

Wai Manawa Little Shoal Bay Central Beach Reserve Renewal

Feedback must be received by 28 April 2025.

As part of the Shoreline Adaptation Plan: Waimanawa Little Shoal Bay consultation, we received feedback to improve the central beach area at Waimanawa Little Shoal Bay Reserve.

The renewal will align with the Local Park Management Plan and will:

- create more recreational water activities
- improve public access to the foreshore and coast
- support cultural heritage and identity
- improve the environment in the coastal area.
- What we want your feedback on

We want to know:

- how often you or people in your house use the reserve in summer
- how do you usually travel to the reserve
- what is your main activity at the reserve
- how we can acknowledge and celebrate the rich heritage of Waimanawa
- how we can improve access for pedestrians
- what type of recreational facilities you would like at the reserve
- anything else you would like us to consider for the renewal.
