

Windmill Park Draft Concept Plan

Feedback must be received by **Sunday 16 July 2023**.

Windmill Park is a special park in Maungawhau/Mt Eden, important to many people and groups.

We are seeking feedback on a draft concept plan for Windmill Park. This form is designed to help us understand:

- what you like and don't like about the draft concept plan,
- what you would like to see changed in draft concept plan, and
- what your priorities are for the future development of Windmill Park.

The consultation pack outlines information on the draft concept plan. Last year we asked the community how they use Windmill Park and what they thought about potential development ideas. The feedback from the community plus other analysis helped us develop the draft concept plan. The consultation information pack outlines what we heard from the community and how the draft concept plan responds.

We recommend you read the consultation information pack before answering the following questions.

We encourage you to give feedback online at [akhaveyoursay.nz](https://www.akhaveyoursay.nz), or you can:
