

SUNNYNOOK RECREATIONAL ENHANCEMENT CONCEPT

DEVONPORT-TAKAPUNA LOCAL BOARD, AUCKLAND

CONCEPT DOCUMENTATION

AUGUST 2021

Legend

1. Skate Area

The proposed skate area concept includes street style elements to accommodate a wide range of users and experience. Features include:

- Quarter pipe
- Ledge and manual platforms
- Slappy kerb
- Pump mound
- Abstract learn to ride line marking
- Bike and bag racks

This concept has been adapted from previous concept work undertaken by Premium Skatepark Designs for the community to integrate with existing park features and setting.

2. Basketball Area

- Refurbished full court with localised coloured surface and line marking.
- Install timber bench seating and grassed open space spill out areas.

3. Pathway Connections

- Remove existing legacy driveway and install new concrete path to playspace as indicated

4. Bus stop Entrance Refurbishment

- Remove legacy dysfunctional vehicular crossing and Install new pavement pedestrian access, bike rack, amenity planting, and low bollards as indicated.
