

Jutland Road Reserve Playground Renewal

Feedback must be received by **25 August 2023**

The Jutland Road Reserve playground is a key project that will help to bring all the adjoining areas together. The key outcome sought is to create a high amenity recreational area that will attract a wide age group to the park and provide an open green public space for this area.

We are engaging to establish the community's preference on what they would like to see in their future playgrounds and the feedback will be incorporated where feasible into the designs and the design will be presented the Franklin Local Board for decision making.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.

We encourage you to give feedback online at akhaveyoursay.nz, or you can:
