

Have your say on the Papahua Park masterplan

Feedback must be received by 16 December 2024.

The Regional Capital Investment Work Programme has allocated \$5 million to develop a new sports park at Papahua Park, also known as Belmont Park, in Pukekohe. We are now developing a masterplan to guide long-term improvements and future investment decisions for the park. The aim of the plan is to provide open access, sport and recreational opportunities to meet the needs of new and future residents.

The masterplan design for the new park considers ways we can reflect cultural heritage and provide a safe and secure environment. It also includes ideas for new facilities, such as:

- shared walking and cycling pathways
- sport, recreation and play opportunities
- picnic, barbecue, hangout spaces
- planting trees and vegetation
- parking areas
- seating and signage.

Your input will help shape this space for everyone to enjoy.

We encourage you to read the proposed approach and accompanying information before answering any of the following questions.
