

Ray Fausett Reserve Playground Development

Feedback must be received by **09 October 2022**

We are engaging in order to establish the community's preferences for what they would like to feature in the future playground spaces at Ray Fausett Reserve. This is an opportunity for the community to inform and influence Council decision making. The community feedback will be incorporated where feasible into the designs for the Reserve, and the designs presented to the Franklin Local Board for decision making.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
