

Totara Views Playground Renewal

Feedback must be received by 5pm, 15 May 2025.

The playground at [Totara Views Reserve](#) in Red Beach is getting old and needs an upgrade.

We want to upgrade the playground and the area around it to provide a better experience for users, including:

- new and accessible play options
- safer soft surfaces in the play area
- improved drainage
- improved edging around the playground perimeter.

We want to know:

- how often you and the people in your household use the playground at the reserve
- how often you visit the reserve
- what you do at the reserve
- which other playgrounds you like
- if there is anyone in your household with a disability that affects how they can access or use the play space
- which colours or themes you would like us to use in our designs.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
