

Johnson Reserve Upgrade

Feedback must be received by 5pm, 5 May 2025.

Johnson Reserve sits between Dunkirk and Tripoli roads with access from Larsen Road, Coral Crescent and Suda Place. The reserve currently has very few amenities and a narrow footpath along the southern boundary.

We want to:

- build a new playground, with a kick-a-ball lawn and picnic areas with visibility to Tripoli Road
- build a shared path for walking and cycling between Tripoli and Dunkirk roads
- build boardwalks
- widen entrances, improve visibility to main roads and increase recreation space
- make stormwater improvements to improve ecological function and resilience
- celebrate heritage and culture.

We want to know if you support the proposed concept plan.

We also want to know:

- what activities you would like to see included in the playground
- what amenities you would like to have in the playground and nearby areas
- about your main activity at the reserve
- if anyone in your household has a disability that affects how they access and use the playground
- if there is anything else you would like us to consider for proposed concept plan.

Please view the proposed concept plan and accompanying information before answering any of the following questions. A digital copy is available at akhaveyoursay.aucklandcouncil.govt.nz/johnson-reserve-upgrade, or you can find a hard copy to view at Glen Innes Library.

You can give feedback online at akhaveyoursay.nz or you can:

Scan and email your completed form to:
