

Upper Harbour Destination Indoor Court Facility

Community and stakeholder engagement feedback

Community engagement

- Mana whenua - 4 March 2020
- Online survey Have Your Say and People's Panel - 24 February-11 March 2020
- Stakeholder conversations – December - March 2020

“I think it is a great idea. ”

“I'd like to know where it might be placed”

“Must have good parking facility ”

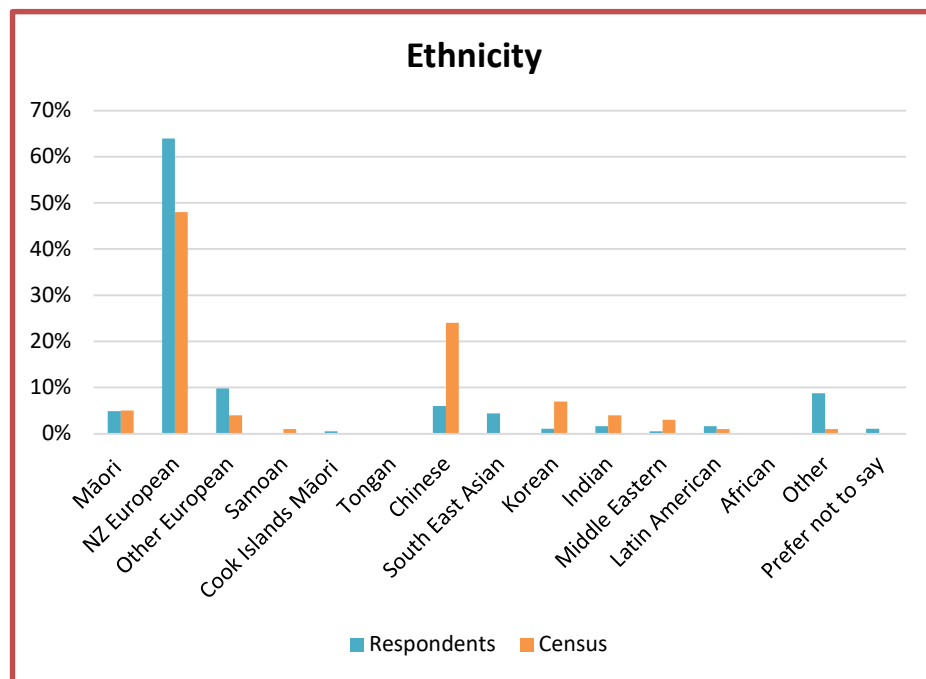

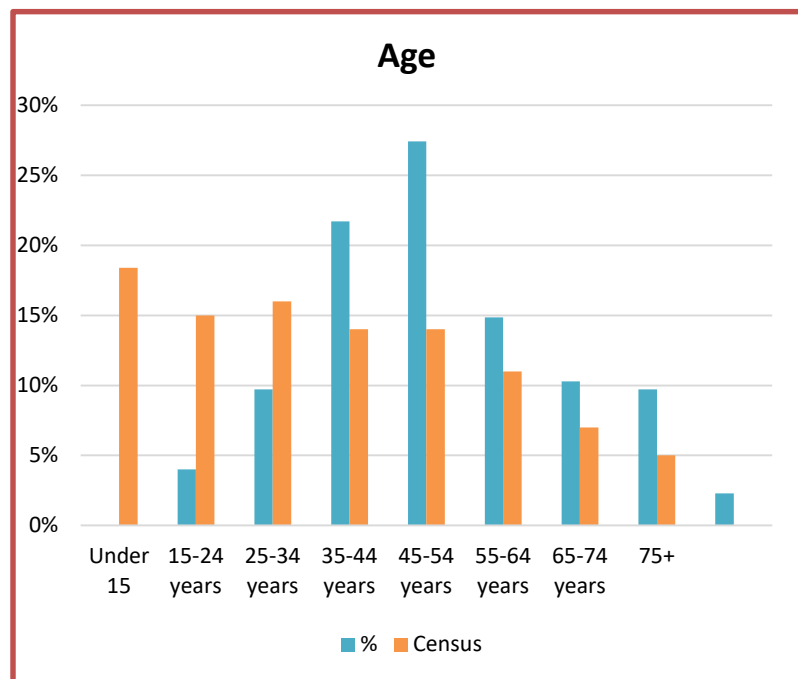

“let's build it for future capacity needs as Upper Harbour continues to grow.”

“Important for the area! ”

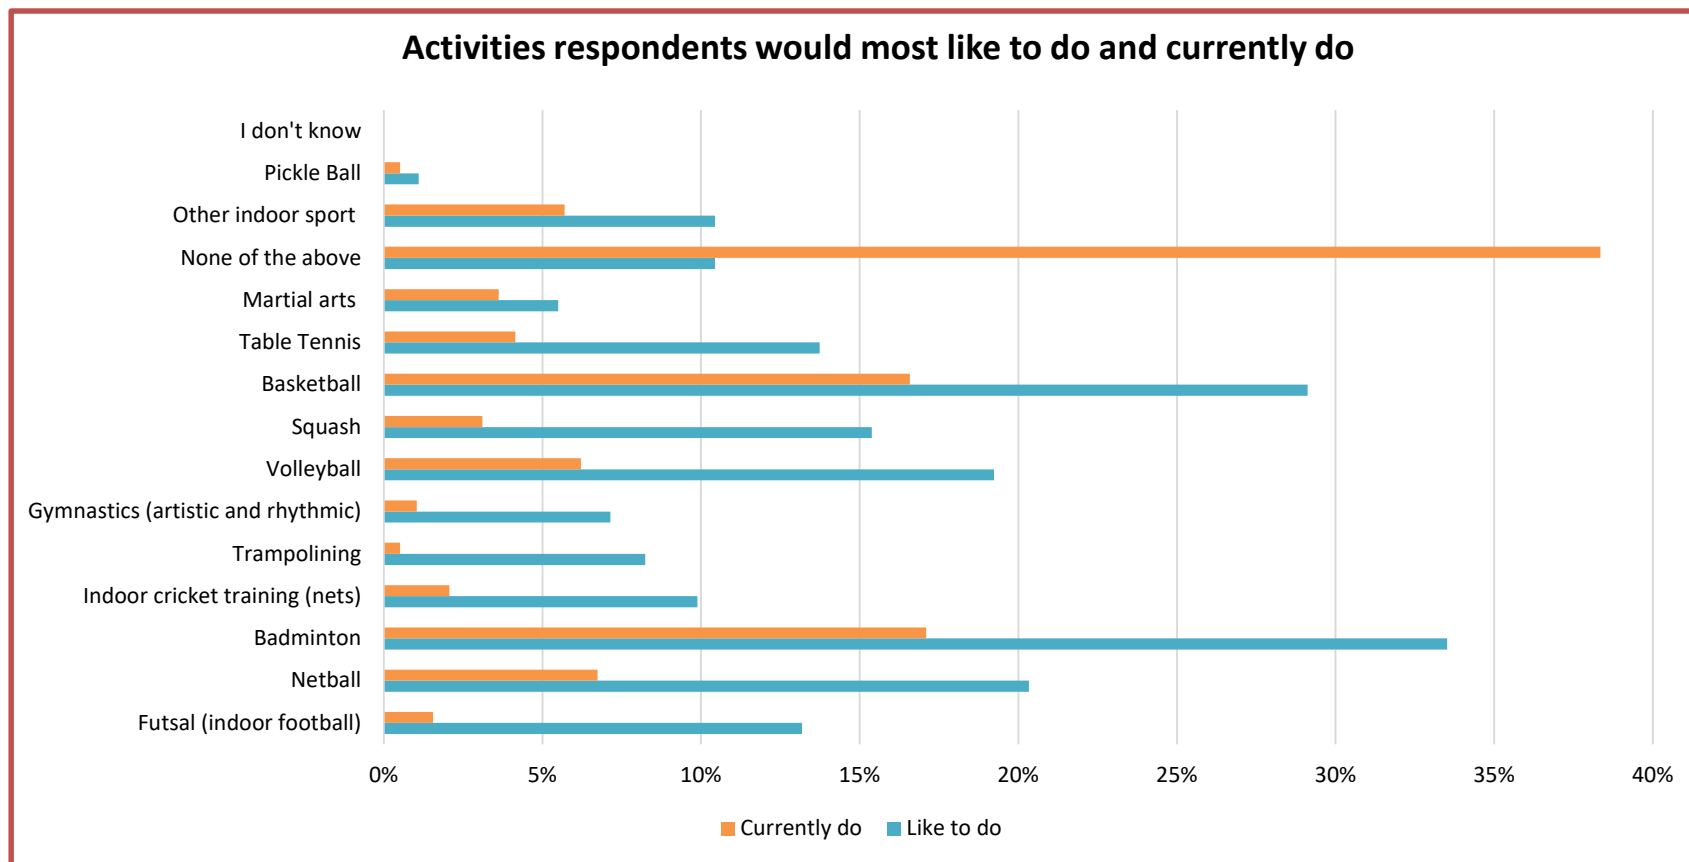

“not enough badminton courts on the shore for the growth that has happened”

“Can't wait!”

Demographic of respondents

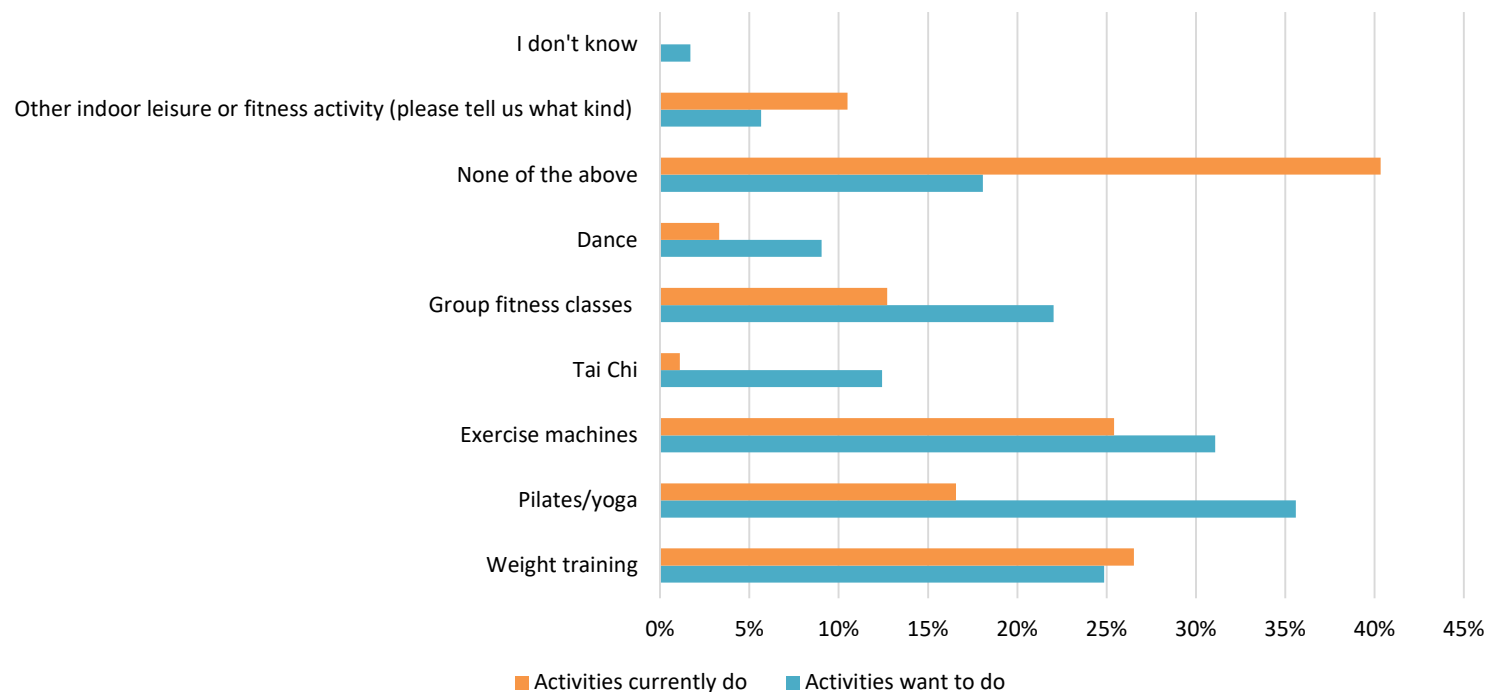

Indoor sport and activities

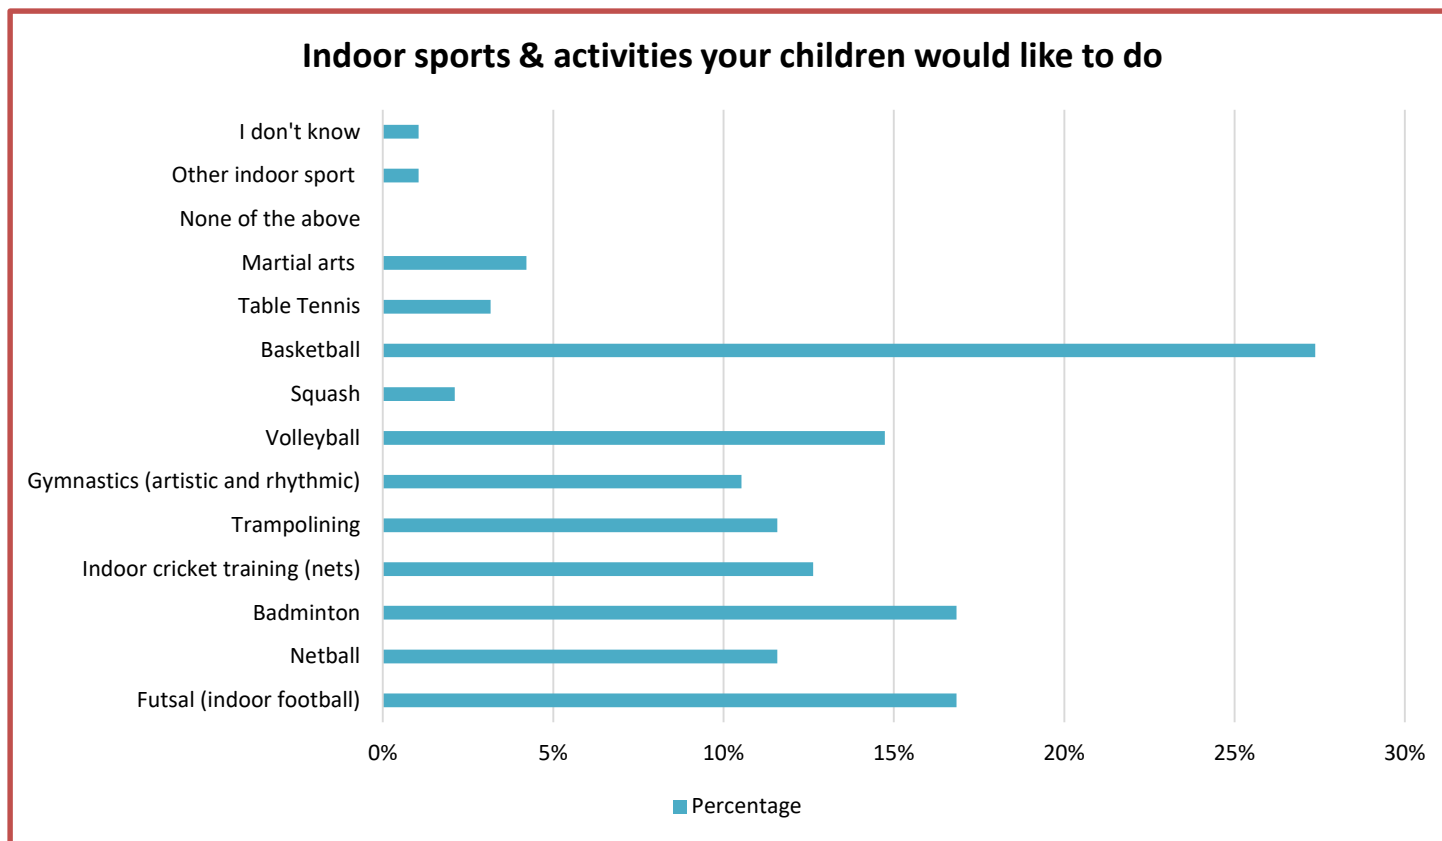

Personal fitness and wellness activities

Activities respondents would most like to do and currently do

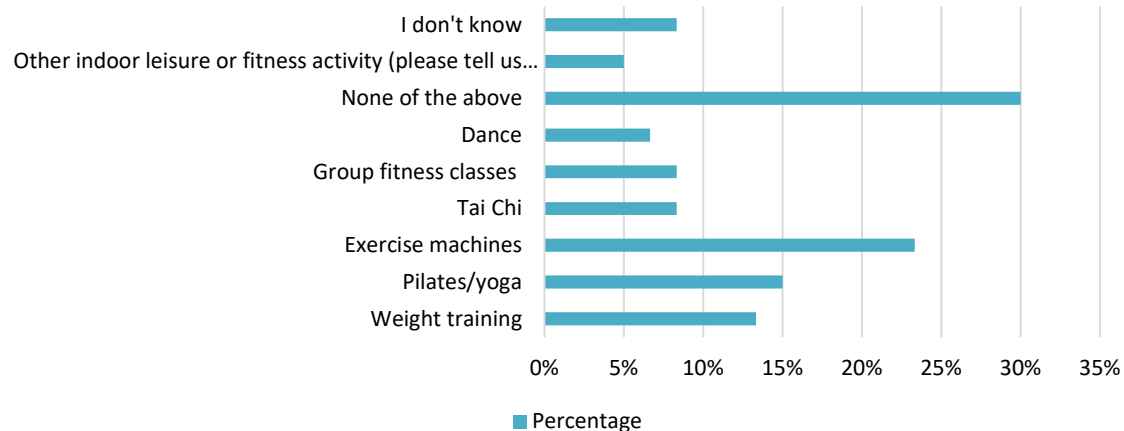

Activities school-aged children

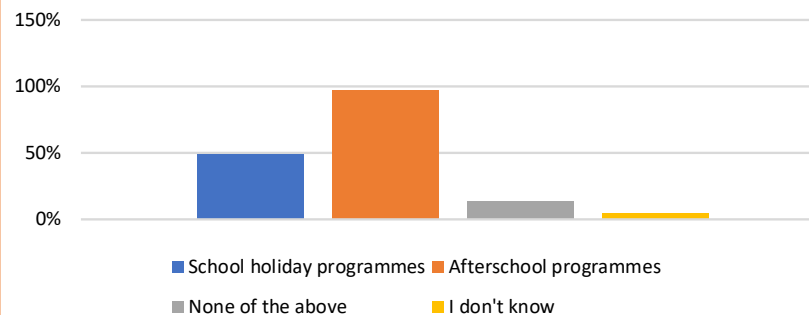

Activities school-aged children

Personal fitness & wellness activities your children would like to do
