

Shepherds Park – playground concept design and nature play

Feedback must be received by 4 October 2024.

The Kaipātiki Local Board aims to deliver an upgraded playground at Shepherds Park and a nature play area for all ages.

The existing playground at Shepherds Park, located at 31-35 Cresta Avenue, Beach Haven, is in poor condition and requires renewal. We aim to improve play provision for 0–12-year-olds with new elements like a basket swing, sand play, and themed role play. In line with the Kaipātiki nature spaces report, we've also included nature play in the concept designs, developed with input from community groups, a local school, and the Kaipātiki Local Board. We welcome your feedback on these proposed designs.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
