

Manurewa Library and Community Hub

concept plan

Feedback must be received by 9 September 2026.

We want to upgrade the existing Manurewa Library into a library and community hub. This is part of the Parks and Community Facilities Work Programme. The upgrade will help address the shortage of council-provided community spaces in central Manurewa.

The proposed upgrade includes a design that reflects Manurewa's diverse cultural identity and is user-friendly.

The project would:

- rearrange the library and Citizens Advice Bureau (CAB) spaces to create a range of bookable rooms and spaces
- combine the CAB and library spaces
- add a shared open-plan kitchenette
- create flexible, welcoming spaces for youth activities and programmes
- improve access with a new main entrance and after-hours access to bookable spaces
- upgrade the bathroom facilities.

We want to know if you support the proposed draft plan and what activities you would like to do at the upgraded hub.

We strongly encourage you to read the proposed concept and accompanying information before answering any of the following questions. You can view the draft concept plan at:
