

Kuhanui Reserve concept plan

Feedback must be received by 15 May 2025.

The Papakura Local Board has approved the development of a new playground at 16 Kuhanui Drive, Hingaia. This project will:

- provide open space and recreation for growing communities in Papakura
- support healthy lifestyles
- help the community to build social connections
- help us make use of existing outdoor space and community facilities
- support Auckland Plan outcomes related to belonging, participation and Māori identity and wellbeing.

We are proposing to:

- build connecting footpaths between Breton Road, Kuhanui Reserve and Kaimanawa Road
- add planting between the new playground and Bayvista Drive Reserve to protect the overland flow path
- provide shade, such as a shade sail
- create a separate play areas for early childhood (0-4 years) and junior (5-12 years) age groups
- include a social gathering space
- incorporate nature play elements
- include open green space.

We would like to know:

- if you support the concept plan for the playground renewal
- what your top three preferred pieces of play equipment are
- if there is any other equipment you would like us to consider
- if you have any other feedback on the concept plan.

These works are out-of-scope:

- toilets
- boardwalks
- sports tracks
- cycleways
- car parks
- traffic-related infrastructure including bridges or assets which are not managed by Parks and Community Facilities.
- works located outside council-owned parks and reserves
- lights / CCTV cameras.

We will update the concept plan based on your feedback and present it to Papakura Local Board for approval.

We aim to finish the construction by end of 2027.
