

Clarks Beach Recreation Reserve

Renewal Concept Plan Development

Feedback must be received by 18 June 2021

We want your feedback to help create a multi-age-group play destination that caters to the expected population growth within Clarks Beach. You will help by selecting your priorities and preferred play space elements from the proposed recreational amenities.

The area we are looking to renew is the northern corner of the reserve, including the play space, toilets, skate park, and basketball court. We are also considering including a learn-to-ride circuit and picnic area.

We want your feedback on the location, existing size and scale of the skate park now. The actual design is still being investigated and will be consulted on at a later date.

All questions below are optional. We encourage you to give feedback online at [akhaveyoursay.nz](https://www.aucklandcouncil.govt.nz/feedback), or you can complete this form and return it to us using one of the options below.
