To much land is taken up by golf courses in Auckland that belong to the Auckland Council. Land should be kept as open spaces but used for other sports, activities including cycle lanes.

The draft plan sets regional policy for council-owned or managed golf land and has three objectives. Please tell us whether you support each objective.

Do you have any comments about your responses above? Best practice doesn't have to be the norm, especially when the ratepayer ends up paying for it, not Council. The most cost effective practice should be adopted instead, not this ideologically expensive nonsense.

The draft plan proposes four key shifts for golf courses on public land to benefit all Aucklanders. Please tell us whether you support each key shift.
