Have your say on pedestrian safety improvements on Hill Road.

Feedback must be received by **14 December 2026.**

We're proposing pedestrian safety improvements at two locations on Hill Road in Manurewa. We are seeking feedback from people who live, work, study, travel through or visit the area.

The changes aim to make crossing Hill Road safer and easier for people of all ages and abilities.

We're proposing improvements:

- Location 1: near Manurewa Library and Manurewa Central School
  - New signalised pedestrian crossing, traffic islands, pram crossings and tactile paving, with five on-street parking spaces removed to make space for the crossing.
- Location 2: Scenic Drive - Hill Road roundabout
  - New pedestrian refuge crossing, pram crossings and tactile paving, and upgrades to sections of footpath near the crossing.

Your feedback will help us understand community views on the proposed changes and whether any refinements should be considered before a final decision is made.

We encourage you to give feedback online at akhaveyoursay.nz, or you can:
