

The Landing Concept Plan (Pathways to the Sea)

Feedback must be received by **24 September 2023**.

The Landing is a busy park on the seaward side (side nearest the sea) of Tāmaki Drive in Ōkahu Bay. It offers a variety of marine-related sport and recreation activities on the Waitematā Harbour.

In 2022 we proposed [three concepts](#) for public consultation to meet increased community demands and improve access to The Landing for everyone.

We wanted to find out what Aucklanders would like to see included in an updated plan for The Landing.

Based on the feedback from the consultation and written submissions, Ōrākei Local Board supported the inclusion of the following four design elements as priorities for the refreshed concept plan:

- a central park-like space for leisure activities and marine events
- multi-purpose buildings for new and existing clubs, and other activities
- storage space for boats and marine equipment
- all abilities and safe harbour access.

A hardstand for boat washdown/antifouling was not one of the four design features supported for inclusion in the refreshed concept plan. However, the local board has not made a final decision on the concept plan and will consider all feedback and suggestions.

The Ōrākei Local Board are consulting again on their vision for the site with an updated version of [Concept 3](#).

The Ōrākei Local Board will consider all received feedback before approving a refreshed concept plan for The Landing later in 2023.
