

Stanley Bay Park playground upgrade

Feedback must be received by 20 November 2026.

We want to renew the playground at [Stanley Bay Park](#) on Calliope Road.

We have identified that the:

- existing playground equipment is in poor condition
- surrounding ground often gets too wet and muddy to play on.

In November 2025, we asked 30 students from Stanley Bay Primary School what they would like in the new playground. We used their feedback to develop 3 options for the new playground.

All options include:

- climbing frames and slides
- adventure and nature-based play features
- balancing and exploration activities
- a swing basket
- natural play elements including rocks, logs, balance beams, timber steps and balance ropes
- new plants to help improve ground conditions
- the existing two-bay swing set.

Each option also includes a different large play structure and carousel designed for children of all abilities.

You can view the concept options at:
akhaveyoursay.aucklandcouncil.govt.nz/stanley-bay-playground

We will use your feedback to help us decide which option to choose for the new playground. We will then present the preferred design to [Devonport-Takapuna Local Board](#) in December 2026.

Between December 2026 and January 2027, we will:

- complete the detailed design
- prepare the site for construction.

We expect to finish building the new playground in April 2027.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
