The draft Auckland Golf Investment Plan aims to ensure all Aucklanders benefit from publicly owned golf land. Do you support this goal?
Partially support

Do you have any comments about your response above? The Golf Courses should remain as they not only provide for a particular sport but also help maintain open space and vegetation to counter developed areas.

Do you have any comments about your responses above? It is a nice idea for the general public to greater access some golf courses areas eg. by providing walking tracks around the perimeters but safety is paramount. No-one wants to be hit by a golf ball!

Access by the general public needs to be defined better. Golf Clubs and their members shouldn't have to cleanup after the general public and the public should not be affecting the game through health and safety matters.

The wide vision of including 'everyone' in the sport of golf and on the golf course needs to be tempered by practicality.

I suspect the end result might be to destroy the golf clubs.

Is Council sure this isn't the desired result?

The Golf courses should stay.

They provide nice landscapes and open space as well as providing an area for golf.

Some walking tracks around the perimeters would be nice but health and safety should be paramount.

Don't destroy the golf courses just to provide 'willy nilly' access for all.
