

Linley Reserve – Playground Concept Design

Feedback must be received by 24 May 2024.

The Kaipātiki Local Board aims to deliver a significantly upgraded playground at Linley Reserve, located at 5 Linley Place, Hillcrest

- The overall design intent is to improve and enhance play provision within the local area targeting 0-7 year olds, with improved functions to make the park more enjoyable for all members of the whānau.
- The concept design has been developed following community consultation that took place in March 2022 and recent feedback from the Kaipātiki Local Board.
- The community told us the most popular play activities were climbing, swinging and sliding.

We would like to know what you think of the proposed concept design

We encourage you to look at the concept design before answering any of the following questions.
