- Auckland Design Manual
- Mana whenua documents (iwi management plans and relationship agreements)

Āpitihanga B: Ngā ture ā-rohe mai i te tau 2025

Appendix B: Bylaws as of 2025[1]

Bylaw	What it covers
Alcohol Control Bylaw 2014	• controls the consumption or possession of alcohol in public places through alcohol bans
Animal Management Bylaw 2015	• bylaw is to provide for the ownership of animals (excluding dogs) in a way that – (a) protects the public from nuisance; (b) maintains and promotes public health and safety; (c) minimises the potential for offensive behaviour in public places, and (d) manages animals in public places. • Includes obligations of animal owners in public places, and; • specifies responsible horse-riding standards for public parks and beaches • requires every person wanting to keep bees or graze stock in a public park to get permission from the council.
Dog Management Bylaw 2019 (in conjunction with Auckland Council Policy on Dogs 2025)	• states where dogs are allowed under control on and off a leash, and where dogs are not allowed • requires dog owners to immediately remove and appropriately dispose of their dog's droppings
Freedom Camping in Vehicles Bylaw 2022	• manages where freedom camping in vehicles is allowed, restricted, or prohibited on council-controlled public land across Auckland. • requires responsible camping, including using a certified self-contained vehicle, limiting stay duration, and complying with rules enforced through fines
Public Safety and Nuisance Bylaw 2013	• includes rules around behaviour that puts public safety at risk or causes a nuisance, damage or obstruction, or interferes with any other person in their use or enjoyment of that public place • additional controls cover: - use of public places - closing a park or beach - temporarily restricting recreational activities, and - driving or parking vehicles on parks and beaches
Signs Bylaw 2022	• sets clear rules for how signs can be used—including their type, size, number, placement, and illumination—on both private and public land.

[1] Please always check to Auckland Council website for the most up-to-date version of the applicable bylaws.

	• manages safety and reduces visual clutter by limiting certain sign types, applying stricter rules in sensitive areas, and consolidating previous signage bylaws into one framework.
Public Trading, Events and Filming Bylaw 2022	• regulates trading, events, and filming in council-controlled public places, requiring most activities to obtain approval or comply with conditions. • minimises public safety risks, nuisance, and misuse of public spaces through rules on when activities are permitted, restricted, or prohibited, supported by a clear approval and enforcement framework.
Traffic Bylaw 2015	• enables vehicles to be prohibited or restricted in public places where necessary.

Āpitihanga C: Ngā Whakamārama

Appendix C: Definitions

Interpreting the definitions

- Words and phrases used in this plan have the meaning set out in their definitions in this appendix unless otherwise specified.
- Words and phrases that are defined in the Reserves Act 1977 or Local Government Act 2002 have the meaning set out in their respective Act, except where expressly provided for otherwise in this appendix or elsewhere in this plan.

Definitions

Term	Definition
Active transport	In terms of parks planning refers to modes of transport that require a person to be physically active, for example walking, running, non–mechanised forms of cycling or scootering.
Activating parks	Assets, activities, programmes or events that are designed to encourage use and enjoyment of a park; can be temporary or permanent.
Activation	Activations are organised programmes, events or activities to give people new and interesting chances to play, have fun, and be active in their local parks.
Administering body	In relation to this plan means the local board, as Auckland Council, is the "administering body" (as defined and referred to in the Reserves Act) of local parks in this plan held under the Reserves Act 1977, namely it has been allocated decision-making responsibility for the local reserves within its local board area, in accordance with the Reserves Act.
All-ability	Providing for people with a range of abilities that may relate to age, or physical, mental or financial capacity.
Ancillary activities /services / uses / infrastructure	Activities / services / uses / infrastructure necessary to support or supplementary to the primary activities or operation of a group or organisation.
Animal	Any mammal, bird, reptile, amphibian, fish (including shellfish) or related organism, insect, crustacean, or organism of every kind; but does not include a human being. This definition can also be applied to 'fauna', which has been used interchangeably in this plan.
Archaeological Site	A place associated with pre-1900 human activity, where there may be evidence relating to the history of Aotearoa New Zealand. However, a place associated with post-1900 human activity may be gazetted as an archaeological site under the Heritage New Zealand Pouhere Taonga Act 2014.
Biodiversity	Refers to the range and diversity of the native or indigenous flora and fauna on the parks.

Boat	Means every description of vessel (including barges, rafts, lighters, and like vessels) used in navigation, however propelled.
Building	Has the same meaning as the Auckland Unitary Plan.
Bylaws	Refers to bylaws authorised by Acts of parliament to be made by Auckland Council that apply to Tāmaki Makaurau / Auckland.
Certified self-contained vehicle	A vehicle that can meet its occupants' water, waste, and sanitary needs for at least three days without using external facilities and is officially certified under New Zealand's self-containment regulations.
Closed cemetery	Has the same meaning as in section 2 of the Burial and Cremation Act 1964.
Common Marine and Coastal Area	Has the meaning in the Marine and Coastal Area (Takutai Moana) Act 2011
Commercial activities	Any activity undertaken on a park which involves an element of financial gain or benefit by the person or persons undertaking it.
Community group or organisation	A non-profit organisation or association of persons who have the primary aim of working to provide services and benefits to the community any funds generated are used to maintain and develop the organisation to support its community services and activities has open membership criteria restrictions are not imposed, such as setting membership or participation fees at a level that exclude most people who might want to participate.
Concept plans	Values-based plans that sets out the long-term vision for the park in terms of the intrinsic value to be protected and the general development and activity intentions for the park.
Crown land	Has the same meaning as in the Land Act 1948.
Development Plans	Plans that prescribe the detailed layout of the park as a preliminary to developing contract architectural, engineering or landscape drawings.
Easement	A legal right to use the land of another, in a particular way for some limited specified purpose, without any right to occupation or possession. Examples include rights of way, right to convey; electricity, stormwater or wastewater.
Event	Has the same meaning as in the Public Trading, Events and Filming Bylaw 2022
Filming	Has the same meaning as in the Public Trading, Events and Filming Bylaw 2022
Foreshore	All land lying between the high-water mark of the sea at ordinary spring tides and its low-water mark at ordinary spring tides.

Freedom Camping	Has the meaning given by section 5 of the Freedom Camping Act 2011.
Greenways	Connected pathways separated from roads that provide for safe walking, cycling and other forms of recreation such as horse riding. They provide access to places such as schools, libraries, shopping, and public transport nodes, and have environmental benefits.
Heritage New Zealand Pouhere Taonga	Means the Crown entity established by section 9 of the Heritage New Zealand Pouhere Taonga Act 2014.
Infrastructure	All built structures on the parks including roading, vehicle parking areas, tracks, visitor facilities, signs, recreational furniture (such as seats) and operational facilities. Includes, but is not limited to, the following: • structures for transport on land including roading, walkways and cycleways • a water supply distribution system, including irrigation • pipelines that distribute or transmit gas • a drainage or sewerage system for the purposes of stormwater or wastewater • structures for the transmission or distribution of electricity, including lines and support structures.
Interpretation	A form of communication that seeks to engage park visitors on a topic, such as the parks history. Can be achieved through signs, displays, guided walks, audio visuals, etc.
Iwi	A Māori tribe, usually containing a number of hapū with a common ancestor.
Key stakeholders	Groups or individuals that have a particular interest in a park/s or the outcomes of a project, programme or activity.
Kōiwi	Human skeletal remains.
Lease	A lease is an agreement where one party grants another party the right to exclusive possession of land and/or buildings for a term in return for rent. A lease may also grant ancillary rights of use and access to common areas e.g. lobbies, hallways, outdoor spaces, shared bathrooms, landscaped areas and parking access lanes. A lease is often used when a person or an organisation wants to take exclusive occupation or control of a property for business or community purposes
Licence	A licence is where one party grants another party a non-exclusive right to use or occupy land and/or buildings for a term in return for a licence fee. A licence is essentially a “permission” to use or occupy the property for a particular purpose. A licensor generally retains control and access to the licence area and

	the licensor is allowed to grant rights to other parties provided that each licence does not interfere with the other rights granted.
Mahi toi	Māori art or craft.
Mana Whenua	Customary authority exercised by an iwi or hapū or individual in an identified area.
Mean High Water Springs	Abbreviated as 'MHWS', being a dynamic boundary which is the average height of successive high tides when the tidal range is the greatest (i.e., average height of spring tides).
Park	Any reference to a park in this plan. refers to land set apart for public purposes in accordance with a provision of the Reserves Act, is assumed to include land held under the Local Government Act that is managed by council as park, unless otherwise specified.
Park infrastructure	All permanent, built structures on the parks including drinking foundations, rubbish bins, signage and information boards, lighting, recreational furniture or assets (such as seating or fitness equipment), play equipment.
Pathogens	Any agent (usually a microbe) that causes a disease. Pathogens can attack native flora and fauna, and spread autonomously by water or air, or vectored by animal and human activities.
Pedestrian	A person on foot in a public open space. Includes: • a person who is walking alongside a micromobility device on a footpath (such as a bicycle or scooter) • a person in perambulator or pushchair. Excludes: • a person in or on a micromobility device, vehicle or any other contrivance equipped with wheels or revolving runners not listed above.
Plant	Any angiosperm, gymnosperm, fern, or fern ally and includes any moss, liverwort, algae, fungus, or related organism. This definition can also be applied to 'flora', which has been used interchangeably in this plan.
Rāhui	In Māori culture, a rāhui is a form of tapu restricting access to, or use of, an area or resource by the kaitiaki of the area. This can be interpreted as a cultural prohibition, which typically restricts access for a temporary or prolonged period of time.

Rangatiratanga	chieftainship, right to exercise authority, chiefly autonomy, chiefly authority, ownership, leadership of a social group, domain of the *rangatira*, noble birth, attributes of a chief. kingdom, realm, sovereignty, principality, self-determination, self-management - connotations extending the original meaning of the word resulting from Bible and Treaty of Waitangi translations.
Significant	An effect that is noticeable and will have a serious adverse impact on the environment.
Social enterprise	An organisation that has a social, cultural, or environmental mission, that derives a substantial portion of its income from trade, and that reinvests the majority of its profit/surplus in the fulfilment of its mission.
Spatial Plan	A visual illustration of the intended future layout of a park which will consider the park's values and any relevant environmental constraints and may show the location, form and mix of soft and hard infrastructure. This can be achieved through a number of vehicles including a concept plan, development plan or masterplan.
Structure	Includes any construction or framework, building, equipment, device or facility, made by people and fixed to the land or another structure.
Taonga	Means anything highly prized or treasured, tangible or intangible that contributes to Māori hauora (long term wellbeing). The term equates roughly to the concept of a resource, but incorporates a range of social, economic and cultural associations. Included, for example, are te reo (the Māori language), wāhi tapu, waterways, fishing grounds, mountains and place names.
Tikanga	Correct procedure, custom, lore, method, way, plan, practice, convention, protocol. The customary system of values and practices that have developed over time and are deeply embedded in the social context.
Utilities	Includes any of the following (above ground and underground): structures or pipelines that contribute to water supplies, sewerage reticulation and stormwater drainage network. pipelines that distribute or transmit gas structures for the transmission or distribution of electricity, including lines and support structures structures for the transmission, distribution or supply of telecommunication services.
Vehicle	A machine/device equipped with wheels or revolving runners upon which it moves or is moved; and includes a machine/device from which the road wheels or revolving runners have been removed
Voluntary Organisation	Any body of persons (whether incorporated or not) not formed for private profit.

Wāhi tapu	Māori sacred place, sacred site - a place subject to long-term ritual restrictions on access or use, e.g., a burial ground, a battle site or a place where tapu objects were placed.
Wildlife	All animals that are living in a wild state; but does not include any animals of any species for the time being specified in Schedule 6 of the Wildlife Act 1953.
Within the existing footprint	Means the building structure and is defined by the perimeter of the building plan or in the case of the lease the boundary provided on the lease plan. Generally parking areas, landscaping and other non-building facilities are not included in the building footprint.

Windsor Reserve	Reserve Management Plan for Windsor Reserve (1999)
Woodall Park	Reserve Management Plan for Woodall Park (1997, amended in 1998)

Āpitihanga E: Kōrero mō ngā mahi a te rēhia

Appendix E: Description of recreational activities

This list of activities relates to the Recreation Values in the individual parks template for Volume 2 of this plan:

Boat launching	Boat launching ramps and other boat access areas available for the public to launch boats.
Beach access	Dedicated areas used to provide access to the beach.
Camping	Established campgrounds or dedicated space for certified self–contained freedom camping.
Community events	Events undertaken for the benefit of the community or community groups.
Community leisure and recreation	Community-based activities often provided by community groups that often use buildings or space (e.g. community halls) includes council operated pools and leisure centres.
Connection	Key links or routes formed or unformed between or to streets, parks, rivers/coast or residential or commercial areas.
Cycling	Riding of bicycles on hard surfaces (i.e. concrete or flat easy grade compacted gravel surfaces)
Dog exercise park	Dedicated area for dogs to exercise and play off-leash in a controlled environment.
Education	Activities that utilise park settings to provide for personal development through increased knowledge, skills, confidence. This can include increase academic knowledge for example about nature, geography, culture, history or social development through exposure to recreational experiences, team building or organised group activities.
Fitness and exercise activities	Outdoor group fitness/boot camps, outdoor fitness trails and gym equipment.
Informal recreation	General use and enjoyment of parks for unorganised casual activity (e.g. walking, picnicking).
Mountain biking	Off-road cycling.
Nature based activities	Nature appreciation, nature trails bird watching, nature restoration volunteering.
Organised sports	Sports that have been formally arranged including social or pickup games that require access to fields/courts/beaches or other specific facilities.
Play space (based on scale)	Neighbourhood play spaces are characterised by: • natural landscape features and opportunities for nature play • amenity planting and/or semi–natural areas that are designed and/or managed for play • spaces to play in groups, as individuals or for a common purpose • may have kick–about area.

	Community play spaces are characterised by: • kick–about area • may have informal court space (e.g. basketball half court) • spaces to gather and meet and to engage in different types of play (e.g. both active play and relaxation/quiet contemplative play) • natural landscape features • where possible, designed to encourage exploration of the natural environment such as steps to a stream or a path to the bush or the beach • amenity planting and planted areas that are designed and located to be played in or on • include opportunities for nature play. Destination play spaces are characterised by: • kick–about area • spaces to gather and meet • informal court space (e.g. basketball half court) • natural landscape features • may have art installations or hard landscape features that offer opportunities for play • located in spaces where there are opportunities for informal and incidental play and interaction with the natural environment.
Shared paths	A well-formed durable surface (e.g. concrete or compacted gravel), that may be used by some or all of the following persons at the same time; pedestrians, cyclists, riders of mobility devices and riders of wheeled recreational devices. Shared paths require sharing with care and are suitable for all ages and for most fitness levels.
Surf lifesaving	An activity that provides for the prevention of and response to accidents, emergencies or urgent problems within the coastal environment. Includes: • administration relevant to surf lifesaving organisations • vehicle and equipment storage and maintenance • personnel training, development and short- term accommodation public education programmes.
Walking trails	'Less urbanised' paths or trails for walking/running that may have medium or steep gradients, steps, and some muddy sections.
Water based activities	Activities that are water related and often use parks as a set up/access point (e.g. kayaking/swimming/ sailing).

Āpitihanga F: Whakarāpopototanga o ngā urupare tuatahi mō te uiuitanga mō ngā papa rēhia o Devonport-Takapuna

Appendix F: Summary of initial consultation feedback on Devonport-Takapuna parks

Auckland Council consulted the community from 3 July to 4 September 2020 about the intention to prepare a management plan for Devonport-Takapuna local parks. We received 115 submissions (110 online, 5 emailed). Of these, 105 came from individuals and 10 came from organisations or community groups. Most submitters were local board area residents, predominantly female, with varied ages (although many did not provide age information).

Most respondents (76 people; 71%) did not disclose their ethnicity. Among those who did, Pākehā/NZ European was the largest group (32 respondents; 30%), followed by Māori (4; 4%), Other European (3; 3%), Other ethnicities (2; 2%), and Latin American (1; 1%).

Submitters commented on 43 individual parks across the local board area, with the most frequently mentioned being Alison Park (the site of Waitamatā Golf Course), Balmain Reserve, Devonport Domain, Lake Pupuke, Milford Beach Front Reserve, Ngataringa Park, Sunnynook Bush, Sylvan Park, and Takapuna Beach.

The community was asked to provide feedback to help shape the Devonport-Takapuna Local Parks Management Plan — specifically what they value about their parks, how they use them, and what improvements or changes they would like to see in the future.

Key themes from community feedback:

1. Better Connectivity and Access

The public asked for improved connectivity between parks and better access for people with limited mobility, including clearer and more continuous paths, more accessible entrances, and safer route options.

2. Protection of Ecology, Flora, and Fauna

Strong support was expressed for protecting and enhancing local ecology, particularly safeguarding native flora and fauna, restoring natural habitats, and ensuring park management practices prioritise biodiversity and long-term environmental resilience.

3. Water Quality

Improving water quality at Lake Pupuke and nearby streams was a strong theme. Submitters supported actions such as riparian planting, stormwater daylighting, and upgrades to water-related infrastructure.

4. Park Maintenance

Feedback highlighted the need for improved walkway maintenance, more consistent pest and weed control, and better care of assets, including mangrove-affected areas, lake weed management, and structures at Fort Takapuna and Sylvan Park.

5. Public Toilets

Submitters raised concerns about poor toilet cleanliness, condition, and availability, and requested additional facilities—especially at Lake Town Green, Lake Pupuke, and Northboro Reserve.

6. Play, Recreation, and Informal Use

Requests included more play spaces, children's bike tracks, and expanded play offerings, particularly at Takapuna Beach. There was also strong demand for new skateparks in both Devonport and Takapuna.

7. Water Access and Water Sports

Lake Pupuke was valued for non-motorised water sports, and submitters supported continued protection of this use. Concerns were raised about restricted beach access at Milford Beach.

8. Organised Sports

Sports groups sought secure tenure, facility improvements, extended bar licensing hours, and upgraded changing rooms. Submitters supported developing a sports hub at Devonport Domain and adding facilities such as cricket wickets and field lighting.

9. Asset Requests

Common requests included new playground equipment, shade structures, outdoor gyms, multilingual signage, safety fencing, more women's changing rooms, and improved water-sports storage at Lake Pupuke.

10. Parking and Vehicle Access

Submitters raised concerns about parking management, signage, unauthorised vehicle access, and safety issues at park entrances.

11. Retention and Acquisition of Green Space

Many emphasised the importance of protecting green spaces. Milford Reserve was described by several submitters as a "de facto regional park." Some expressed concern about the potential disposal of underutilised parks.

12. Dogs

There was support for a dog park at Brian Byrnes Reserve, alongside continuing concerns about dogs entering wildlife-sensitive areas.

13. COVID-19 Reflections

Submitters observed that COVID-19 restrictions increased community reliance on parks for exercise, wellbeing, and connection with nature.

Āpitihanga G: Ngā papa rēhia kei waho o te whakamaheretanga whakahaere papa rēhia ā-rohe

Appendix G: Parks out of scope of the local parks management plan

Council owned or managed

Reserve name	Physical address	Legal description	Reason for excluding
Bayswater Esplanade Reserve	R 45A Beresford Street	Part Lot 182 DP 4787	This parcel is small and disconnected from other council parkland. Coastal access is informal, with encroachment from private land, and is not promoted for public use.
Bayswater Esplanade Reserve	R 45A Beresford Street	Part Lot 159 DP 4787	This parcel is small and disconnected from other council parkland. Coastal access is informal, with encroachment from private land, and is not promoted for public use.
Devonport Recycling Centres	27 Lake Road	Lot 2 DP 76084	This site is not a park and is currently a commercially leased property. Ongoing contamination and heritage constraints limit the range of potential future uses.
Guiniven Reserve	R 2 Guiniven Avenue	Part Lot 5 DEEDS T66	Appears be a road reserve - not a park.
Milford Beach Front Reserve	R 66 Milford Road	Part Lot 24 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the Local Government Act (LGA).
Milford Beach Front Reserve	R 66 Milford Road	Part Lot 19 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Milford Beach Front Reserve	R 66 Milford Road	Part Lot 21 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.

Milford Beach Front Reserve	R 66 Milford Road	Part Lot 23 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Milford Beach Front Reserve	R 21 Tiri Road	Part Lot 56 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Milford Beach Front Reserve	R 21 Tiri Road	Part Lot 55 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Milford Beach Front Reserve	R 66 Milford Road	Part Lot 20 DP 6892	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
NULL	R 21 Tiri Road	Part Lot 15 DP 7514	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
NULL	6Z Fred Thomas Drive	Section 3 SO 396080	This area is separate from Barry's Point Reserve due to its location on the opposite side of Fred Thomas Drive. The land was declared road in the New Zealand Gazette (2025, ln 212) and is therefore not a park.
Bayswater Esplanade Reserve	R 45A Beresford Street	Part Lot 16 DP 4787	This parcel is small, disconnected from other council parkland, and is not promoted for public use.
Null	NULL Beach Road	Allot 479 PSH OF Takapuna	This land does contains a disconnected piece of council land and there may be encroachment issues that would need to be addressed. The land is not held under the Reserves Act 1977.
Null	R 21 Tiri Road	Part Lot 14 DP 6927	This land does contains a disconnected piece of council land and there may be encroachment issues that would need to be addressed. The land is not held under the Reserves Act 1977.

Null	R 21 Tiri Road	Part Lot 13 DP 7514	This land does contains a disconnected piece of council land and there may be encroachment issues that would need to be addressed. The land is not held under the Reserves Act 1977.
Null	R 21 Tiri Road	Part Lot 13 DP 6927	This land does contains a disconnected piece of council land and there may be encroachment issues that would need to be addressed. The land is not held under the Reserves Act 1977.
Null	221 Shakespeare Road	Sec 3 SO 418791	This land does not appear to be a formal council park. It was acquired for the purpose of indirectly supporting a road, as recorded in the New Zealand Gazette (2009, p. 2735).
NULL	R 2 Wairau Road	Section 8 SO 435956	This is not a public park. The land forms part of adjoining Ministry of Education property, developed as netball and tennis courts and maintained by Westlake Girls.
NULL	78Z Taharoto Road	Section 16 SO 406748	The land was acquired for use in connection with road widening, as recorded in the New Zealand Gazette (2011, p. 777). It comprises road and footpath infrastructure.
NULL	4-6 Blomfield Spa	Lot 1 DP 423334	This is a small area behind the former Takapuna council offices. The land has been sold to an adjoining landowner, is no longer council-owned.
NULL	46 William Bond Street	Closed Road Survey Office Plan 33703	Closed road with Council accessway; not part of park extent in GIS.
NULL	R 201 Lake Road	Part Allot 17 Sec 1 PSH OF Takapuna	Strip along drainage reserve with possible encroachment issues.
NULL	46 William Bond Street	Allot 90 Sec 2 PSH OF Takapuna	Closed road with Council accessway; not part of park extent in GIS.
Northboro Reserve	R 39 Northboro Road	Reclaimed Land DP 59719	This is a small portion of land maintained as part of Northboro

			Reserve on reclaimed land, appearing to comprise seabed or land below mean high water.
NULL	21 Albert Road	Section 1 SO 470272	Road balance parcel.
NULL	44 Esmonde Road	Lot 3 DP 482894	This is residual land taken under a New Zealand Gazette notice (2008, p. 40) for transport purposes as part of the Esmonde Interchange Project. The balance parcel remains held in fee simple under the Local Government Act.
NULL	413 Lake Road	Section 1 SO 419230	The land was taken under a New Zealand Gazette notice for the purpose of indirectly supporting a road.
NULL	2 Forrest Hill Road	Section 1 SO 484419	This site is zoned Residential – Mixed Housing Urban and is not managed as a park. It is a residual parcel from a larger residential property acquired for roading purposes and, consistent with Mt Wellington Racecourse Club Incorporated v Auckland Council, land acquired for transport purposes is not considered parkland.
Selwyn Reserve	R 53 Selywn Creswcent	Lot 27 DP 47869	The land is a small parcel that is not readily visible from the street and is disconnected from other parkland, resulting in limited public open space value. The land is held under the Local Government Act 2002.
Thornes Bay	R 21 Tiri Road	Part Allot 83 PSH OF Takapuna	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Thornes Bay	R 21 Tiri Road	Part Lot 16 DP 16529	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Thornes Bay	R 21 Tiri Road	Part Lot 5 DP 13179	Not held under the Reserves Act and containing wastewater

			infrastructure. Retained under the LGA.
Thornes Bay	R 21 Tiri Road	Part Lot 6 DP 13179	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Thornes Bay	R 21 Tiri Road	Part Lot 4 DP 13179	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Thornes Bay	R 21 Tiri Road	Part Lot 17 DP 13179	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.
Thornes Bay	R 21 Tiri Road	Part Lot 3 DP 13179	Not held under the Reserves Act and containing wastewater infrastructure. Retained under the LGA.

43 Vauxhall Road	43 Vauxhall Road	Part Lot 5 DP 131812	Part of childcare centre.

Non-council owned or managed

Reserve name	Physical address	Legal description	Reason for excluding
Norwood Road Stormwater Reserve	R 73A Norwood Road	Lot 2 DEEDS T 69	Land owned and managed by Watercare.
Fort Takapuna Reserve	170A Vauxhall Road	CROWN LAND	Crown land managed by the Department of Conservation.
Lake Pupuke Reserve	R 6 Kitchener Road	Lot 3 DP 165203	DP 165203 shows the lakebed is vested in North Shore City Council under section 237A of the Resource Management Act 1991; however, as submerged lakebed, it is considered out of scope.
Lake Pupuke Reserve	R 6 Kitchener Road	Lot 3 DP 104695	Crown land managed by the Department of Conservation.
Milford Beach Front Reserve	R 66 Milford Road	Lot 4 DP 164705	This area appears to be above Mean High Water Springs extent as at 2026, likely as a result of accretion. Noting the legislative changes affecting seabed and foreshore since 1991, the view is that under the Marine and Coastal Area (Takutai Moana) (Customary Marine Title) Amendment Act 2025, the seabed is not owned by any individual or agency.
Narrow Neck Beach	R 2 Old Lake Road	Part Allot 3 Sec 2 PSH OF Takapuna (in GIS PT ALLT 3 SECT 2 PARO TAKAPUNA)	Crown-owned land without a management agreement with Council.
Marine Parade Reserve	R 11 Sir Peter Blake Parade	Part Lot 1 DP 19921	Revested in the Crown and therefore out of scope, though GIS mapping shows part of it within the Marine Parade Reserve extent.

NULL	NULL King Edward Parade	Crown Land Survey Office Plan 66979	Revested in the Crown.
NULL	R 35 Cheltenham Road	Part Endowment Land Deposited Plan 1009	Revested in the Crown.
NULL	24 Forrest Hill Road	Lot 35 DP 30199	Crown owned land without a management agreement with Council.
NULL	R 37 East Coast Road	Lot 22 DP 8384	Held for accessway purposes between Castor Bay Road and Eastcliffe Road without a formed pathway constructed – not a park.
Thornes Bay	R 28 Minnehaha Avenue	Lot 6 DP 370804	Crown owned land without a management agreement with Council.
NULL	R 38 Richards Avenue	Lot 21 DP 43642	Part of residential site (addressed 38 Richards Avenue).
NULL	R 21 Alma Road	Lot 6 DP 46541	Land owned and managed by Watercare.
Northboro Reserve	R 39 Northboro Road	Reclaimed Land DP 59719	Small corner of parcel maintained as part of Northboro Reserve (reclaimed land).
Thornes Bay	R 28 Minnehaha Avenue	Lot 3 DP 370804	Land underwent a land exchange, is now administered under the Reserves Act, and the title remains vested in the Crown.
Thornes Bay	R 28 Minnehaha Avenue	Lot 5 DP 370804	Land underwent a land exchange, is now administered under the Reserves Act, and the title remains vested in the Crown.
