

Tin Boat Reserve playground renewal

Feedback must be received by 17 November 2026.

We want to improve the playground at [Tin Boat Reserve](#) in Onetangi to better meet the needs of local children and families.

We want to:

- improve the existing playground facilities
- add new play opportunities and other features.

We will use your feedback to help design the new playground and improve the reserve.

We want to know:

- what you and your family enjoy doing at the reserve
- how we could improve the reserve for local children, families and visitors
- what new features you would like at the reserve, such as:
 - picnic facilities and a water fountain
 - seats and shade
 - landscaping and planting
 - paths
 - improved parking
- which play equipment you would like in the new playground, such as:
 - swings and slides
 - balancing and climbing equipment
 - nature and imaginative play options
 - play equipment for younger children
 - play equipment that all ages and abilities can enjoy.

The project team will use your feedback to create a plan for the playground. They will then present this to the [Waiheke Local Board](#) for approval.

We expect building work for the new playground to start in August 2027. This could happen earlier depending on budgets.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
