

A new playground for Henderson Park

Consultation is open until Thursday 3 September 2026.

As part of the wider Unlock Henderson Programme, we are planning a new playground in Henderson Park, Henderson.

This urban regeneration project is part of our work to help create an urban eco centre and enhance the mauri of the twin streams in Henderson. Projects like this new playground help create welcoming public spaces where whānau can play, connect and enjoy their local neighbourhood.

We're developing a design for the new playground, and we want to know what play equipment and features you think we should consider.

We want your feedback

We want your feedback to help us finalise a playground design. We want to know what is important to you and understand what playground equipment you think we should consider as we finalise a design for the new playground.

We encourage you to give feedback online at akhaveyoursay.nz or you can:

Scan and email your completed form to:
