

Constellation Park Pump Track draft concept plan

Feedback must be received by 28 February 2025.

A new bike pump track is proposed for Constellation Park in Beachlands to provide young people with more recreational opportunities and a safe social space. Trail Pro Limited has offered to build and provide most of the funding for the track. Our assessment identified Constellation Park as the most suitable site because there is enough flat space in the park, it has safe and connected pathways, and it will not affect areas of cultural importance which could happen at other potential sites in Beachlands. The Franklin Local Board have adopted the draft concept plan. Now, we want to hear from you—would you support and use this new pump track?

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
