

Jellicoe Park Permanent Lighting Display

Feedback must be received by 1st April 2025 at 11:59pm.

Jellicoe Park is one of oldest and popular parks in Onehunga. Last year, we did a successful trail of laser light display on one of the large oak trees in the park. We are proposing to install a permanent lighting display on one of the large pine trees in the park. This will reduce operational costs during events and attract more visitors.

We want your feedback on:

- if you attended the laser light display between 29 November to 29 December 2024
- how you felt about the 2024 laser light display
- if you support a permanent lighting display at the park
- your suggestions for the Christmas display in 2025
- what is your main activity at the park
- if there is anything else you would like us to consider about the park.

Your feedback will play a crucial role in helping the Maungakiekie-Tamaki Local Board make a final decision.

You can give feedback online at [akhaveyoursay.nz](https://www.aucklandcouncil.govt.nz/maungakiekie-tamaki/local-board/feedback) or you can:
