

Help pick a new location for the Ōtara Town Centre playground

Feedback must be received by **20 June 2025**

We are proposing to move and upgrade the playground and seating in Ōtara Town Centre and we want your feedback.

We have listened to concerns about the continuing anti-social behaviour near the playground at [Bairds Road](#) reserve. After considering our options we have decided to move the playground to a new location.

The playground will have new play equipment and seating.

We will find another use for the old playground equipment.

We are considering four options in the town centre for the new playground. They are:

- in the central plaza area
- by the library entrance
- next to the medical centre
- in front of the pool and recreation centre.
