

Walter Massey Park masterplan

Feedback must be received by **2 October 2023**.

We are developing a masterplan for Walter Massey Park. The masterplan will guide long-term improvements and future investment decisions in the park.

The masterplan will consider things like;

- cultural heritage
- shared walking and cycling pathway networks
- sport, recreation and play opportunities
- picnic/BBQ/hang out spaces
- provision for youth
- planting
- parking
- signage – directional and interpretive
- safety and security.

We want to know:

- whether you use the park
- what you do when visiting the park
- what you enjoy about the park
- what could be changed or added.

Your feedback will help us develop the draft masterplan. Once we have developed the draft masterplan, we will ask for your thoughts again to make sure we've got it right.
