

Onewherowhero/Brains Park – Upgrade of park amenities

Feedback must be received by 29 February 2024.

A park concept design was adopted for Onewherowhero/Brains Park several years ago, this plan has initiated the requirement for a playground extension, provision of shade, picnic areas and an upgrade of existing park furniture. There is an opportunity within this project to install additional pathways to complete the perimeter footpath around the park.

The existing play space caters for senior play, so we plan to increase the play provision to include junior play.

We would like to understand how you currently use the park and what changes you would like to see.

We encourage you to give feedback online at akhaveyoursay.nz or you can:
