Have your say on the Devonport-Takapuna Local Parks Management Plan

Feedback must be received by **21 August 2026**

The Devonport–Takapuna Local Parks Management Plan (LPMP) sets out a long-term approach for how local parks and reserves in the area will be managed, used, and developed over the next 10 years and beyond.

The draft plan responds to emerging challenges and opportunities, including climate change impacts (such as coastal erosion and storm events), increasing use of parks, protection of natural and cultural values, and the need to balance recreation with environmental resilience.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.
