

Lloyd Elsmore Skatepark Upgrade

Feedback must be received by **15 February 2024**.

The purpose of this consultation is to seek feedback on the proposed upgrade of the Lloyd Elsmore Skatepark in Pakuranga.

The skatepark at Lloyd Elsmore Park is due for renewal and funding has been approved by the Howick Local Board to facilitate an upgrade of the current facility. This upgrade has been sought for many years by local users with a view for the skatepark facilities at Lloyd Elsmore Park to be improved to meet the increased demand and needs of skate in the Howick & Pakuranga area.

A concept design for upgrade of the park has now been developed and we are seeking feedback on this to ensure that the design meets the expectations and needs of the local community. We would like to hear:

- What aspects you like about the design
- What aspects of the design you would change if you could
- Any other ideas or feedback you may have in relation to the proposed skatepark upgrade

The skatepark has been designed as a more linear back and forth style skatepark. This style allows for higher user volume and to allow for the addition of more features than a multidirectional park generally does.

The key aim of this park design is to be a multi-use skatepark that takes into account the needs of the local skateboarders, BMX riders, rollerbladers and scooter riders.

It is important to have your say so that Auckland Council and the Howick Local Board can understand your thoughts and make the best decisions for investment in the area and our community.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.

We encourage you to give feedback online at [akhaveyoursay.nz](https://www.akhaveyoursay.nz), or you can:
