Imrie Park playground and perimeter path upgrade

Feedback must be received by 29 May 2025.

The existing playground at Imrie Park in Māngere has only basic play equipment.

We want to:

- upgrade the playground at the park
- create a safe and accessible play area for different age groups and abilities
- install a perimeter path around the park
- hear your feedback to create a design plan for the upgrade.
- What we want your feedback on [h2]

We want to know:

- how often you visit Imrie Park
- how you usually travel to the park
- about your main activity at the park
- if you prefer to go to other playgrounds and why
- if anyone in your household has a disability that affects how they access or use the playground
- what activities you would like us to include in the playground
- if you support the proposed perimeter path.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
