

Enhancing tsunami resilience in Tāmaki Makaurau Auckland

Feedback must be received by 2 May 2025.

We need your feedback to help enhance tsunami resilience in Tāmaki Makaurau Auckland.

Following a 2024 survey with at-risk communities, we worked with experts to develop recommendations to strengthen preparedness and response strategies across the region.

We want to know if you support the proposed recommendations for local board areas and if there is anything more we can do to prepare communities. You can provide feedback for up to three local board areas using our form. To comment on more than three local board areas, you can submit an additional form or use the online form.

We want to hear whether you support these recommendations for your community and any other communities of interest to you. We will present your feedback to the Civil Defence and Emergency Management committee.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.

You can give feedback online at akhaveyoursay.nz or you can:

Scan and email your completed form to:
