

Clarks Beach Recreation Reserve Upgrade

We are re-developing Clarks Beach Recreation Reserve and would like your feedback on the design and what to include.

We are looking to provide an overall concept to guide the reserves future development, with the renewal of the existing facilities being located in the northern part of the reserve.

Below is the draft concept design and some ideas for what to include in the re-design, including equipment options for a new playground. We can only include so many items, so please let us know what you would most like to see.

Please take this opportunity to have your say by completing the online feedback form.

Feedback is open until the 18th of June.

The Existing Site & Conditions

1 Stevenson Road.

2 The northern corner of the site.

3 The playground.

4 The toilets.

5 The BMX track.

6 The basketball court and skate park.

Clarks Beach Recreation Reserve Upgrade

Draft Concept Design
