

Proposed concept plans for Clevedon Village and Clevedon Showgrounds

Feedback must be received by 8 May 2024.

The Clevedon population is growing. There are a lot of new residential developments being built. Most of these will surround the community spaces in Clevedon Village and Clevedon Showgrounds.

We developed these concept plans in response to community concerns about:

- the impact of growth on Clevedon Village
- making better use of community spaces.

We strongly encourage you to read the proposed approach and accompanying information at akhaveyoursay.aucklandcouncil.govt.nz/clevedon-village-and-showground-concept-plan.
