

Parrs Park Skatepark upgrade

Feedback must be received by 15 May 2026.

The Waitākere Ranges Local Board are proposing to upgrade the existing skate and wheeled play facilities at Parrs Park to better meet the needs of the local community.

Parrs Park currently has two small skate-related features that are located in different parts of the park. While these facilities are still usable, they no longer meet current expectations for a modern, inclusive skate and wheeled play space, particularly given the ongoing growth in the surrounding neighbourhood.

We want to hear from the community early to:

- understand how people currently use the park
- identify opportunities and concerns related to skatepark
- make the right decision for location and design
- make sure the skatepark fits well with other park uses.

We encourage you to give feedback online at [akhaveyoursay.nz](https://www.akhaveyoursay.nz) or you can:
