Proposed updates to the council's local park dog access rules

#52

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Whau

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

It is getting more and more restrictive to walk dogs. Dogs that are not walked become a social problem for everyone, not just dog owners.

For Hibiscus & Bays Local Board - Big Manly & Tindalls Beach

I OPPOSE the proposed Dog access rule change on BIG M

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

see reasons in previous question

For Hibiscus & Bays Local Board - Big Manly & Tindalls Beach

I OPPOSE the proposed Dog access rule change on BIG MANLY BEACH to restrict dogs to being UNDER CONTROL ON A LEASH AT ALL TIMES from Cross Street, Big Manly Bea

Proposed updates to the council's local park dog access rules

#826

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

They don't breed pass Beach Road, you only need to apply it form Beach Road to Tindalls. So remain the same up to Beach Road, and then on a leash past Beach Road to Tindalls.

Proposed updates to the council's local park dog access rules

#1217

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Dotterels do not always nest in the same part of the beach, so this option does not reduce the risk to them. It needs to stop people and dogs getting too close to nesting birds, disturbing them and leaving eggs vulnerable to predators. The year round opti

4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Currently dotterels and their nests are under danger of attack or intrusion by dogs. Many people allow their dogs off leash in these areas despite signs and obvious nesting areas

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

As previously ; dog owners disregard the rules or are unaware of them and dotterel nests and bird are endangered. All eggs disappeared this year.

Proposed updates to the council's local park dog access rules

#2807

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Organisation (if applicable):

Local Board: Albert-Eden

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

The right people keep their dogs under control on the beach. This area is a massively important part for the dog walking community

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Such an important area for the dog walking community

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

This involves balancing the needs of the birds vs that of locals and their ability to enjoy the beach with their pets. Options are somewhat limited to properly socialise/exercise dogs off-leash especially when combined with the changes to Tindalls.

I don

Response and Submission to Auckland City Proposed Changes to Beach Access for Dogs

Overview
Auckland Council have stated that it is important to review and update the rules around dog access to public areas. The “Have your say” information document published by Council sets out the intended outcomes:

Our policy helps us:

- *keep dogs a positive part of the life of Aucklanders*
- *minimises the problems that dogs can cause*
- *ensures the welfare of dogs.*

According to the above “Have your say” document published by Council on its website and dated 21 January 2025, data has been analysed as follows:

1. *Some dog access rules not followed*
2. *Some dog owners do not pick up after their dogs.*
3. *Some dogs wandering off-leash in on-leash areas, and*
4. *Packs of dogs taking up pathways.*

Not mentioned in the “data” but included in the paper is a quote by the Chair of the Auckland Council's Regulatory and Safety Committee, was reference to *“help protect wildlife, like endangered shorebirds nesting on our beaches…….”*

Submission
In regard to the first three points noted above, the proposed changes to dog access to beaches will have no effect in addressing these issues; they will achieve no change in behaviour of the small sector dog owner’s who disregard the present rules, move them to either smaller parts of our beaches (creating an even worse environmental outcome), or move them to other beaches or parks. Unfortunately a small portion of every population disregards such rules, and only a combination of monitoring for breaches, and enforcing rules (possibly coupled with public education and motivational programs) will motivate that small portion of our society to obey the rules.

Increase in monitoring and enforcing present dog rules will address the issues raised, rather than changing rules which continue to be mainly unenforced; in other words, more dog rangers, more visible, more often.

In regard to Councilor Bartley’s comments about “*protecting vulnerable wildlife*”.

Big Manly and Tindals Dotterel Minders, in collaboration with Forest and Bird Hibiscus Coast, have provided Council with a submission in regard to the wellbeing of dotterels, which clearly and concisely states that the changes in the current Dog Rules Proposal do not address the problem. These organisations have published their proposal to Council, and enabled those interested to support it. If the Council is indeed focussed on “*protecting vulnerable wildlife, like*

endangered shorebirds nesting on our beaches……", then I submit that taking the advice of these specialist organisations is more likely to be effective than the changes presently proposed. It is clear that the dotterel population in New Zealand is in fact growing due to the efforts and actions of these organisations and groups of volunteers, and the success of their approach to the problem proves its validity.

Please see below the submission by these organisations;

"Recommendation by Big Manly and Tindals Dotterel Minders:

(In answer to the question "B: If you do not support the proposed change, would you support one of the alternative options presented to decision makers in December 2024?, and choosing "Other (please explain)):

As dotterels do not always nest in the same part of the beach, this option does not sufficiently reduce risk to the dotterels. It does not prevent people from getting too close to nests causing the birds to be flushed off and leaving eggs vulnerable to predation and the elements. It also does not prevent people walking their dogs directly up to a nest. The year round option in particular causes conflict with many dog owners.

The alternative option, agreed by Hibiscus Coast Forest & Bird and Dog Friends Auckland is:

- The current time and season rule (a total ban of dogs on the beaches between 10.00am and 17.00pm from December 1st to March 1st) should remain.

During bird nesting season 1st September – 31st March:

- Dogs must be on a lead at all times within a zone of 200m around a marked dotterel nest.
- Dogs are prohibited from entering the 50m cordoned off zone around the nest itself."

Again, as with any "rule" and as stated above, the problem Council is trying to solve is the lack of compliance to rules by a small sector of the community, and changing the rules will not change the level of compliance.

Proposal

I propose that the existing dog rules in relation to beaches are retained, the recommendations provided by Big Manly and Forest and Bird Hibiscus Coast are implemented, and sufficient resources are provided by Council to monitor and enforce those rules.

Manly, Whangaparāoa
Auckland 0930

Proposed updates to the council's local park dog access rules

#4281

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Proposed updates to the council's local park dog access rules

#6975

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#6998

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Rodney

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7029

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: I don't know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7060

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Proposed updates to the council's local park dog access rules

#7103

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: I don't know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7134

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: I don't know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7157

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

Q4 HB-B-1

Tindalls Beach Question

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7177

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Rodney

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

Q4 HB-B-1

Tindalls Beach Question

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7240

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: I don't know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.

Q4 HB-A-1

Big Manly Beach

What do you think of this proposed change?

I do not support the proposed change

If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on BIG MANLY BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enter

I WISH TO SEE THE FOLLOWING CHANGE: I strongly request that on TINDALLS BEACH the current time and season rule remains but that, where a Dotterel nest is identified and marked, dogs must be on a lead within 200 metres of the nest and prohibited from enteri

Proposed updates to the council's local park dog access rules

#7263

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: I don't know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 4 (local park access).

4. Dog access rules at local parks and beaches

Submitters were able to select from a list of parks with proposed local dog access rules changes to provide feedback.

Feedback is only included for the parks chosen to respond to.
