth and Kumeu, which are their nearest town centres. Reducing the geographic catchment misses their voice.

3B. What is your opinion of the proposed changes to the Howick Local Board subdivisions (map 3)?

Do not support

Do Not Support. While we agree with the need for an increase to 11 representatives the boundaries drawn don't follow local school boundaries for Botany Downs Secondary College. People in the BDSC school zone don't identify with Ormiston.

Non-complying subdivisions**4. Do you have any feedback on the proposal to maintain some subdivision arrangements that are currently not compliant with the rule for fairness of representation?**

Alignment with the school zone would redress the imbalance in population for the new subdivision and Botany.

Support. We agree that Taumanu Reserve should be part of Maungakiekie- Tamaki Reserve. We see it as it is closer to Onehunga in identity than Hillsborough.

6. Do you have any other feedback about how you and your community can be better represented through local boards and the governing body?

Disabled people don't see themselves as being represented - we can't get on to the Council or Boards to be able to make a real difference. It's really difficult for a disabled person to campaign in local councils. We would like to see disabled people in leadership making decisions for us, with us.

We are deeply concerned about this lack of representation of disabled people in local decision making. While the Disability Reference Group is helpful, it simply doesn't have the capacity or the power to influence decisions on Council owned local amenities and infrastructure. For example accessible footpaths in council parks - can a person who has mobility needs access and use a local park safely? Years ago there was supposed to be an audit done on all parks. Where is that? Also change places bathrooms- there is no clear strategy for meeting the needs of disabled people and their families across Auckland because of the lack of representation.

We recommend a disabled representative on each local board, this would help build a good relationship in the community. They need to have a broad vision of different disabilities, including autism/neurodivergence, and include parents of disabled people who are often in time poverty- with no choices or capacity to engage when Council representatives meet.

Knowledge of the United Nations Convention on the Rights for People with Disabilities and the New Zealand Disability Strategy is poor among elected members and candidates. We think it should be mandatory for elected members to undertake "Disability 101 training" to understand disability rights, legislation and strategy that they have a legal responsibility to uphold.

As local boards meet on different days and times, it's hard for disabled people to attend and engage, particularly during the day. We would like one board representative on each Council body to have the responsibility of connecting with disabled people and their families. This is particularly important in South Auckland.

Our analysis shows 49% of people with Intellectual Disability in Auckland live in South Auckland. The main areas, in order, are Manurewa, Otara/Papatoetoe, Howick, Mangere/Otahuhu and Papakura.

We also would like an Easy Read version of all consultation material provided by Council for Auckland residents. It's very difficult for people with intellectual disabilities to read documentation that comes out from council or any other institution. Picture exchange boards (PECS) for non-verbal members of our community are well received
