Policy on Dogs- Monte Cecilia Park

What are the current rules for dogs at Monte Cecilia Park?

Dogs are allowed under control on a leash in the park and are no longer allowed off leash in the 'bowl' area (see page 50 of the Policy on Dogs).

Will the masterplan change the dog access rules at Monte Cecilia Park?

No, the policies and rules for dog access are contained in Auckland Council's Kaupapa mo ngā Kurī, Policy on Dogs 2025 .

The masterplan will set out a vision for the park, and will set out ideas for short, medium and longer-term improvements. It will consider all the different ways people currently use the park, and how they would like to use the park in the future, including for dog walking.

The masterplan could help to inform any future bylaw or dog policy processes.

How can I find out more about dog access rules?

You can read the Kaupapa mo ngā Kurī, Policy on Dogs 2025

You can also find out more about where you can walk a dog and search for a particular park here.

If you would like to talk to someone about the dog policy, please contact us.

Will the Policy on Dogs change in the future?

The current Policy on Dogs was completed in 2025 and will be reviewed in the future. The date for this review is not currently known; however, the Local Government Act 2002 requires the Policy to be reviewed every 10 years.
