

Edith Hopper Park playground renewal

Feedback must be received by **26th October 2023**

The Hibiscus and Bays Local Board and Auckland Council are renewing the playground at Edith Hopper Park.

The existing playground is designed for pre-schoolers to primary school age children, and offers a junior module with climbing and sliding, a swing-set and separate basket swing. Most of the playground is at its end-of-life and is due for renewal. However, the basket swing and shade sail are newer items and will be retained as part of the new playground design.

We would like your feedback on what play activities and colours you would like to see at Edith Hopper Park.

We encourage you to give feedback online at akhaveyoursay.nz, or you can:
