Drury Greenways Plan

Feedback must be received by 22 October 2026.

Drury is growing fast, and we want to make sure the area has a connected network of walking and cycling paths.

We are proposing a Drury Greenway Plan with:

- walking and cycling connections between neighbourhoods, parks, schools, community facilities, town centres and other key destinations
- connections to streams and reserves to create greener, more attractive routes for people to enjoy.

The plan covers the area from Auranga through to Drury East and south towards Hunua Views and Ramarama. It aims to provide a long-term vision for future investment and planning in Drury.

We want your feedback to help refine the greenways plan.
