ID	Appellation	Land status
1	Lot 103 DP 373988	Recreation reserve
2	Lot 7 DP 324701	Local purpose (drainage) reserve

CULTURAL VALUES

- Refer to mana whenua

RECREATION VALUES

- Informal recreation - general

NATURAL VALUES

- Identified as a site with forest habitat in the Upper Harbour Pest Free and Ecological Connectivity Strategy 2021.

HERITAGE VALUES

No information for this section

OTHER INFORMATION

- There is a stormwater pond located on Lot 7 DP 324701.
- The Upper Harbour Greenways / Local Paths Plan 2019 presents a vision of a complete network of shared paths linking the parks network and other amenities.
- During storm events areas of the parkland may be subject to inundation from stormwater runoff.

MANAGEMENT ISSUES

No information for this section

MANAGEMENT INTENTIONS

1. Consider whether opportunities exist to improve connections through the park as part of the greenways network.

LEASES AND LICENCES

- Not applicable

List of values associated with park

Natural values

-  Significant ecological and biodiversity areas
-  Terrestrial and wetland ecosystems present

Recreation values

-  Informal recreation

Hazards and constraints

-  Closed landfill and/or identified contaminated land

Mapping features

-  Other parks
-  Road

ID Appellation

Land status

ID	Appellation	Land status
1	Lot 56 DP 177698	Local purpose (amenity and access) reserve
2	Lot 57 DP 177699	Local purpose (amenity and access) reserve
3	Lot 62 DP 181967	Local purpose (amenity and access) reserve
4	Lot 100 DP 343232	Recreation reserve
5	Lot 101 DP 343232	Local purpose (amenity and access) reserve

RECREATION VALUES

- Informal recreation - general

NATURAL VALUES

- Identified as a site with forest habitat and habitat connections in the Upper Harbour Pest Free and Ecological Connectivity Strategy 2021.
- Significant ecological area (SEA_T_8365) within or adjacent to the parkland.

HERITAGE VALUES

No information for this section

OTHER INFORMATION

Note the map does not reflect land acquired by Waka Kotahi NZ Transport Agency for the Northern Corridor Improvements. The land is subject to survey and new parcel boundaries will be reflected in an updated map.

- The park is adjacent to the Rosedale wastewater treatment ponds. The ponds are managed by Watercare and not part of the scope of this plan.
- The Upper Harbour Greenways / Local Paths Plan 2019 presents a vision of a complete network of shared paths linking the parks network and other amenities.
- Potentially contaminated land - some or all of the site may be affected by contamination. Ground intrusive activities may be constrained to ensure the health and safety of the public and limit environmental risks. Activities or developments may require asset owner approval. Contaminated land management plans may exist and should be referred to.

MANAGEMENT ISSUES

- Impacted by the Northern Corridor Improvements.

MANAGEMENT INTENTIONS

1. Enhance natural values within the park particularly native vegetation, wildlife, and associated ecosystems.
2. Work with Waka Kotahi New Zealand Transport Agency on the reinstatement of the park.
3. Consider whether opportunities exist to improve connections through the park as part of the greenways network.

LEASES AND LICENCES

- Not applicable

List of values associated with park

Natural values

-  Terrestrial and wetland ecosystems present
-  Park with stream running through or that is adjacent to the coast
-  Fauna e.g. birds, skins / lizards, fish

Recreation values

-  Informal recreation

Hazards and constraints

-  Other hazards or constraints

- Local purpose (esplanade) reserve
- Local purpose (esplanade) reserve

CULTURAL VALUES

- Refer to mana whenua

RECREATION VALUES

- Informal recreation - general
- Connection

NATURAL VALUES

- A mix of natural and artificial wetlands are present in the park.
- Large areas of native vegetation recognised for their conservation value.
- Identified as a site with forest and wetland habitat and habitat connections in the Upper Harbour Pest Free and Ecological Connectivity Strategy 2021.

HERITAGE VALUES

No information for this section

OTHER INFORMATION

- Contains stormwater ponds and plays a role in the management of stormwater within the Oteha Valley catchment.
- During storm events areas of the parkland may be subject to inundation from stormwater runoff.

MANAGEMENT ISSUES

No information for this section

MANAGEMENT INTENTIONS

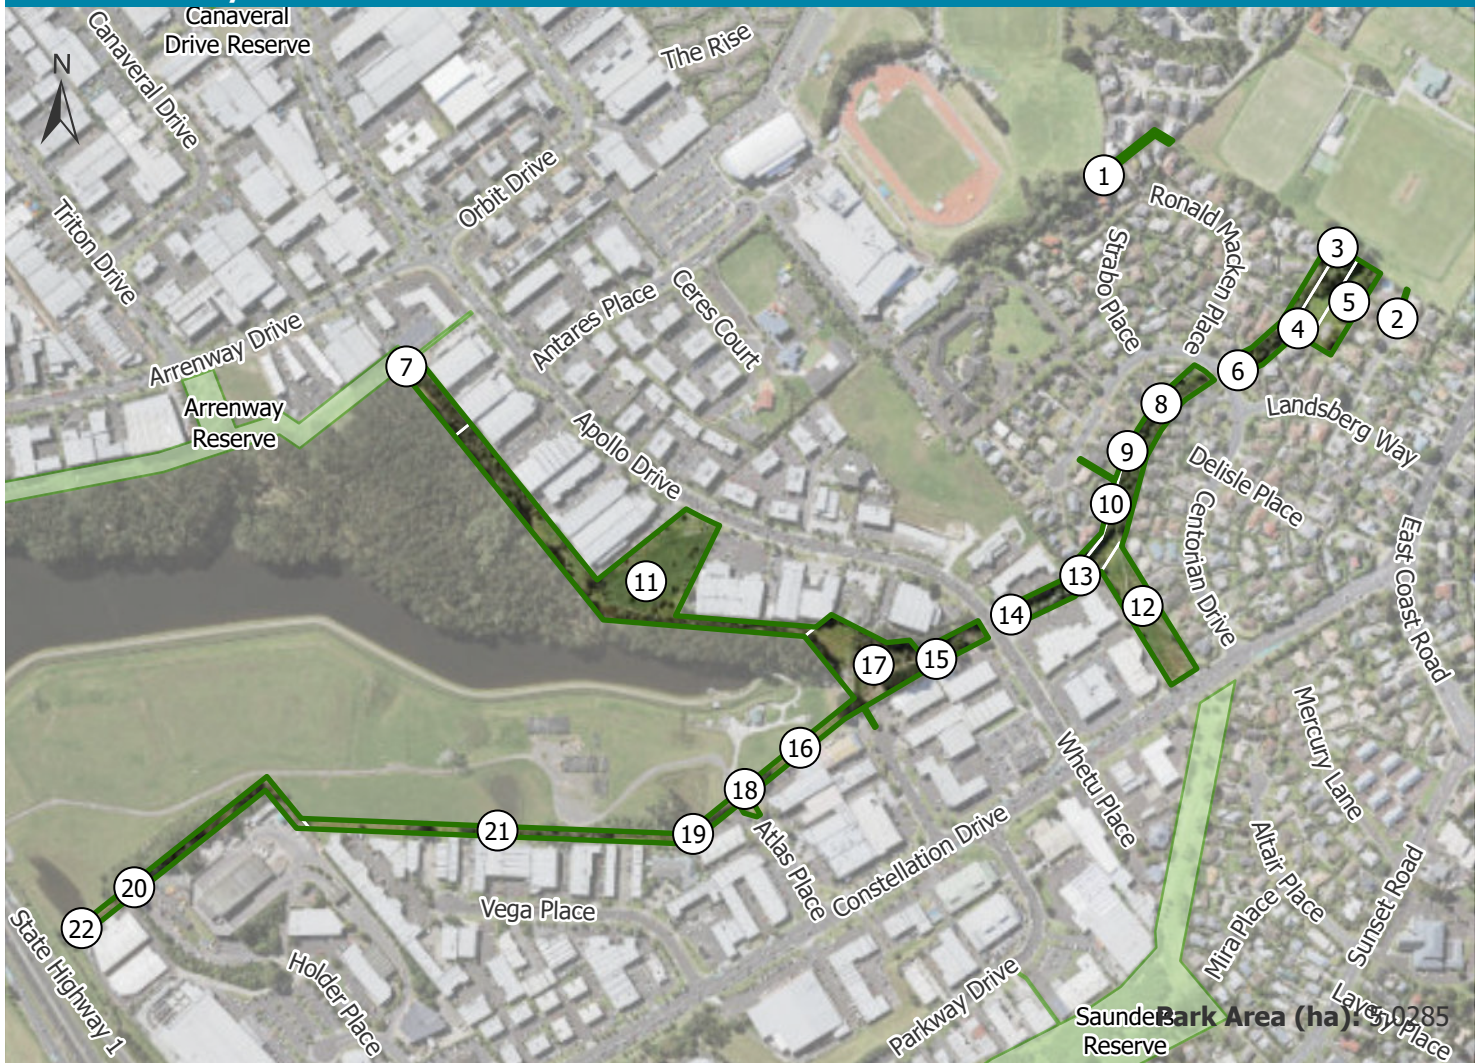

1. Maintain natural values within the park, particularly native vegetation, wildlife and associated ecosystems.
2. Consider opportunities to support the in-stream ecological health of Oteha Valley Stream.
3. Provide for the management of stormwater within the Oteha Valley catchment.
4. Retain the existing open space for informal recreation.

LEASES AND LICENCES

- Not applicable

Centorian Reserve and Windsor Park Accessways

2 Centorian Drive, Rosedale

CULTURAL VALUES

- Refer to mana whenua

RECREATION VALUES

- Play space
- Nature based activities
- Informal recreation - general
- Connection

NATURAL VALUES

- Significant ecological area (SEA_T_8365) within or adjacent to the parkland.
- The following ecosystems are present within the parkland:
 - Regenerating: Broadleaved scrub/forest, (VS5)

HERITAGE VALUES

No information for this section

OTHER INFORMATION

- Contains a stormwater pond and watercourse.
- Significant overland flow path running down the middle of the park towards the stormwater pond.
- Contains a designation for underground route of wastewater outfall to Mairangi Bay (Watercare, 9311).
- Lot 2 DP 349722 containing the sports fields is owned by Windsor Park Community and Multisport Hub Incorporated, and is out of scope of this plan. However, for the purposes of advocacy the general policies and provisions of this plan will guide the board's position and input into future management or development of this area where it is required.
- The accessway to Ronald Macken Place is road and under the control of Auckland Transport.
- The Upper Harbour Greenways / Local Paths Plan 2019 presents a vision of a complete network of shared paths linking the parks network and other amenities.
- The Upper Harbour Strategic Play Provision Assessment 2018 identifies opportunities to improve the network of play experiences in the local board area.
- Potentially contaminated land - some or all of the site may be affected by contamination. Ground intrusive activities may be constrained to ensure the health and safety of the public and limit environmental risks. Activities or developments may require asset owner approval. Contaminated land management plans may exist and should be referred to.
- During storm events areas of the parkland may be subject to inundation from stormwater runoff.

MANAGEMENT INTENTIONS

1. Maintain the natural values and character of Centorian Reserve, particularly native vegetation, wildlife and associated ecosystems.
2. Consider whether opportunities exist to improve connections through the park as part of the greenways network.
3. Maintain the accessways that connect the surrounding area to Windsor Park as part of a vital connection in the greenway / local paths network.
4. Consider opportunities to improve sightlines around the existing play space.

LEASES AND LICENCES

- Not applicable

MANAGEMENT ISSUES

- Location of the southern extent of Centorian Reserve in an industrial area that is separated from residential areas by major roads.

NATURAL VALUES

- Oteha Stream runs through areas of this parkland

HERITAGE VALUES

No information for this section

OTHER INFORMATION

- The park stretches from Hugh Green Drive to Killybegs Drive.
- Underground stormwater and wastewater services are located in the park.
- The berms immediately adjoining the parks are utilised as parkland. While Auckland Council maintains this land, it is under the control of Auckland Transport. The general policies and provisions of this plan will guide the local board's position and any future input into management or development of this area where it is sought.
- The Upper Harbour Greenways / Local Paths Plan 2019 presents a vision of a complete network of shared paths linking the parks network and other amenities.
- The Upper Harbour Strategic Play Provision Assessment 2018 identifies opportunities to improve the network of play experiences in the local board area.
- The Upper Harbour Urban Ngahere (Forest) Action Plan 2021 outlines steps to increase tree canopy cover in the local board area over the next 10 years.
- The Upper Harbour Wheeled Recreation Assessment 2021 identifies opportunities to improve the network of wheeled recreation facilities in the local board area.

MANAGEMENT ISSUES

- The park is located within a flood plain and experiences periodic flooding.

MANAGEMENT INTENTIONS

1. Consider provision of play experiences complimentary with those at nearby Taroka Reserve.
2. Consider opportunities to develop learn to ride / pump skill elements.
3. Consider whether opportunities exist to improve connections through the park as part of the greenways network.
4. Consider planting trees to improve shade, activate spaces with culturally significant planting, and increase tree cover.
5. Planting must not compromise sightlines into the park or the ability for informal recreation to take place in the open space.
6. Work with Auckland Transport over the management of unformed legal road that is utilised as parkland.

OTHER INFORMATION

- Two of the land parcels that make up the park are located within the Devonport - Takapuna Local Board area (Part Allot M199 Parish of Takapuna and Part Lot 3 DP 31537). Those parcels will be covered in the Devonport-Takapuna Local Parks Management Plan.
- The Upper Harbour Greenways Plan 2019 has identified a potential greenway connection through the park from Sunset Road to Constellation Drive. Currently there is only a walkway which connects Altair Place with Constellation Drive.
- The Upper Harbour Greenways / Local Paths Plan 2019 presents a vision of a complete network of shared paths linking the parks network and other amenities.

MANAGEMENT ISSUES

- The park is very narrow and has very limited potential for development.

MANAGEMENT INTENTIONS

1. Consider whether opportunities exist to improve connections through the park as part of the greenways network.
2. Work together with the Devonport-Takapuna Local Board over the management of the park.
